CHARTER OF ANDERSON COUNTY, TENNESSEE

Preamble

We, the people of Anderson County, Tennessee, in recognition of the dual role of the County, as a political subdivision of the State of Tennessee and as a unit of local government, in order to avail ourselves of self-determination in County affairs to the fullest extent permissible under the Tennessee Constitution and laws of the State of Tennessee, do hereby publish, declare and adopt this Charter for Anderson County, Tennessee, and confer upon Anderson County Government the following powers, procedures, and governmental structures, subject to the restrictions contained herein.

ARTICLE I

POWERS AND FUNCTIONS

Section 1.01. General Grant of Powers

The Anderson County Government ("County Government") shall exercise any power or perform any function which is not denied by the general laws of the State of Tennessee or the Constitution of the State of Tennessee ("Constitution"). It is the intent of this Charter of Anderson County, Tennessee ("Charter") that limitations on the powers of County Government shall be strictly construed, and that grants of power to County Government shall be liberally construed.

Section 1.02. Private and Local Affairs

With regard to private and local affairs, all lawful powers are vested in the Mayor of Anderson County and the Legislative Body of Anderson County, except those powers reserved to the judiciary, Board of Education, and elected Charter and Constitutional Officers as defined by the Constitution of the State of Tennessee. This investment of legislative, executive, and other powers and duties shall be as full and complete, and the authority to perform or to direct them as broad, as is possible to delegate or confer, it being the intent to invest the County Government every authority, power, and responsibility for the conduct of the affairs of the government of Anderson County, including, but not limited to, the powers to adopt and enforce resolutions, ordinances, and emergency ordinances.

Section 1.03. Public Corporation Powers

This Charter provides that the government described herein shall be an alternative form of county government vested with any and all powers which counties are, or may hereafter be, authorized or required to exercise under the Constitution and general laws of the State of Tennessee, and any and all powers and duties of such county that are required or authorized by private acts effective on the date of ratification of this Charter, as fully and completely as though the powers were specifically enumerated herein.

Section 1.04. Public Corporation Rights

The County Government shall be a public corporation, with perpetual succession, capable of suing and being sued, and capable of purchasing, receiving, and holding property, real and personal, and of selling, leasing or disposing of the same to the same extent as other counties.

Section 1.05. Rights Reserved to the People

No provision of this Charter, and no action by any officer or employee of the County acting under its authority, shall infringe upon rights, privileges, and powers now or hereafter reserved or guaranteed to individual persons or to the people by the Constitution of the United States of America or the Constitution of the State of Tennessee. The Anderson County Declaration of Rights attached in Appendix A hereto are hereby incorporated into this Charter by reference.

ARTICLE II

LEGISLATIVE BRANCH

Section 2.01. Legislative Powers

The legislative power of the County is vested in the Board of County Commissioners of Anderson County ("Legislative Body"), which is the Legislative Branch and County Legislative Body of the County. The legislative power of the County includes all lawful authority to adopt and enforce ordinances, emergency ordinances, and resolutions governing the operation of government or regulating the public conduct and affairs of the residents of the County; to adopt and amend the County budget; to fix all County tax rates and to provide for the collection of all County taxes; to release County taxpayers from double taxes, when such has occurred; to provide for corrections in tax lists; to appropriate County funds for any and all lawful purposes; and to exercise all other authority of a legislative nature which is vested in the County by the Constitution, all applicable laws of the State of Tennessee, or this Charter. The Legislative Body may adopt any ordinance, emergency ordinance, or resolution which is not in conflict with the Constitution, general laws of the State of Tennessee, or this Charter.

Section 2.02. Other Powers

A. The Legislative Body is vested with all other powers of the government of Anderson County not specifically, or by necessary implication, vested in some other official of the County by the Constitution of the State of Tennessee, by this Charter, or by law not inconsistent with this Charter. In exercising its legislative functions, the Legislative Body may employ, subject to budgeting limitations, assistants, and other employees. However, the Legislative Body shall not exercise any powers or perform any functions of the County Government which are vested, by the terms of this Charter, in either the Executive Branch or the Judicial Branch.

B. The Legislative Body may provide, by resolution, for an independent audit of the accounts and other evidences of financial transactions of the County and of every County office and such other special audits as the Legislative Body deems necessary. Such independent audits shall be made by an independent certified public accountant or licensed public accountant, employed at the expense of the County, provided that the audit meets the minimum standards for county auditing established by the Tennessee Comptroller of the Treasury, and approved by the governor. No auditor employed pursuant to this Subsection (B) shall have any personal financial interest, direct or indirect, in the fiscal affairs of the County or of any of its offices. The independent certified public accountant or licensed public accountant may be employed to perform the audit for the term set by resolution.

C. By resolution, the Legislative Body shall establish rules and regulations governing all County purchases, sales, contracts for services and disposal of surplus property. Such resolution may provide that the Finance Committee or Finance Director may promulgate rules and regulations to administer the purchasing procedures established by resolution.

D. The Legislative Body shall have the sole power to grant franchises by ordinance, provided no such franchise shall be granted for a period to exceed thirty (30) years.

E. No sale or transfer of real property, or any interests therein, owned by the County shall be valid unless approved by resolution of the Legislative Body.

F. By resolution, the Mayor of Anderson County shall have the power to authorize the borrowing of money and issuance of bonds, notes, and other evidences of indebtedness of the County and all matters pertaining thereto. Such a resolution shall be effective immediately upon its adoption by the Legislative Body.

G. By resolution, the Legislative Body may employ, contract with, or otherwise hire, any person or business entity which it deems necessary to the exercise of the powers vested in it unless otherwise provided by this Charter.

H. By ordinance, the Legislative Body may establish and name such special districts and, in connection therewith, shall provide for assessments, levies, and collections of taxes and assessments with respect to any or all property, real or personal, or privileges within any such district and the pledge of the revenues derived and to be derived therefrom, all as in its judgment may be necessary or appropriate for the exercise within such district of any one or more of the public corporation rights of powers of the government of Anderson County not then being exercised for the benefit of all citizens of the County. The subsequent exercise of any such right or power for the benefit of all citizens of the County shall not impair any special district theretofore established or any contracts, pledges, or obligations of the government of Anderson County with respect thereto.

I. Upon adoption of an approving resolution in each instance by the affirmative vote of two-thirds (2/3) of the entire Legislative Body, the Legislative Body and its authorized committees shall have fuller power and authority to hold public hearings, with power to subpoena witnesses and to administer oaths where necessary or desirable, for the purpose of either (1)

gathering information necessary or desirable for the purpose of considering proposed Legislative Body legislation, or (2) investigating any allegation of violations of this Charter, ordinances or emergency ordinances of the Legislative Body brought by either the Mayor or any member of the Legislative Body against any elected official or any employee of the County. No such hearing shall be held with or without such subpoena power having been exercised except when a quorum of the Legislative Body or any authorized committee, as appropriate, is present.

J. In accordance with general law, by resolution, the Legislative Body may appoint members to those boards and committees created by resolution of the Legislative Body, and members of other boards, authorities, commissions, departments, and committees as authorized and provided by the general laws of the State of Tennessee. All such appointees shall be residents of Anderson County at the time of their appointment and at all times while serving on said board or commission. The Legislative Body shall have the authority, by resolution, to remove and discharge all such members for good cause shown or pursuant to the Rules of the Legislative Body.

Section 2.03. Membership and Election; Districts, Seats, Reapportionment and Redistricting

A. The Legislative Body members shall be elected by the people from such districts of Anderson County as may from time to time be provided by ordinance. The Legislative Body under this Charter shall initially consist of sixteen (16) members elected from eight (8) districts. The first Legislative Body members shall be elected in the County general election of 2026 and shall be residents of, and represent, the eight (8) districts of the former County Legislative Body as shall exist on December 31, 2025. Any resident of any such district desiring to stand for election to the Legislative Body and qualified to do so pursuant to the requirements of this Charter shall qualify in accordance with applicable law for the two (2) seats representing such Legislative Body district. Each qualified voter in any Legislative Body district may vote for two (2) candidates for the Legislative Body seats representing such district.

B. The regular terms of the Legislative Body members shall be four (4) years which shall all run concurrently. In accordance with general law, on or before January 1, 2032, and every ten (10) years thereafter, it shall be the duty of the Legislative Body, based upon the most recent Federal decennial census, to reapportion and/or redistrict the Legislative Body seats so as to comply with Constitutional requirements. The voting precincts of the County shall be established by the Legislative Body, by ordinance, unless otherwise provided by applicable law.

C. No person shall be eligible to serve as a member of the Legislative Body unless that person shall have attained the age of eighteen (18) and is a resident of, and a registered voter in, the district from which such person seeks election or appointment on the date he or she filed his or her nominating petition and has been a resident of the County for one (1) year prior to such person's election. A member of the Legislative Body shall remain a resident of the Legislative Body district which such member represents during his or her term of office.

D. The Legislative Body shall adopt its own rules of order and procedure. All resolutions, ordinances and emergency ordinances shall be adopted in accordance with the Constitution, all applicable laws of the State of Tennessee, and this Charter.

E. In all proceedings of the Legislative Body to either elect officers of the Legislative Body or to fill vacancies in elective offices, the following procedure shall be followed:

(1) Nominations may be made by members of the Legislative Body only.

(2) Each member of the Legislative Body may vote in favor of one (1) nominee, by name, only.

(3) Election of a nominee shall require a majority vote of the membership of the Legislative Body. Prior to such election, the Legislative Body shall, by resolution or ordinance, establish the procedure for arriving at a majority vote.

F. When any public office is to be filled by the Legislative Body, if any member of the Legislative Body accepts the nomination as a candidate for such public office, the following procedure shall be followed:

(1) No member of the Legislative Body who is absent from any proceeding to fill a public office shall be eligible to have his or her name placed in nomination unless either the Chair of the Legislative Body or the County Clerk shall have present at such meeting of the Legislative Body a written acceptance of such nomination signed by such member of the Legislative Body.

(2) If a Legislative Body member's name is placed in nomination, the Chair of the Legislative Body shall, prior to the first vote, require that member to either accept or decline the nomination. A refusal to either accept or decline shall disqualify that member for nomination.

(3) No vote shall be recorded in favor of any member of the Legislative Body who has either declined nomination or has been otherwise disqualified.

(4) The acceptance of nomination by a member of the Legislative Body shall automatically disqualify such member to vote to fill that office.

(5) If the Legislative Body member is elected, his or her seat on the Legislative Body shall immediately be vacant.

Section 2.04. Legislative Body Members' Salary and Compensation

Nothing in this Charter shall be construed as having the effect of altering the current salary of the members of the Legislative Body, which shall continue as set forth in the Anderson County, Tennessee Board of Commissioners Resolution No. 14-08-509; provided, however, that the Legislative Body may hereafter fix the salary of its members by resolution in accordance with this Charter and state law, and provided further, that any increase in compensation for members of the

Legislative Body shall not take effect until the beginning of the term following the next election of Legislative Body Members after the resolution increasing the compensation is adopted.

Section 2.05. Meetings and Quorum

The Legislative Body shall meet at least once each month at a time and place to be determined by the Legislative Body. A quorum for the purpose of conducting business shall be a majority of the membership of the Legislative Body.

Section 2.06. Election of Chair and Vice Chair

The Legislative Body, at its first session after September 1, 2026, and annually thereafter, shall elect from its membership a Chair, Vice Chair, and such other officers as the Legislative Body deems necessary. The election procedures shall follow those established pursuant to Section 2.03(E).

Section 2.07. Removal of Member of the Legislative Body

A member of the Legislative Body may be removed from office according to the laws of the State of Tennessee and this Charter.

Section 2.08. Vacancy

In the event of a vacancy in the office of a member of the Legislative Body, the remaining members of the Legislative Body shall fill said vacancy within sixty (60) days with a person meeting the qualifications for said position until his or her successor is elected and sworn. The successor to the person so selected by the Legislative Body to fill the vacancy shall be elected by the qualified voters of such Legislative Body district at the next general election; provided, however, that if such vacancy occurs within thirty (30) days prior to the next general election, the person so selected by the Legislative Body to fill the vacancy shall serve the remainder of the term of that Legislative Body seat.

Section 2.09. Ordinances, Emergency Ordinances and Resolutions

(3) In order to become effective, any ordinance or resolution shall receive a majority vote of the membership of the Legislative Body except the following:

(a) Any ordinance proposing an amendment to this Charter shall be adopted by a favorable vote of two-thirds (2/3) of the membership of the Legislative Body.

(b) Any resolution authorizing the Legislative Body, or its authorized committee(s), to hold public hearings pursuant to Section 2.02(I) of this Charter shall be adopted by a favorable vote of two-thirds (2/3) of the membership of the Legislative Body.

(d) All emergency ordinances shall be adopted in accordance with applicable law and this Charter.

(4) No ordinance, emergency ordinance, or resolution shall become effective unless the following procedure is followed:

(a) Each member of the Legislative Body present shall distinctly, audibly or visually cast his or her vote, and the County Clerk shall record, in writing, each member's vote as "yea," "nay," "abstain," or "abstain for cause."

(b) At the conclusion of each vote, either the Chairman of the Legislative Body or the County Clerk shall distinctly and audibly announce the tally of each category of votes cast.

(c) No member of the Legislative Body shall change his/her vote after the vote is announced unless granted the right to do so by a majority of the membership of the Legislative Body at such Legislative Body meeting at which the original vote was cast. It shall be the duty of the Chair of the Legislative Body or the County Clerk, at the time of such vote change, to announce distinctly, audibly or visually the caption of the subject legislation as well as the name and manner of vote change of such member of the Legislative Body.

(d) Upon the adjournment of each and every meeting of the Legislative Body, it shall be the duty of the County Clerk to maintain and preserve, unchanged, as public records available for inspection during reasonable office hours, the voting record, meetings of the minutes, and motions for each and every ordinance, emergency ordinance and resolution.

(5) It shall be the duty of the County Clerk to deliver to the Mayor true and attested copies of all ordinances, emergency ordinances, and resolutions within four (4) days of final adoption by the Legislative Body.

(6) It shall be the duty of the County Clerk to deliver to the County Law Director true and attested copies of all ordinances, emergency ordinances, and resolutions within thirty (30) days of their effective date.

(7) The County Clerk shall number and compile in an ordinance book all ordinances and emergency ordinances and shall number and compile in a resolution book all resolutions. The County Clerk shall preserve such books in the County Clerk's office. The County Clerk shall furnish a true copy for a reasonable fee to any person so requesting.

(8) The County Clerk may delegate to his or her deputy any or all duties imposed upon the County Clerk by this Charter; provided, however, that nothing in this Subsection (8) shall be construed to relieve the County Clerk of any responsibilities imposed upon him or her by this Charter.

B. Ordinances

(1) An ordinance shall be considered to be on the agenda of any meeting of the Legislative Body only if:

(a) the caption of such ordinance is quoted verbatim in the agenda for such meeting and a copy of such agenda has been made available to each and every member of the Legislative Body not later than five (5) days prior to such Legislative Body meeting; and

(b) a copy of such ordinance has been made available to each member of the Legislative Body at least forty-eight (48) hours prior to such meeting.

(2) To become effective, each ordinance shall be adopted in accordance with all applicable laws of the State of Tennessee; provided, however, that in the absence of any applicable law in conflict with this Charter, to become effective, each ordinance shall be approved by a majority of the members of the Legislative Body upon two (2) readings, with not less than one (1) week elapsing between first and second readings.

(3) An ordinance shall take effect on the thirtieth (30th) day following its passage on final reading, except in the case of an emergency ordinance.

(4) After passage all ordinances of a penal nature shall be published at least once in a newspaper of general circulation in Anderson County, and no such ordinance shall take effect prior to its publication. All other ordinances shall be published on the Anderson County website. Ordinances imposing fines or imprisonment as punishment for violation thereof shall be enforced by the Sheriff of Anderson County unless such ordinance otherwise provides. Persons charged with violation of such an ordinance shall be tried in the Court of General Sessions. Any fines or

C. Emergency Ordinances

(1) An emergency ordinance shall be so designated in its caption and shall contain the statement that an emergency exists and shall specify with distinctness the facts and reasons constituting such an emergency.

(2) To become effective, an emergency ordinance shall be adopted in accordance with all applicable laws of the State of Tennessee; provided, however, that in the absence of applicable law in conflict with this Charter, an emergency ordinance shall be adopted by the unanimous vote of all members of the Legislative Body present with at least two-thirds (2/3) of the legally constituted Legislative Body present and voting. An emergency ordinance shall become effective upon the date of its passage following its adoption upon one (1) reading by the Legislative Body.

(3) An emergency ordinance may be added to the agenda of any meeting of the Legislative Body if at least two-thirds (2/3) of the legally constituted Legislative Body is present by unanimous consent of the members of the Legislative Body present and voting for the sole purpose of a reading thereof.

(4) No ordinance making a grant, renewal or extension of a franchise or other special privilege, or regulating the rate to be charged for its service by any public utility shall ever be passed as an emergency ordinance.

D. Resolutions

All resolutions shall be adopted upon receiving a majority vote of the membership of the Legislative Body upon one (1) reading and shall become effective in accordance with Section 2.10 of this Charter.

Section 2.10. Signature and Veto by the Mayor of Anderson County

A. B. Any ordinance or resolution vetoed by the Mayor of Anderson County and the County Mayor's message of veto shall be returned to the Legislative Body within ten (10) calendar days after the ordinance or resolution is passed by the Legislative Body.

C. Any vote of the Legislative Body to override the veto of the Mayor of Anderson County shall be taken within thirty-five (35) days of the expiration of the period required of the County Clerk to notify the members of the Legislative Body of the veto which is the subject of such override vote. The affirmative vote of not less than a simple majority of the membership of the Legislative Body shall be required to override the veto of the Mayor; provided, however, that in the case of ordinances requiring a two-thirds (2/3) vote for original passage, a two-thirds (2/3) vote of the membership of the Legislative Body shall be required to override the veto of the Mayor. The ordinance or resolution shall immediately become effective upon the Legislative Body overriding the veto.

D. If the Mayor of Anderson County fails either to sign or veto an ordinance or resolution and to report this action to the County Clerk within ten (10) days after the ordinance or resolution is passed, the Mayor of Anderson County shall have no further power to veto the ordinance or resolution, and it shall become effective without the signature of the Mayor of Anderson County upon the expiration of the time periods in this Paragraph provided, or at a later date if the ordinance or resolution so provides.

ARTICLE III

EXECUTIVE BRANCH

Section 3.01. Executive and Administrative Powers

The executive and administrative powers of the Anderson County Government shall be vested in, and exercised by, the County Mayor, also called the Executive Branch, and under the Mayor's control and direction, by such subordinate major divisions, departments, boards, offices, officers and agencies as established from time to time.

Section 3.02. Executive Branch

Section 3.03 The Mayor's Duties

The Mayor shall:

A. See that all provisions of this Charter, resolutions, ordinances, and emergency ordinances of the Legislative Body and all applicable laws of the State of Tennessee subject to execution by the County are faithfully executed; provided, however, that the Mayor shall not assume any of the constitutional, statutory, or Charter duties of the Sheriff, or any other elected official.

B. Take such other executive and administrative actions as are permitted or required by this Charter and all applicable laws of the State of Tennessee or as may be prescribed by the Legislative Body.

C. Have the power to contract with various municipalities, other governmental units, or public corporations in the County for the consolidation of services and functions, upon the authorization of the Legislative Body by resolution. The Mayor may also contract with one or more states or counties, or both, for institutional or other services which may be rendered more efficiently or economically.

D. Have veto power over the annual budgets of the County which may be exercised only by vetoing the whole. The veto shall be exercised and may be overridden by the procedure as provided in Section 2.10 of this Charter; provided, however, that no veto pursuant to this paragraph shall be valid unless the Mayor, within the time provided for vetoes in Section 2.10 of this Charter, shall provide, in writing to the County Clerk an explanation by the Mayor as to his or her reason for each such veto.

E. Except as otherwise provided by Tennessee law, special or private act, and this Charter, the Mayor shall appoint members of all boards, authorities, commissions, and committees, and their appointment shall be subject to approval by motion of the Legislative Body. During such periods of appointments, either the specified designee or the Mayor may exercise the voting powers granted by this Section. However, at any meeting attended by the Mayor, only the Mayor shall exercise the voting power.

B. The Legislative Body shall designate an administrative official to:

(1) enforce ordinances or resolutions adopted by the Legislative Body pursuant to this Section 7.06;

Any person refusing to take the oath or affirmation shall forfeit that office immediately.

Section 7.08. Conflict of Interest

A. It shall be unlawful for any member of the Legislative Body, the Mayor, other elected officeholder, the Finance Director, Purchasing Agent, members of the Finance Committee, members of the County Highway Department, employees of the Finance Department and Purchasing Department or any administrative assistant, executive assistant, head of any division or department of Anderson County Government, or any other person employed by the County to vote for, let out, overlook, or in any manner to superintend any work or any contract with the County for the purchase or sale of any land, materials, supplies, or services to, or by, the County, or to a contractor supplying County, where such person has a direct interest, as defined by Tennessee Code Annotated, §§ 5-21-121 and 12-4-101, any subsequent amendments thereto, and any other law.

B. It shall be unlawful for such persons to vote for, let out, overlook, or in any manner to superintend any work or any contract with the County for the purchase or sale of any land, materials, supplies, or services to, or by, the County, or to a contractor supplying County, where such person has an indirect interest, as defined by Tennessee Code Annotated, 5-21-121 and 12-4-101, unless the person publicly acknowledges the interest. A person who is not a member of a governing body and who is required to publicly acknowledge an indirect interest must do so by reporting the interest to the office of the County Mayor to be compiled into a list that must be maintained as a public record. It shall also be unlawful for such members to accept or receive, directly or indirectly, from a person, firm, or corporation to which a contract or purchase order may be awarded, by rebate, gift, or otherwise, money or anything of value whatsoever, or a promise, obligation, or contract for future reward or compensation.

C. D. If a member of the Legislative Body who is voting on a proposed budget, appropriation resolution, or tax rate resolution, or amendments thereto, has a conflict of interest as defined herein, or any other conflict of interest, then the member must declare the conflict of interest at the meeting prior to casting the member's vote. In addition, said elected official or employee shall recuse him or herself from both the discussion and the vote on the matter. This Section 7.08(F) shall not be applicable to voting on measures for reappointment of districts or other measures that affect all members of the Legislative Body.
