Sertifi, Inc. Terms of Services Agreement

The following are the terms and conditions pursuant to which you (the "Customer") may access and use the Sertifi service and system. This is a legally binding document that details the Customer's rights and obligations relative to the customer's access and use of the Service. The terms and conditions of the Customer's access and use of the Service ("Terms of Service" or "TOS") must be expressly accepted by the Customer prior to and as a condition to a Customer's access and use of the Service. It is the Customer's responsibility to understand and abide by the TOS and by all other policies and procedures promulgated and communicated by Sertifi that may supplement, modify or amend the TOS from time to time.

WITNESSETH

Whereas, Sertifi is a third party technology provider operating an "Online Signature" and "E-Sign Room" service and software to businesses.

Whereas, the services provided by Sertifi are limited to capturing and applying electronic and handwritten signatures to documents, delivering documents and files, and storing documents;

Whereas, Customer desires to use the services and software of Sertifi;

Whereas, the Customer, End-User (as defined below) and any one else accessing the Services provided by Sertifi are sometimes referred to herein as a "User".

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the parties hereto acknowledge that the consideration recited herein is adequate and sufficient for their agreements and agree as follows:

1. Services. During the term of this Agreement Sertifi shall provide to Customer an internet web-based on-line signature and e-sign room service and software which allows the users thereof to create and send to third party email addresses requests for electronic signatures and allows users to electronically sign documents or fax handwritten signatures into the software provided by Sertifi (hereinafter referred to as the "Services").

2. Rates and Payment Terms. Customer agrees to pay to Sertifi the Service Fee in advance in Monthly increments (if Monthly Service Package is selected) or in Annual increments (if Annual Service Package is selected) within thirty (30) days after the date of each invoice. If the Service Fee is not paid within thirty (30) days after the date of an invoice, Sertifi may impose interest at that rate equal to the lesser of one and one-half percent (1 ½ %) per month. Sertifi may change the amount of the Monthly or Annual Service Fee by written notice to Customer not less than ten (10) days prior to the date the change is to take effect. Further, in the event any sum of money due from Customer to Sertifi is not paid in a timely manner Sertifi shall have the right, in addition to its other rights and remedies, to discontinuing providing Services to Customer or terminate this Agreement and all of the obligations of Sertifi to Customer.

3. Commencement Date. The Commencement Date is the date on which Sertifi shall provide the Services to Customer. If any customizations are requested Customer and Sertifi shall cooperate with each other and each shall use its reasonable commercial efforts to implement Customer into the Sertifi software.

no Auto Renewal 

4. Term. This Agreement shall begin on the Effective Date and shall remain in effect until ~~automatically renewing~~ each month or annually until terminated by either party upon thirty (30) days prior written notice to the other party.

5. Enforcement of Electronic Signatures. The enforcement of documents signed with electronic signatures and facsimile signatures is an evolving area of the law. The Customer has the obligation to determine the enforceability of electronic signatures and facsimile signatures, the enforceability of any particular document signed with an electronic signature or facsimile signature, the risks as to the identity of the users signing with the use of electronic signature or a facsimile signature, to provide each party to a document with any disclosure or explanation required by law concerning the utilization of electronic signatures, facsimile signatures and the use of the Services, and to draft its documents to accommodate enforcement of the terms of the documents when signed with electronic signatures and facsimile signatures. Sertifi does not make and none of its employees, agents or representatives are authorized on behalf of Sertifi to make any representation or warranty as to the enforceability of any document signed with an electronic signature or facsimile signature nor as to coverage of any document under legislation, legality of legislation, enforceability of any documents, validity of any documents, or suitability of its Services or legality and enforceability of documents or transactions that pass through its Services. Sertifi does not provide any assurances electronic signatures or facsimile signatures are enforceability in a court of law or equity.

6. Rules, Policies and Procedures. Sertifi may promulgate certain rules, policies and procedures for the use of the Services and Customer shall abide by those rules, policies and procedures for the use of the Services disclosed from time to time by Sertifi to Customer.

7. Modification to Agreement. Any modification of this Agreement, or additional obligation assumed by any party in connection with this Agreement, shall be binding only if placed in writing and signed by each party or an authorized representative of each party. It is not a modification to this Agreement for Sertifi to change the interfaces, software, mechanisms and any other feature of the Services and delivery of the Services and Sertifi may do so.

8. Right to Services. The rights of Customer to the use of the Services are personal to Customer and neither those rights nor this Agreement shall be transferred, sold, licensed, leased, assigned, conveyed or otherwise permitted to be used, in whole or in part, to or by any person or entity other than Customer without the express written consent of Sertifi which consent may be conditioned or withheld for any reason or no reason in the sole and absolute discretion of Sertifi. Any transfer of substantially all of the assets of the Customer or a transfer of more than one-half of the shares of stock or other equity interest in the Customer shall be deemed an attempted un-permitted transfer of this Agreement.

9. Data Security, ID, Passwords, Signed Documents and Disclosure of Data.

A. Sertifi shall comply with reasonable industry standards precautions to not disclose Data to persons not a party to this Agreement; except (i) as convenient or necessary to perform the Services, (ii) as convenient or necessary for Sertifi's internal record keeping, internal reporting and support purposes, (iii) to third parties bound by a confidentiality agreement to view Data only for the purpose of assessing Sertifi for a possible acquisition, (iv) a transfer of substantially all of the assets of Sertifi, and (v) as required by law, court order, subpoena, judicial or governmental administrative request or order, or to prosecute or defend the rights of Sertifi in a legal action.

B. Sertifi shall store and process information pertaining to Customer and End User using industry standard such as SSL encryption methods.

C. Sertifi shall provide mechanisms to provide to Customer information on the alleged identity of the End User signing documents using the Services; such as, email address, captured IP address of End User. Notwithstanding the foregoing, Sertifi does not guaranty nor warrant the identity of any End User. Customer agrees to be solely responsible to determine the identity of the End User and to assess the risk as to the End User with whom the Customer is transacting with and under what terms and as to the trustworthiness of the other parties to its transactions.

D. After documents or a Signature Stamp have left the Service or server of Sertifi, Sertifi shall not be responsible for the integrity of documents or a Signature Stamp. For example only and not by way of limitation, documents and signature stamps leave the server of Sertifi when a User forwards, accesses or stores a document or after a Customer closes its account with Sertifi and its documents and audit trails have been deleted from the server of Sertifi. This statement of lack of responsibility shall not be construed to impose liability upon Sertifi for the integrity or encryption of documents or Signature Stamps while in the Service or on the server of Sertifi.

E. Customer acknowledges that the Service relies on e-mail notifications to alert Users of signature requests and other information. Customer agrees that Sertifi is not responsible for Users failure to receive or send e-mails.

10. Lawful Use, Ethical and Moral Use. Customer agrees to use and to cause its End Users to use the Services only for lawful and ethical purposes. Customer shall not and shall cause its End-Users not to send unsolicited advertising, viruses or other harmful data using the Services or the Sertifi software or the Sertifi server. In the event Sertifi reasonable believes that Customer or any of its End Users are not in compliance with this provision, Sertifi may (i) immediately suspend Service to the Customer and (ii) may terminate this Agreement upon notice to Customer and (iii) may report unauthorized use to law enforcement authorities. Further, in the event Sertifi reasonable believes Customer or any of its End Users are not in compliance with this provision, Sertifi may delete from its servers all non-compliant information.

11. Storage of Information. For 30 days after a document is signed using the Service pursuant to this Agreement, Sertifi shall allow the Customer to download its documents and audit trails from the Sertifi server at no additional charge to Customer. The Customer and Sertifi may agree by a separate writing and the payment by Customer of an additional charge to extend the period of time. Thereafter, Sertifi may delete from its server all documents, audit trails, Data and any other information pertaining to Customer and its activity on the Sertifi server and its use of the Services. Sertifi does not guaranty that it shall store documents, audit trails, Data or any other information upon its server during the term of this Agreement or thereafter and Customer shall be responsible to make copies of all such information.

12. Service Availability. Sertifi shall use its reasonable commercial efforts to make available to the Customer and its End Users the Services. Customer agrees that factors beyond the reasonable commercial control of Sertifi may cause the Services to be unavailable to Customer and its End Users. In addition, Sertifi frequently updates software, backs up Data and performs maintenance during which times the Service will not be available to the Customer and its End Users.

13. Intellectual Property. The Service contains service marks, trade marks, copyrighted material, text, graphics, logos, images, software and icons and other intellectual property as well as proprietary information and confidential information owned by or under license to or otherwise controlled by Sertifi (hereinafter sometimes referred to as "Intellectual Property"). Customers shall not use and shall cause its End Users not to use the Intellectual Property except for the sole purpose of using the Services for their intended purpose. In particular and in limitation of the obligation of this provision, Customer shall not and shall cause its End Users not to use the name "Sertifi" except for the sole purpose of using the Services for their intended purpose.

APPENDIX 2 – GENERAL TERMS AND CONDITIONS

1. Work and Services to Be Performed/Provided. ADT agrees to perform the work and provide the goods, software, licenses and services that are described in the Proposal. If the Proposal contains options, then ADT shall only perform those options that have been chosen by the Customer. All items to be performed pursuant to the Proposal are referred to herein as the "Services." ADT is solely responsible for choosing the manner and methods of performing the Services by its employees, agents, and/or independent contractors. Equal quality products, materials, and parts from different manufacturers may be substituted to overcome delivery problems or replacement of discontinued items. Substituted items will meet or exceed original parts specifications. Submittals, shop drawings, as-built record drawings and O&M documentation are excluded, unless specifically included in the Scope of Work or required by project specifications. Any such submittals, drawings and/or documentation shall be in Adobe Portable Document Format (PDF) only. The Proposal, when accepted by Customer, shall be considered the "Agreement" between the parties.

2. Reports. The Services may include prepared reports or other written deliverables (each, a "Report"). Customer may not necessarily agree with certain statements made, or positions taken by ADT in a Report. However, Customer acknowledges that by retaining ADT for the Services, Customer is relying on the opinions and expertise of ADT. ADT has no obligation to modify any Report to adopt a position that the Customer believes is more favorable or advantageous than prior statements made, or positions taken, by ADT. If Customer does not accept any such Report, ADT may withdraw from the engagement and Customer shall be obligated to compensate ADT for all Services (including the Report at issue) through the date of withdrawal.

3. Compensation and Payment Terms. Customer agrees to fully pay ADT any and all invoices and/or expense reimbursement requests within thirty (30) days of the date of any such invoice and/or reimbursement request. Extension of credit for billing is subject to approval of ADT's credit department and is not included in the Proposal. Any payment not received within thirty (30) days of an invoice or reimbursement request shall be subject to an additional charge at the rate of 1.5% per month of the outstanding balance due or the highest rate of interest permitted by applicable law, whichever is less. ADT may, at its discretion and without waiving any rights, elect to suspend performance of any and all work if any payment is not received within ten (10) days after the due date. In the event that any payment due ADT is collected at law or through, or under advice from, an attorney-at-law, or through a collection agency, Customer agrees to pay all costs of collection, including without limitation, all court costs and reasonable attorney's fees. If Customer opts to pay ADT for an invoice with a credit card, ADT reserves the right to add a 3% processing fee to the total cost of the work.

If the Proposal specifies fixed or lump sum pricing, the Total Price will be billed upon the completion of all Services performed.

If the Proposal specifies Time & Materials, GMP/GMAX/MACC, cost reimbursable, or cost-plus pricing, ADT will invoice Customer upon completion of all Services performed.

For ADT owned equipment, Customer shall pay ADT per the schedule set forth in the Proposal at the time and for the duration set forth in the Proposal.

4. Sales Taxes. Unless specifically itemized in the Proposal, estimated sales taxes and other taxes due to city, state, or county government applicable in the United States are not included in the Proposal. All such taxes shall be the responsibility of Customer. For services to be provided outside of the United States, all Value Added Taxes (VAT), General Service Taxes (GST), Consumption Taxes, Import/Export Duties, Withholding and any other taxes or fees due to a sovereign nation are excluded and are the responsibility of Customer.

5. Bonds. If payment and performance bonds are required by Customer in writing in advance of the execution of the Agreement by Customer, the total price set forth in the Proposal shall include an administration fee of 2.5% of what the total price would have been without such bond (excluding applicable sales tax). If such bond is not requested by Customer until after the execution of the Agreement by Customer, Contractor shall enter into a Change Order reflecting an administration fee of 2.5% of the total price of the Agreement (excluding applicable sales tax). ADT shall not be required to obtain any bonds until such Change Order has been executed by Customer.

6. Insurance. Certificates of Insurance are available upon Customer request. Upon Customer request, such COI shall name Customer and all other parties in the "Contract Chain" as additional insureds. Any customer-requested insurance beyond what ADT normally carries is excluded from the pricing in the Proposal and shall be paid for by Customer.

7. Schedule Dates. ADT shall diligently endeavor to make timely delivery and installation and otherwise to timely complete the Services according to a mutually agreed "Implementation Schedule." If no implementation schedule is developed or agreed upon, ADT shall diligently endeavor to complete the Services within a reasonable time. Except as expressly provided in the Proposal, ADT shall, under no circumstances, be deemed to be in default hereunder or be liable for damages, special, consequential, or otherwise, resulting from delays in delivery, installation, or other completion of the Services. Minor omissions or variances in performance of the Services, which do not materially and adversely affect the Customer's use of installed systems, equipment, goods, or materials, or the operation thereof, shall not be deemed to have postponed substantial or final completion. Unless otherwise arranged in writing, Services shall be performed during normal business hours (7:30 am to 4:30 pm, Monday – Friday, except holidays). Services performed outside of normal business hours will result in ADT's then current surcharges for such Services.

8. Installation / Site Conditions. For any Services to be performed on-site, ADT will arrange for such Services in accordance with specifications, drawings and instructions provided by Customer, which specifications and drawings are considered a part of this Agreement. Whenever applicable, suitable foundations, wall openings, curbing holes, pits, tunnels, culvert piping, grouting, surrounding masonry and concrete, canopies and architectural enclosures, and sun screens shall be constructed by others at Customer's cost. Unless otherwise set forth in the Scope of Work, Customer shall also provide at its own expense the power and lighting that is required for proper operation of any equipment. If, through no fault of ADT, ADT cannot proceed with the work within a reasonable time after delivery of the equipment and/or ADT's arrival at the work site, Customer shall pay ADT's actual expenses, including, but not limited to, additional service fees and any storage fees incurred by ADT in waiting to proceed or in returning to Customer's premises to perform the work. Customer shall notify ADT of any cancellations forty-eight (48) hours in advance of any scheduled service call. Failure to so notify will result in an additional service fee charged to Customer. Unless otherwise set forth in the Scope of Work, Customer shall secure and pay for any required building permits and governmental fees, licenses, and inspection necessary for the proper execution and completion of the installation of the equipment which are legally required at the time that the installation is done. Customer shall give all notices and comply with all laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the performance of the work. In the event that ADT is required, in connection with the installation of the equipment, to do additional work either because Customer did not prepare the job site, or because the drawings, wiring, or other work done by Customer or for Customer by others, was not properly represented in the drawing supplied to ADT, ADT shall have the option of doing the additional work required to complete the job, and will charge Customer at ADT's current prevailing rates for such work, or, of abandoning the installation and being paid in full by Customer upon demand therefore. Any additional amounts so charged shall be due within ten (10) days of receipt of invoice by Customer. Customer represents to ADT that it has an interest in the real estate on which the equipment is to be installed and that has the authority to and hereby authorizes ADT to do the work as provided in this Agreement.

9. Ownership of Equipment. Ownership of any equipment installed pursuant to this Agreement shall be described in the "Transaction Type" Section of the Proposal. For an outright sale, equipment that is purchased by Customer shall become the property of Customer upon the later of installation (or delivery to Customer if the equipment is not to be installed) and payment in full as set forth in Section 3 hereof. Until the equipment becomes the property of Customer, we retain ownership of the equipment we install at your premises. For ADT owned equipment, ADT will retain ownership of all installed equipment. Upon termination of the Agreement (or portion of the Agreement pertaining to the equipment), ADT shall have the right to enter upon Customer's premises to either remove or disable such equipment. Failure to allow ADT to so remove or disable the equipment shall result in Customer being liable to ADT for: (a) ADT's reasonable charges for the equipment, and (b) reimbursement to ADT for any other costs (including reasonable attorneys' fees) incurred by ADT in seeking to gain access to remove the equipment and/or to collect such charges. ADT shall have no obligation to repair the premises after any such removal. ADT's removal, disablement or abandonment of such equipment does not constitute a waiver of ADT's right to collect any other charges due under the Agreement. If Customer has elected to finance the purchase of some or all of the equipment with a third party lender or leasing company, then title to the equipment may be held by Customer's lender/lessor as security for Customer's loan/lease obligations. The terms of Customer's agreement with the lender/lessor may require Customer to maintain insurance, may make Customer responsible for various other costs and fees, and may obligate Customer to pay the lender/lessor regardless of ADT's performance hereunder. ADT makes no recommendations on lending or leasing sources and is not responsible for Customer's selection of a lending or leasing source, or the terms of Customer's agreement with its lender/lessor, and ADT hereby disclaims any and all liability in connection with Customer's arrangements with its lender/lessor.

10. Changes to Services. Except as otherwise set forth in a separate Appendix to this Agreement, any changes to the Agreement or to the Services will be by written change order, amendment or rider signed by duly authorized representatives of Customer and ADT that describes the changes and sets and sets forth the amount of money to be added or removed from the Total Price and/or the adjustment of time to complete the Services (a "Change Order"). ADT shall have no obligation to perform any change to Services in the absence of a Change Order. Customer may not cancel any equipment specially ordered for Customer or for labor and shipping costs already incurred. Customer shall be responsible for any restocking fees and shipping and handling charges incurred by ADT as a result of any requested changes to the Services. Change Orders shall include additional terms and conditions if the nature of the changes are outside of the scope of the original Agreement.

11. Duration of Agreement. The Agreement will be effective as of the date set forth on Page 1 of the Proposal and will remain in effect until the completion of the Services. However, except as set forth in a separate Appendix to this Agreement, the Agreement may be terminated early by either party upon giving thirty (30) days written notice to the other party.

12. Disclaimer of Legal Advice. In the course of performing the Services, ADT may give advice or opinions regarding the impact of certain security and risk-related laws or regulations on the business of the Customer. However, Customer is hereby put on notice that ADT is not a law firm, it does not engage in the practice of law, and it does not render any legal advice. Customer is advised to seek its own legal counsel regarding any legal issues relating to its business, including issues relating to any Services. By entering into the Agreement, Customer specifically acknowledges this disclaimer and advice to consult with counsel set forth in this Section.

13. Confidentiality. Each party acknowledges that material and information which has or will come into its possession or knowledge in connection with this Performance or in the performance of the Services may consist of confidential and proprietary information of the other party, the disclosure of which to third parties would be damaging. Confidential information shall include any information relating to the identity of the party's customers, the nature of their relationship with their customers, the nature of the other party's business, or the rates charged by it to third parties. The parties agree not to make use of this information other than for the performance of the Agreement, to release it only to employees requiring such information and only after ensuring that such employees are aware of the terms of this Section, and not to release or disclose it to any other party other than as required by law. The parties further agree not to use any Services performed under the Agreement for advertising, portfolio, or other promotional purposes without the written consent of the other party. Confidential information shall not include any information that: (a) was, is, or becomes public information through no fault of the receiving party; (b) is in the possession of the receiving Party before the commencement of this Agreement where that party can provide written proof thereof; (c) is developed by ADT independently of the Customer; (d) must be disclosed pursuant to or as required by law or by a court or other tribunal of competent jurisdiction; (e) is disclosed to the receiving Party by a third party with a right to disclose such information; or (f) is disclosed by a party to a third party with the express written consent of the other party. This obligation of confidentiality shall survive termination of the Agreement for a period of three (3) years.

14. Intellectual Property. The parties acknowledge that one or both parties may have certain intellectual property rights that may be revealed or provided to the other party in accordance with the Agreement. Each party acknowledges that the Agreement does not grant any right or title of ownership in their respective intellectual property rights to the other unless specifically provided in the Agreement. Any intellectual property shall remain the originator's property unless otherwise provided in the Agreement.

15. Independent Contractors. ADT is an independent contractor and not an employee, agent, joint venture, or partner of Customer. Nothing in this Agreement shall be interpreted or construed to create or establish the relationship of employer and employee between the parties or any employee or agents of ADT. Since ADT is an independent contractor to Customer, ADT shall retain the right to perform work and services for other parties during the term of this Agreement. Neither party shall have the power, nor shall either party represent that it has the power, to bind the other party to or to assume or create any obligations, express, or implied, on behalf of the other party. Customer will not provide fringe benefits, including, but not limited to, life, disability, and health insurance, paid vacation, worker's compensation, or any other employee benefits, for the benefit of ADT's employees, agents, or independent contractors.

16. Indemnification. Each party agrees to indemnify, defend, and hold harmless the other party from and against any and all claims, actions, suits, liabilities, costs, and expenses (including attorney's fees) brought against either of them for or on account of bodily injury (including death) or property damage, to the extent that such claims, actions, suits, liabilities, costs, and expenses (including reasonable attorney's fees) arise out of or result from the negligent or willful acts or omissions of the indemnifying party, its employees, agents, or independent contractors, in the performance of its obligations under this Agreement. By entering into the Agreement, Customer acknowledges that the indemnity obligations in this Section were mutually negotiated.

17. Limitation of Liability. For box sales and test and inspect services, and sprinkler services (including but not limited to installation, testing, inspection, repair and maintenance), notwithstanding any contrary provision of the Agreement, Customer expressly agrees that in no event shall ADT's liability to Customer or any third party for any claim based on any legal theory in connection with any acts, omissions, errors, delays and/or interruptions relative to the Services exceed the total amount paid by Customer to ADT pursuant to the Agreement, or, in the case of recurring services, monitoring services or hosted services, the total amount paid by Customer to ADT for such Services in the preceding six (6) month period.

18. Mutual Waiver of Consequential Damages. ADT and Customer waive claims against each other for consequential damages arising out of or relating to this Agreement. This mutual waiver includes damages incurred by the Customer for loss of use, income, profit, loss by reason of facility shut down or fluctuation in facility service or operation, loss of electronic or other data, Customer claims, or other economic loss or personal injury in connection with or arising out of the existence, furnishing, functioning or use of the work, Services, goods, and/or materials provided by ADT, including any damages arising from any theft by a third party.

19. Assignment. Neither Customer nor ADT may assign this Agreement or the obligations created thereby without the prior written consent of the other party, which consent will not be unreasonably withheld. Notwithstanding the foregoing, ADT may assign this Agreement to a company under common ownership or control and may subcontract with third parties to perform any or all of its obligations under this Agreement.

20. Binding on Successors. Subject to any restrictions stated in any other provision of the Agreement, the Agreement will be binding on and will inure to the benefit of the Parties and their respective successors and permitted assigns. None of the provisions of the Agreement are intended to provide any rights or remedies to any person (including without limitation any employees, customers, or creditors of either of the parties hereto), other than the Parties and their

respective successors and permitted assigns.

22-0032

21. Severability. In the event that any of the provisions of the Agreement should be held invalid or unenforceable by law, such invalidity or unenforceability will not affect the validity or enforceability of any other provision of the Agreement.

22. Entire Agreement. The Agreement contains the entire agreement between the parties with respect to the subject matter of the Agreement and supersedes any and all prior oral and/or written understandings and agreements. There are no oral or written agreements, representations, or understandings by or between the parties affecting the Agreement or related to the Services to be performed by ADT. By entering into the Agreement, each Party is relying solely on its own judgment, investigation, and advice, and such other investigation, advice, legal counsel, and technical consultation as it deems appropriate.

23. Non-Solicitation. Customer and ADT agree that ADT has made an investment in its employees and subcontractors ("Personnel") which is not easily measured or ascertained. Should Customer (or any of its subsidiaries or divisions) hire such Personnel, ADT shall be damaged in an amount that cannot be easily measured. Therefore, Customer agrees to pay to ADT as liquidated damages the amount of thirty-five percent (35%) of the annual gross salary of such Personnel (which shall be calculated by multiplying by twelve (12) the monthly salary on the last day of the Personnel's employment) in the event that Customer (or any of its subsidiaries or divisions) hires such Personnel at any time during the term of this Agreement or within three (3) years after the termination of this Agreement. The Parties agree that the liquidated damages specified in this section are a reasonable forecast of just compensation to ADT and not a penalty or punitive amount.

24. Governing Law and Attorney's Fees. The parties knowingly, expressly, and willingly, and as a matter of agreed-upon risk allocation, agree that all disputes under or relating to this Agreement or otherwise shall be decided in accordance with the substantive laws of the State where the Services are performed without regard to the conflict of laws provisions thereof. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, ~~shall be resolved through binding arbitration administered by the American Arbitration Association under its Construction Industry Arbitration Rules~~ in the location closest to where the Services are performed, and judgment on the award rendered by the arbitrator(s) may be entered exclusively in the Superior Court of the County where the Services are performed, and by entering into the Agreement, Customer and ADT voluntarily consent to jurisdiction in such court. The substantially prevailing party in the arbitration shall be entitled to recover its reasonable attorneys' fees, costs (including arbitration and collection costs), and expenses incurred in connection therewith.

25. Force Majeure. ADT shall not be responsible for any delays or costs caused by acts of nature or God, including but not limited to force majeure events, or for any other cause beyond ADT's reasonable control. ADT shall be entitled to a Change Order and reimbursement for all demonstrable costs incurred due to Force Majeure and an extension of time equivalent to the delay caused by Force Majeure.

26. Customer Cooperation. Customer shall permit or arrange for reasonable access to the premises by ADT's design, installation, and maintenance personnel. Customer shall cooperate with ADT in obtaining any and all necessary consents and waivers from the owner of the Premises in connection with the Services and shall supply all supplemental equipment and facilities necessary for the installation, such as structural changes, conduits, back boxes, commercial power electrical wiring, outlets, and associated equipment, equipment room(s), and necessary operating environment as specified by the manufacturers of any goods or equipment to be installed. This pricing specified in the Agreement is based upon Customer's premises and facilities being available to allow ADT to perform continuous, uninterrupted work between 7:30 am and 4:30 pm, Monday through Friday, pursuant to a prearranged schedule. Customer shall provide free and clear access to all work areas including the removal of furniture, shelving, and other impediments. Additional labor will be billed if ADT's labor schedule is altered or unscheduled overtime is required by reason of ADT's inability to have access to the premises and facilities.

27. Risk of Loss. This Section shall govern risk of loss of goods, materials and equipment notwithstanding ownership of the same pursuant to Section 9 hereof. ADT shall bear the risk of loss or damage to the goods, materials, and equipment while the same are in transit until delivery to Customer's premises. ADT shall be responsible for loss or damage to the goods, materials, and equipment during testing or installation to the extent directly caused by ADT's employees or agents, but not by others. Customer shall be responsible for security and proper storage of goods, material, and equipment after delivery to Customer's premises and shall be responsible for loss or damage. For ADT owned equipment, Customer shall keep all installed and uninstalled equipment owned by ADT insured against all risks of loss in an amount equal to the replacement cost and, at ADT's request, list ADT on the policy as the "loss payee."

28. Delays. ADT will not be responsible for delays and damages due to delays either by Customer or other contractors that impede progress and scheduling of the Services. Any such delays that cause ADT to incur more labor hours to complete the Services or overtime hours than was originally bid will be the subject of an equitable adjustment to the Contract Price and Customer shall pay the same. ADT will give appropriate notice when possible to the Customer prior to either the Customer or ADT incurring such charges. ADT shall be reimbursed for all costs incurred by ADT or its subcontractors due to work by others that alters or delays the Services, whether before, during, or after ADT has started performing the Services.

29. Hazardous Materials. Hazardous materials abatement is excluded. This includes, but is not limited to asbestos and lead and any other materials defined as being radioactive, infectious, hazardous, dangerous, or toxic by any federal, state, or local statute, regulation, or ordinance. If ADT encounters hazardous materials, it will immediately stop work in the affected area (as determined in ADT's discretion) until remediated by Customer. Customer agrees it will indemnify and hold ADT, its employees, officers, directors and affiliates harmless from and against any claim, suit or proceeding and loss or liability arising from or related to any toxic substance, pollution or contamination that ADT does not bring to or generate on the Project site to the proportionate extent such claim, suit or proceeding or loss or liability is associated with such hazardous waste, toxic substance, pollution or contamination, including but not limited to bodily injury (including death) to persons, damages to property, disposal and replacement costs for contaminated equipment and materials, fines and other remediation costs, and damage and/or loss of natural resources.

30. Systems Management, Optimization, Maintenance, and Backup. Unless ADT is specifically hired to perform security systems management, administration, optimization, maintenance or data backups and such work is specified in the Scope of Work, these tasks must be performed by others and will not be performed by ADT. Customer assumes all responsibility for performance of these mission critical tasks and assumes all responsibility for ensuring that any equipment will perform as anticipated in any of Customer's systems. Customer warrants that, if applicable, it has all necessary bandwidth (wired or wireless) to accommodate all equipment covered under this Agreement. ADT's Work does not include maintaining copies of Customer system configuration or user databases for any systems, unless Customer specifically hires ADT to do so under a Performance Optimization, Data Management and Backup, or Maintenance Program. ADT also does not keep copies of Customer system administrator passwords. If the information referenced above is lost by Customer, access to applications may not be possible, and Customer may be required to perform extensive software and or database rebuilds. Customer hereby acknowledges and accepts full responsibility for all tasks outlined in this section, and further acknowledges that ADT is not responsible for loss of data, integrity, passwords, system configuration, databases, backups, or other information.

31. Wireless Devices. Customer acknowledges and agrees that any wireless devices, including but not limited to, wireless local area network (WLAN or WiFi) networks and paths, wireless motion detectors, wireless smoke detectors, wireless door and window contacts, wireless home automation transmitters, and other wireless devices installed under this Agreement are not physically connected to the system (e.g., by electrical wire) and require a radio frequency network or path to operate. THESE WIRELESS DEVICES WILL NOT OPERATE, AND ANY ALARM WILL NOT SOUND, IF THE RADIO FREQUENCY NETWORK OR PATH IS IMPAIRED, INTERRUPTED, OR BECOMES INOPERABLE FOR ANY REASON WHATSOEVER. THESE WIRELESS DEVICES MAY USE FREQUENCIES AND SIGNAL PATHS THAT ARE NOT ENCRYPTED, AND ARE THUS SUBJECT AND VULNERABLE TO, INTERRUPTION, INTERCEPTION, INTERFERENCE, CORRUPTION, ALTERATION, BLOCKAGE, MANIPULATION, AND TAMPERING. It is Customer's sole responsibility to maintain all wireless local area network (WLAN or WiFi) networks and paths. ADT recommends that Customer regularly inspects any wireless network and wireless devices and test them weekly to help maintain continued operation. ADT also recommends that Customer carefully reads and follows the owner's manual, instructions and warnings for all equipment, including all wireless devices.

22-0032

32. Notices. Any and all notices permitted or required to be given under this Agreement shall be in writing and shall be deemed duly given: (i) upon actual delivery if delivery is by hand or by nationally recognized overnight express mail; or (ii) upon receipt by the sending party of a confirmation or answer back if delivery is by email, or (iii) after three (3) days following delivery into the mail if delivery is by postage paid certified return receipt requested mail. Each such notice shall be sent to the respective party at the address indicated on the first page of this Agreement or to any other address or person that the respective party may designate by written notice delivered pursuant hereto.

33. Export Control. Customer shall not export or re-export, directly or indirectly, any: (i) product or service provided under this Agreement, (ii) technical data, (iii) software, (iv) information, or (v) items acquired under this Agreement to any country for which the United States Government (or any agency thereof) requires an export license or other approval without first obtaining any licenses, consents or permits that may be required under the applicable laws of the U.S. or other foreign jurisdictions and shall incorporate in all export shipping documents the applicable destination control statements. Customer shall, at its own expense, defend, indemnify, and save harmless ADT from and against all third-party claims, liability, loss or damage (including attorneys' fees and other defense costs), assessed against or suffered by ADT as a result of an allegation or claim of noncompliance by Customer with this Section. The obligations contained in this Section shall survive the termination or expiration of this Agreement.

34. Software. Any software provided with the Equipment or in connection with the Services is proprietary to ADT and/or ADT's supplier(s) and is licensed or sublicensed to Customer on a non-exclusive basis. Customer may not (a) disclose the Software or source code to any third parties, (b) duplicate, reproduce, or copy all or any part of the Software, or (c) use the Software on equipment other than with the designated Equipment with which it was furnished. A separate Software License Agreement or End User License Agreement between ADT and/or the software publisher may be required to use the software and/or obtain updates/upgrades.

35. Survival. Those provisions which by their sense are intended to survive the cancellation, expiration or termination of the Agreement, including, by way of example only, the indemnification and limit of liability obligations contained therein, shall survive the cancellation, expiration or termination of the Agreement for whatever reason.

36. Waiver. The waiver, by either party, of a breach or violation of any provision of this Agreement shall not operate as, or be considered, to be a waiver of any subsequent breach thereof.

APPENDIX 7 – MONITORING

This Appendix shall be the exclusive terms and conditions applicable to monitoring services provided by ADT to Customer (referred to in this Appendix 7 as "Subscriber"). Appendices 2 and 3 do not apply to any such monitoring services, even if attached to the Proposal. Any terms and conditions set forth in a Master Agreement (or similar document) between the parties do not apply to monitoring services.

1. Scope of Agreement. ADT will provide (or cause to be provided) the alarm monitoring and notification services specified on the Proposal for the security alarm system at the location(s) shown in the Proposal. References in this Appendix 7 to ADT shall mean, as the case may be, ADT or the company retained by ADT to provide the alarm monitoring and monitoring services set forth herein.

2. Service to be Provided. The alarm monitoring and notification services to be provided shall be provided on a continuing twenty-four (24) hour basis seven (7) days a week. The monitoring and notification services shall consist of the receipt of signals from Subscriber's security alarm system and providing notification to Subscriber's designees as specified in this Appendix in the event of an alarm. The services shall be via cable, telephone lines, internet protocol, and/or radio/cellular.

3. Term. The initial term of this Appendix shall be for Sixty (60) Months (the "Initial Term"). The Initial Term shall begin on the date all equipment is installed and is operational, and when any necessary communications connection is completed. NOTE: Payment of all charges for installation and equipment is a precondition to the activation of the equipment and any recurring services the Subscriber has selected.

4. Auto Renew. Upon the expiration of the Initial Term, all monitoring services shall automatically renew for successive terms of one (1) year each (each, a "Renewal Term"); provided that the Subscriber may, by providing written notice to ADT no less than thirty (30) (and no more than sixty (60)) days prior to the date of such auto renewal, cancel such auto renewal with respect to monitoring services.

5. Pricing Change. ADT may increase the monitoring charges (for any or all locations covered by this Agreement) after the first year of the Initial Term for each such location (but no more than once in any twelve (12) month period) by giving Subscriber thirty (30) days prior written notice.

6. Early Termination. In the event that the Subscriber terminates any monitoring services during the Initial Term or during a Renewal Term, Subscriber shall pay to ADT, in addition to all other charges due prior to termination, the charges remaining to be paid for the unexpired portion of the Initial Term or Renewal Term (as the case may be) for such monitoring services. Subscriber acknowledges and agrees that this amount is an agreed upon early termination charge in the nature of liquidated damages, and is not a penalty.

7. Notification Services; Information Required from Subscriber. a) The Subscriber shall furnish to ADT and supplement and update Exhibit B, including a complete and accurate list of names and telephone numbers of all persons to be contacted by ADT in the event of an alarm (the "Call List"). ADT shall be entitled to rely in full upon all information in the most recent signed and dated Call List received from Subscriber, regardless of any earlier or later Call List or other information provided. In order to modify the Call List, Subscriber shall complete, sign, date, and submit to the ADT a new Call List. ADT will not rely on any unsigned Call List or any alarm monitoring information not contained on a signed, dated Call List. Additional fees apply for the following services: any changes to the Call List, system code changes and any special reports requested by Subscriber.

b) Upon receipt of an alarm signal from Subscriber, ADT shall promptly notify the person(s) or entity(ies) identified on the Call List. Notification of Police (PD), Fire (FD), the alarm location (LOC), Guard Service (FR), and/or Subscriber's designated Responsible Party(ies) shall proceed in the order indicated on the Call List. Where "RP" is designated, ADT shall call the Responsible Parties identified on the Call List, proceeding in the order listed until a Responsible Party responds with the correct Pass Code. If no Responsible Party answers, the "RP" notification shall be deemed complete when ADT has called each phone number listed on the Call List. It is expressly agreed that ADT is entitled to rely on any direction provided by a Responsible Party who provides a correct Pass Code, including a direction to discontinue further notifications. ADT shall be deemed to have fully discharged any duty to the Subscriber under the Agreement when it has completed all notifications indicated in the Codes and Procedures. All notifications shall be by telephone using the phone number(s) listed unless otherwise indicated on the Call List. Local governmental regulations and industry standards designed to reduce false alarms may result in conditions or restrictions on the dispatch of emergency response providers in response to an alarm, and such conditions or restrictions may result in delays of notification of authorities or require that additional measures be taken to verify the alarm before dispatch. We do not guarantee that such additional measures will be successful or that emergency response providers will be dispatched should an alarm occur.

8. Subscriber's Alarm Equipment. The Subscriber shall be solely responsible for the testing of all alarm equipment utilized on the Subscriber's premises and agrees that such equipment shall be maintained, operated, and tested regularly and in accordance with the manufacturer's recommendations. ADT's obligations under the Agreement exclude any testing, operation, or maintenance of Subscriber's equipment or systems. The Subscriber shall not maintain or use any devices that interfere with the effectiveness and/or functioning of the alarm system. Under no circumstances shall ADT be responsible or liable for the performance of any alarm equipment on the Subscriber's premises.

9. Limitation of Services. The services described herein are only deterrents and notifications. ADT does not guarantee that such deterrents will prevent theft, loss or damage. The Subscriber acknowledges that no representations have been made concerning the services to be rendered other than as specified in the Agreement. TO THE EXTENT PERMITTED BY APPLICABLE LAW, ADT MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE CONDITION OF THE SYSTEM, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. ADT NEITHER REPRESENTS NOR WARRANTS: THAT THE SYSTEM MAY NOT BE COMPROMISED OR CIRCUMVENTED; THAT THE SYSTEM WAS DESIGNED TO OR WILL PREVENT ANY LOSS BY BURGLARY, HOLD UP, FIRE, PHYSICAL INJURY, MEDICAL CONDITION OF ILLNESS, OR OTHERWISE; OR THAT THE SYSTEM WILL PROVIDE THE DETECTION OR RESPONSE FOR WHICH IT IS INTENDED. SUBSCRIBER AGREES: THAT ANY AFFIRMATION OF FACT OR PROMISE MADE BY ADT SHALL NOT BE DEEMED TO CREATE AN EXPRESS WARRANTY; SUBSCRIBER REPRESENTS THAT SUBSCRIBER HAS NOT RELIED ON ANY STATEMENT, REPRESENTATION, ACTION, OR OTHER CONDUCT BY ADT IN ELECTING TO ENTER INTO THIS AGREEMENT OR THAT, ABSENT SUCH REPRESENTATION, SUBSCRIBER WOULD NOT HAVE ENTERED INTO THIS AGREEMENT. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO SUBSCRIBER. THIS AGREEMENT GIVES SUBSCRIBER SPECIFIC LEGAL RIGHTS, AND SUBSCRIBER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

10. Notification of Authorities. Upon receipt of an alarm signal from Subscriber, ADT shall notify persons and entities specified on the Call List, and further may, but shall have no obligation to, notify police, fire, or other authorities not listed on Call List. Subscriber shall promptly pay any costs, fees, fines or charges by any government or emergency response entity, including "false alarm" or similar, in connection with any notification of an alarm regardless of whether such government/entity is specified in the Codes and Procedures or the Call List. ADT may invoice Subscriber for such costs, fees, fines or charges. Certain cities have policies that require alarm verification prior to dispatching emergency services. Subscriber is to inquire with the applicable municipality about any such verification requirements and what steps, if any, must be taken in the event of an alarm. NOTE: In jurisdictions where required, a Direct Connection to the Municipal Police, Fire Department or other Agency shown shall be provided. In addition, certain states require alarm verification before ADT can contact a law enforcement agency for alarm dispatch. Subscriber understands and agrees that signals transmitted hereunder will be monitored in Municipal Police and/or Fire Departments or other locations and that the personnel of such Municipal Police and/or Fire Departments or other locations are not the agents of ADT, nor does ADT assume any responsibility for the manner in which such signals are monitored or the response, if any, to such signals. In certain states, Subscribers using the protected premise to store firearms or ammunition and which hold a valid federal firearms license as a manufacturer, importer, or dealer of firearms ammunition may opt out of the alarm verification process by contacting ADT.

11. Payments. Upon entering into the Agreement, Subscriber shall pay the amounts set forth in the Proposal for setup of the monitored alarm account, alarm monitoring fees (billable in advance), and any permit fees specified on Exhibit A. Subscriber shall be responsible for and shall reimburse ADT for all taxes, permits, fees, and fines, arising out of the monitoring services, including but not limited to (i) any costs, fees, fines or charges referenced in Section 10 hereof and (ii) any permit fees set forth on Exhibit A hereof, and/or (iii) any taxes imposed by any governmental agency.

12. Communications Media: Limitations. Subscriber recognizes that the alarm signals and communications contemplated under this Appendix are transmitted over telephone or other cable lines, internet protocol, or by radio/cellular, and the maintenance and performance of such lines, networks, or radio/cellular systems are beyond the control of ADT. Under no circumstances shall ADT be responsible or liable for any failure of performance or malfunction due to ineffective transmission through lines under the control of third parties, including but not limited to telephone companies, cable companies, other utilities, or due to malfunctioning radio systems.

13. Waiver of Consequential Damages; Limitation of Liability. IN NO EVENT WILL ADT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES HOWEVER CAUSED. SOME STATES DO NOT ALLOW THE EXCLUSION OR THE LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CERTAIN CIRCUMSTANCES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO SUBSCRIBER. SUBSCRIBER AGREES TO FILE ANY LAWSUIT OR OTHER ACTION SUBSCRIBER MAY HAVE AGAINST ADT OR ADT'S ASSIGNEES, AGENTS, EMPLOYEES, SUBCONTRACTORS, SUBSIDIARIES, AFFILIATES OR PARENT COMPANIES WITHIN ONE (1) YEAR FROM THE DATE OF THE EVENT THAT CAUSED THE CLAIM, LOSS, DAMAGE OR LIABILITY. THE LIMITATION OF LIABILITY AS HEREIN SET FORTH IS KNOWINGLY FIXED BY THE PARTIES HERETO AS LIQUIDATED DAMAGE AND NOT AS A PENALTY. IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT THE SERVICES PROVIDED UNDER THIS APPENDIX ARE SOLELY FOR SUBSCRIBER'S CONVENIENCE, AND ADT IS NOT AN INSURER OF SUBSCRIBER'S SECURITY OR ALARM SYSTEMS OR OF ANY FAILURE TO REPORT AN ALARM. SUBSCRIBER SHALL SEPARATELY OBTAIN ANY INSURANCE IT MAY DESIRE AGAINST SUCH RISKS. THE PRICING CONTEMPLATED IN THE AGREEMENT IS BASED ON ADT'S COST OF PROVIDING THE SERVICES AND DOES NOT TAKE INTO ACCOUNT ANY ASSUMPTION OF RISK OR RESPONSIBILITY BEYOND THE LIMITATIONS AGREED HEREIN. THE AGREED PRICING IS NOT SUFFICIENT TO WARRANT THE ASSUMPTION OF ANY RISK OF CONSEQUENTIAL OR OTHER DAMAGES TO THE SUBSCRIBER DUE TO ANY FAILURE TO PERFORM, FAILURE OF ANY EQUIPMENT OR SYSTEMS, FAILURE OF ANY ALARM TO BE RECEIVED BY ADT FROM THE SUBSCRIBER, OR BECAUSE OF ANY DELAY IN OR FAILURE OF ADT TO DISPATCH PUBLIC AUTHORITIES, FIRE, POLICE, OR OTHERS TO INVESTIGATE OR RESPOND TO AN ALARM. SUBSCRIBER SPECIFICALLY AGREES THAT ADT SHALL NOT BE LIABLE FOR ANY LOSS OR DAMAGE ARISING OUT OF ANY ACTUAL OR ALLEGED FAILURE TO DETECT, REPORT, PREVENT, OR MITIGATE ANY EVENT WHICH HAS, MAY, OR SHOULD RESULT IN AN ALARM. ADT'S LIABILITY UNDER THIS APPENDIX, WHETHER BASED IN CONTRACT, TORT OR ANY OTHER THEORY OF RECOVERY, SHALL NOT EXCEED THE AMOUNT OF FEES ACTUALLY PAID BY SUBSCRIBER TO ADT UNDER THE AGREEMENT. THIS SUM SHALL BE SUBSCRIBER'S EXCLUSIVE REMEDY AND THE PROVISIONS OF THIS SECTION SHALL APPLY TO ALL LOSS, DAMAGE, INJURY OR DEATH, IRRESPECTIVE OF CAUSE OR ORIGIN, RESULTING DIRECTLY OR INDIRECTLY TO PERSONS OR PROPERTY, FROM THE PERFORMANCE OR NONPERFORMANCE OF THE OBLIGATIONS IMPOSED BY THIS AGREEMENT, OR, TO THE EXTENT PERMITTED BY APPLICABLE LAW, FROM THE NEGLIGENCE, ACTIVE OR OTHERWISE, OF ADT, ADT'S ASSIGNEES, AGENTS, EMPLOYEES, SUBCONTRACTORS, SUBSIDIARIES, AFFILIATES OR PARENT COMPANIES. SUBSCRIBER ACKNOWLEDGES AND AGREES THAT IN THE EVENT OF ANY EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT FOR ANY REASON WHATSOEVER, ALL OF THE PROVISIONS, LIMITATIONS AND DISCLAIMERS HEREIN RELATING TO ADT LIABILITIES SHALL SURVIVE SUCH EXPIRATION OR EARLY TERMINATION. IF SUBSCRIBER WISHES ADT TO ASSUME A GREATER DOLLAR LIABILITY THAN PROVIDED FOR IN THIS AGREEMENT, SUBSCRIBER MAY OBTAIN FROM ADT A HIGHER LIMIT BY PAYING A HIGHER MONITORING CHARGE TO ADT. IF SUBSCRIBER ELECTS TO EXERCISE THIS OPTION, A RIDER SHALL BE ATTACHED TO THIS AGREEMENT, SETTING FORTH SUCH HIGHER LIMIT AND ADDITIONAL COST, BUT SUCH RIDER SHALL IN NO WAY BE INTERPRETED TO HOLD ADT LIABILITY IN EXCESS OF SUCH PROVISIONS.

14. Events Beyond ADT's Control. Communication lines, cable, telephone lines, internet connections/protocols, radio/cellular systems or equipment and instruments used by ADT in the performance of its services may be destroyed or substantially damaged by fire or other catastrophes and ADT may be unable to secure or retain connections or privileges necessary for the transmission of signals between or among the alarm location, the ADT's facilities, any central monitoring station, Call List designees, police or fire dispatch centers having jurisdiction over the alarms, or other parties, all of which events are beyond ADT's control. ADT shall have no liability for events beyond its control. Should conditions beyond ADT's control, including but not limited to strike, flood, riot, fire, explosion, war, conflict, line damage, antenna failure, communications network failure, or other causes beyond the reasonable control of the ADT, hinder or prevent the performance of ADT's services, then ADT (upon learning of the issue) will notify the Subscriber as soon as is reasonably practical of the nature and extent thereof and the approximate anticipated duration. Upon such notification either party shall have the following options: (a) to proceed under this Appendix; or (b) to terminate this Agreement. If the Agreement is terminated, the Subscriber shall pay to ADT all fees and charges through the date of termination and the ADT shall refund any prepaid amount through the date of termination, less any equipment charges still due for ADT owned equipment. Upon such payment, the contractual relationship between the parties shall terminate.

15. Indemnity. SUBSCRIBER SHALL RELEASE, DEFEND, INDEMNIFY AND HOLD HARMLESS ADT FROM AND AGAINST ALL CLAIMS, INCLUDING THIRD PARTY CLAIMS, LIABILITIES AND DAMAGES (INCLUDING WITHOUT LIMITATION EXPENSES, COSTS AND ATTORNEY'S FEES) RELATING TO THE DESIGN, INSTALLATION, PERFORMANCE OR OPERATION OF THE SYSTEM, THE MONITORING OF THE SYSTEM, AND ANY RISKS, LOSSES, DAMAGES, INJURIES, DEATH OR OTHER EFFECTS OF ANY HAZARD OR EVENT THAT OCCURS AT OR AROUND THE PREMISES, INCLUDING, BUT

NOT LIMITED TO, SUCH CLAIMS OR LIABILITIES THAT ARE BASED UPON THE NEGLIGENCE, BREACH OF CONTRACT, BREACH OF WARRANTY, AND/OR STRICT LIABILITY BY ADT, OUR ASSIGNEES, AGENTS, EMPLOYEES, SUBCONTRACTORS, SUBSIDIARIES, AFFILIATES OR PARENT COMPANIES. SUBSCRIBER'S INDEMNIFICATION OBLIGATIONS SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT FOR ANY REASON WHATSOEVER.

16. Integration. The terms and conditions stated herein constitute the final complete agreement between the Subscriber and ADT with respect to monitoring services. This Agreement may not be modified in any respect except by a subsequent writing executed by the Subscriber and ADT.

17. Subcontracting; Assignment. Neither party may assign the Agreement without the express prior written consent of both parties. ADT may, in ADT's sole discretion and without notice to Subscriber or any other person, provide to any actual or prospective assignee, purchaser, transferee, or participant, any information that ADT have or know pertaining to this Agreement. Subscriber acknowledges that this Agreement and particularly those paragraphs relating to ADT's disclaimer of warranties and limited liability and third party indemnification, inure to the benefit of, and are applicable to, any assignees and subcontractors with the same force and effect as they bind Subscriber to ADT. Subscriber further acknowledges that any assignees of this Agreement shall not be responsible for claims, liabilities, or damages which accrued prior to the date of assignment.

18. Governing Law. This Appendix shall be interpreted and construed in accordance with the laws of the State where the monitored premises are located.

19. Attorneys' Fees. If any legal action or other proceeding is brought for the enforcement of this Agreement or the collection of any sums due hereunder, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs incurred in such action or proceeding, or on any appeal there from.

20. Notices. Notices, other than fee adjustments, shall be deemed given when delivered in person, delivered via reputable overnight courier service (such as FedEx or UPS) or delivered by USPS certified mail, return receipt requested, addressed to the parties at the addresses set forth in the Proposal. All changes of address must be in writing and delivered as provided in this Section.

21. Survival. The provisions of this Appendix pertaining to consequential damages, liability limitation, events beyond ADT's control, termination, indemnity, integration, and severability shall survive any termination or expiration of the Agreement.

22. Severability. If any provision in this Appendix is held to be invalid or unenforceable, such provision will be enforced to the maximum possible extent, and all other provisions will remain valid and enforceable.

23. Waiver of Jury Trial. Each party hereby waives any right to trial by jury in any suit, action or other legal proceeding brought by either party.

The following provisions apply to monitoring systems that include Mobile Control by Alarm.com.

Subscriber acknowledges that (i) it has read and accepted the Alarm.com terms below, and (ii) Subscriber must activate its Alarm.com account online pursuant to the instructions given to Subscriber by Alarm.com, and until Subscriber so activates its Alarm.com account, Subscriber will only have Alarm.com Signal Forwarding services and NOT Mobile Control services, which means, among other things, that Subscriber will not have the enhanced Mobile Control service, which means, among other things, that Subscriber will not have the enhanced Mobile Control service known as "Entry Delay Crash and Smash," which makes it difficult for an intruder to disarm Subscriber's panel upon entry into your premises. In addition, once Subscriber's Alarm.com account is activated, in order to maintain the enhanced Mobile Control services, Subscriber must arm/set its alarm system at least once every 30 calendar days. If Subscriber fails to arm/set its alarm system at least once every 30 days, then Subscriber will automatically and without further notice only have Alarm.com Signal Forwarding services going forward until such time as Subscriber contacts ADT or Alarm.com to reactivate Subscriber's Mobile Control services. Therefore, ADT strongly encourages Subscriber to activate its Alarm.com account and arm/set its alarm system often, but at a minimum every 30 days, in order to retain the enhanced Mobile Control services.

Subscriber has agreed to purchase commercial security, video, still-photo imaging and/or home automation products and services from an independently owned and operated security services dealer ("Dealer") pursuant to an agreement with the Dealer ("Dealer Agreement"). Alarm.com Incorporated, a Delaware corporation, has authorized the Dealer to market and sell Alarm.com's services ("Services") to Subscriber with certain hardware and other products, including communication modules, video, imaging and/or home automation devices ("Equipment") that enable the Services. Sections A1 through A12 herein constitute the terms and conditions of Alarm.com's offering of the Equipment and Services ("Terms") and are part of Subscriber's agreement with the Dealer and contain, among other things, important warranty disclaimers (Section A4) and limitations of liability (Section A5) applicable to the Services and the Equipment. By signing the agreement with the Dealer, accessing the Alarm.com customer website or mobile applications, or using any other part of the Services and/or Equipment, subscriber Agrees to be bound by these Alarm.com Terms. Subscriber agree that these Alarm.com Terms may be enforced by ADT directly.

A1. Pursuant to the Dealer Agreement, Subscriber has agreed to purchase the Services and/or Equipment from the Dealer. The Dealer is an independent contractor and not an agent of Alarm.com. Subscriber acknowledges and agrees that (a) Subscriber has had the opportunity to read and review these Alarm.com Terms before entering into the Dealer Agreement, (b) Subscriber accepts the Alarm.com Terms and agrees to be bound by them, and (c) if, for any reason, Subscriber does not remain an Alarm.com subscriber or if the Services become unavailable to Subscriber for any reason, Subscriber will have no right of refund, return or deinstallation with respect to any Services or any Equipment, except if and to the extent otherwise required by law. ADT or Alarm.com may modify these Alarm.com Terms from time to time to comply with applicable law.

A2. The Equipment may contain proprietary software of Alarm.com that is embedded in the Equipment. Alarm.com solely owns and retains all rights, including all intellectual property rights, in the embedded software and all other Alarm.com materials (together, "Materials") and Services. Subscriber will not (a) use, or cause or permit any other person or entity to use, any Materials or Services to design, build, market, or sell any similar or substitute product or service, or (b) cause, perform, or permit (i) the copying, decompilation, disassembly, or other reverse engineering of any Materials, (ii) the transferring or purported resale, licensing or sublicensing of any Materials, or (iii) the removal, delivery, or exportation of any Materials outside the United States or any other act in violation of any relevant export laws or regulations.

A3. If Subscriber's Services include emergency two-way voice over a cellular or internet connection, Subscriber acknowledges that the two-way voice connection may be interrupted or unable to connect, that the call may be dropped, and that the sound quality may be distorted or impossible to understand. By accepting the emergency two-way voice service, Subscriber understands and accepts the limitations inherent in cellular and internet technology and the consequences if the technology does not operate as designed. If Subscriber's Services include video or still-photo image cameras, the video clips and still-photo images generated from such cameras are stored on our servers and may be viewed by Subscriber only for a limited time based on the quantity of storage Subscriber has ordered from its Dealer. Alarm.com has no control over and take no responsibility for the placement of cameras and their view. Subscriber agrees to use the cameras and associated video and still-photo imaging features of the Services in compliance with all laws, including privacy and consumer protection laws, and not for any illegal purposes, including invasion of privacy or illicit conduct, and Alarm.com may disconnect the cameras from the Services if Subscriber, in Alarm.com's sole determination, breaches this covenant. Alarm.com does not guarantee the receipt, clarity or quality of any images that may be adversely impacted by, for example, lighting, Internet and wireless communication facilities and transmission quality, electrical interference, weather and other conditions beyond Alarm.com's control. Alarm.com may disclose stored video clips and still-photo images in response to a subpoena or a government request or order. If the Equipment provided by Subscriber's Dealer includes an Alarm.com image sensor device that also is being used as a motion sensor, then Subscriber understands and accepts that the motion sensor may not operate as designed and may be affected by conditions outside Alarm.com's control, which may cause the device to malfunction or provide false readings. If the Equipment provided by Subscriber's Dealer includes home automation devices (such as thermostats, lighting controls and door locks), Subscriber understands that such devices may not work together with the Equipment and Alarm.com Services, and Subscriber

may be unable to control the devices using the Equipment or Alarm.com Services. Alarm.com makes no representations or warranties regarding the quality, function or effectiveness of any such home automation devices.

A4. THE SOLE WARRANTY PROVIDED BY ALARM.COM WITH RESPECT TO THE SERVICES, MATERIALS AND EQUIPMENT IS A LIMITED WARRANTY TO USE COMMERCIAL REASONABLE EFFORTS TO CORRECTOR BYPASS A MATERIAL DEFECT IN THE SERVICES, IN ACCORDANCE WITH THE TERMS AND CONDITIONS SET FORTH IN THESE ALARM.COM TERMS ("LIMITED WARRANTY"). THE LIMITED WARRANTY IS NOT EXTENDED TO SUBSCRIBER UNLESS SUBSCRIBER HAS ACCEPTED THESE ALARM.COM TERMS AND REMAIN BOUND BY THESE TERMS AND CONDITIONS. THE LIMITED WARRANTY IS FOR SUBSCRIBER'S BENEFIT ONLY AND MAY NOT BE ENFORCED BY ANY OTHER PERSON OR ENTITY. EXCEPT FOR THE LIMITED WARRANTY WITH RESPECT TO SERVICES, ALL SERVICES, EQUIPMENT AND MATERIALS THAT ARE OR MAY BE PROVIDED BY ALARM.COM ARE PROVIDED "AS IS," WITH ALL FAULTS. TO THE MAXIMUM EXTENT PERMITTED BY LAW, ALARM.COM DISCLAIMS (A) ALL EXPRESS WARRANTIES TO SUBSCRIBER OTHER THAN THIS LIMITED WARRANTY, (B) ALL IMPLIED WARRANTIES TO SUBSCRIBER OF ANY KIND, AND (C) ALL WARRANTIES TO OR FOR THE BENEFIT OF ANY OTHER PERSON OR ENTITY, WHETHER EXPRESS OR IMPLIED. THE IMPLIED WARRANTIES DISCLAIMED HEREIN, TO THE MAXIMUM EXTENT PERMITTED BY LAW, INCLUDE ALL WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, SYSTEMS INTEGRATION, QUIET ENJOYMENT, OR NON-INFRINGEMENT. EXCEPT FOR THE LIMITED WARRANTY, THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY, AND EFFORT OF ALL SERVICES, ALL EQUIPMENT AND ALL ALARM.COM MATERIALS SHALL BE WITH SUBSCRIBER. ALARM.COM SHALL HAVE NO RESPONSIBILITY FOR EQUIPMENT WHICH IS MANUFACTURED BY THIRD PARTIES.

A5. (A) SUBSCRIBER AGREES THAT ALARM.COM IS NOT AN INSURER OF SUBSCRIBERS PROPERTY OR THE PERSONAL SAFETY OF PERSONS IN OR AROUND SUBSCRIBER'S PREMISES. THE PRICES THAT ALARM.COM CHARGES FOR THE SERVICES AND EQUIPMENT REFLECT THE VALUE OF THE GOODS AND SERVICES ALARM.COM PROVIDES AND NOT THE VALUE OF SUBSCRIBERS PREMISES OR ITS CONTENTS OR ANY LOSSES ASSOCIATED WITH PERSONAL INJURY OR DEATH. INSURANCE, IF ANY, COVERING PERSONAL INJURY AND PROPERTY LOSS OR DAMAGE ON YOUR PREMISES SHALL BE OBTAINED BY SUBSCRIBER FROM A THIRD PARTY. (B) ALARM.COM IS NOT ASSUMING RESPONSIBILITY FOR ANY LOSSES (DIRECTOR INDIRECT), IRRESPECTIVE OF CAUSE, THAT MAY OCCUR EVEN IF DUE TO ALARM.COM'S NEGLIGENT PERFORMANCE OR FAILURE TO PERFORM ANY OBLIGATION UNDER THESE TERMS OR ANY DEALER AGREEMENT OR OTHER BASIS. IF, NOTWITHSTANDING THESE TERMS, ALARM.COM IS HELD TO BE LIABLE TO SUBSCRIBER, OR ANY INVITEES, AGENTS, EMPLOYEES OR OTHERS, FOR BREACH OF CONTRACT, NEGLIGENCE, GROSS NEGLIGENCE, OR UNDER ANY OTHER THEORY OF LEGAL LIABILITY FOR ANY FAILURE OF THE SERVICES, MATERIALS OR EQUIPMENT, THEN THE LIMITATION OF ALARM.COM'S LIABILITY FOR ANY AND ALL HARM, DAMAGES, INJURY OR LOSS SHALL BE THE GREATER OF ONE THOUSAND DOLLARS (\$1,000.00) OR THE ANNUAL AMOUNT THAT ALARM.COM RECEIVES FOR SUBSCRIBERS USE OF THE SERVICES. (C) SUBSCRIBER HEREBY WAIVES ANY AND ALL CLAIMS FOR DAMAGES EXCEEDING THE LIMITS SET FORTH HEREIN FOR ALL HARM, DAMAGES, INJURY OR LOSS INCURRED, INCLUDING BUT NOT LIMITED TO ACTUAL, DIRECT, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES, PROPERTY DAMAGE AND LOSSES DUE TO BUSINESS INTERRUPTION, LOSS OF PROFITS, PERSONAL INJURY OR DEATH. UNDER NO CIRCUMSTANCES WILL ALARM.COM BE LIABLE TO SUBSCRIBER FOR ANY CONSEQUENTIAL DAMAGES. (D) SUBSCRIBER MAY OBTAIN FROM ALARM.COM A HIGHER LIMITATION OF LIABILITY BY PAYING AN ADDITIONAL FEE TO ALARM.COM. IF SUBSCRIBER ELECTS THIS OPTION, A RIDER WILL BE ATTACHED TO THESE ALARM.COM TERMS WHICH WILL SET FORTH THE AMOUNT OF THE HIGHER LIMITATION OF LIABILITY AND THE AMOUNT OF THE FEE. AGREEING TO THE HIGHER LIMITATION OF LIABILITY DOES NOT MEAN THAT ALARM.COM IS AN INSURER. SUBSCRIBER WAIVES ALL SUBROGATION AND OTHER RIGHTS OF RECOVERY AGAINST ALARM.COM THAT ANY INSURER OR OTHER PERSON MAY HAVE AS A RESULT OF PAYING ANY CLAIM FOR HARM, DAMAGES, INJURY OR LOSS TO SUBSCRIBER OR ANY OTHER PERSON OR ENTITY.

A6. Subscriber agrees and acknowledges that the Services, Materials and Equipment may not detect, observe, view, or prevent an unauthorized intrusion onto the premises or any other emergency condition such as fire, smoke, carbon monoxide, medical emergencies or water damage. Subscriber agrees and acknowledges that the use of the Services, Materials and/or Equipment is voluntary.

A7. If any of Subscriber's employees, guests, relatives, invitees, or insurers, or any other person or entity connected to Subscriber, or any person or entity who seeks to assert rights they claim are derived from Subscriber's relationship with Alarm.com, attempts to hold Alarm.com responsible for any harm, damages, injury or loss (including property damage, personal injury or death) connected with or resulting from any alleged (a) failure of the Services, Materials or Equipment, (b) negligence (including gross negligence), (c) improper or careless activity of Alarm.com, or (d) claim for indemnification or contribution, then Subscriber will repay to Alarm.com (i) any amount that Alarm.com is required to pay or that Alarm.com agrees to pay in settlement of the claim, and (ii) the amount of Alarm.com's reasonable attorney's fees and any other losses and costs that Alarm.com may incur in connection with the harm, damages, injury or loss.

A8. Subscriber understands and agrees that these Alarm.com Terms, and particularly Sections A4, A5, A6, A7, and A8, shall (a) apply to and protect the employees, officers, shareholders, parent companies, directors, agents, licensors, representatives, subcontractors, affiliates and assignees of Alarm.com, and (b) be binding on Subscriber's heirs, administrators, custodians, trustees, agents and successors.

A9. TO THE EXTENT PERMITTED BY LAW, SUBSCRIBER AGREES THAT NO LAWSUIT OR ANY OTHER LEGAL PROCEEDING CONNECTED WITH THE SERVICES OR EQUIPMENT SHALL BE BROUGHT OR FILED BY SUBSCRIBER MORE THAN ONE (1) YEAR AFTER THE INCIDENT GIVING RISE TO THE CLAIM OCCURRED. IN ADDITION, TO THE EXTENT PERMITTED BY LAW, ANY SUCH LEGAL PROCEEDING SHALL NOT BE HEARD BEFORE A JURY, AND EACH PARTY GIVES UP ANY RIGHT TO A JURY TRIAL. TO THE EXTENT PERMITTED BY LAW, SUBSCRIBER AGREES THAT SUBSCRIBER WILL NOT BRING ANY CLASS ACTION LAWSUIT AGAINST ALARM.COM OR BE A REPRESENTATIVE PLAINTIFF OR PLAINTIFF CLASS MEMBER IN ANY SUCH LAWSUIT.

A10. These Alarm.com Terms shall be governed by the law of the State of Delaware, without giving effect to its rules of conflict of laws. If Subscriber is a resident or business located in the State of California, the following applies: If either Subscriber or Alarm.com commences a lawsuit for a dispute arising under or related to these Alarm.com Terms or in any way relating to the Services, such suit shall be submitted to general judicial reference in Los Angeles, California pursuant to California Code of Civil Procedure section 638 et seq. and 641 through 645.1 or any successor statutes thereto.

A11. If any provision of these Alarm.com Terms or the application of any such provision to any person, entity or circumstance shall be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of these Alarm.com Terms. The parties intend that all disclaimers of warranties, limitations of liability, and exclusions of damages in these Alarm.com Terms shall be upheld and applied to the maximum extent permitted by law. Alarm.com is an intended third-party beneficiary of these Alarm.com Terms and shall have the right to enforce and/or otherwise invoke any and all provisions set forth in any of these Alarm.com Terms directly. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation."

A12. SUBSCRIBER EXPRESSLY UNDERSTANDS AND AGREES THAT SUBSCRIBER HAS NO CONTRACTUAL RELATIONSHIP WHATSOEVER WITH THE UNDERLYING WIRELESS SERVICE PROVIDER OR ITS AFFILIATES OR CONTRACTORS AND THAT SUBSCRIBER IS NOT A THIRD PARTY BENEFICIARY OF ANY AGREEMENT BETWEEN ALARM.COM AND THE UNDERLYING CARRIER. IN ADDITION, SUBSCRIBER ACKNOWLEDGES AND AGREES THAT THE UNDERLYING CARRIER AND ITS AFFILIATES AND CONTRACTORS SHALL HAVE NO LEGAL, EQUITABLE, OR OTHER LIABILITY OF ANY KIND TO SUBSCRIBER, AND SUBSCRIBER HEREBY WAIVES ANY AND ALL CLAIMS OR DEMANDS THEREFOR.

The terms and conditions of the Customer's access and use of the Service ("Terms of Service" or "TOS") must be expressly accepted by the Customer prior to and as a condition to a Customer's access and use of the Service. It is the Customer's responsibility to understand and abide by the TOS and by all other policies and procedures promulgated and communicated by Sertifi that may supplement, modify or amend the TOS from time to time.

WITNESSETH

Whereas, Sertifi is a third party technology provider operating an "Online Signature" and "E-Sign Room" service and software to businesses.

Whereas, the services provided by Sertifi are limited to capturing and applying electronic and handwritten signatures to documents, delivering documents and files, and storing documents;

During the term of this Agreement Sertifi shall provide to Customer an internet web-based on-line signature and e-sign room service and software which allows the users thereof to create and send to third party email addresses requests for electronic signatures and allows users to electronically sign documents or fax handwritten signatures into the software provided by Sertifi (hereinafter referred to as the "Services").

22-0033

2. Rates and Payment Terms. Customer agrees to pay to Sertifi the Service Fee in advance in Monthly increments (if Monthly Service Package is selected) or in Annual increments (if Annual Service Package is selected) within thirty (30) days after the date of each invoice. If the Service Fee is not paid within thirty (30) days after the date of an invoice, Sertifi may impose interest at that rate equal to the lesser of one and one-half percent (1 ½ %) per month. Sertifi may change the amount of the Monthly or Annual Service Fee by written notice to Customer not less than ten (10) days prior to the date the change is to take effect. Further, in the event any sum of money due from Customer to Sertifi is not paid in a timely manner Sertifi shall have the right, in addition to its other rights and remedies, to discontinuing providing Services to Customer or terminate this Agreement and all of the obligations of Sertifi to Customer.

3. Commencement Date. The Commencement Date is the date on which Sertifi shall provide the Services to Customer. no Auto Renewal 

4. Term. This Agreement shall begin on the Effective Date and shall remain in effect until ~~automatically renewing each month or annually until terminated by either party upon thirty (30) days prior written notice to the other party.~~

5. Enforcement of Electronic Signatures. The enforcement of documents signed with electronic signatures and facsimile signatures is an evolving area of the law. The Customer has the obligation to determine the enforceability of electronic signatures and facsimile signatures, the enforceability of any particular document signed with an electronic signature or facsimile signature, the risks as to the identity of the users signing with the use of electronic signature or a facsimile signature, to provide each party to a document with any disclosure or explanation required by law concerning the utilization of electronic signatures, facsimile signatures and the use of the Services, and to draft its documents to accommodate enforcement of the terms of the documents when signed with electronic signatures and facsimile signatures. Sertifi does not make and none of its employees, agents or representatives are authorized on behalf of Sertifi to make any representation or warranty as to the enforceability of any document signed with an electronic signature or facsimile signature nor as to coverage of any document under legislation, legality of legislation, enforceability of any documents, validity of any documents, or suitability of its Services or legality and enforceability of documents or transactions that pass through its Services. Sertifi does not provide any assurances electronic signatures or facsimile signatures are enforceability in a court of law or equity.

7. Modification to Agreement. Any modification of this Agreement, or additional obligation assumed by any party in connection with this Agreement, shall be binding only if placed in writing and signed by each party or an authorized representative of each party. It is not a modification to this Agreement for Sertifi to change the interfaces, software, mechanisms and any other feature of the Services and delivery of the Services and Sertifi may do so.

8. Right to Services. The rights of Customer to the use of the Services are personal to Customer and neither those rights nor this Agreement shall be transferred, sold, licensed, leased, assigned, conveyed or otherwise permitted to be used, in whole or in part, to or by any person or entity other than Customer without the express written consent of Sertifi which consent may be conditioned or withheld for any reason or no reason in the sole and absolute discretion of Sertifi. Any transfer of substantially all of the assets of the Customer or a transfer of more than one-half of the shares of stock or other equity interest in the Customer shall be deemed an attempted un-permitted transfer of this Agreement.

Customer agrees to be solely responsible to determine the identity of the End User and to assess the risk as to the End User with whom the Customer is transacting with and under what terms and as to the trustworthiness of the other parties to its transactions.

D. After documents or a Signature Stamp have left the Service or server of Sertifi, Sertifi shall not be responsible for the integrity of documents or a Signature Stamp. For example only and not by way of limitation, documents and signature stamps leave the server of Sertifi when a User forwards, accesses or stores a document or after a Customer closes its account with Sertifi and its documents and audit trails have been deleted from the server of Sertifi. E. Customer acknowledges that the Service relies on e-mail notifications to alert Users of signature requests and other information. Customer agrees that Sertifi is not responsible for Users failure to receive or send e-mails.

Customer agrees to fully pay ADT any and all invoices and/or expense reimbursement requests within thirty (30) days of the date of any such invoice and/or reimbursement request. Extension of credit for billing is subject to approval of ADT's credit department and is not included in the Proposal. Any payment not received within thirty (30) days of an invoice or reimbursement request shall be subject to an additional charge at the rate of 1.5% per month of the outstanding balance due or the highest rate of interest permitted by applicable law, whichever is less. ADT may, at its discretion and without waiving any rights, elect to suspend performance of any and all work if any payment is not received within ten (10) days after the due date. In the event that any payment due ADT is collected at law or through, or under advice from, an attorney-at-law, or through a collection agency, Customer agrees to pay all costs of collection, including without limitation, all court costs and reasonable attorney's fees. If Customer opts to pay ADT for an invoice with a credit card, ADT reserves the right to add a 3% processing fee to the total cost of the work.

If the Proposal specifies fixed or lump sum pricing, the Total Price will be billed upon the completion of all Services performed.

If the Proposal specifies Time & Materials, GMP/GMAX/MACC, cost reimbursable, or cost-plus pricing, ADT will invoice Customer upon completion of all Services performed.

For ADT owned equipment, Customer shall pay ADT per the schedule set forth in the Proposal at the time and for the duration set forth in the Proposal.

4. Sales Taxes. Unless specifically itemized in the Proposal, estimated sales taxes and other taxes due to city, state, or county government applicable in the United States are not included in the Proposal. All such taxes shall be the responsibility of Customer. For services to be provided outside of the United States, all Value Added Taxes (VAT), General Service Taxes (GST), Consumption Taxes, Import/Export Duties, Withholding and any other taxes or fees due to a sovereign nation are excluded and are the responsibility of Customer.

5. Bonds. If payment and performance bonds are required by Customer in writing in advance of the execution of the Agreement by Customer, the total price set forth in the Proposal shall include an administration fee of 2.5% of what the total price would have been without such bond (excluding applicable sales tax). If such bond is not requested by Customer until after the execution of the Agreement by Customer, Contractor shall enter into a Change Order reflecting an administration fee of 2.5% of the total price of the Agreement (excluding applicable sales tax). ADT shall not be required to obtain any bonds until such Change Order has been executed by Customer.

6. Insurance. Certificates of Insurance are available upon Customer request. Upon Customer request, such COI shall name Customer and all other parties in the "Contract Chain" as additional insureds. Any customer-requested insurance beyond what ADT normally carries is excluded from the pricing in the Proposal and shall be paid for by Customer.

7. Schedule Dates. ADT shall diligently endeavor to make timely delivery and installation and otherwise to timely complete the Services according to a mutually agreed "Implementation Schedule." If no implementation schedule is developed or agreed upon, ADT shall diligently endeavor to complete the Services within a reasonable time. Except as expressly provided in the Proposal, ADT shall, under no circumstances, be deemed to be in default hereunder or be liable for damages, special, consequential, or otherwise, resulting from delays in delivery, installation, or other completion of the Services. Minor omissions or variances in performance of the Services, which do not materially and adversely affect the Customer's use of installed systems, equipment, goods, or materials, or the operation thereof, shall not be deemed to have postponed substantial or final completion. Unless otherwise arranged in writing, Services shall be performed during normal business hours (7:30 am to 4:30 pm, Monday – Friday, except holidays). Services performed outside of normal business hours will result in ADT's then current surcharges for such Services.

8. Installation / Site Conditions. For any Services to be performed on-site, ADT will arrange for such Services in accordance with specifications, drawings and instructions provided by Customer, which specifications and drawings are considered a part of this Agreement. Whenever applicable, suitable foundations, wall openings, curbing holes, pits, tunnels, culvert piping, grouting, surrounding masonry and concrete, canopies and architectural enclosures, and sun screens shall be constructed by others at Customer's cost. Unless otherwise set forth in the Scope of Work, Customer shall also provide at its own expense the power and lighting that is required for proper operation of any equipment. If, through no fault of ADT, ADT cannot proceed with the work within a reasonable time after delivery of the equipment and/or ADT's arrival at the work site, Customer shall pay ADT's actual expenses, including, but not limited to, additional service fees and any storage fees incurred by ADT in waiting to proceed or in returning to Customer's premises to perform the work. Customer shall notify ADT of any cancellations forty-eight (48) hours in advance of any scheduled service call. Failure to so notify will result in an additional service fee charged to Customer. Unless otherwise set forth in the Scope of Work, Customer shall secure and pay for any required building permits and governmental fees, licenses, and inspection necessary for the proper execution and completion of the installation of the equipment which are legally required at the time that the installation is done. Customer shall give all notices and comply with all laws, ordinances, rules, regulations and lawful orders of any public authority bearing on the performance of the work. In the event that ADT is required, in connection with the installation of the equipment, to do additional work either because Customer did not prepare the job site, or because the drawings, wiring, or other work done by Customer or for Customer by others, was not properly represented in the drawing supplied to ADT, ADT shall have the option of doing the additional work required to complete the job, and will charge Customer at ADT's current prevailing rates for such work, or, of abandoning the installation and being paid in full by Customer upon demand therefore. Any additional amounts so charged shall be due within ten (10) days of receipt of invoice by Customer. Customer represents to ADT that it has an interest in the real estate on which the equipment is to be installed and that has the authority to and hereby authorizes ADT to do the work as provided in this Agreement.

9. Ownership of Equipment. Ownership of any equipment installed pursuant to this Agreement shall be described in the "Transaction Type" Section of the Proposal. For an outright sale, equipment that is purchased by Customer shall become the property of Customer upon the later of installation (or delivery to Customer if the equipment is not to be installed) and payment in full as set forth in Section 3 hereof. Until the equipment becomes the property of Customer, we retain ownership of the equipment we install at your premises. For ADT owned equipment, ADT will retain ownership of all installed equipment. Upon termination of the Agreement (or portion of the Agreement pertaining to the equipment), ADT shall have the right to enter upon Customer's premises to either remove or disable such equipment. Failure to allow ADT to so remove or disable the equipment shall result in Customer being liable to ADT for: (a) ADT's reasonable charges for the equipment, and (b) reimbursement to ADT for any other costs (including reasonable attorneys' fees) incurred by ADT in seeking to gain access to remove the equipment and/or to collect such charges. ADT shall have no obligation to repair the premises after any such removal. ADT's removal, disablement or abandonment of such equipment does not constitute a waiver of ADT's right to collect any other charges due under the Agreement. If Customer has elected to finance the purchase of some or all of the equipment with a third party lender or leasing company, then title to the equipment may be held by Customer's lender/lessor as security for Customer's loan/lease obligations. The terms of Customer's agreement with the lender/lessor may require Customer to maintain insurance, may make Customer responsible for various other costs and fees, and may obligate Customer to pay the lender/lessor regardless of ADT's performance hereunder. ADT makes no recommendations on lending or leasing sources and is not responsible for Customer's selection of a lending or leasing source, or the terms of Customer's agreement with its lender/lessor, and ADT hereby disclaims any and all liability in connection with Customer's arrangements with its lender/lessor.

10. Changes to Services. Except as otherwise set forth in a separate Appendix to this Agreement, any changes to the Agreement or to the Services will be by written change order, amendment or rider signed by duly authorized representatives of Customer and ADT that describes the changes and sets forth the amount of money to be added or removed from the Total Price and/or the adjustment of time to complete the Services (a "Change Order"). ADT shall have no obligation to perform any change to Services in the absence of a Change Order. Customer may not cancel any equipment specially ordered for Customer or for labor and shipping costs already incurred. Customer shall be responsible for any restocking fees and shipping and handling charges incurred by ADT as a result of any requested changes to the Services. Change Orders shall include additional terms and conditions if the nature of the changes are outside of the scope of the original Agreement.

11. Duration of Agreement. The Agreement will be effective as of the date set forth on Page 1 of the Proposal and will remain in effect until the completion of the Services. However, except as set forth in a separate Appendix to this Agreement, the Agreement may be terminated early by either party upon giving thirty (30) days written notice to the other party.

12. Disclaimer of Legal Advice. In the course of performing the Services, ADT may give advice or opinions regarding the impact of certain security and risk-related laws or regulations on the business of the Customer. However, Customer is hereby put on notice that ADT is not a law firm, it does not engage in the practice of law, and it does not render any legal advice. Customer is advised to seek its own legal counsel regarding any legal issues relating to its business, including issues relating to any Services. By entering into the Agreement, Customer specifically acknowledges this disclaimer and advice to consult with counsel set forth in this Section.

13. Confidentiality. Each party acknowledges that material and information which has or will come into its possession or knowledge in connection with this Performance or in the performance of the Services may consist of confidential and proprietary information of the other party, the disclosure of which to third parties would be damaging. Confidential information shall include any information relating to the identity of the party's customers, the nature of their relationship with their customers, the nature of the other party's business, or the rates charged by it to third parties. The parties agree not to make use of this information other than for the performance of the Agreement, to release it only to employees requiring such information and only after ensuring that such employees are aware of the terms of this Section, and not to release or disclose it to any other party other than as required by law. The parties further agree not to use any Services performed under the Agreement for advertising, portfolio, or other promotional purposes without the written consent of the other party. Confidential information shall not include any information that: (a) was, is, or becomes public information through no fault of the receiving party; (b) is in the possession of the receiving Party before the commencement of this Agreement where that party can provide written proof thereof; (c) is developed by ADT independently of the Customer; (d) must be disclosed pursuant to or as required by law or by a court or other tribunal of competent jurisdiction; (e) is disclosed to the receiving Party by a third party with a right to disclose such information; or (f) is disclosed by a party to a third party with the express written consent of the other party. This obligation of confidentiality shall survive termination of the Agreement for a period of three (3) years.

14. Intellectual Property. The parties acknowledge that one or both parties may have certain intellectual property rights that may be revealed or provided to the other party in accordance with the Agreement. Each party acknowledges that the Agreement does not grant any right or title of ownership in their respective intellectual property rights to the other unless specifically provided in the Agreement. Any intellectual property shall remain the originator's property unless otherwise provided in the Agreement.

15. Independent Contractors. ADT is an independent contractor and not an employee, agent, joint venture, or partner of Customer. Nothing in this Agreement shall be interpreted or construed to create or establish the relationship of employer and employee between the parties or any employee or agents of ADT. Since ADT is an independent contractor to Customer, ADT shall retain the right to perform work and services for other parties during the term of this Agreement. Neither party shall have the power, nor shall either party represent that it has the power, to bind the other party to or to assume or create any obligations, express, or implied, on behalf of the other party. Customer will not provide fringe benefits, including, but not limited to, life, disability, and health insurance, paid vacation, worker's compensation, or any other employee benefits, for the benefit of ADT's employees, agents, or independent contractors.

16. Indemnification. Each party agrees to indemnify, defend, and hold harmless the other party from and against any and all claims, actions, suits, liabilities, costs, and expenses (including attorney's fees) brought against either of them for or on account of bodily injury (including death) or property damage, to the extent that such claims, actions, suits, liabilities, costs, and expenses (including reasonable attorney's fees) arise out of or result from the negligent or willful acts or omissions of the indemnifying party, its employees, agents, or independent contractors, in the performance of its obligations under this Agreement. By entering into the Agreement, Customer acknowledges that the indemnity obligations in this Section were mutually negotiated.

17. Limitation of Liability. For box sales and test and inspect services, and sprinkler services (including but not limited to installation, testing, inspection, repair and maintenance), notwithstanding any contrary provision of the Agreement, Customer expressly agrees that in no event shall ADT's liability to Customer or any third party for any claim based on any legal theory in connection with any acts, omissions, errors, delays and/or interruptions relative to the Services exceed the total amount paid by Customer to ADT pursuant to the Agreement, or, in the case of recurring services, monitoring services or hosted services, the total amount paid by Customer to ADT for such Services in the preceding six (6) month period.

18. Mutual Waiver of Consequential Damages. ADT and Customer waive claims against each other for consequential damages arising out of or relating to this Agreement. This mutual waiver includes damages incurred by the Customer for loss of use, income, profit, loss by reason of facility shut down or fluctuation in facility service or operation, loss of electronic or other data, Customer claims, or other economic loss or personal injury in connection with or arising out of the existence, furnishing, functioning or use of the work, Services, goods, and/or materials provided by ADT, including any damages arising from any theft by a third party.

19. Assignment. Neither Customer nor ADT may assign this Agreement or the obligations created thereby without the prior written consent of the other party, which consent will not be unreasonably withheld. Notwithstanding the foregoing, ADT may assign this Agreement to a company under common ownership or control and may subcontract with third parties to perform any or all of its obligations under this Agreement.

20. Binding on Successors. Subject to any restrictions stated in any other provision of the Agreement, the Agreement will be binding on and will inure to the benefit of the Parties and their respective successors and permitted assigns. None of the provisions of the Agreement are intended to provide any rights or remedies to any person (including without limitation any employees, customers, or creditors of either of the parties hereto), other than the Parties and their

respective successors and permitted assigns.

21. Severability. In the event that any of the provisions of the Agreement should be held invalid or unenforceable by law, such invalidity or unenforceability will not affect the validity or enforceability of any other provision of the Agreement.

22. Entire Agreement. The Agreement contains the entire agreement between the parties with respect to the subject matter of the Agreement and supersedes any and all prior oral and/or written understandings and agreements. There are no oral or written agreements, representations, or understandings by or between the parties affecting the Agreement or related to the Services to be performed by ADT. By entering into the Agreement, each Party is relying solely on its own judgment, investigation, and advice, and such other investigation, advice, legal counsel, and technical consultation as it deems appropriate.

23. Non-Solicitation. Customer and ADT agree that ADT has made an investment in its employees and subcontractors ("Personnel") which is not easily measured or ascertained. Should Customer (or any of its subsidiaries or divisions) hire such Personnel, ADT shall be damaged in an amount that cannot be easily measured. Therefore, Customer agrees to pay to ADT as liquidated damages the amount of thirty-five percent (35%) of the annual gross salary of such Personnel (which shall be calculated by multiplying by twelve (12) the monthly salary on the last day of the Personnel's employment) in the event that Customer (or any of its subsidiaries or divisions) hires such Personnel at any time during the term of this Agreement or within three (3) years after the termination of this Agreement. The Parties agree that the liquidated damages specified in this section are a reasonable forecast of just compensation to ADT and not a penalty or punitive amount.

24. Governing Law and Attorney's Fees. The parties knowingly, expressly, and willingly, and as a matter of agreed-upon risk allocation, agree that all disputes under or relating to this Agreement or otherwise shall be decided in accordance with the substantive laws of the State where the Services are performed without regard to the conflict of laws provisions thereof. ~~Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be resolved through binding arbitration administered by the American Arbitration Association under its Construction Industry Arbitration Rules in the location closest to where the Services are performed, and judgment on the award rendered by the arbitrator(s) may be entered exclusively in the Superior Court of the County where the Services are performed, and by entering into the Agreement, Customer and ADT voluntarily consent to jurisdiction in such court. The substantially prevailing party in the arbitration shall be entitled to recover its reasonable attorneys' fees, costs (including arbitration and collection costs), and expenses incurred in connection therewith.~~ *NO ARBITRATION*

25. Force Majeure. ADT shall not be responsible for any delays or costs caused by acts of nature or God, including but not limited to force majeure events, or for any other cause beyond ADT's reasonable control. ADT shall be entitled to a Change Order and reimbursement for all demonstrable costs incurred due to Force Majeure and an extension of time equivalent to the delay caused by Force Majeure.

26. Customer Cooperation. Customer shall permit or arrange for reasonable access to the premises by ADT's design, installation, and maintenance personnel. Customer shall cooperate with ADT in obtaining any and all necessary consents and waivers from the owner of the Premises in connection with the Services and shall supply all supplemental equipment and facilities necessary for the installation, such as structural changes, conduits, back boxes, commercial power electrical wiring, outlets, and associated equipment, equipment room(s), and necessary operating environment as specified by the manufacturers of any goods or equipment to be installed. This pricing specified in the Agreement is based upon Customer's premises and facilities being available to allow ADT to perform continuous, uninterrupted work between 7:30 am and 4:30 pm, Monday through Friday, pursuant to a prearranged schedule. Customer shall provide free and clear access to all work areas including the removal of furniture, shelving, and other impediments. Additional labor will be billed if ADT's labor schedule is altered or unscheduled overtime is required by reason of ADT's inability to have access to the premises and facilities.

27. Risk of Loss. This Section shall govern risk of loss of goods, materials and equipment notwithstanding ownership of the same pursuant to Section 9 hereof. ADT shall bear the risk of loss or damage to the goods, materials, and equipment while the same are in transit until delivery to Customer's premises. ADT shall be responsible for loss or damage to the goods, materials, and equipment during testing or installation to the extent directly caused by ADT's employees or agents, but not by others. Customer shall be responsible for security and proper storage of goods, material, and equipment after delivery to Customer's premises and shall be responsible for loss or damage. For ADT owned equipment, Customer shall keep all installed and uninstalled equipment owned by ADT insured against all risks of loss in an amount equal to the replacement cost and, at ADT's request, list ADT on the policy as the "loss payee."

28. Delays. ADT will not be responsible for delays and damages due to delays either by Customer or other contractors that impede progress and scheduling of the Services. Any such delays that cause ADT to incur more labor hours to complete the Services or overtime hours than was originally bid will be the subject of an equitable adjustment to the Contract Price and Customer shall pay the same. ADT will give appropriate notice when possible to the Customer prior to either the Customer or ADT incurring such charges. ADT shall be reimbursed for all costs incurred by ADT or its subcontractors due to work by others that alters or delays the Services, whether before, during, or after ADT has started performing the Services.

29. Hazardous Materials. Hazardous materials abatement is excluded. This includes, but is not limited to asbestos and lead and any other materials defined as being radioactive, infectious, hazardous, dangerous, or toxic by any federal, state, or local statute, regulation, or ordinance. If ADT encounters hazardous materials, it will immediately stop work in the affected area (as determined in ADT's discretion) until remediated by Customer. Customer agrees it will indemnify and hold ADT, its employees, officers, directors and affiliates harmless from and against any claim, suit or proceeding and loss or liability arising from or related to any toxic substance, pollution or contamination that ADT does not bring to or generate on the Project site to the proportionate extent such claim, suit or proceeding or loss or liability is associated with such hazardous waste, toxic substance, pollution or contamination, including but not limited to bodily injury (including death) to persons, damages to property, disposal and replacement costs for contaminated equipment and materials, fines and other remediation costs, and damage and/or loss of natural resources.

30. Systems Management, Optimization, Maintenance, and Backup. Unless ADT is specifically hired to perform security systems management, administration, optimization, maintenance or data backups and such work is specified in the Scope of Work, these tasks must be performed by others and will not be performed by ADT. Customer assumes all responsibility for performance of these mission critical tasks and assumes all responsibility for ensuring that any equipment will perform as anticipated in any of Customer's systems. Customer warrants that, if applicable, it has all necessary bandwidth (wired or wireless) to accommodate all equipment covered under this Agreement. ADT's Work does not include maintaining copies of Customer system configuration or user databases for any systems, unless Customer specifically hires ADT to do so under a Performance Optimization, Data Management and Backup, or Maintenance Program. ADT also does not keep copies of Customer system administrator passwords. If the information referenced above is lost by Customer, access to applications may not be possible, and Customer may be required to perform extensive software and or database rebuilds. Customer hereby acknowledges and accepts full responsibility for all tasks outlined in this section, and further acknowledges that ADT is not responsible for loss of data, integrity, passwords, system configuration, databases, backups, or other information.

31. Wireless Devices. Customer acknowledges and agrees that any wireless devices, including but not limited to, wireless local area network (WLAN or WiFi) networks and paths, wireless motion detectors, wireless smoke detectors, wireless door and window contacts, wireless home automation transmitters, and other wireless devices installed under this Agreement are not physically connected to the system (e.g., by electrical wire) and require a radio frequency network or path to operate. THESE WIRELESS DEVICES WILL NOT OPERATE, AND ANY ALARM WILL NOT SOUND, IF THE RADIO FREQUENCY NETWORK OR PATH IS IMPAIRED, INTERRUPTED, OR BECOMES INOPERABLE FOR ANY REASON WHATSOEVER. THESE WIRELESS DEVICES MAY USE FREQUENCIES AND SIGNAL PATHS THAT ARE NOT ENCRYPTED, AND ARE THUS SUBJECT AND VULNERABLE TO, INTERRUPTION, INTERCEPTION, INTERFERENCE, CORRUPTION, ALTERATION, BLOCKAGE, MANIPULATION, AND TAMPERING. It is Customer's sole responsibility to maintain all wireless local area network (WLAN or WiFi) networks and paths. ADT recommends that Customer regularly inspects any wireless network and wireless devices and test them weekly to help maintain continued operation. ADT also recommends that Customer carefully reads and follows the owner's manual, instructions and warnings for all equipment, including all wireless devices.

32. **Notices.** Any and all notices permitted or required to be given under this Agreement shall be in writing and shall be deemed duly given: (i) upon actual delivery if delivery is by hand or by nationally recognized overnight express mail; or (ii) upon receipt by the sending party of a confirmation or answer back if delivery is by email, or (iii) after three (3) days following delivery into the mail if delivery is by postage paid certified return receipt requested mail. Each such notice shall be sent to the respective party at the address indicated on the first page of this Agreement or to any other address or person that the respective party may designate by written notice delivered pursuant hereto.

33. **Export Control.** Customer shall not export or re-export, directly or indirectly, any: (i) product or service provided under this Agreement, (ii) technical data, (iii) software, (iv) information, or (v) items acquired under this Agreement to any country for which the United States Government (or any agency thereof) requires an export license or other approval without first obtaining any licenses, consents or permits that may be required under the applicable laws of the U.S. or other foreign jurisdictions and shall incorporate in all export shipping documents the applicable destination control statements. Customer shall, at its own expense, defend, indemnify, and save harmless ADT from and against all third-party claims, liability, loss or damage (including attorneys' fees and other defense costs), assessed against or suffered by ADT as a result of an allegation or claim of noncompliance by Customer with this Section. The obligations contained in this Section shall survive the termination or expiration of this Agreement.

34. **Software.** Any software provided with the Equipment or in connection with the Services is proprietary to ADT and/or ADT's supplier(s) and is licensed or sublicensed to Customer on a non-exclusive basis. Customer may not (a) disclose the Software or source code to any third parties, (b) duplicate, reproduce, or copy all or any part of the Software, or (c) use the Software on equipment other than with the designated Equipment with which it was furnished. A separate Software License Agreement or End User License Agreement between ADT and/or the software publisher may be required to use the software and/or obtain updates/upgrades.

35. **Survival.** Those provisions which by their sense are intended to survive the cancellation, expiration or termination of the Agreement, including, by way of example only, the indemnification and limit of liability obligations contained therein, shall survive the cancellation, expiration or termination of the Agreement for whatever reason.

36. **Waiver.** The waiver, by either party, of a breach or violation of any provision of this Agreement shall not operate as, or be considered, to be a waiver of any subsequent breach thereof.

APPENDIX 7 – MONITORING

This Appendix shall be the exclusive terms and conditions applicable to monitoring services provided by ADT to Customer (referred to in this Appendix 7 as "Subscriber"). Appendices 2 and 3 do not apply to any such monitoring services, even if attached to the Proposal. Any terms and conditions set forth in a Master Agreement (or similar document) between the parties do not apply to monitoring services.

1. **Scope of Agreement.** ADT will provide (or cause to be provided) the alarm monitoring and notification services specified on the Proposal for the security alarm system at the location(s) shown in the Proposal. References in this Appendix 7 to ADT shall mean, as the case may be, ADT or the company retained by ADT to provide the alarm monitoring and monitoring services set forth herein.

2. **Service to be Provided.** The alarm monitoring and notification services to be provided shall be provided on a continuing twenty-four (24) hour basis seven (7) days a week. The monitoring and notification services shall consist of the receipt of signals from Subscriber's security alarm system and providing notification to Subscriber's designees as specified in this Appendix in the event of an alarm. The services shall be via cable, telephone lines, internet protocol, and/or radio/cellular.

3. **Term.** The initial term of this Appendix shall be for Sixty (60) Months (the "Initial Term"). The Initial Term shall begin on the date all equipment is installed and is operational, and when any necessary communications connection is completed. NOTE: Payment of all charges for installation and equipment is a precondition to the activation of the equipment and any recurring services the Subscriber has selected.

4. **Auto Renew.** Upon the expiration of the Initial Term, all monitoring services shall automatically renew for successive terms of one (1) year each (each, a "Renewal Term"); provided that the Subscriber may, by providing written notice to ADT no less than thirty (30) (and no more than sixty (60)) days prior to the date of such auto renewal, cancel such auto renewal with respect to monitoring services.

5. **Pricing Change.** ADT may increase the monitoring charges (for any or all locations covered by this Agreement) after the first year of the Initial Term for each such location (but no more than once in any twelve (12) month period) by giving Subscriber thirty (30) days prior written notice.

6. **Early Termination.** In the event that the Subscriber terminates any monitoring services during the Initial Term or during a Renewal Term, Subscriber shall pay to ADT, in addition to all other charges due prior to termination, the charges remaining to be paid for the unexpired portion of the Initial Term or Renewal Term (as the case may be) for such monitoring services. Subscriber acknowledges and agrees that this amount is an agreed upon early termination charge in the nature of liquidated damages, and is not a penalty.

7. **Notification Services; Information Required from Subscriber.** a) The Subscriber shall furnish to ADT and supplement and update Exhibit B, including a complete and accurate list of names and telephone numbers of all persons to be contacted by ADT in the event of an alarm (the "Call List"). ADT shall be entitled to rely in full upon all information in the most recent signed and dated Call List received from Subscriber, regardless of any earlier or later Call List or other information provided. In order to modify the Call List, Subscriber shall complete, sign, date, and submit to the ADT a new Call List. ADT will not rely on any unsigned Call List or any alarm monitoring information not contained on a signed, dated Call List. Additional fees apply for the following services: any changes to the Call List, system code changes and any special reports requested by Subscriber.

b) Upon receipt of an alarm signal from Subscriber, ADT shall promptly notify the person(s) or entity(ies) identified on the Call List. Notification of Police (PD), Fire (FD), the alarm location (LOC), Guard Service (FR), and/or Subscriber's designated Responsible Party(ies) shall proceed in the order indicated on the Call List. Where "RP" is designated, ADT shall call the Responsible Parties identified on the Call List, proceeding in the order listed until a Responsible Party responds with the correct Pass Code. If no Responsible Party answers, the "RP" notification shall be deemed complete when ADT has called each phone number listed on the Call List. It is expressly agreed that ADT is entitled to rely on any direction provided by a Responsible Party who provides a correct Pass Code, including a direction to discontinue further notifications. ADT shall be deemed to have fully discharged any duty to the Subscriber under the Agreement when it has completed all notifications indicated in the Codes and Procedures. All notifications shall be by telephone using the phone number(s) listed unless otherwise indicated on the Call List. Local governmental regulations and industry standards designed to reduce false alarms may result in conditions or restrictions on the dispatch of emergency response providers in response to an alarm, and such conditions or restrictions may result in delays of notification of authorities or require that additional measures be taken to verify the alarm before dispatch. We do not guarantee that such additional measures will be successful or that emergency response providers will be dispatched should an alarm occur.

8. **Subscriber's Alarm Equipment.** The Subscriber shall be solely responsible for the testing of all alarm equipment utilized on the Subscriber's premises and agrees that such equipment shall be maintained, operated, and tested regularly and in accordance with the manufacturer's recommendations. ADT's obligations under the Agreement exclude any testing, operation, or maintenance of Subscriber's equipment or systems. The Subscriber shall not maintain or use any devices that interfere with the effectiveness and/or functioning of the alarm system. Under no circumstances shall ADT be responsible or liable for the performance of any alarm equipment on the Subscriber's premises.

9. Limitation of Services. The services described herein are only deterrents and notifications. ADT does not guarantee that such deterrents will prevent theft, loss or damage. The Subscriber acknowledges that no representations have been made concerning the services to be rendered other than as specified in the Agreement. TO THE EXTENT PERMITTED BY APPLICABLE LAW, ADT MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE CONDITION OF THE SYSTEM, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. ADT NEITHER REPRESENTS NOR WARRANTS: THAT THE SYSTEM MAY NOT BE COMPROMISED OR CIRCUMVENTED; THAT THE SYSTEM WAS DESIGNED TO OR WILL PREVENT ANY LOSS BY BURGLARY, HOLD UP, FIRE, PHYSICAL INJURY, MEDICAL CONDITION OF ILLNESS, OR OTHERWISE; OR THAT THE SYSTEM WILL PROVIDE THE DETECTION OR RESPONSE FOR WHICH IT IS INTENDED. SUBSCRIBER AGREES: THAT ANY AFFIRMATION OF FACT OR PROMISE MADE BY ADT SHALL NOT BE DEEMED TO CREATE AN EXPRESS WARRANTY; SUBSCRIBER REPRESENTS THAT SUBSCRIBER HAS NOT RELIED ON ANY STATEMENT, REPRESENTATION, ACTION, OR OTHER CONDUCT BY ADT IN ELECTING TO ENTER INTO THIS AGREEMENT OR THAT, ABSENT SUCH REPRESENTATION, SUBSCRIBER WOULD NOT HAVE ENTERED INTO THIS AGREEMENT. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO SUBSCRIBER. THIS AGREEMENT GIVES SUBSCRIBER SPECIFIC LEGAL RIGHTS, AND SUBSCRIBER MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

10. Notification of Authorities. Upon receipt of an alarm signal from Subscriber, ADT shall notify persons and entities specified on the Call List, and further may, but shall have no obligation to, notify police, fire, or other authorities not listed on Call List. Subscriber shall promptly pay any costs, fees, fines or charges by any government or emergency response entity, including "false alarm" or similar, in connection with any notification of an alarm regardless of whether such government/entity is specified in the Codes and Procedures or the Call List. ADT may invoice Subscriber for such costs, fees, fines or charges. Certain cities have policies that require alarm verification prior to dispatching emergency services. Subscriber is to inquire with the applicable municipality about any such verification requirements and what steps, if any, must be taken in the event of an alarm. NOTE: In jurisdictions where required, a Direct Connection to the Municipal Police, Fire Department or other Agency shown shall be provided. In addition, certain states require alarm verification before ADT can contact a law enforcement agency for alarm dispatch. Subscriber understands and agrees that signals transmitted hereunder will be monitored in Municipal Police and/or Fire Departments or other locations and that the personnel of such Municipal Police and/or Fire Departments or other locations are not the agents of ADT, nor does ADT assume any responsibility for the manner in which such signals are monitored or the response, if any, to such signals. In certain states, Subscribers using the protected premise to store firearms or ammunition and which hold a valid federal firearms license as a manufacturer, importer, or dealer of firearms ammunition may opt out of the alarm verification process by contacting ADT.

11. Payments. Upon entering into the Agreement, Subscriber shall pay the amounts set forth in the Proposal for setup of the monitored alarm account, alarm monitoring fees (billable in advance), and any permit fees specified on Exhibit A. Subscriber shall be responsible for and shall reimburse ADT for all taxes, permits, fees, and fines, arising out of the monitoring services, including but not limited to (i) any costs, fees, fines or charges referenced in Section 10 hereof and (ii) any permit fees set forth on Exhibit A hereof, and/or (iii) any taxes imposed by any governmental agency.

12. Communications Media: Limitations. Subscriber recognizes that the alarm signals and communications contemplated under this Appendix are transmitted over telephone or other cable lines, internet protocol, or by radio/cellular, and the maintenance and performance of such lines, networks, or radio/cellular systems are beyond the control of ADT. Under no circumstances shall ADT be responsible or liable for any failure of performance or malfunction due to ineffective transmission through lines under the control of third parties, including but not limited to telephone companies, cable companies, other utilities, or due to malfunctioning radio systems.

13. Waiver of Consequential Damages; Limitation of Liability. IN NO EVENT WILL ADT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES HOWEVER CAUSED. SOME STATES DO NOT ALLOW THE EXCLUSION OR THE LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CERTAIN CIRCUMSTANCES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO SUBSCRIBER. SUBSCRIBER AGREES TO FILE ANY LAWSUIT OR OTHER ACTION SUBSCRIBER MAY HAVE AGAINST ADT OR ADT'S ASSIGNEES, AGENTS, EMPLOYEES, SUBCONTRACTORS, SUBSIDIARIES, AFFILIATES OR PARENT COMPANIES WITHIN ONE (1) YEAR FROM THE DATE OF THE EVENT THAT CAUSED THE CLAIM, LOSS, DAMAGE OR LIABILITY. THE LIMITATION OF LIABILITY AS HEREIN SET FORTH IS KNOWINGLY FIXED BY THE PARTIES HERETO AS LIQUIDATED DAMAGE AND NOT AS A PENALTY. IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT THE SERVICES PROVIDED UNDER THIS APPENDIX ARE SOLELY FOR SUBSCRIBER'S CONVENIENCE, AND ADT IS NOT AN INSURER OF SUBSCRIBER'S SECURITY OR ALARM SYSTEMS OR OF ANY FAILURE TO REPORT AN ALARM. SUBSCRIBER SHALL SEPARATELY OBTAIN ANY INSURANCE IT MAY DESIRE AGAINST SUCH RISKS. THE PRICING CONTEMPLATED IN THE AGREEMENT IS BASED ON ADT'S COST OF PROVIDING THE SERVICES AND DOES NOT TAKE INTO ACCOUNT ANY ASSUMPTION OF RISK OR RESPONSIBILITY BEYOND THE LIMITATIONS AGREED HEREIN. THE AGREED PRICING IS NOT SUFFICIENT TO WARRANT THE ASSUMPTION OF ANY RISK OF CONSEQUENTIAL OR OTHER DAMAGES TO THE SUBSCRIBER DUE TO ANY FAILURE TO PERFORM, FAILURE OF ANY EQUIPMENT OR SYSTEMS, FAILURE OF ANY ALARM TO BE RECEIVED BY ADT FROM THE SUBSCRIBER, OR BECAUSE OF ANY DELAY IN OR FAILURE OF ADT TO DISPATCH PUBLIC AUTHORITIES, FIRE, POLICE, OR OTHERS TO INVESTIGATE OR RESPOND TO AN ALARM. SUBSCRIBER SPECIFICALLY AGREES THAT ADT SHALL NOT BE LIABLE FOR ANY LOSS OR DAMAGE ARISING OUT OF ANY ACTUAL OR ALLEGED FAILURE TO DETECT, REPORT, PREVENT, OR MITIGATE ANY EVENT WHICH HAS, MAY, OR SHOULD RESULT IN AN ALARM. ADT'S LIABILITY UNDER THIS APPENDIX, WHETHER BASED IN CONTRACT, TORT OR ANY OTHER THEORY OF RECOVERY, SHALL NOT EXCEED THE AMOUNT OF FEES ACTUALLY PAID BY SUBSCRIBER TO ADT UNDER THE AGREEMENT. THIS SUM SHALL BE SUBSCRIBER'S EXCLUSIVE REMEDY AND THE PROVISIONS OF THIS SECTION SHALL APPLY TO ALL LOSS, DAMAGE, INJURY OR DEATH, IRRESPECTIVE OF CAUSE OR ORIGIN, RESULTING DIRECTLY OR INDIRECTLY TO PERSONS OR PROPERTY, FROM THE PERFORMANCE OR NONPERFORMANCE OF THE OBLIGATIONS IMPOSED BY THIS AGREEMENT, OR, TO THE EXTENT PERMITTED BY APPLICABLE LAW, FROM THE NEGLIGENCE, ACTIVE OR OTHERWISE, OF ADT, ADT'S ASSIGNEES, AGENTS, EMPLOYEES, SUBCONTRACTORS, SUBSIDIARIES, AFFILIATES OR PARENT COMPANIES. SUBSCRIBER ACKNOWLEDGES AND AGREES THAT IN THE EVENT OF ANY EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT FOR ANY REASON WHATSOEVER, ALL OF THE PROVISIONS, LIMITATIONS AND DISCLAIMERS HEREIN RELATING TO ADT LIABILITIES SHALL SURVIVE SUCH EXPIRATION OR EARLY TERMINATION. IF SUBSCRIBER WISHES ADT TO ASSUME A GREATER DOLLAR LIABILITY THAN PROVIDED FOR IN THIS AGREEMENT, SUBSCRIBER MAY OBTAIN FROM ADT A HIGHER LIMIT BY PAYING A HIGHER MONITORING CHARGE TO ADT. IF SUBSCRIBER ELECTS TO EXERCISE THIS OPTION, A RIDER SHALL BE ATTACHED TO THIS AGREEMENT, SETTING FORTH SUCH HIGHER LIMIT AND ADDITIONAL COST, BUT SUCH RIDER SHALL IN NO WAY BE INTERPRETED TO HOLD ADT LIABILITY IN EXCESS OF SUCH PROVISIONS.

14. Events Beyond ADT's Control. Communication lines, cable, telephone lines, internet connections/protocols, radio/cellular systems or equipment and instruments used by ADT in the performance of its services may be destroyed or substantially damaged by fire or other catastrophes and ADT may be unable to secure or retain connections or privileges necessary for the transmission of signals between or among the alarm location, the ADT's facilities, any central monitoring station, Call List designees, police or fire dispatch centers having jurisdiction over the alarms, or other parties, all of which events are beyond ADT's control. ADT shall have no liability for events beyond its control. Should conditions beyond ADT's control, including but not limited to strike, flood, riot, fire, explosion, war, conflict, line damage, antenna failure, communications network failure, or other causes beyond the reasonable control of the ADT, hinder or prevent the performance of ADT's services, then ADT (upon learning of the issue) will notify the Subscriber as soon as is reasonably practical of the nature and extent thereof and the approximate anticipated duration. Upon such notification either party shall have the following options: (a) to proceed under this Appendix; or (b) to terminate this Agreement. If the Agreement is terminated, the Subscriber shall pay to ADT all fees and charges through the date of termination and the ADT shall refund any prepaid amount through the date of termination, less any equipment charges still due for ADT owned equipment. Upon such payment, the contractual relationship between the parties shall terminate.

15. Indemnity. SUBSCRIBER SHALL RELEASE, DEFEND, INDEMNIFY AND HOLD HARMLESS ADT FROM AND AGAINST ALL CLAIMS, INCLUDING THIRD PARTY CLAIMS, LIABILITIES AND DAMAGES (INCLUDING WITHOUT LIMITATION EXPENSES, COSTS AND ATTORNEYS FEES) RELATING TO THE DESIGN, INSTALLATION, PERFORMANCE OR OPERATION OF THE SYSTEM, THE MONITORING OF THE SYSTEM, AND ANY RISKS, LOSSES, DAMAGES, INJURIES, DEATH OR OTHER EFFECTS OF ANY HAZARD OR EVENT THAT OCCURS AT OR AROUND THE PREMISES, INCLUDING, BUT

22-0007

NOT LIMITED TO, SUCH CLAIMS OR LIABILITIES THAT ARE BASED UPON THE NEGLIGENCE, BREACH OF CONTRACT, BREACH OF WARRANTY, AND/OR STRICT LIABILITY BY ADT, OUR ASSIGNEES, AGENTS, EMPLOYEES, SUBCONTRACTORS, SUBSIDIARIES, AFFILIATES OR PARENT COMPANIES. SUBSCRIBER'S INDEMNIFICATION OBLIGATIONS SHALL SURVIVE THE EXPIRATION OR EARLY TERMINATION OF THIS AGREEMENT FOR ANY REASON WHATSOEVER.

16. Integration. The terms and conditions stated herein constitute the final complete agreement between the Subscriber and ADT with respect to monitoring services. This Agreement may not be modified in any respect except by a subsequent writing executed by the Subscriber and ADT.

17. Subcontracting; Assignment. Neither party may assign the Agreement without the express prior written consent of both parties. ADT may, in ADT's sole discretion and without notice to Subscriber or any other person, provide to any actual or prospective assignee, purchaser, transferee, or participant, any information that ADT have or know pertaining to this Agreement. Subscriber acknowledges that this Agreement and particularly those paragraphs relating to ADT's disclaimer of warranties and limited liability and third party indemnification, inure to the benefit of, and are applicable to, any assignees and subcontractors with the same force and effect as they bind Subscriber to ADT. Subscriber further acknowledges that any assignees of this Agreement shall not be responsible for claims, liabilities, or damages which accrued prior to the date of assignment.

18. Governing Law. This Appendix shall be interpreted and construed in accordance with the laws of the State where the monitored premises are located.

19. Attorneys' Fees. If any legal action or other proceeding is brought for the enforcement of this Agreement or the collection of any sums due hereunder, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs incurred in such action or proceeding, or on any appeal there from.

20. Notices. Notices, other than fee adjustments, shall be deemed given when delivered in person, delivered via reputable overnight courier service (such as FedEx or UPS) or delivered by USPS certified mail, return receipt requested, addressed to the parties at the addresses set forth in the Proposal. All changes of address must be in writing and delivered as provided in this Section.

21. Survival. The provisions of this Appendix pertaining to consequential damages, liability limitation, events beyond ADT's control, termination, indemnity, integration, and severability shall survive any termination or expiration of the Agreement.

22. Severability. If any provision in this Appendix is held to be invalid or unenforceable, such provision will be enforced to the maximum possible extent, and all other provisions will remain valid and enforceable.

23. Waiver of Jury Trial. Each party hereby waives any right to trial by jury in any suit, action or other legal proceeding brought by either party.

The following provisions apply to monitoring systems that include Mobile Control by Alarm.com.

Subscriber acknowledges that (i) it has read and accepted the Alarm.com terms below, and (ii) Subscriber must activate its Alarm.com account online pursuant to the instructions given to Subscriber by Alarm.com, and until Subscriber so activates its Alarm.com account, Subscriber will only have Alarm.com Signal Forwarding services and NOT Mobile Control services, which means, among other things, that Subscriber will not have the enhanced Mobile Control service, which means, among other things, that Subscriber will not have the enhanced Mobile Control service known as "Entry Delay Crash and Smash," which makes it difficult for an intruder to disarm Subscriber's panel upon entry into your premises. In addition, once Subscriber's Alarm.com account is activated, in order to maintain the enhanced Mobile Control services, Subscriber must arm/set its alarm system at least once every 30 calendar days. If Subscriber fails to arm/set its alarm system at least once every 30 days, then Subscriber will automatically and without further notice only have Alarm.com Signal Forwarding services going forward until such time as Subscriber contacts ADT or Alarm.com to reactivate Subscriber's Mobile Control services. Therefore, ADT strongly encourages Subscriber to activate its Alarm.com account and arm/set its alarm system often, but at a minimum every 30 days, in order to retain the enhanced Mobile Control services.

Subscriber has agreed to purchase commercial security, video, still-photo imaging and/or home automation products and services from an independently owned and operated security services dealer ("Dealer") pursuant to an agreement with the Dealer ("Dealer Agreement"). Alarm.com Incorporated, a Delaware corporation, has authorized the Dealer to market and sell Alarm.com's services ("Services") to Subscriber with certain hardware and other products, including communication modules, video, imaging and/or home automation devices ("Equipment") that enable the Services. Sections A1 through A12 herein constitute the terms and conditions of Alarm.com's offering of the Equipment and Services ("Terms") and are part of Subscriber's agreement with the Dealer and contain, among other things, important warranty disclaimers (Section A4) and limitations of liability (Section A5) applicable to the Services and the Equipment. By signing the agreement with the Dealer, accessing the Alarm.com customer website or mobile applications, or using any other part of the Services and/or Equipment, subscriber Agrees to be bound by these Alarm.com Terms. Subscriber agree that these Alarm.com Terms may be enforced by ADT directly.

A1. Pursuant to the Dealer Agreement, Subscriber has agreed to purchase the Services and/or Equipment from the Dealer. The Dealer is an independent contractor and not an agent of Alarm.com. Subscriber acknowledges and agrees that (a) Subscriber has had the opportunity to read and review these Alarm.com Terms before entering into the Dealer Agreement, (b) Subscriber accepts the Alarm.com Terms and agrees to be bound by them, and (c) if, for any reason, Subscriber does not remain an Alarm.com subscriber or if the Services become unavailable to Subscriber for any reason, Subscriber will have no right of refund, return or deinstallation with respect to any Services or any Equipment, except if and to the extent otherwise required by law. ADT or Alarm.com may modify these Alarm.com Terms from time to time to comply with applicable law.

A2. The Equipment may contain proprietary software of Alarm.com that is embedded in the Equipment. Alarm.com solely owns and retains all rights, including all intellectual property rights, in the embedded software and all other Alarm.com materials (together, "Materials") and Services. Subscriber will not (a) use, or cause or permit any other person or entity to use, any Materials or Services to design, build, market, or sell any similar or substitute product or service, or (b) cause, perform, or permit (i) the copying, decompilation, disassembly, or other reverse engineering of any Materials, (ii) the transferring or purported resale, licensing or sublicensing of any Materials, or (iii) the removal, delivery, or exportation of any Materials outside the United States or any other act in violation of any relevant export laws or regulations.

A3. If Subscriber's Services include emergency two-way voice over a cellular or internet connection, Subscriber acknowledges that the two-way voice connection may be interrupted or unable to connect, that the call may be dropped, and that the sound quality may be distorted or impossible to understand. By accepting the emergency two-way voice service, Subscriber understands and accepts the limitations inherent in cellular and internet technology and the consequences if the technology does not operate as designed. If Subscriber's Services include video or still-photo image cameras, the video clips and still-photo images generated from such cameras are stored on our servers and may be viewed by Subscriber only for a limited time based on the quantity of storage Subscriber has ordered from its Dealer. Alarm.com has no control over and take no responsibility for the placement of cameras and their view. Subscriber agrees to use the cameras and associated video and still-photo imaging features of the Services in compliance with all laws, including privacy and consumer protection laws, and not for any illegal purposes, including invasion of privacy or illicit conduct, and Alarm.com may disconnect the cameras from the Services if Subscriber, in Alarm.com's sole determination, breaches this covenant. Alarm.com does not guarantee the receipt, clarity or quality of any images that may be adversely impacted by, for example, lighting, Internet and wireless communication facilities and transmission quality, electrical interference, weather and other conditions beyond Alarm.com's control. Alarm.com may disclose stored video clips and still-photo images in response to a subpoena or a government request or order. If the Equipment provided by Subscriber's Dealer includes an Alarm.com image sensor device that also is being used as a motion sensor, then Subscriber understands and accepts that the motion sensor may not operate as designed and may be affected by conditions outside Alarm.com's control, which may cause the device to malfunction or provide false readings. If the Equipment provided by Subscriber's Dealer includes home automation devices (such as thermostats, lighting controls and door locks), Subscriber understands that such devices may not work together with the Equipment and Alarm.com Services, and Subscriber

may be unable to control the devices using the Equipment or Alarm.com Services. Alarm.com makes no representations or warranties regarding the quality, function or effectiveness of any such home automation devices.

A4. THE SOLE WARRANTY PROVIDED BY ALARM.COM WITH RESPECT TO THE SERVICES, MATERIALS AND EQUIPMENT IS A LIMITED WARRANTY TO USE COMMERCIALY REASONABLE EFFORTS TO CORRECTOR BYPASS A MATERIAL DEFECT IN THE SERVICES, IN ACCORDANCE WITH THE TERMS AND CONDITIONS SET FORTH IN THESE ALARM.COM TERMS ("LIMITED WARRANTY"). THE LIMITED WARRANTY IS NOT EXTENDED TO SUBSCRIBER UNLESS SUBSCRIBER HAS ACCEPTED THESE ALARM.COM TERMS AND REMAIN BOUND BY THESE TERMS AND CONDITIONS. THE LIMITED WARRANTY IS FOR SUBSCRIBER'S BENEFIT ONLY AND MAY NOT BE ENFORCED BY ANY OTHER PERSON OR ENTITY. EXCEPT FOR THE LIMITED WARRANTY WITH RESPECT TO SERVICES, ALL SERVICES, EQUIPMENT AND MATERIALS THAT ARE OR MAY BE PROVIDED BY ALARM.COM ARE PROVIDED "AS IS," WITH ALL FAULTS. TO THE MAXIMUM EXTENT PERMITTED BY LAW, ALARM.COM DISCLAIMS (A) ALL EXPRESS WARRANTIES TO SUBSCRIBER OTHER THAN THIS LIMITED WARRANTY, (B) ALL IMPLIED WARRANTIES TO SUBSCRIBER OF ANY KIND, AND (C) ALL WARRANTIES TO OR FOR THE BENEFIT OF ANY OTHER PERSON OR ENTITY, WHETHER EXPRESS OR IMPLIED. THE IMPLIED WARRANTIES DISCLAIMED HEREIN, TO THE MAXIMUM EXTENT PERMITTED BY LAW, INCLUDE ALL WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE ACCURACY, SYSTEMS INTEGRATION, QUIET ENJOYMENT, OR NON-INFRINGEMENT. EXCEPT FOR THE LIMITED WARRANTY, THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY, AND EFFORT OF ALL SERVICES, ALL EQUIPMENT AND ALL ALARM.COM MATERIALS SHALL BE WITH SUBSCRIBER. ALARM.COM SHALL HAVE NO RESPONSIBILITY FOR EQUIPMENT WHICH IS MANUFACTURED BY THIRD PARTIES.

A5. (A) SUBSCRIBER AGREES THAT ALARM.COM IS NOT AN INSURER OF SUBSCRIBERS PROPERTY OR THE PERSONAL SAFETY OF PERSONS IN OR AROUND SUBSCRIBER'S PREMISES. THE PRICES THAT ALARM.COM CHARGES FOR THE SERVICES AND EQUIPMENT REFLECT THE VALUE OF THE GOODS AND SERVICES ALARM.COM PROVIDES AND NOT THE VALUE OF SUBSCRIBERS PREMISES OR ITS CONTENTS OR ANY LOSSES ASSOCIATED WITH PERSONAL INJURY OR DEATH. INSURANCE, IF ANY, COVERING PERSONAL INJURY AND PROPERTY LOSS OR DAMAGE ON YOUR PREMISES SHALL BE OBTAINED BY SUBSCRIBER FROM A THIRD PARTY. (B) ALARM.COM IS NOT ASSUMING RESPONSIBILITY FOR ANY LOSSES (DIRECTOR INDIRECT), IRRESPECTIVE OF CAUSE, THAT MAY OCCUR EVEN IF DUE TO ALARM.COM'S NEGLIGENT PERFORMANCE OR FAILURE TO PERFORM ANY OBLIGATION UNDER THESE TERMS OR ANY DEALER AGREEMENT OR OTHER BASIS. IF, NOTWITHSTANDING THESE TERMS, ALARM.COM IS HELD TO BE LIABLE TO SUBSCRIBER, OR ANY INVITEES, AGENTS, EMPLOYEES OR OTHERS, FOR BREACH OF CONTRACT, NEGLIGENCE, GROSS NEGLIGENCE, OR UNDER ANY OTHER THEORY OF LEGAL LIABILITY FOR ANY FAILURE OF THE SERVICES, MATERIALS OR EQUIPMENT, THEN THE LIMITATION OF ALARM.COM'S LIABILITY FOR ANY AND ALL HARM, DAMAGES, INJURY OR LOSS SHALL BE THE GREATER OF ONE THOUSAND DOLLARS (\$1,000.00) OR THE ANNUAL AMOUNT THAT ALARM.COM RECEIVES FOR SUBSCRIBERS USE OF THE SERVICES. (C) SUBSCRIBER HEREBY WAIVES ANY AND ALL CLAIMS FOR DAMAGES EXCEEDING THE LIMITS SET FORTH HEREIN FOR ALL HARM, DAMAGES, INJURY OR LOSS INCURRED, INCLUDING BUT NOT LIMITED TO ACTUAL, DIRECT, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES, PROPERTY DAMAGE AND LOSSES DUE TO BUSINESS INTERRUPTION, LOSS OF PROFITS, PERSONAL INJURY OR DEATH. UNDER NO CIRCUMSTANCES WILL ALARM.COM BE LIABLE TO SUBSCRIBER FOR ANY CONSEQUENTIAL DAMAGES. (D) SUBSCRIBER MAY OBTAIN FROM ALARM.COM A HIGHER LIMITATION OF LIABILITY BY PAYING AN ADDITIONAL FEE TO ALARM.COM. IF SUBSCRIBER ELECTS THIS OPTION, A RIDER WILL BE ATTACHED TO THESE ALARM.COM TERMS WHICH WILL SET FORTH THE AMOUNT OF THE HIGHER LIMITATION OF LIABILITY AND THE AMOUNT OF THE FEE. AGREEING TO THE HIGHER LIMITATION OF LIABILITY DOES NOT MEAN THAT ALARM.COM IS AN INSURER. SUBSCRIBER WAIVES ALL SUBROGATION AND OTHER RIGHTS OF RECOVERY AGAINST ALARM.COM THAT ANY INSURER OR OTHER PERSON MAY HAVE AS A RESULT OF PAYING ANY CLAIM FOR HARM, DAMAGES, INJURY OR LOSS TO SUBSCRIBER OR ANY OTHER PERSON OR ENTITY.

A6. Subscriber agrees and acknowledges that the Services, Materials and Equipment may not detect, observe, view, or prevent an unauthorized intrusion onto the premises or any other emergency condition such as fire, smoke, carbon monoxide, medical emergencies or water damage. Subscriber agrees and acknowledges that the use of the Services, Materials and/or Equipment is voluntary.

A7. If any of Subscriber's employees, guests, relatives, invitees, or insurers, or any other person or entity connected to Subscriber, or any person or entity who seeks to assert rights they claim are derived from Subscriber's relationship with Alarm.com, attempts to hold Alarm.com responsible for any harm, damages, injury or loss (including property damage, personal injury or death) connected with or resulting from any alleged (a) failure of the Services, Materials or Equipment, (b) negligence (including gross negligence), (c) improper or careless activity of Alarm.com, or (d) claim for indemnification or contribution, then Subscriber will repay to Alarm.com (i) any amount that Alarm.com is required to pay or that Alarm.com agrees to pay in settlement of the claim, and (ii) the amount of Alarm.com's reasonable attorney's fees and any other losses and costs that Alarm.com may incur in connection with the harm, damages, injury or loss.

A8. Subscriber understands and agrees that these Alarm.com Terms, and particularly Sections A4, A5, A6, A7, and A8, shall (a) apply to and protect the employees, officers, shareholders, parent companies, directors, agents, licensors, representatives, subcontractors, affiliates and assignees of Alarm.com, and (b) be binding on Subscriber's heirs, administrators, custodians, trustees, agents and successors.

A9. TO THE EXTENT PERMITTED BY LAW, SUBSCRIBER AGREES THAT NO LAWSUIT OR ANY OTHER LEGAL PROCEEDING CONNECTED WITH THE SERVICES OR EQUIPMENT SHALL BE BROUGHT OR FILED BY SUBSCRIBER MORE THAN ONE (1) YEAR AFTER THE INCIDENT GIVING RISE TO THE CLAIM OCCURRED. IN ADDITION, TO THE EXTENT PERMITTED BY LAW, ANY SUCH LEGAL PROCEEDING SHALL NOT BE HEARD BEFORE A JURY, AND EACH PARTY GIVES UP ANY RIGHT TO A JURY TRIAL. TO THE EXTENT PERMITTED BY LAW, SUBSCRIBER AGREES THAT SUBSCRIBER WILL NOT BRING ANY CLASS ACTION LAWSUIT AGAINST ALARM.COM OR BE A REPRESENTATIVE PLAINTIFF OR PLAINTIFF CLASS MEMBER IN ANY SUCH LAWSUIT.

A10. These Alarm.com Terms shall be governed by the law of the State of Delaware, without giving effect to its rules of conflict of laws. If Subscriber is a resident or business located in the State of California, the following applies: If either Subscriber or Alarm.com commences a lawsuit for a dispute arising under or related to these Alarm.com Terms or in any way relating to the Services, such suit shall be submitted to general judicial reference in Los Angeles, California pursuant to California Code of Civil Procedure section 638 et seq. and 641 through 645.1 or any successor statutes thereto.

A11. If any provision of these Alarm.com Terms or the application of any such provision to any person, entity or circumstance shall be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of these Alarm.com Terms. The parties intend that all disclaimers of warranties, limitations of liability, and exclusions of damages in these Alarm.com Terms shall be upheld and applied to the maximum extent permitted by law. Alarm.com is an intended third-party beneficiary of these Alarm.com Terms and shall have the right to enforce and/or otherwise invoke any and all provisions set forth in any of these Alarm.com Terms directly. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation."

A12. SUBSCRIBER EXPRESSLY UNDERSTANDS AND AGREES THAT SUBSCRIBER HAS NO CONTRACTUAL RELATIONSHIP WHATSOEVER WITH THE UNDERLYING WIRELESS SERVICE PROVIDER OR ITS AFFILIATES OR CONTRACTORS AND THAT SUBSCRIBER IS NOT A THIRD PARTY BENEFICIARY OF ANY AGREEMENT BETWEEN ALARM.COM AND THE UNDERLYING CARRIER. IN ADDITION, SUBSCRIBER ACKNOWLEDGES AND AGREES THAT THE UNDERLYING CARRIER AND ITS AFFILIATES AND CONTRACTORS SHALL HAVE NO LEGAL, EQUITABLE, OR OTHER LIABILITY OF ANY KIND TO SUBSCRIBER, AND SUBSCRIBER HEREBY WAIVES ANY AND ALL CLAIMS OR DEMANDS THEREFOR.
