If any provision of this Agreement is found to be invalid or unenforceable by any court or other lawful forum, such provision shall be ineffective only to the extent that it is in contravention of applicable laws without invalidating the remaining provisions of this Agreement, unless such invalidity or unenforceability would defeat an essential business purpose of this Agreement.

4. **Safeguards.** Business Associate shall protect PHI from any improper oral or written disclosure by enacting and enforcing safeguards to maintain the security of and to prevent any Use or Disclosure of PHI other than is permitted by this Agreement. Such safeguards shall include administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any electronic PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity. As of the Compliance Date for 42 U.S.C. § 17931, Business Associate shall comply with the Security Rule requirements set forth at 45 C.F.R. §§ 164.308, 164.310, 164.312, and 164.316, as well as additional requirements of HITECH that relate to security and are applicable to Covered Entity. As of the Compliance Date for 42 U.S.C. § 17934, Business Associate shall also comply with the requirements of Subtitle D of HITECH that relate to privacy and are applicable to Covered Entity.

5. **Access and Amendment.** Upon the request of Covered Entity, Business Associate shall: (a) make the PHI specified by Covered Entity available to Covered Entity or to the Individual(s) identified by Covered Entity as being entitled to access in order to meet the requirements under 45 C.F.R. § 164.524 ; and (b) make PHI available to Covered Entity for the purpose of amendment and incorporate changes or amendments to PHI when notified to do so by Covered Entity.

6. **Accounting.** Upon Covered Entity's request, Business Associate shall provide to Covered Entity or, when directed in writing by Covered Entity, directly to an Individual in a time and manner specified by Covered Entity, an accounting of each Disclosure of PHI made by Business Associate or its employees, agents, representatives or subcontractors as would be necessary to permit Covered Entity to respond to a request by an Individual for an accounting of Disclosures of PHI in accordance with 45 CFR § 164.528. Any accounting provided by Business Associate under this subsection shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the PHI; (c) a brief description of PHI disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this subsection, Business Associate shall document the information specified in (a) through (d), above, and shall securely retain this documentation for six (6) years from the date of the Disclosure.

7. **Access to Books and Records.** Business Associate shall make its internal practices, books and records relating to the Use and Disclosure of PHI pursuant to this Addendum available to the Secretary of the Department of Health and Human Services for purposes of determining Covered Entity's compliance with HIPAA. Covered Entity shall have the right to access and examine ("Audit") the books, records, and other information of Business Associate related to this Addendum. Such Audit rights shall be in addition to and notwithstanding any audit provisions set forth in the Agreement. Business Associate shall cooperate fully with any such Audit(s) and shall provide all books, records, data and other documentation reasonably requested by Covered Entity. Covered Entity may make copies of such documentation. To the extent possible, Covered Entity will provide Business Associate reasonable notice of the need for an Audit and will conduct the Audit at a reasonable time and place. Notwithstanding the foregoing, Covered Entity will not have access to any books, records, data and/or documentation related to any of Business Associate's other clients.

8. **Agents and Subcontractors.** Business Associate shall require all subcontractors and agents to which it provides PHI received from, or created or received on behalf of Covered Entity, to agree to all of the same restrictions and conditions concerning such PHI to which Business Associate is bound in this Addendum.

9. Reporting of Violations. Business Associate shall report to Covered Entity any Use or Disclosure of PHI not authorized by this Addendum immediately upon becoming aware of it. This reporting obligation includes, without limitation, the obligation to report any Security Incident, as that term is defined in 45 C.F.R. § 164.304.

9.1. Breach Notification. Business Associate also shall notify Covered Entity of any Breach of Unsecured PHI. Such notification shall occur without unreasonable delay and in no case later than fifteen (15) days after Business Associate discovers the Breach in accordance with 45 C.F.R. § 164.410. The notification shall comply with the Breach notification requirements set forth at 42 U.S.C. § 17832 and its implementing regulations at 45 C.F.R. § 164.410 and shall include: (a) to the extent possible, the identification of each person whose Unsecured PHI has been, or is reasonably believed by Business Associate to have been, accessed, acquired, or Disclosed during such Breach; and (b) any other available information about the Breach, including: (i) a description of what happened, including the dates of the Breach and discovery of the Breach, if known; (ii) a description of the types of Unsecured PHI involved in the Breach; (iii) any steps affected persons should take to protect themselves from potential harm resulting from the Breach; and (iv) the steps Business Associate is taking to investigate the Breach, mitigate harm to individuals, and to protect against any further Breaches. Business Associate shall provide Covered Entity with such additional information about the Breach either at the time of its initial notification to Covered Entity or as promptly thereafter as the information becomes available to Business Associate.

10. Term and Termination.

10.1. This Addendum begins on the Effective Date and remains in effect for the entire term of the Agreement unless otherwise terminated as provided below.

10.2. In addition to and notwithstanding the termination provisions set forth in the Agreement, both this Addendum and the Agreement may be terminated by Covered Entity in the event that Covered Entity determines Business Associate has violated a material term of this Addendum and such violation has not been remedied within fifteen (15) days following written notice to Business Associate.

10.3. Except as provided below, upon termination of this Addendum, Business Associate shall either return or destroy all PHI in the possession or control of Business Associate or its agents and subcontractors and shall retain no copies of such PHI. However, if Covered Entity determines that neither return nor destruction of PHI is feasible, Business Associate may retain PHI provided that it extends the protections of this Addendum to the PHI and limits further Uses and Disclosures to those purposes that make the return or destruction of the PHI infeasible, for so long as Business Associate maintains such PHI.

11. Inconsistent Terms; Interpretation. If any portion of this Addendum is inconsistent with the terms of the Agreement, the terms of this Addendum shall prevail. Except as set forth above, the remaining provisions of the Agreement are ratified in their entirety. Any ambiguity in this Addendum shall be resolved to permit Covered Entity to comply with the Privacy Rule, Security Rule, other applicable provisions of HIPAA, and HITECH and any regulations promulgated thereunder.

12. Regulatory References. A reference in this Addendum to a section in the Privacy Rule, Security Rule, other applicable provisions of HIPAA or HITECH or any regulations promulgated thereunder means the section as in effect or as amended.

13. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend this Addendum from time to time as is necessary for the parties to comply with the requirements of the Privacy Rule, Security Rule, other applicable provisions of HIPAA, or HITECH and any regulations promulgated thereunder. Notwithstanding the foregoing, Covered Entity may unilaterally amend this Addendum as is necessary to comply with applicable laws and regulations and the requirements of applicable state and federal regulatory authorities. Covered Entity will provide written notice to Business Associate of such amendment and its effective date. Unless such laws, regulations or regulatory authorities require otherwise, the signature of Business Associate will not be required in order for the amendment to take effect.

14. Indemnification. Business Associate shall defend, indemnify and hold harmless Covered Entity and its directors, officers, employees, and agents (collectively, the "Indemnitees") from and against any and all claims, losses, damages, suits, fees, judgments, costs and expenses, including reasonable attorneys' fees, that the

15. Survival. The respective rights and obligations of Business Associate under section 7, subsection 10.3 and section 14 of this Addendum shall survive the termination of this Addendum and the Agreement.

		This contract is in the best interest of the State. State agencies and Tennessee counties are eligible recipients. Each of Tennessee's ninety-five counties is assigned to one of eleven Homeland Security Districts, all of which participate in the State Homeland Security Grant Program. The Homeland Security Council meets with the Governor to recommend allocations. The Homeland Security Council is briefed on the grant specifics and determines allocations of funding to Homeland Security Districts based on population, risk and need. Funds are allocated to the State's eleven Homeland Security Districts. Each District Council determines the projects and the associated funding to each county within the District based on that predetermined need and risk. The specific criteria used in making award determinations are risk and effectiveness of use of funds and correlation with the State of Tennessee's Homeland Security Strategy. Risk, need and vulnerability are determined by the Department of Homeland Security (DHS), in concert with the Federal Bureau of Investigation (FBI) and the Central Intelligence Agency (CIA). Effectiveness of use is determined by the collective leadership of the Homeland Security Council and the eleven Homeland Security District Councils.

BETWEEN THE STATE OF TENNESSEE,
DEPARTMENT OF MILITARY, TENNESSEE EMERGENCY MANAGEMENT AGENCY
AND
ANDERSON COUNTY**

This grant contract ("Grant Contract"), by and between the State of Tennessee, Department of Military, Tennessee Emergency Management Agency, hereinafter referred to as the "State" or the "Grantor State Agency" and Anderson County, hereinafter referred to as the "Grantee," is for the provision of pass-through funding by the United States Department of Homeland Security, Homeland Security Grant Program, as further defined in the "SCOPE OF SERVICES AND DELIVERABLES."

Grantee Edison Vendor ID # 4145

A. SCOPE OF SERVICES AND DELIVERABLES:

- A.1. The Grantee shall provide the scope of services and deliverables ("Scope") as required, described, and detailed in this Grant Agreement.
- A.2. All Federal Fiscal Year (FFY) 2022 Homeland Security Grant Program (HSGP) Grantees are required to submit an investment justification, consistent with the investments approved for Tennessee by the U.S. Department of Homeland Security (DHS), that provides background information, strategic objectives and priorities addressed, their funding/implementation plan, and the anticipated impact of each proposed investment. As part of the FFY 2022 HSGP investment justifications, Grantees are required to establish specific outcomes pursuant to the target capabilities set forth by the State's Homeland Security Strategy, and associated with their proposed investments.
- A.3. It shall be understood by the Grantee that each Grant Contract funded from the FFY 2022 HSGP will be in compliance with the FFY 2022 HSGP Guidance and the State of Tennessee's Homeland Security Strategy.
- A.4. The Grantee agrees to be responsible for the sustainment of previously established homeland security efforts, as well as FFY 2022 projects. The Grantee further agrees that the federal funds received through this agreement will be used to supplement, but not to supplant any funds for local governments.
- A.5. The Grantee agrees to comply with the financial and administrative guidelines as established by the regulations entitled "Uniform Administrative Requirements, Cost Principles and Audit Requirements" (colloquially referred to as the "Super Circular") now found in Volume 2 of the C.F.R. (specifically, 2 C.F.R. part 200).
- A.6. The Grantee supports the implementation of State Homeland Security Strategies by addressing the identified planning, equipment, training and exercise needs required to prevent, respond to, and recover from acts of terrorism. In addition, the Grantee agrees to comply with the implementation of the National Preparedness Goal and the National Response Framework (NRF).
- A.7. The Grantee will comply with the Cash Management Act and understands that no federal funds received by the Grantee may be invested in an interest-bearing account.
- A.8. The Federal Award Identification Worksheet shall be included as a part of this grant contract and designated as Attachment 2.

B. TERM OF CONTRACT:

- B.1. This Grant Contract shall be effective for the period beginning on September 1, 2022 ("Effective Date") and ending on April 30, 2025, ("Term"). The State shall have no obligation to the Grantee for fulfillment of the Scope outside the Term.
- B.2. Federal Preaward Authority. The Parties acknowledge that the State has the power to expend funds under this Grant Contract in accordance with applicable federal preaward authority. Federal preaward authority is a system under which recipients of federal grant money may incur certain project costs before the final approval of a federal grant and may retain eligibility for subsequent reimbursement after grant approval. The payment obligations of this Grant Contract may be predicated wholly or in part on the State's exercise of federal preaward authority. By accepting the terms of this Grant Contract, the Grantee acknowledges the following:
- a. With regard to the Grantee's activities prior to the Effective Date of this Grant Contract, only those activities which meet all of the following requirements shall be considered for reimbursement:
 - (1) Activities that are reasonably related to the Scope of Services;
 - (2) Activities in whose absence the Scope of Services could not be completed or performed; and
 - (3) Activities that meet the relevant federal agency's requirements for reimbursement under federal preaward authority.
 - b. The Grantee understands the federal preaward authority system and its relation to this Grant Contract.
 - c. Preaward authority is not a legal or implied commitment that the work contemplated in this Grant Contract will be approved for federal assistance or that a federal agency will obligate funds. Furthermore, it is not a legal or implied commitment that all items undertaken by the Grantee will be eligible for inclusion in a federally funded project.
 - d. It is the Grantee's responsibility to ensure its own compliance with the policies and requirements of the relevant federal agency with regard to the goods or services contemplated in this Grant Contract. The Grantee assumes all risk and is responsible for ensuring that all conditions are met to retain eligibility for federal reimbursement via grant.
 - e. To the extent that this Grant Contract is funded through federal preaward authority, the State's obligations under Section C of this Grant Contract shall be void in the event that any of the following occur:
 - (1) the Grantee fails to comply with the grantor federal agency's policies and regulations;
 - (2) the relevant federal agency fails or refuses to finalize a grant; or
 - (3) the relevant federal agency refuses to reimburse specific expenses incurred under preaward authority.
 - f. The start date of the State's federal preaward authority is September 1, 2022.

C. PAYMENT TERMS AND CONDITIONS:

- C.1. Maximum Liability. In no event shall the maximum liability of the State under this Grant Contract exceed twenty-eight thousand two hundred fifty dollars and 00/100 (\$ 28,250.00) ("Maximum Liability"). The Grant Budget, attached and incorporated as Attachment 1 is the maximum amount due the Grantee under this Grant Contract. The Grant Budget line-items include, but are not limited to, all applicable taxes, fees, overhead, and all other direct and indirect costs incurred or to be incurred by the Grantee.

- C.2. Compensation Firm. The Maximum Liability of the State is not subject to escalation for any reason unless amended. The Grant Budget amounts are firm for the duration of the Grant Contract and are not subject to escalation for any reason unless amended, except as provided in Section C.6.
- C.3. Payment Methodology. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the Maximum Liability established in Section C.1. Upon progress toward the completion of the Scope, as described in Section A of this Grant Contract, the Grantee shall submit invoices prior to any reimbursement of allowable costs.
- C.4. Travel Compensation. Reimbursement to the Grantee for travel, meals, or lodging shall be subject to amounts and limitations specified in the "State Comprehensive Travel Regulations," as they are amended from time to time, and shall be contingent upon and limited by the Grant Budget funding for said reimbursement.
- C.5. Invoice Requirements. The Grantee shall invoice the State no more often than monthly, with all necessary supporting documentation, and present such to:

Tennessee Emergency Management Agency
 Homeland Security Program
 3041 Sidco Drive

- a. Each invoice shall clearly and accurately detail all of the following required information (calculations must be extended and totaled correctly).
 - (1) Invoice/Reference Number (assigned by the Grantee).
 - (2) Invoice Date.
 - (3) Invoice Period (to which the reimbursement request is applicable).
 - (4) Grant Contract Number (assigned by the State).
 - (5) Grantor: Department of Military, Tennessee Emergency Management Agency.
 - (6) Grantor Number (assigned by the Grantee to the above-referenced Grantor).

 - ii. The amount reimbursed by Grant Budget line-item to date.
 - iii. The total amount reimbursed under the Grant Contract to date.
 - iv. The total amount requested (all line-items) for the Invoice Period.
- b. The Grantee understands and agrees to all of the following.
 - (1) An invoice under this Grant Contract shall include only reimbursement requests for actual, reasonable, and necessary expenditures required in the delivery of service described by this Grant Contract and shall be subject to the Grant Budget and any other provision of this Grant Contract relating to allowable reimbursements.
 - (2) An invoice under this Grant Contract shall not include any reimbursement request for future expenditures.

- (3) An invoice under this Grant Contract shall initiate the timeframe for reimbursement only when the State is in receipt of the invoice, and the invoice meets the minimum requirements of this section C.5.
- C.6. Budget Line-item: Expenditures, reimbursements, and payments under this Grant Contract shall adhere to the Grant Budget. The Grantee may request revisions of Grant Budget line-items by letter, giving full details supporting such request, provided that such revisions do not increase total Grant Budget amount. Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are explicitly set forth. Any increase in the total Grant Budget amount shall require a Grant Contract amendment.
- C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit any final invoice and a grant disbursement reconciliation report within sixty (60) days of the Grant Contract end date, in form and substance acceptable to the State.
- If total disbursements by the State pursuant to this Grant Contract exceed the amounts permitted by the section C, payment terms and conditions of this Grant Contract, the Grantee shall refund the difference to the State. The Grantee shall submit the refund with the final grant disbursement reconciliation report.
 - The State shall not be responsible for the payment of any invoice submitted to the State after the grant disbursement reconciliation report. The State will not deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the State, and such invoices will NOT be paid.
 - The Grantee's failure to provide a final grant disbursement reconciliation report to the State as required by this Grant Contract shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the State pursuant to this Grant Contract.
 - The Grantee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are NOT carried forward.
- C.8. Indirect Cost. Should the Grantee request reimbursement for indirect costs, the Grantee must submit to the State a copy of the indirect cost rate approved by the cognizant federal agency or the cognizant state agency, as applicable. The Grantee will be reimbursed for indirect costs in accordance with the approved indirect cost rate and amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the Term. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency or the cognizant state agency, as applicable. If the indirect cost rate is provisional during the Term, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.
- C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the Term.
- C.10. Payment of Invoice. A payment by the State shall not prejudice the State's right to object to or question any reimbursement, invoice, or related matter. A payment by the State shall not be construed as acceptance of any part of the work or service provided or as approval of any amount as an allowable cost.
- C.11. Non-allowable Costs. Any amounts payable to the Grantee shall be subject to reduction for amounts included in any invoice or payment that are determined by the State, on the basis of audits or

monitoring conducted in accordance with the terms of this Grant Contract, to constitute unallowable costs.

- C.12. State's Right to Set Off. The State reserves the right to set off or deduct from amounts that are or shall become due and payable to the Grantee under this Grant Contract or under any other agreement between the Grantee and the State of Tennessee under which the Grantee has a right to receive payment from the State.
- C.13. Prerequisite Documentation. The Grantee shall not invoice the State under this Grant Contract until the State has received the following, properly completed documentation.
 - a. The Grantee shall complete, sign, and return to the State an "Authorization Agreement for Automatic Deposit (ACH Credits) Form" provided by the State. By doing so, the Grantee acknowledges and agrees that, once this form is received by the State, all payments to the Grantee under this or any other grant contract will be made by automated clearing house ("ACH").
 - b. The Grantee shall complete, sign, and return to the State the State-provided W-9 form. The taxpayer identification number on the W-9 form must be the same as the Grantee's Federal Employer Identification Number or Social Security Number referenced in the Grantee's Edison registration information.

- D.3. Termination for Convenience. The State may terminate this Grant Contract without cause for any reason. A termination for convenience shall not be a breach of this Grant Contract by the State. The State shall give the Grantee at least thirty (30) days written notice before the effective termination date. The Grantee shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall the State be liable to the Grantee for compensation for any service that has not been rendered. The final decision as to the amount for which the State is liable shall be determined by the State. - D.4. Termination for Cause. If the Grantee fails to properly perform its obligations under this Grant Contract, or if the Grantee violates any terms of this Grant Contract, the State shall have the right to immediately terminate this Grant Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the exercise of the State's right to terminate this Grant Contract for cause, the Grantee shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Grant Contract by the Grantee.
- D.5. Subcontracting. The Grantee shall not assign this Grant Contract or enter into a subcontract for any of the services performed under this Grant Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of

this Grant Contract pertaining to "Conflicts of Interest," "Lobbying," "Nondiscrimination," "Public Accountability," "Public Notice," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Grantee shall remain responsible for all work performed.

- D.6. Conflicts of Interest. The Grantee warrants that no part of the total Grant Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed relative to this Grant Contract.

This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the State to receive such information without entering into a business associate agreement or signing another such document.

- D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 et seq., or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. The Grantee shall also display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:

The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained in accordance with applicable Tennessee law. In no case shall the records be maintained for a period of less than five (5) full years from the date of the final payment. The Grantee's records shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Governmental Accounting Standards Board (GASB) Accounting Standards or the Financial Accounting Standards Board (FASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

In addition, documentation of grant applications, budgets, reports, awards, and expenditures will be maintained in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Grant expenditures shall be made in accordance with local government purchasing policies and procedures and purchasing procedures for local governments authorized under state law.

The Grantee shall also comply with any recordkeeping and reporting requirements prescribed by the Tennessee Comptroller of the Treasury.

The Grantee shall establish a system of internal controls that utilize the COSO Internal Control - Integrated Framework model as the basic foundation for the internal control system. The Grantee shall incorporate any additional Comptroller of the Treasury directives into its internal control system.

Any other required records or reports which are not contemplated in the above standards shall follow the format designated by the head of the Grantor State Agency, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.

- D.16. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.18. Annual and Final Reports. The Grantee shall submit, within three (3) months of the conclusion of each year of the Term, an annual report. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State Agency. At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment to the Grant Contract.

The Grantee should submit only one, completed form online during the Grantee's fiscal year. Immediately after the fiscal year has ended, the Grantee shall fill out the End of Fiscal Year ("EOFY") (accessible through the Edison Supplier portal).
- When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.
- A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.
- D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.326 when procuring property and services under a federal award.
- The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.
- For purposes of this Grant Contract, the term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00).
- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or

condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.

- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.
- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.
- D.25. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.
- D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- D.27. State Interest in Equipment or Motor Vehicles. The Grantee shall take legal title to all equipment or motor vehicles purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's

contribution to the purchase price. The term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00). The term "motor vehicle" shall include any article of tangible personal property that is required to be registered under the "Tennessee Motor Vehicle Title and Registration Law", Tenn. Code Ann. Title 55, Chapters 1-6.

As authorized by the Tennessee Uniform Commercial Code, Tenn. Code Ann. Title 47, Chapter 9 and the "Tennessee Motor Vehicle Title and Registration Law," Tenn. Code Ann. Title 55, Chapters 1-6, the parties intend this Grant Contract to create a security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant Contract. A further intent of this Grant Contract is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grant Contracts between the State and the Grantee.

The Grantee grants the State a security interest in all equipment or motor vehicles acquired in whole or in part by the Grantee under this Grant Contract. This Grant Contract is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment or motor vehicles herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment or motor vehicles. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment or motor vehicles herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment or motor vehicles. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment or motor vehicles, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment or motor vehicles purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment or motor vehicles;
- b. Vehicle identification number;
- c. Manufacturer's serial number or other identification number, when applicable;
- d. Acquisition date, cost, and check number;
- e. Fund source, State Grant number, or other applicable fund source identification;
- f. Percentage of state funds applied to the purchase;
- g. Location within the Grantee's operations where the equipment or motor vehicles is used;
- h. Condition of the property or disposition date if Grantee no longer has possession;
- i. Depreciation method, if applicable; and
- j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment or motor vehicles with an identification number which is cross referenced to the equipment or motor vehicle item on the inventory control report. The Grantee shall

inventory equipment or motor vehicles annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment or motor vehicles purchased with funding through this Grant Contract within thirty (30) days of its end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment or motor vehicle loss describing the reasons for the loss. Should the equipment or motor vehicles be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment or motor vehicles purchased with Grant funds. All equipment or motor vehicles shall be disposed of in such a manner as the parties may agree from among alternatives approved by the Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract. The U.S. Office of Management and Budget's Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is available here: http://www.ecfr.gov/cgi-bin/text-idx?SID=c6b2f053952359ba94470ad3a7c1a975&tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl
- D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.
- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Grant Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.
- D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions shall not be affected and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.32. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.
- D.33. Iran Divestment Act. The requirements of Tenn. Code Ann. § 12-12-101, *et seq.*, addressing contracting with persons as defined at Tenn. Code Ann. §12-12-103(5) that engage in investment activities in Iran, shall be a material provision of this Grant Contract. The Grantee certifies, under penalty of perjury, that to the best of its knowledge and belief that it is not on the list created pursuant to Tenn. Code Ann. § 12-12-106.
- D.34. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
- b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
- d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

			The Water Infrastructure Investment Plan (WIIP) addresses the Tennessee Department of Environment and Conservation's (TDEC) deployment of American Rescue Plan (ARP) Fiscal Recovery Fund dollars toward water infrastructure projects. It includes three primary strategies for disbursing ARP funds as part of its water infrastructure investment program: formula-based non-competitive grants to counties and eligible cities; state-initiated strategic projects; and competitive grants to eligible grant applicants. The allocation amount for the formula-based non-competitive grants is \$1 billion. The funding allocation model includes a base allocation, an Ability-to-Pay Index (ATPI) population allocation, and a population allocation. A city or county's total allocation is the sum of the base allocation, population allocation, and ATPI population allocation. TDEC modeled the allocation formula after the U.S. Treasury's allocation for the Coronavirus State and Local Fiscal Recovery Funds program.

In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate this Grant Contract upon written notice to the Grantee. The State's right to terminate this Grant Contract due to lack of funds is not a breach of this Grant Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

- D.10. Nondiscrimination. The Grantee hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Grant Contract or in the employment practices of the Grantee on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by federal, Tennessee state constitutional, or statutory law.  - b. The Grantee warrants that it will cooperate with the State, including cooperation and coordination with State privacy officials and other compliance officers required by the Privacy Rules, in the course of performance of this Grant Contract so that both parties will be in compliance with the Privacy Rules.
 - c. The State and the Grantee will sign documents, including but not limited to business associate agreements, as required by the Privacy Rules and that are reasonably necessary to keep the State and the Grantee in compliance with the Privacy Rules. This provision shall not apply if information received by the State under this Grant Contract is NOT "protected health information" as defined by the Privacy Rules, or if the Privacy Rules permit the State to receive such information without entering into a business associate agreement or signing another such document.
- D.12. Public Accountability. If the Grantee is subject to Tenn. Code Ann. § 8-4-401 *et seq.*, or if this Grant Contract involves the provision of services to citizens by the Grantee on behalf of the State, the Grantee agrees to establish a system through which recipients of services may present grievances about the operation of the service program. The Grantee shall also display in a prominent place, located near the passageway through which the public enters in order to receive Grant supported services, a sign at least eleven inches (11") in height and seventeen inches (17") in width stating:
- NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454.

All notices by the Grantee in relation to this Grant Contract shall be approved by the State.

- D.14. Licensure. The Grantee, its employees, and any approved subcontractor shall be licensed pursuant to all applicable federal, state, and local laws, ordinances, rules, and regulations and shall upon request provide proof of all licenses.
- D.15. Records. The Grantee and any approved subcontractor shall maintain documentation for all charges under this Grant Contract. The books, records, and documents of the Grantee and any approved subcontractor, insofar as they relate to work performed or money received under this Grant Contract, shall be maintained in accordance with applicable Tennessee law. In no case shall the records be maintained for a period of less than five (5) full years from the date of the final payment. The Grantee's records shall be subject to audit at any reasonable time and upon reasonable notice by the Grantor State Agency, the Comptroller of the Treasury, or their duly appointed representatives.

The records shall be maintained in accordance with Governmental Accounting Standards Board (GASB) Accounting Standards or the Financial Accounting Standards Board (FASB) Accounting Standards Codification, as applicable, and any related AICPA Industry Audit and Accounting guides.

In addition, documentation of grant applications, budgets, reports, awards, and expenditures will be maintained in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Grant expenditures shall be made in accordance with local government purchasing policies and procedures and purchasing procedures for local governments authorized under state law. The Grantee shall also comply with any recordkeeping and reporting requirements prescribed by the Tennessee Comptroller of the Treasury.

The Grantee shall establish a system of internal controls that utilize the COSO Internal Control - Integrated Framework model as the basic foundation for the internal control system. The Grantee shall incorporate any additional Comptroller of the Treasury directives into its internal control system.

Any other required records or reports which are not contemplated in the above standards shall follow the format designated by the head of the Grantor State Agency, the Central Procurement Office, or the Commissioner of Finance and Administration of the State of Tennessee.

- D.16. Monitoring. The Grantee's activities conducted and records maintained pursuant to this Grant Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.17. Progress Reports. The Grantee shall submit brief, periodic, progress reports to the State as requested.
- D.18. Annual and Final Reports. The Grantee shall submit, within three (3) months of the conclusion of each year of the Term, an annual report. For grant contracts with a term of less than one (1) year, the Grantee shall submit a final report within three (3) months of the conclusion of the Term. For grant contracts with multiyear terms, the final report will take the place of the annual report for the final year of the Term. The Grantee shall submit annual and final reports to the Grantor State Agency. At minimum, annual and final reports shall include: (a) the Grantee's name; (b) the Grant Contract's Edison identification number, Term, and total amount; (c) a narrative section that describes the program's goals, outcomes, successes and setbacks, whether the Grantee used benchmarks or indicators to determine progress, and whether any proposed activities were not completed; and (d) other relevant details requested by the Grantor State Agency. Annual and final report documents to be completed by the Grantee shall appear on the Grantor State Agency's website or as an attachment to the Grant Contract.
- D.19. Audit Report. The Grantee shall be audited in accordance with applicable Tennessee law.

If the Grantee is subject to an audit under this provision, then the Grantee shall complete Attachment C, Parent Child Information document.

When a federal single audit is required, the audit shall be performed in accordance with U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

The State may reimburse the Grantee for a reasonably proportionate share of the costs of audits required by and performed in accordance with the "Single Audit Act Amendments of 1996" as provided in 2 CFR § 200.425. A copy of the audit report shall be provided to the Comptroller by the licensed, independent public accountant. Audit reports shall be made available to the public.

- D.20. Procurement. If other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification for the decision and for use of a non-competitive procurement. If the Grantee is a subrecipient, the Grantee shall comply with 2 CFR §§ 200.317—200.326 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00).

- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.
- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.
- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar

cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

- D.25. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.

- D.27. State Interest in Equipment or Motor Vehicles. The Grantee shall ensure that Grantee or the owner of each individual project, if not the Grantee, takes legal title to all equipment or motor vehicles purchased totally or in part with funds provided under this Grant Contract for that project, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. The term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00). The term "motor vehicle" shall include any article of tangible personal property that is required to be registered under the "Tennessee Motor Vehicle Title and Registration Law", Tenn. Code Ann. Title 55, Chapters 1-6.

As authorized by the Tennessee Uniform Commercial Code, Tenn. Code Ann. Title 47, Chapter 9 and the "Tennessee Motor Vehicle Title and Registration Law," Tenn. Code Ann. Title 55, Chapters 1-6, the parties intend this Grant Contract to create a security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee or other project owner pursuant to the provisions of this Grant Contract. A further intent of this Grant Contract is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee or other project owner pursuant to the provisions of this program's prior year Grant Contracts between the State and the Grantee.

The Grantee grants the State a security interest in all equipment or motor vehicles acquired in whole or in part by the Grantee under this Grant Contract. This Grant Contract is intended to be a security pursuant to the Uniform Commercial Code for any of the equipment or motor vehicles herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment or motor vehicles. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment

or motor vehicles herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment or motor vehicles. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment or motor vehicles, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased by Grantee totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment or motor vehicles purchased by Grantee with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment or motor vehicles;
- b. Vehicle identification number;
- c. Manufacturer's serial number or other identification number, when applicable;

- h. Condition of the property or disposition date if Grantee no longer has possession;
- i. Depreciation method, if applicable; and
- j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment or motor vehicles with an identification number which is cross referenced to the equipment or motor vehicle item on the inventory control report. The Grantee shall inventory equipment or motor vehicles annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment or motor vehicles purchased by Grantee with funding through this Grant Contract within thirty (30) days of its end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment or motor vehicle loss describing the reasons for the loss. Should the equipment or motor vehicles be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Contracts between the Grantee and individual project owners awarding Grant funds shall contain the requirements of this section relative to all equipment and motor vehicles purchased by project owners totally or in part with funds provided under this Grant Contract and Grantee shall ensure that individual project owners comply with such requirements.

Upon termination of the Grant Contract, where a further contractual relationship is not entered

into, or at another time during the term of the Grant Contract, the Grantee or other project owner, shall request written approval from the State for any proposed disposition of equipment or motor vehicles purchased with Grant funds. All equipment or motor vehicles shall be disposed of in such a manner as the parties may agree from among alternatives approved by the Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract. - D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.
- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Grant Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.
- D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions shall not be affected and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.32. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.

- d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, the special terms and conditions shall be subordinate to the Grant Contract's other terms and conditions.
- E.2. Grantee Participation. Grantee Participation amounts detailed in the Grant Budget are intended as a goal for the total project, and the amount of actual Grantee Participation expenditures will not impact the maximum amounts reimbursable to the Grantee as detailed by the Grant Budget column, "Grant Contract."
- E.3. Federal Funding Accountability and Transparency Act (FFATA).

If the Grantee is a subrecipient, the Grantee shall comply with 2 C.F.R. §§ 200.317—200.326 when procuring property and services under a federal award.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

For purposes of this Grant Contract, the term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00).

- D.21. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.
- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- D.23. Limitation of State's Liability. The State shall have no liability except as specifically provided in this Grant Contract. In no event will the State be liable to the Grantee or any other party for any lost revenues, lost profits, loss of business, loss of grant funding, decrease in the value of any securities or cash position, time, money, goodwill, or any indirect, special, incidental, punitive, exemplary or consequential damages of any nature, whether based on warranty, contract, statute, regulation, tort (including but not limited to negligence), or any other legal theory that may arise under this Grant Contract or otherwise. The State's total liability under this Grant Contract (including any exhibits, schedules, amendments or other attachments to the Contract) or otherwise shall under no circumstances exceed the Maximum Liability originally established in Section C.1 of this Grant Contract. This limitation of liability is cumulative and not per incident.
- D.24. Force Majeure. "Force Majeure Event" means fire, flood, earthquake, elements of nature or acts of God, wars, riots, civil disorders, rebellions or revolutions, acts of terrorism or any other similar cause beyond the reasonable control of the party except to the extent that the non-performing party is at fault in failing to prevent or causing the default or delay, and provided that the default or delay cannot reasonably be circumvented by the non-performing party through the use of alternate sources, workaround plans or other means. A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

- D.25. Tennessee Department of Revenue Registration. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 – 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.
- D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- D.27. No Acquisition of Equipment or Motor Vehicles. This Grant Contract does not involve the acquisition and disposition of equipment or motor vehicles acquired with funds provided under this Grant Contract.
- D.28. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract. The U.S. Office of Management and Budget's Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is available here: http://www.ecfr.gov/cgi-bin/text-idx?SID=c6b2f053952359ba94470ad3a7c1a975&tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl
- D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to its conflict or choice of law rules. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-408.
- D.30. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Grant Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.
- D.31. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions shall not be affected and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.32. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.
- D.33. Iran Divestment Act. The requirements of Tenn. Code Ann. § 12-12-101, *et seq.*, addressing contracting with persons as defined at Tenn. Code Ann. §12-12-103(5) that engage in investment activities in Iran, shall be a material provision of this Grant Contract. The Grantee certifies, under penalty of perjury, that to the best of its knowledge and belief that it is not on the list created pursuant to Tenn. Code Ann. § 12-12-106.
- D.34. Debarment and Suspension. The Grantee certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:
- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
 - b. have not within a three (3) year period preceding this Grant Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of

federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;

- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
- d. have not within a three (3) year period preceding this Grant Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Grantee shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified, or presently fall under any of the prohibitions of sections a-d.

- D.35. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Grantee by the State or acquired by the Grantee on behalf of the State that is regarded as confidential under state or federal law shall be regarded as "Confidential Information." Nothing in this Section shall permit Grantee to disclose any Confidential Information, regardless of whether it has been disclosed or made available to the Grantee due to intentional or negligent actions or inactions of agents of the State or third parties. Confidential Information shall not be disclosed except as required or permitted under state or federal law. Grantee shall take all necessary steps to safeguard the confidentiality of such material or information in conformance with applicable state and federal law.

The obligations set forth in this Section shall survive the termination of this Grant Contract.

- D.36. State Sponsored Insurance Plan Enrollment. The Grantee warrants that it will not enroll or permit its employees, officials, or employees of contractors to enroll or participate in a state sponsored health insurance plan through their employment, official, or contractual relationship with Grantee unless Grantee first demonstrates to the satisfaction of the Department of Finance and Administration that it and any contract entity satisfies the definition of a governmental or quasigovernmental entity as defined by federal law applicable to ERISA.

E. SPECIAL TERMS AND CONDITIONS:

- E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, the special terms and conditions shall be subordinate to the Grant Contract's other terms and conditions.
- E.2. Transfer of Contractor's Obligations. The Grantee shall not transfer or restructure its operations related to this Grant Contract without the prior written approval of the State. The Grantee shall immediately notify the State in writing of a proposed transfer of restructuring of its operations related to this Grant Contract. The State reserves the right to request additional information or impose additional terms and conditions before approving a proposed transfer or restructuring.
- E.3. Counterpart Clause: This agreement may be executed in two or more dated counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same effective instrument.
- E.4. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment. If applicable and as required by 2 CFR 200.216, Grantee is prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter

into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as a critical technology as part of any system. As described in Public Law 115-232, Section 889, "covered telecommunications equipment" is as follows:

- a. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).
- b. - d. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

E.1. Federal Funding Accountability and Transparency Act (FFATA).

This Grant Contract requires the Grantee to provide supplies or services that are funded in whole or in part by federal funds that are subject to FFATA. The Grantee is responsible for ensuring that all applicable requirements, including but not limited to those set forth herein, of FFATA are met and that the Grantee provides information to the State as required.

The Grantee shall comply with the following:

- a. Reporting of Total Compensation of the Grantee's Executives.
 - (1) The Grantee shall report the names and total compensation of each of its five most highly compensated executives for the Grantee's preceding completed fiscal year, if in the Grantee's preceding fiscal year it received:
 - i. 80 percent or more of the Grantee's annual gross revenues from Federal procurement contracts and federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and sub awards); and
 - ii. \$25,000,000 or more in annual gross revenues from federal procurement contracts (and subcontracts), and federal financial assistance subject to the Transparency Act (and sub awards); and
 - iii. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. § 78m(a), 78o(d)) or § 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/excomp.htm>).

As defined in 2 C.F.R. § 170.315, "Executive" means officers, managing partners, or any other employees in management positions.

- (2) Total compensation means the cash and noncash dollar value earned by the executive during the Grantee's preceding fiscal year and includes the following (for more information see 17 CFR § 229.402(c)(2)):
- i. Salary and bonus.
 - ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), **Shared Based Payments**.
 - iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.
 - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - v. Above-market earnings on deferred compensation which is not tax qualified.
 - vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds \$10,000.
- b. The Grantee must report executive total compensation described above to the State by the end of the month during which this Grant Contract is established.
- c. If this Grant Contract is amended to extend the Term, the Grantee must submit an executive total compensation report to the State by the end of the month in which the amendment to this Grant Contract becomes effective.
- d. The Grantee will obtain a Unique Entity Identifier (SAM) and maintain its number for the term of this Grant Contract. More information about obtaining a Unique Entity Identifier can be found at: <https://www.gsa.gov>.

The Grantee's failure to comply with the above requirements is a material breach of this Grant for which the State may terminate this Grant Contract for cause. The State will not be obligated to pay any outstanding invoice received from the Grantee unless and until the Grantee is in full compliance with the above requirements.

- E.2. Personally Identifiable Information. While performing its obligations under this Grant Contract, Grantee may have access to Personally Identifiable Information held by the State ("PII"). For the purposes of this Grant Contract, "PII" includes "Nonpublic Personal Information" as that term is defined in Title V of the Gramm-Leach-Bliley Act of 1999 or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("GLBA") and personally identifiable information and other data protected under any other applicable laws, rule or regulation of any jurisdiction relating to disclosure or use of personal information ("Privacy Laws"). Grantee agrees it shall not do or omit to do anything which would cause the State to be in breach of any Privacy Laws. Grantee shall, and shall cause its employees, agents and representatives to: (i) keep PII confidential and may use and disclose PII only as necessary to carry out those specific aspects of the purpose for which the PII was disclosed to Grantee and in accordance with this Grant Contract, GLBA and Privacy Laws; and (ii) implement and maintain appropriate technical and organizational measures regarding information security to: (A) ensure the security and confidentiality of PII; (B) protect against any threats or hazards to the security or integrity of PII; and (C) prevent unauthorized access to or use of PII. Grantee shall immediately notify State: (1) of any disclosure or use of any PII by Grantee or any of its employees, agents and representatives in breach of this Grant Contract; and

(2) of any disclosure of any PII to Grantee or its employees, agents and representatives where the purpose of such disclosure is not known to Grantee or its employees, agents and representatives. The State reserves the right to review Grantee's policies and procedures used to maintain the security and confidentiality of PII and Grantee shall, and cause its employees, agents and representatives to, comply with all reasonable requests or directions from the State to enable the State to verify or ensure that Grantee is in full compliance with its obligations under this Grant Contract in relation to PII. Upon termination or expiration of the Grant Contract or at the State's direction at any time in its sole discretion, whichever is earlier, Grantee shall immediately return to the State any and all PII which it has received under this Grant Contract and shall destroy all records of such PII.

The Grantee shall report to the State any instances of unauthorized access to or potential disclosure of PII in the custody or control of Grantee ("Unauthorized Disclosure") that come to the Grantee's attention. Any such report shall be made by the Grantee within twenty-four (24) hours after the Unauthorized Disclosure has come to the attention of the Grantee. Grantee shall take all necessary measures to halt any further Unauthorized Disclosures. The Grantee, at the sole discretion of the State, shall provide no cost credit monitoring services for individuals whose PII was affected by the Unauthorized Disclosure. The Grantee shall bear the cost of notification to all individuals affected by the Unauthorized Disclosure, including individual letters and public notice. The remedies set forth in this Section are not exclusive and are in addition to any claims or remedies available to this State under this Grant Contract or otherwise available at law. The obligations set forth in this Section shall survive the termination of this Grant Contract.

Scope of Services/Project Narrative Domestic Violence Court Grant

PROJECT TITLE: Domestic Violence Court

PROBLEMS FOR INTERVENTION AND NEEDS TO BE IMPROVED

Problem Description – What is the nature and magnitude of the problem(s) to be solved by the proposed funding? This should be based on your agency's own data and/or other relevant sources and describe in detail the most pressing problems in your service/impact area. The problem statement should also identify the needs of the community based on relevant and timely data. This should be light on demographics and geography.

Anderson County, situated in East Tennessee and encompassing a 345 square mile region, has a mix of rural and urban areas and a population of 77,576 residents. 78.8% of which are 18 and older, 21.2% are over the age of 65, and 51% are female. The racial composition is 91.6% white, 4% black or African American, 1.4% Asian, and 3.5% Hispanic or Latino.

Domestic violence in Anderson County has been a problem for many years, but the county has shown a coordinated effort in combating it through a variety of means. However, we still see that coordination could be improved and a greater number of victims can be better served through the creation of a DV Court. Currently, all domestic violence cases are being heard in Sessions I and Sessions II Courts. This means that victims are forced to testify about the abuse they have suffered not only in front of their abuser, but also in front of a courtroom full of individuals who are in court for reasons other than domestic violence. Domestic Violence courts are specialized to address the complex issues presented in domestic violence cases and recognize that victim safety is just as important as offender accountability. Since most domestic violence victims have a deep fear of the court process - these cases are deeply personal and we find that many victims do not want to appear in court due to concerns about their privacy. Sharing such deeply personal experiences in front of large groups of people is intimidating and overwhelming. By having a dedicated docket day for domestic cases, victims would be less fearful and more likely to follow through with cases resulting in higher prosecution rates, increased offender accountability and more safety for victims.

In fact, according to the Domestic Violence Docket Process and Recidivism Report published in 2015 on behalf of the State of Maine Judicial Branch "interviewees consistently stated the best thing about the domestic violence docket was having all the players in one room because it ensured everyone—including the offender—was on the same page. This was identified as the number one factor in increasing accountability for domestic violence offenders over those who were not required to participate in a domestic violence docket. Interviewees also stated a need for more training, not only specific to domestic violence dockets, but on domestic violence in general, particularly for those who do not receive such training as part of their own professional requirements."

This would also ease the burden placed on the Domestic Violence Prosecutor who is currently required to be in a General Sessions courtroom four days a week working domestic cases. Having a dedicated number of days specifically for domestic cases would allow her more time to work with her support team: the victim-witness coordinator, the FJC staff and their partner agencies, and to form a more meaningful relationship with victims of domestic crimes which will enhance the likelihood of them being willing to come to court and testify against their

ATTACHMENT A
APPLICATION FOR FUNDING
GRANT PROJECT NARRATIVE
(PAGE 2)

perpetrator. Since the funding of a domestic violence prosecutor, she has worked over 628 cases. The victim-witness coordinator has also worked with 319 cooperative victims. The number of cooperative victims could increase if they had greater access to the prosecutor, who would have more time to work with them, should she be in court fewer days each week.

The Anderson County Family Justice Center (ACFJC), which opened in July of 2021, has reported a marked increase in the number of victims they have served. In their first year open and operational they served 187 clients. They are currently on track to serve nearly double that number serving 168 in the first half of this fiscal year. ACFJC staff alone helped with 48 ex-parte order of protection requests (this does not include the YWCA ex-parte numbers) in FY21-22 and have assisted in 23 in the last three months of the new fiscal year (again does not include the YWCA's assistance on site).

Having dedicated court dates for domestic cases would also be highly beneficial for victims as it would make it a lot easier for support staff who work with victims to always be in court surrounding the survivor with support in the courtroom and out. For example, the victim-witness coordinator, an advocate from an advocacy program like the YWCA, and FJC staff could be available to share/provide resources for victims in the courtroom. The Bureau of Justice has identified the coordinated approach of surrounding a victim with services as the best way to keep victims from returning to violence, while also increasing the likelihood of prosecution, as the victim feels heard and supported. This helps achieve that goal in coordination with the ACJFC, while not actually being in the ACFJC building.

It is also well-known that interventions for offenders are limited in Anderson County. Through probation, perpetrators can sometimes be ordered to participate in anger management classes, but these are not shown to have meaningful results. We do have many victims that request a perpetrator be required to attend a Batterer's Intervention Program (BIP). Many maintain the hope that with education, change is possible. The only program available is in Knoxville and, due to transportation or financial barriers, a trip to Knoxville on a consistent basis is not feasible. It would be beneficial to study outcomes of BIP and investigate the possibility of getting a program started in Anderson County to assist these families seeking additional support.

We are requesting grant funding specifically to hire an individual who can begin to investigate a way to remove some of the barriers our county and domestic violence victims are facing. In this role, this employee can work on creating or enhancing existing partnerships, to learn more about BIPs and, most importantly, to assess the need for a domestic violence court and begin the process of implementing a plan to get a domestic violence court up and running. This will require the development of MOUs, partnerships, objectives, and a timeline for implementation that will begin the important work of making our county safer for victims of domestic violence and hold offenders accountable. Following the planning stage this position will work to implement the plans to get a domestic violence court running in Anderson County with a projected start date of April 2024.

PURPOSE

This section should include goals and objectives of the project. For examples, reference the Abstract link listed in the Solicitation.

Goal 1: Assess the need for a Domestic Violence Court and begin its implementation.

CERTIFICATION REGARDING LOBBYING
(PAGE 1 of 2)

CERTIFICATION REGARDING LOBBYING

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OCJP for guidance, and may not proceed without the express prior written approval of OCJP.

Each person shall file the most current edition of this certification and disclosure form, if applicable, with each submission that initiates agency consideration of such person for an award of a Federal grant, or cooperative agreement over \$100,000 as defined at CFR Part 69.

Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. The undersigned certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall initial here ____ (Type N/A if not applicable) complete and submit Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;
- (3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all sub-recipients shall certify and disclose accordingly.

If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent.

Instructions for Completing the Special Conditions

Each federal grant award received by the Office of Criminal Justice Programs (OCJP) contains a list of special conditions which must be adhered to by both the OCJP and their subrecipients. These special conditions are addressed within the OCJP Grants Manual and more formally listed on the next several pages. Subrecipients must notify OCJP rather than the federal agency when noted in the Special Condition. As an agency receiving federal dollars from OCJP, you are required to acknowledge and comply with these special conditions.

- Read the Special Conditions thoroughly prior to completing the Special Conditions documents.
- Identify whom will complete the Special Conditions documents, the Authorized Official or their Designee, The Project Director, and the Financial Director:
 - **FOR NON-PROFITS: Before a designee can remit any signed documents, a completed Signature Authorization Packet must be received and accepted by OCJP. Please reference the OCJP Grants Manual Chapter II for additional information.**
 - When the Designee's is completing the Special Conditions, the section of the Special Conditions collecting the Designee's personal information must be completed in full for the Designee's.
- On the last page of the document, the Special Conditions requires the Authorized Official or their designee, the Project Director, and the Fiscal Director to check the box(s) indicating they have read the Special Conditions and are fully cognizant of their duties and responsibilities, and then sign and date the last page. Make sure there is a signature and date on the final page and the certification box is checked.
- Agencies should review the Special Conditions to ensure they are completed in full and a signature and date is present on the last page.
- Agencies should make a copy of the completed Special Conditions and keep them in their Agency Grant file.

AWARD DATE 09/17/2020

SPECIAL CONDITIONS

1 Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in the Office on Violence Against Women ("OVW") taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2 Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.333, 200.336.

3 Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by the recipient must be reported by the subrecipient to the recipient so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, the recipient must provide approval by the end of the project period. Failure to comply with these requirements may result in audit findings for both the recipient and the subrecipient.

The recipient agrees to monitor subrecipients to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

40. Publication disclaimer

The recipient agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." In addition, the recipient (or subrecipient, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

The recipient agrees that, before using administrative funds to attend training and technical assistance events, including travel costs and/or registration costs, the recipient will seek approval from its program manager by submitting a Grant Adjustment Notice (GAN), along with an agenda and other relevant supporting documentation, to ensure that the training is a cost directly associated with administering the STOP Program under 28 C.F.R. 90.17(b). The annual STOP Administrators meeting is excluded from this condition.

46. Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to OVW a detailed justification and have such justification approved by OVW, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

Objective 1.1: The Anderson County Sessions I & II Judges will hire and train a Domestic Violence Court Coordinator.

Goal 2: Increase safety for victims and their children by strengthening support systems.

Objective 2.1: Domestic Violence Court Coordinator will work with partner agencies focusing on defining best practices for the community and implementing them as a team to ensure victims and their children feel safe and supported by local institutions and the community at large.

Goal 3: Increase offender accountability.

Objective 3.1: A certified Batterers Intervention Program will be implemented.

ACTIVITIES

Activities are what a project does with the inputs to fulfill its mission. This section should describe the planned activities, major interventions or program elements designed to accomplish the goals of the project. You should describe the activities to be employed by the project to achieve the desired results. For projects requesting multi-year funding, describe and delineate how activities may change over the period of the grant if at all.

Objective 1.1: The Anderson County Sessions I & II Judges will hire and train a Domestic Violence Court Coordinator.

Activities: The Anderson County Sessions I & II Judges will hire and train a Domestic Violence Court Coordinator (DVCC) who will then assess the need for a Domestic Violence Court in Anderson County. This will be done through a community assessment, meeting with key stakeholders, and planning and coordination with partnering agencies that work with victims inside and outside of the court system. In this position the DVCC will travel to existing DV Courts to observe, in an effort to begin the process of creating and implementing an Anderson County DV Court. In this role the DVCC will work with mentor courts to hone implementation strategies to ensure that once the court is operational it will be as seamless a transition as is possible.

Objective 2.1: Domestic Violence Court Coordinator will work with partner agencies focusing on defining best practices for the community and implementing them as a team to ensure victims and their children feel safe and supported by local institutions and the community at large.

Activities: The Domestic Violence Court Coordinator will actively work to engage all necessary community and governmental agencies in collaboration to serve victims of domestic violence. In this role the DVCC will ensure that the dynamics of domestic violence are better understood by these key players, so that can use best practices to begin providing a real sense of safety for victims of domestic violence and their children. This partnership building will happen as the DVCC

attends community meetings, the CCR, the ACFJC Collaborative, and engages in one on one meetings to begin the implementation of the Domestic Violence Court.

Objective 3.1: A certified Batterers Intervention Program will be implemented.

Activities: The DVCC will work with already operational Batterers Intervention Programs (BIP) in surrounding communities to see if a program can be expanded to include Anderson County. Should no existing programs wish to expand the DVCC will investigate the creation of a BIP program for Anderson County working with the Tennessee Coalition to End Domestic & Sexual Violence, the Anderson County CCR, and the ACJFC Collaborative team to get a certified program up and running.

IMPLEMENTATION TIMELINE FOR ACCOMPLISHING KEY GRANT ACTIVITIES

This section should include a comprehensive timeline with concrete implementation and execution dates. The structure of the timeline should be feasible and outline the best scenario for achieving goals and objectives. Please add additional lines as necessary.

INPUTS

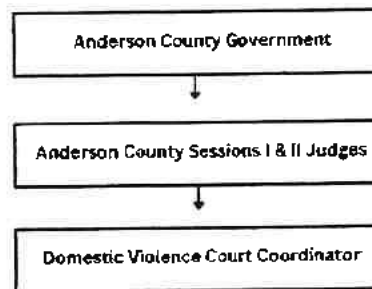

This section should describe the factors your project requires to conduct its activities and to achieve its goals and objectives. Include your organization chart. Provide a brief description of grant funded position's responsibilities. Collaboration with other agencies should also be detailed here.

Include special degrees, educational requirements or experience which are requirements of the grant-funded positions. Outline the organizational structure including all who work with the project regardless of whether or not their salaries are grant funded. To what extent would this grant affect the overall project budget? Would this grant fund the entire project or are there other resources that would be leveraged to benefit this project? Give some detail.

To make this endeavor successful we will need to hire a Domestic Violence Court Coordinator. In addition to funds for the position we will need additional funding to cover the cost of supplies; the purchase of a computer, printer, and phone line; and funds for travel to and from meetings and for training opportunities. Other inputs include the cooperation of partner agencies, including but not limited to, county government, supporting members of the team (judges, clerks, the DA's Office), and additional support agencies like the Anderson County Family Justice Center. This position will assist in getting a preexisting Batterer's Intervention Program operational in Anderson County. If a program does not want to expand to Anderson County then the process of creating one will be evaluated by the Domestic Violence Court Coordinator and a plan for implementation will be addressed and considered by the DV Court Team.

All of the funding provided would go to the salary and support of the Domestic Violence Court Coordinator position. Additional resources utilized to make this position successful will come from partner agencies working to ensure the DV Court is operational. For example, the Anderson County Family Justice Center will be providing a work space for the position, so that there is easier coordinator access available, as the ACFJC works with 31 partner agencies on-site. This would allow the DV Court Coordinator access to more collaborative opportunities.

In addition, describe how your agency will use the data collected to evaluate the goals of the project and the work performed and plan accordingly.

The Domestic Violence Court Coordinator will develop surveys and questionnaires to obtain feedback from professional court participants, attorneys, domestic violence victims, and service providers in regard to a domestic violence court. The DV Court Coordinator will also use focus groups to further identify how to move forward and to ensure, once a court is created, if any modifications or changes are being identified that need to be addressed. Results from surveys, questionnaires, and focus groups will be presented to a steering committee, the CCR team, and to OCJP upon request. The DV Court Coordinator will track their efforts through spreadsheets.

Once the DV Court is up and running clients will be asked to participate in feedback surveys. We will ask that surveys be completed in person, but we will provide an option to use a QR code at a later time, as well. It is most likely that surveys will be completed in a timely manner immediately following the close of their case, however it has been noted by the Family Justice Center and the DA's Office that feedback is often more critical immediately following the close of the case if the outcome is not what was expected. There are concerns that this will skew results, but it's better to capture surveys immediately following and receive more feedback than to rely on mailing out a survey or asking them to complete using a QR code later. We will explore other options for capturing true client feedback moving forward. The Domestic Violence Court Coordinator will use the client feedback surveys to present to the steering committee. Results will determine if any changes need to be made to services provided. Positive feedback will result in a continuation of services in a similar manner, while constructive feedback will result in the DV Court team and/or the steering committee discussing options for modifications to mitigate client concerns.

The Domestic Violence Court Coordinator will track all necessary and relevant data using spreadsheets and potentially a database depending on recommendations from OCJP and current operational DV courts. The use of case data being tracked will also be used to determine future court needs. At this time the list of what will be tracked has not yet been identified. We will determine what will be tracked following guidance from OCJP and the mentor courts we work with.

COLLABORATION ACTIVITIES (REQUIRED)

*Collaboration is defined as a mutually beneficial and well-defined relationship entered into by two or more organizations to achieve results they are more likely to achieve together than alone. Collaboration should describe the ongoing working relationship where ideas are exchanged with a common purpose and common goals are planned and attained. **All applicants are strongly encouraged to collaborate with other agencies to achieve similar goals.***

One of the greatest strengths of Anderson County is its consistent reliance on strong collaboration. This is true of government agencies as well as nonprofit agencies within the

GRANT PROJECT NARRATIVE
(PAGE 9)

county. All seem to work together for the common good of those most vulnerable among us. It is something our county takes great pride in. The Domestic Violence Court Coordinator will work collaboratively with government and nonprofit agencies in the course of their work. Partner agencies include, but are not limited to the Anderson County Family Justice Center, the 7th Judicial District Attorney General's Office, the Public Defender's Office, Legal Aid Society of Middle Tennessee and the Cumberlands, all law enforcement agencies, county governments, probation and its officers. These partner agencies will work with the domestic violence court coordinator to ensure victim needs are being met and that planning and implementation are a smooth process. These groups will also work together to identify and address any changes that may need to be made based on feedback from partner agencies and victims being served.

The Domestic Violence Court Coordinator will also collaborate by attending and contributing to community meetings, most importantly the CCR and the ACFJC Collaborative.

INTENDED OUTPUTS (Products)

*This section should describe the outputs or internal measures of the amount of work done within the project. **Outputs are the direct products of program activities** and usually are measured in terms of the volume of work accomplished. Outputs refer to the completion of tasks you are required to accomplish over the course of the project.*

Increased Community Collaboration through the hiring of a DV Court Coordinator who will:

- Be responsible for planning, organizing, coordinating, and monitoring the non-judicial activities of the Domestic Violence Court Program
- Serve as a liaison for the Domestic Violence Court
- Completes process and outcome evaluations for the program.
- Coordinate collaborative efforts through one-on-one meetings, stakeholder surveys, focus groups, attendance at community meetings, and participation in the Anderson County CCR and the Anderson County Family Justice Center's Collaborative meetings.

Offender Accountability:

- Because of consistent and regular judges and program staff, all domestic violence offenders can expect a uniform response to domestic hearings.
- Repeat offenders can expect increased penalties due to the greater visibility that results from the smaller dockets and a dedicated staff on Domestic Violence Court day.
- A Batterers Intervention Program (BIP) implemented as part of probation would increase offender accountability due to monitoring and may result in reduced recidivism through specialized education.

Increased Victim Safety:

- The more specialized nature of a domestic violence court means that victims are more likely to participate and follow through with the court process because a specialized team is sensitive and understanding of the nuances and complexities of domestic violence.

ATTACHMENT A
APPLICATION FOR FUNDING
GRANT PROJECT NARRATIVE
(PAGE 10)

- Smaller dockets handled by a team who consistently works together in the courtroom will be able to bring a case to a conclusion in a timelier manner. This reduces the time a perpetrator has to intimidate their victim. A small docket with fewer cases means more privacy for victims, as well.
- Victims that understand their resources and have access to supportive community agencies are less likely to find themselves in a domestic violence situation later in life. Many of the agencies that would like to attend court daily to serve victims do not have the staffing available to do so. A dedicated DV Court docket would allow all of those agencies to come to the courthouse and provide services as needed. For example, the YWCA can have an advocate come to court to share their resources. The Anderson County Family Justice Center can have staff available to discuss resources and do intakes off-site at the courthouse if needed. The victim-witness coordinator would also be available during docket days to assist in next steps.

INTENDED OUTCOMES (Results)

*Outcomes describe the difference the project will make for its participants and/or the community as a whole. The outcomes for a project should be **measurable** based upon a set of defined criteria. Project goals should be set for each criterion. For projects requesting multi-year funding, describe how outcomes may be expected to change over the period of the grant.*

The intended outcome is for Anderson County to hire a Domestic Violence Court Coordinator who will work with partnering agencies to create and implement a Domestic Violence Court and to get a Batterers Intervention Program running to ensure victim safety, offender accountability, and higher rates of prosecution. This program will result in higher rates of offenders participating in a BIP, increased numbers of offenders being found guilty for their abuse, and victims receiving the support and services they need to thrive as survivors of domestic violence- making Anderson County safer for everyone.

List agencies, roles of agencies, names of principals, their contact information, and agency commitments (or MOUs) to the project.

The Anderson County Family Justice Center has MOUs with all of the following agencies listed below, with the exception of the Clerk's Office. At this time letters of support can be provided, but MOUs do not currently exist in relation to this project. The DVCC would begin the work of creating new MOUs with all of the following agencies as the work of creating a DV Court team begins.

- 1.) General Sessions II, Judge Matt Tuck (Sessions Judge), (865) 482-0081
- 2.) General Sessions I, Judge Victoria Bowling (Sessions Judge), (865) 457-6214
- 3.) 7th Judicial District Attorney General's Office, Dave Clark (District Attorney General), (865) 457-5640
- 4.) Anderson County Family Justice Center, Melissa Miller (Executive Director), (865) 298-3129
- 5.) Anderson County Government, Mayor Terry Frank, (865) 457-6200
- 6.) YWCA Knoxville and the TN Valley, Lauren Lindback, (865) 523-6126
- 7.) Anderson County Sheriff's Office, Sheriff Russell Barker, (865) 775-3266
- 8.) Ridgeview Behavioral Health, Brian Buuck (CEO), (865) 276-1202

(PAGE 11)

9.) Court Clerk's Office, Rex Lynch (Court Clerk), (865) 254-1700

What other community agencies or partners should be recruited to join the project, for what purposes?

Anderson County Probation and Anderson County Public Defender's Office will be necessary to have a successful DV Court. The DV Court Coordinator will actively work, in conjunction with those already on board, to get their wholehearted participation- along with other agencies that will enhance the mission.

PROJECT SUMMARY (Mandatory)

*Applicants must provide a project summary that includes the applicant's name, title of project, the goals of the project, type of programs to be implemented, a **brief** description of strategies to be used, major deliverables, and coordination plans. The project summary must not exceed one-half page, or 400-500 words.*

The Anderson County Sessions I & II Judges Office is applying for funding that would allow for the implementation of the Anderson County Domestic Violence Court Planning Grant. This project's goal is the formation of a separate Domestic Violence Court in Anderson County designed to further enhance the safety and support of victims navigating the court system, to ensure perpetrators of domestic violence are held accountable, and to assist in the increase of prosecution rates. This will be done through the creation of a Domestic Violence Court Coordinator position that would be responsible for planning, organizing, coordinating, and monitoring the non-judicial activities of the Domestic Violence Court Program. In addition to being a liaison for the Domestic Violence Court, the Domestic Violence Court Coordinator completes process and outcome evaluations for the program. Coordination will happen in one-on-one meetings, through stakeholder surveys, focus groups, attendance at community meetings, and through participation in the Anderson County CCR and the Anderson County Family Justice Center's Collaborative meetings. This position would also be responsible for bringing a Batterers Intervention Program to Anderson County, be it preexisting or newly created to assist in offender accountability. By working with all the agencies, governmental and non-profit, the Domestic Violence Court Team will work together using best practices, to make Anderson County a safer community. The end result for the use of these funds is to have a Domestic Violence Court operating in Anderson County by April of 2024.

If you chose ACH processing on the Heartland Payment Systems Merchant Processing Agreement (the "Application"), this ACH Processing Agreement (the "Agreement") is a part of your Application. The "Effective Date" is the earlier of the date that HPS approved your Application or the date on which HPS processed your first ACH transaction.

1. **Definitions.** Unless otherwise defined herein, capitalized terms shall have the meanings provided in the rules of the National Automated Clearinghouse Association, and any amendments that may be adopted from time to time. The following definitions shall apply for the purposes of this Agreement:
 - 1.1 **"ACH"** means the Federal Reserve Bank's Automated Clearing House, a funds transfer system, governed by the Nacha operating rules, that provides for the inter-bank clearing of electronic entries for participating financial institutions.
 - 1.2 **"EFT"** means Electronic Funds Transaction, electronic debits and credits processed through the ACH Network.
 - 1.3 **"Entries"** shall have the meaning provided in the Nacha Rules and shall also mean the data received from Merchant hereunder from which HPS prepares Entries.
 - 1.4 **"Initiation"** means the initial presentation by HPS of a transaction to Settlement.
 - 1.5 **"Merchant"** means the business customer that initiates ACH entries into the payment system according to an arrangement with a Receiver.
 - 1.6 **"Merchant Account"** means the commercial demand deposit checking account designated by Merchant for use in conjunction with ACH Services.
 - 1.7 **"Nacha"** means the National Automated Clearing House Association.
 - 1.8 **"NACHA Rules"** means the rules of the National Automated Clearinghouse Association (NACHA), and any amendments that may be adopted from time to time hereafter. Please refer to the following website for the NACHA Rules: <https://www.nacha.org/rules>
 - 1.9 **"ODFI"** means the bank acting as the Originating Depository Financial Institution as defined by Nacha Rules.
 - 1.10 **"RDFI"** means the Receiving Depository Financial Institution that receives ACH entries from the ACH Network and posts the entries to the Receiver's account.
 - 1.11 **"Receiver"** means the person or organization that has authorized a Merchant to initiate an ACH entry to the Receiver's account with the RDFI.
 - 1.12 **"Re-initiation"** or **"Re-presentment"** means the second or third attempt at Settlement by HPS of a previously Returned ACH transaction.
 - 1.13 **"Return"** means a Receiver transaction that is returned unpaid by either the Receiver's bank or the ACH Network.
 - 1.14 **"Returned Item Service Charge"** means the fee charged to Receiver as allowed by applicable law for a transaction that is returned unpaid by the Receiver's bank or ACH Network.

- 1.15 "Settlement"** means the movement of electronic information into the ACH Network under the ODFI sponsorship which results in the debiting or crediting of funds to designated bank accounts.
- 1.16 "Submit"**, "Submitted" and "Submission" means the Merchant's action of utilizing HPS's ACH Services for the purpose of processing a transaction.
2. **Appointment as Agent.** Merchant hereby authorizes and appoints HPS as its agent to initiate ACH credit or debit entries to and from Merchant's Account. Payment by a Receiver to HPS is considered the same as payment made directly to Merchant. Merchant, upon receipt of funds by HPS, must immediately (1) provide the purchased goods and services, or (2) credit the Receiver for the full amount of the funds received by HPS, which credit is not revocable by Merchant, and evidence this credit in writing. For transactions involving goods or services, Merchant must provide the purchased goods and services as agreed to between Merchant and the Receiver regardless of whether HPS transmits the funds to Merchant. For avoidance of doubt, Merchant's provision of goods and services prior to its receipt of funds from HPS shall not waive any claims that Merchant may have against HPS and/or the Merchant's customer in connection therewith.
 3. **Entries and Related Warranties.** Merchant shall transmit only those types of Entries designated in the Application. Entries that are part of a payment transaction that involves a financial agency's office that is not located within the territorial jurisdiction of the United States must be identified using the International ACH Transaction (IAT) Standard Entry Class Code. With respect to each Standard Entry Class Code indicated by Merchant, Merchant shall comply with all requirements and warranties set forth in the Nacha Rules with respect to such Standard Entry Class Code.
 4. **Security Procedures.** Merchant is strictly responsible to establish and implement security procedures to safeguard against unauthorized transmissions. Merchant agrees that no individual shall be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the security procedures and any passwords, codes, security devices and related instructions provided by HPS. If Merchant discovers that any such information or instructions have been known or accessed by unauthorized persons, Merchant agrees to notify HPS within a reasonable time followed by written confirmation. The occurrence of unauthorized access shall not affect any transfers made in good faith by HPS prior to receipt of such notice and within a reasonable time after such notice.
 - (a) If HPS accepted the Entry in good faith with respect to such Entry, then with respect to a credit Entry, Merchant shall be obligated to pay HPS the amount of such Entry, and with respect to a debit Entry, Merchant shall maintain sufficient funds in the Merchant Account to fund the reversal of such Entry.
 - (b) If an Entry (or request for cancellation or amendment of an Entry) received by HPS was transmitted or authorized by Merchant, Merchant shall pay HPS the amount of any such credit Entry and shall maintain funds in the Settlement Account to fund the reversal of any debit Entry, whether or not that Entry was erroneous in any respect.
 5. **Recording and Use of Communications.** Merchant and HPS agree that all telephone conversations or data transmissions between them or their agents made in connection with this Agreement may be electronically recorded and retained by either party for any reasonable use which is in compliance with this Agreement.
 6. **Processing Deadlines.** Merchant acknowledges that HPS has specific processing deadlines imposed by its ODFI and the ACH Operator for ACH Transactions and that HPS will process Merchant's ACH transactions within the constraints placed upon HPS.
 7. **Rejection of Entries.** HPS may reject any Entry which does not comply with the requirements of this Agreement.
 8. **Cancellation or Amendment by Merchant.** Merchant shall have no right to cancel or amend any Entry after its receipt by HPS. HPS shall use reasonable efforts to act on a request by Merchant for cancellation of a file prior to transmitting such file to the ODFI, but HPS shall have no liability if such cancellation is not effected. Merchant shall reimburse HPS for any expenses, losses, or damages HPS may incur in effecting or attempting to affect Merchant's request.
 9. **Merchant Account.** Merchant shall at all times maintain a Merchant Account in good standing at a bank that is a ROFI of the Federal Reserve Bank ACH System or other ACH settlement network. Merchant agrees and represents that: (a) the Merchant Account will always be in the same legal and DBA (if applicable) name as Merchant's name on the Merchant Application; (b) Merchant will own and maintain control of the Merchant Account and will keep such Merchant Account open at all times during which a provision of this Agreement is in effect; and, (c) the Merchant Account will not be associated with any merchant processing activity that is illegal or prohibited by the Nacha Rules or applicable law, including without limitation merchant processing activity associated with other accounts and/or

processors. Merchant agrees to immediately reimburse HPS for any shortfalls that occur due to non-sufficient funds in Merchant Account that are covered by HPS. Merchant also agrees to authorize HPS to suspend Settlement of all funds to Merchant Account, without prior notice to Merchant, if Merchant should breach or fail to comply with any terms of this Agreement, or if HPS or ODFI in its sole opinion deems itself at risk relative to any services performed under this Agreement.

10. **Returns.** For transactions provided for under this Agreement, unless otherwise provided herein, Returns for non-sufficient funds and uncollected funds will be electronically Re-initiated by HPS as applicable and allowed by current Nacha Rules and regulations. Merchant agrees to be liable for all EFT items that are returned, dishonored, reversed or that cannot be collected through Receiver's account and that are not subsequently covered by debit against Merchant Account. In the event that funds in Merchant Account are not sufficient to cover Returns, Merchant shall immediately upon request from HPS, deposit sufficient funds in Merchant Account to cover such Returns. HPS may deduct or offset Returns against amounts to be paid Merchant for current or future ACH transactions. With regards to any Returns, Merchant shall promptly notify HPS if:
 - (a) a Receiver makes any payment to Merchant on said transaction;
 - (b) a Receiver returns Goods or Services in whole or in part which were paid by said transaction, or
 - (c) there is a dispute concerning the Goods or Services or amount of said transaction.
11. **Returned Item Service Charges; Unauthorized Entry Fee.** Returned Item Service Charges will be assessed as allowed by applicable law. An Unauthorized Entry Fee will be assessed as per Nacha Rules.
12. **Account Reconciliation.** Entries transmitted by HPS shall be reflected on Merchant's periodic statement issued by HPS with respect to the Merchant Account or the Reserve Account, as applicable, pursuant to the Application between HPS and Merchant with respect to such account. Merchant agrees to notify HPS promptly of any discrepancy between Merchant's records and the information shown on any periodic statement. If Merchant fails to notify HPS of any discrepancy within one hundred twenty (120) days of receipt of a periodic statement containing such information, then Merchant shall be precluded from asserting such discrepancy against HPS and HPS shall not be liable for any other losses resulting from Merchant's failure to give such notice or any loss of interest or any interest equivalent with respect to an Entry shown on such periodic statement.
13. **Merchant Representations.**
 - (a) With respect to each and every Entry initiated by Merchant, Merchant agrees and represents to HPS and agrees that Merchant shall initiate Entries only in compliance with the provisions of the Nacha Rules.
 - (b) Merchant agrees to assume the responsibilities of a Merchant under the Nacha Rules, including ensuring that all international payment transactions are properly labeled as IAT entries and include the appropriate data elements under the Nacha Rules, and Merchant makes the representations and assumes the liabilities as provided in the Nacha Rules,
 - (c) each person shown as the Receiver on an Entry received by HPS from Merchant has authorized the initiation of such Entry and the debiting or crediting of its account in the amount and on the Effective Entry Date shown on such Entry,
 - (d) such authorization is operative at the time of transmittal or at the time of debiting or crediting by HPS as provided herein,
 - (e) Entries transmitted to HPS by Merchant are limited to those types of Entries agreed to by HPS and Merchant,
 - (f) Merchant shall perform its obligations under this Agreement in accordance with all applicable federal and state laws and regulations, including the sanctions laws administered by the Office of Foreign Assets Control ("OFAC"), and
 - (g) Merchant shall be bound by and comply with the Nacha Rules as in effect from time to time, including, without limitation, the provision making payment of a credit Entry by the Receiving Depository Financial Institution to the Receiver provisional until receipt by the Receiving Depository Financial Institution of final settlement for such Entry.
 - (h) Merchant accepts responsibility for compliance with the Nacha Rules and will reimburse HPS for any fees or penalties for which it is responsible.
 - (i) Merchant specifically acknowledges that it has received notice of the Nacha Rules regarding provisional payment and of the fact that, if such settlement is not received, the Receiving Depository Financial Institution shall be entitled to a refund from the Receiver of the amount credited and Merchant shall not be deemed to have paid the Receiver the amount of the Entry.
14. **Responsibilities.** In the performance of the services required by this Agreement, HPS shall be entitled to rely solely on the information, representations, and warranties provided by Merchant pursuant to this Agreement, and shall not be responsible for the accuracy or completeness thereof. HPS shall be responsible only for performing the services expressly provided for in this Agreement, and, subject to the disclaimers and limits on HPS's liability set forth herein, HPS shall not be

responsible for Merchant's acts or omissions, including without limitation the amount, accuracy, timeliness of transmittal or authorization of any Entry received from Merchant or for the return of an Entry by such Receiver or Receiving Depository Financial Institution, and no such person shall be deemed HPS's agent.

LIMITATION OF LIABILITY. NEITHER PARTY SHALL BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE OR INDIRECT LOSS OR DAMAGE THAT THE OTHER PARTY MAY INCUR OR SUFFER IN CONNECTION WITH THIS AGREEMENT, WHETHER OR NOT THE LIKELIHOOD OF SUCH DAMAGES WAS KNOWN OR CONTEMPLATED BY THE OTHER PARTY AND REGARDLESS OF THE LEGAL OR EQUITABLE THEORY OF LIABILITY THAT THE OTHER PARTY MAY ASSERT, INCLUDING, WITHOUT LIMITATION, LOSS OR DAMAGE FROM LOSS OF BUSINESS, PROFITS, OR SUBSEQUENT WRONGFUL DISHONOR RESULTING FROM THE OTHER PARTY'S ACTS OR OMISSIONS PURSUANT TO THIS AGREEMENT. IN ADDITION TO THE FOREGOING, HPS'S LIABILITY UNDER THIS AGREEMENT FOR PROVEN AND DIRECT DAMAGES SHALL NOT EXCEED THE AMOUNT OF FEES PAID OR TO BE PAID BY MERCHANT TO HPS UNDER THIS AGREEMENT FOR A SIX MONTH PERIOD PRIOR TO THE DATE ON WHICH THE CLAIM AROSE.

15. **Interruption of Services.** Merchant acknowledges and agrees that HPS's provision of ACH services hereunder may be interrupted from time to time and that HPS shall have no liability whatsoever as a result of such an interruption or delay. Without limiting the generality of the foregoing provisions, HPS shall be excused from failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission or communication facilities, loss of power, equipment or software error or malfunction, war, terrorist actions, acts of God, earthquakes, flood, embargo, riot, sabotage, labor shortage or dispute, emergency conditions or circumstances beyond HPS's control. From time to time HPS may need to temporarily suspend processing of a transaction (particularly an international ACH transaction) for greater scrutiny or verification, including, but not limited to, suspending processing to review for OFAC compliance in accordance with applicable OFAC guidance, and HPS shall be excused if this action causes delay in the settlement and/or availability of the transaction while review is in process. In addition, HPS shall be excused, while review is in process, from failing to transmit or delay in transmitting an Entry if such transmittal would result, in HPS's reasonable judgment, in violation of any rule or regulation of any U.S. governmental regulatory authority or Nacha Rule.
16. **Risk Mitigation.** In order to reduce the risk of loss to which HPS is subject under this Agreement, HPS may in its sole discretion establish such risk mitigation procedures as HPS deems necessary, including without limitation, requiring prefunding of credit Entries, delayed availability of funds to Merchant to cover returned debit Entries, and submission of unbalanced files (submission of a credit file for which HPS shall then create the offsetting debit file.)
17. **Inconsistent Name and Account Number.** Merchant acknowledges and agrees that, if an Entry describes the Receiver inconsistently by name and account number, posting of the Entry transmitted by HPS to the RDFI may be made by the RDFI on the basis of the account number supplied by Merchant, even if such account number identifies a person different from the named Receiver, and that Merchant's obligation to settle the amount of the Entry to HPS is not excused in such circumstances.
18. **Payment for Services.** Merchant shall pay HPS the charges for the services provided in connection with this Agreement, as set forth in the Application. HPS may debit the Merchant Account, or if necessary, the Merchant Reserve Account, for the amount of any such charges. All fees and services are subject to change upon sixty (60) days prior written notice from HPS to Merchant. In the event HPS changes the fees and services pursuant to this section, Merchant shall have the right to terminate this Agreement upon thirty days' notice anytime thereafter without penalty. The charges set forth in the Application do not include, and Merchant shall be responsible for payment of, any sales, use, excise, value added, utility or other similar taxes relating to such services, and any fees or charges provided for in the Account Agreements.
19. **Right to Audit.** Upon ten (10) business days' notice, Merchant shall permit HPS, and any regulatory authority having jurisdiction over HPS, to review Merchant's operations as they relate to compliance with this Agreement and the Nacha Rules, and to examine and copy any books, records, and source documents related thereto.
20. **Confidential Information.**
 - (a) In performing its obligations pursuant to this Agreement, each party may have access to and receive disclosure of certain confidential information about the other party, including but not limited to data and other information identifying or otherwise concerning HPS's consumers or customers, marketing representatives, marketing plan, methods, objectives and test results, and proprietary computer source code (hereinafter "Confidential Information"). HPS and Merchant each agree that it will use the Confidential Information of the other solely in the performance of its obligations pursuant to this Agreement. A party receiving Confidential Information may disclose such Confidential Information pursuant to a judicial or other

governmental order, provided that such receiving party shall first provide the disclosing party with prompt notice prior to any such disclosure so that the disclosing party may seek other legal remedies to maintain the confidentiality of such Confidential Information, and the receiving party shall comply with any applicable protective order or its equivalent. The Confidential Information shall constitute "trade secrets" defined by applicable law. The parties also acknowledge that the restrictions on the disclosure of the Confidential Information set forth in this Agreement constitute efforts reasonable under the circumstances to maintain the secrecy thereof.

- (b) Upon request or upon the termination of this Agreement, each party shall return to the other party all Confidential Information in its possession in hard copy or electronic form.
- (c) HPS and Merchant acknowledge that to the extent Confidential Information is disclosed to any affiliate or third party the disclosing party shall have a written contract protecting the confidentiality of same and shall ensure that such affiliates and third parties use and disclose Confidential Information only as needed for purposes of this Agreement.
- (d) During the term of this Agreement and any renewal, Merchant shall retain information and data as is necessary to demonstrate compliance with this Agreement and applicable law.

21. Amendments. From time to time HPS may amend any of the terms and conditions contained in this Agreement. Notice of such amendments shall be made in writing to Merchant and shall become effective thirty (30) days after written notice is given. Merchant may, at its sole discretion, terminate this Agreement, without fee or penalty, if it does not wish to accept the amendments to this Agreement.

22. Notices.

The names and signatures of Authorized Representatives are set forth in the APPLICATION. Such notice shall be effective on the second business day following the day of receipt by HPS.
- (c) Notice of Receipt of Entry. Under the Nacha Rules, which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statement we provide to you.
- (d) All notices and other communications required or permitted to be sent to Merchant under this Agreement may be made: (1) by written communication sent to Merchant at the address stated on the Merchant Application or as updated by Merchant thereafter; (2) by electronic communication sent to Merchant at the electronic mail address stated on the Merchant Application or as updated by Merchant thereafter; or (3) via an electronic posting or notification accessible to Merchant on the Heartland website located at: <https://infocentral.heartlandpaymentsystems.com>. 24. Evidence of Authorization/Provision of Information. Within five (5) banking days of a request by HPS, Merchant shall provide HPS with any information requested pursuant to this Agreement or required to comply with the Nacha Rules.

25. Term and Termination. This Agreement shall become effective upon acceptance of the first Merchant deposit by HPS and shall continue in effect for a term of ~~sixty (60) months~~ ^{thirty (30) months} therefrom. Thereafter, ~~this Agreement will automatically renew for additional twelve (12) month periods unless terminated by any party by giving ninety (90) days written notice prior to the end of any term.~~ HPS may terminate this Agreement immediately as required by the ODFI or as may otherwise be required by the Nacha Rules.

26. **Entire Agreement.** This Agreement is the complete and exclusive statement of the agreement between HPS and Merchant with respect to the subject matter hereof and supersedes any prior agreement between HPS and Merchant with respect to such subject matter. In the event performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which HPS is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and HPS shall incur no liability to Merchant as a result of such violation or amendment. No course of dealing between HPS and Merchant shall constitute a modification of this Agreement, the Nacha Rules, or the security procedures or constitute an agreement between HPS and Merchant regardless of whatever practices and procedures HPS and Merchant may use.
27. **Non-Assignment.** Neither party may assign this Agreement or any of the rights or duties hereunder to any person without the other parties' prior written consent except that upon notice to the other party, either party may assign this Agreement to a parent, subsidiary, or affiliate without the other's consent.
28. **Waiver.** Either party may waive enforcement of any provision of this Agreement. Any such waiver shall not affect the waiving party's rights with respect to any other transaction or modify the terms of this Agreement.
29. **No Third Party Beneficiary.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and assigns. This Agreement is not for the benefit of any other person, and no other person shall have any right against HPS or Merchant hereunder.
30. **Headings.** Headings are used for reference purposes only and shall not be deemed a part of this Agreement.
31. **Severability.** If any provision of this Agreement is held void or unenforceable, the validity or enforceability of the remainder of this Agreement shall not be affected and the void or unenforceable term shall be amended such that it is enforceable to the maximum extent permitted by law.
32. **Relationship of the Parties.** Except as otherwise expressly set forth in this Agreement, HPS and Merchant are independent contractors and this Agreement will not establish any relationship of partnership, joint venture, employment, franchise or agency between them. Except as provided in this Agreement, HPS and Merchant each shall bear its own costs and expenses in connection with the performance of its obligations under this Agreement. Neither HPS nor Merchant will have the power to bind the other or incur obligations on the other's behalf without the other party's prior written consent.

The parties hereto agree and consent to the personal and exclusive jurisdiction of said courts over them as to all such actions, and further waive any claim that such action is brought in an improper or inconvenient forum. In any such action, the parties waive trial by jury.

3. Data Security Requirements

3.1 The PCI Security Standards Council ("PCI SSC") was founded by American Express, Discover Financial Services, JCB, MasterCard Worldwide and Visa, Inc. All five founders agreed to incorporate the PCI DSS as the technical requirements of each of their data security compliance programs. The PCI SSC is responsible for the Payment Application Data Security Standard ("PA-DSS") and PIN Transaction Security Requirements for PIN-Entry Devices ("PED").

PCI DSS applies to HPS and any Merchant and Merchant Servicer that stores, processes or transmits Cardholder information. HPS acknowledges that it has an obligation to comply with PCI DSS for Cardholder information it possesses.

For the avoidance of doubt, as between Merchant, HPS and the Member Sponsor Bank, Merchant shall be solely responsible for any unauthorized access to Cardholder information or Transaction Data while such Cardholder Information or Transaction Data resides on Merchant's or its Third Party Agent's systems or networks. Any such unauthorized access shall be considered an Event of Default.

All eligible Merchants, regardless of size, must comply with these standards. The following are standards that, at a minimum, Merchant must comply with:

- (a) Install and maintain a firewall configuration to protect Cardholder data.
- (b) Do not use vendor-supplied defaults for system passwords and other security parameters.
- (c) Protect stored Cardholder data.
- (d) Encrypt transmission of Cardholder data across open, public networks.
- (e) Use and regularly update anti-virus software or programs.
- (f) Develop and maintain secure systems and applications.
- (g) Restrict access to Cardholder data by business need-to-know.
- (h) Assign a unique ID to each person with computer access.
- (i) Restrict physical access to Cardholder data.
- (j) Track and monitor all access to network resources and Cardholder data.
- (k) Regularly test security systems and processes.
- (l) Maintain a policy that addresses information security for all personnel.

More information, including the complete PCI DSS specifications can be found at:

<https://www.pcisecuritystandards.org>

Each of the Card Schemes has requirements based on PCI DSS that define a standard of due care and enforcement for protecting sensitive information. Merchant must meet the compliance validation requirements defined by the Card Schemes available at:

www.visa.com/cisg

www.mastercard.com/sdp

www.discovernetwork.com/fraudsecurity/disc.html

www.americanexpress.com/datasecurity - For American Express Direct merchants only

In cases where payment application software is used as a part of Authorization or settlement of Cardholder data, Merchant must use a PA-DSS compliant payment application or have current proof of PCI DSS compliance validation. The List of Validated Payment Applications may be found at:

https://zh.pcisecuritystandards.org/assessors_and_solutions/payment_applications?agree=true

In cases where PIN-based debit Transactions are processed, Merchant must use a compliant PIN Entry Device ("PED"). The List of PCI SSC Approved PIN Transaction Security Devices may be found at:

https://listings.pcisecuritystandards.org/assessors_and_solutions/pin_transaction_devices?agree=true

Transactions must comply with the Triple Data Encryption Standard (TDES) and any successor technologies

or standards connected therewith.

In addition, Merchant must immediately notify HPS of its use of any agent or Merchant Servicer that will have any access to Cardholder data and provide the full name and business address of such agent or Merchant Servicer and any changes thereto.

3.2 A Card Scheme may require Merchant, by notice to either HPS, Member Sponsor Bank or Merchant, to conduct an independent forensics review due to its data security procedures and/or Transaction activities. Upon notice of such request from either a Card Scheme or HPS, Merchant, at its sole cost and expense, shall retain the requisite forensics services and provide, through the requisite forensic review process, information as may be required by the Card Scheme. If Merchant fails to retain the requisite forensics services, HPS may retain such forensics services on Merchant's behalf, and Merchant shall remain responsible for payment and/or reimbursement to HPS of all cost and expense associated with such forensics services. In addition, Merchant shall be solely responsible for the cost and expense associated with any changes to its systems or other remediation required by the Card Scheme as a result of the forensic review process.

3.3 Merchant agrees that it will not introduce into HPS's or Member Sponsor Bank's system any virus, "time bomb," or any other contaminant, including but not limited to, codes, commands, or instructions that could damage or disable HPS's or Member Sponsor Bank's system or property.

3.4 Merchant must keep all systems and media containing account, cardholder or transaction information (physical or electronic, including but not limited to account numbers, card imprints, and terminal identification numbers) secure and prevent access by or disclosure to anyone other than Merchant's authorized personnel. Merchant must destroy, in a manner that will render the data unreadable, all such media that Merchant no longer deems necessary or appropriate to store (except for Sales Drafts maintained in accordance with this Agreement, applicable law, or Rules). Merchant must also ensure proper destruction of Cardholder, Transaction or system information (physical or electronic, including but not limited to account numbers, card imprints, and terminal identification numbers) prior to selling, storing, or disposing of any terminal.

4. Rights, Duties, and Responsibilities of Merchants

4.1 Merchant shall make a selection on Card acceptance as follows: All Cards Accepted, Credit/Business Cards Only and Consumer Prepaid/Debit (Check Cards) Only. At the time of signing of this Agreement, Merchant will select one of the options, which will be indicated on this Agreement. Merchant shall honor the Card types selected provided that the Card is valid and is presented to Merchant at the time of the sale by the Cardholder or an authorized user of the Card. A Card is valid only if it is presented on or after the valid date, if any, and before the expiration date shown on its face and the Card is used as payment for Products that are sold or rendered by Merchant under the terms of this Agreement. Merchant represents and warrants to HPS that no one other than Merchant has any claim against indebtedness submitted under this Agreement except as authorized in writing by HPS and Member Sponsor Bank. Merchant hereby assigns to HPS and Member Sponsor Bank all of its right, title, and interest in and to all indebtedness submitted hereunder, agrees that HPS and Member Sponsor Bank have the sole right to receive payment on any indebtedness purchased hereunder, and further agrees that Merchant shall have no right, title or interest in any such funds, including any such funds held in a Reserve Account (as defined below).

4.2 In accordance with applicable law and the Rules:

- (a) Merchant may establish a minimum sale amount as a condition for honoring credit Card Transactions, so long as such minimum amount does not exceed \$10.00. This amount shall be subject to automatic increase as provided by applicable law. In accordance with applicable law and the Rules, a maximum sale amount for Card Transactions may only be set by Merchants that are federal agencies or institutions of higher learning;
- (b) Except as specifically set forth in this Section 4.2, Merchant shall not establish a minimum or maximum sale amount as a condition for honoring PIN Debit, Signature Debit (non-PIN Debit) and/or prepaid Cards.

Merchant shall not request or require that a Cardholder provide any personal information as a condition for honoring PIN Debit, Signature Debit (non-PIN Debit) and/or prepaid Cards Transactions unless such information is required to provide delivery of goods and services or Merchant has reason to believe the identity

of the person presenting the Card may be different from that of the Cardholder.

- 4.3 Merchant shall complete a Sales Draft or Credit Voucher, in a form approved by HPS and in compliance with the Rules, which shall be legible and adhere to or contain the following:

A Global Payments Company 6 | Page Revised: 10/19/22 © 2022 Heartland Payment Systems, LLC. All rights reserved. Merchant Processing Agreement

- (a) the Merchant and Cardholder's electronically printed copy shall not contain the expiration date and should only display in legible print the last four digits of the Card number. Any other portion of the Card number must be represented by fill characters such as "x", "*", or "#";
- (b) the information embossed on the Card being presented;
- (c) the date of the Transaction;
- (d) a brief description of the Products involved in detail sufficient to identify the Transaction; (e) the total amount of the sale or credit (including any applicable taxes) or the words "deposit" or "balance" if full payment is to be made at different times on different Sales Drafts;
- (f) the city and state where such Transaction occurred; and
- (g) if required by the applicable Card Scheme, the signature of the Cardholder of the Card.

In cases where prompted by the equipment to do so, Merchant shall key enter the last four digits of the Card to verify the contents of the magnetic stripe and shall deliver a completed copy of the Sales Draft to the Cardholder.

This provision shall not apply to those Transactions specifically excluded from these requirements by the Rules.

- 4.4 For all mail or telephone orders, Merchant shall type or legibly print on the signature line of the Sales Draft the letters or words indicated: "Mail Order," "MO," or "Telephone Order," "TO."
- 4.5 In the event a Transaction cannot be completed via a Card Swipe or EMV Transaction, then an alternate form of payment should be requested. Merchant shall not manually key enter unembossed cards (unless Merchant participates in the CVV2 with the Magnetic Stripe Failure process) or manually write the account number on a paper draft. Only a Card Swipe or EMV Transaction is acceptable by the Card Scheme as proof that the Card was present at the time of the Transaction.
- 4.6 Merchant's policy for the exchange or return of goods sold and adjustment for services rendered shall be established and posted in accordance with applicable regulations of the applicable Card Scheme and laws. Merchant agrees to disclose, if applicable, to a Cardholder before a Card sale is made, that if merchandise is returned:
- (a) no refund, or less than full refund, will be given;
 - (b) returned merchandise will only be exchanged for similar merchandise of comparable value;
 - (c) only a credit toward purchases will be given;
 - (d) a restocking fee will be charged; or
 - (e) special conditions or circumstances apply to the sale (e.g. late delivery, delivery charges or other non-credit terms).
- If Merchant does not make these disclosures, a full refund in the form of a credit to the Cardholder's Card account must be given. In no circumstances shall any cash refunds be given on any item originally charged to a Card.
- The foregoing disclosures must be made on all copies of Sales Drafts across all Card Schemes issued at the time of the sale in letters approximately 1/4 inch high in close proximity to the space provided for the Cardholder's signature. In circumstances where credits or adjustments are due, Merchant shall prepare and deliver to the Cardholder a properly completed Credit Voucher. Merchant will input Credit Vouchers into the equipment on the day of the credit Transaction for inclusion in Merchant's daily transmission of Transactions.
- 4.7 Merchant shall not transmit for processing and payment any Transaction(s) representing the refinancing of an existing obligation of a Cardholder including, but not limited to, obligations:
- (a) previously owed to Merchant;
 - (b) arising from the dishonor of a Cardholder's personal check; or
 - (c) representing the collection of any other pre-existing debt.
- 4.8 Merchant shall not, under any circumstances, (a) disclose, sell, purchase, provide or exchange, or (b) use for any purpose other than completing a Transaction, any Cardholder's account number or any credit information

relating to any Cardholder's account or any Sales Drafts or Credit Vouchers that may have been obtained or imprinted with any Card to any person other than HPS, except as expressly authorized in writing by the Cardholder, HPS, or as required by law.

- 4.9** On the date of the Transaction and prior to honoring any Card, Merchant agrees to obtain an Authorization on all Transactions for the total amount of the Transaction by physically sliding, dipping, or inserting the Card through the Card reader of the equipment (or tapping the near-field communication ("NFC") enabled Card in

the case of an NFC-enabled Transaction) thereby causing the equipment to electronically read a magnetically encoded stripe or EMV chip on the reverse side of each Card, except for Card-Not-Present Transactions, which are governed by Section 4.15 hereof.

Any Transaction that cannot be authorized electronically through the equipment or manually key entered is subject to a Voice Authorization call. Merchant shall obtain an Authorization prior to completing a Card-Not Present Transaction.

Any Transaction that is not properly authorized is made with full recourse and may be charged back to Merchant; furthermore, any Card-Not-Present Transaction will be subject to additional charges for a Mid Qualifying or Non-Qualifying Transaction. An Authorization does not constitute a guarantee of payment, only an indication of available credit, and may be subject to dispute or Chargeback.

Except at such times as the equipment may be inoperable, Merchant shall not engage in soliciting or accepting Card-Not-Present Transactions without the prior written permission of HPS, and then only for such Products and in such amounts as stated in such written permission. Merchant shall not utilize the service of any third party (e.g. telemarketer) to solicit or accept orders or engage in Outbound Telemarketing Transactions.

- 4.10** MERCHANT ACKNOWLEDGES THAT AN AUTHORIZATION DOES NOT CONSTITUTE: (A) A WARRANTY THAT THE PERSON PRESENTING THE CARD IS THE RIGHTFUL CARDHOLDER; OR (B) A PROMISE OR GUARANTEE BY HPS THAT IT WILL PAY OR ARRANGE FOR PAYMENT TO MERCHANT FOR THE AUTHORIZED TRANSACTION. AN AUTHORIZATION DOES NOT PREVENT A SUBSEQUENT CHARGEBACK OF AN AUTHORIZED TRANSACTION PURSUANT TO THIS AGREEMENT.

- 4.11** When possible to do so, Merchant shall utilize the equipment as the exclusive method for obtaining Authorization codes. Voice Authorization service is for use during equipment downtime periods only. Use of Voice Authorization systems will result in additional charges for such use being assessed to Merchant based on HPS then-current rates. Merchant will record for every Transaction applicable Authorization and reference numbers on each Sales Draft to facilitate the timely and accurate retrieval of information as requested by HPS.

- 4.12** Merchant shall use its best efforts, by reasonable and peaceful means, to recover the Card when: (a) Merchant is advised to recover the Card in response to an Authorization request; or (b) Merchant has reasonable grounds to believe that the Card is counterfeit, fraudulent or stolen. Merchant shall take no action to recover a Card that may result in a breach of the peace.

- 4.13** Merchant may utilize the equipment's keypad to input Card number(s) in the following instances: (a) Card-Not-Present Transactions; or (b) the magnetic stripe on a Card is damaged and therefore unreadable by the equipment; or (c) the equipment's Card reader is inoperative, in which case Merchant shall immediately advise HPS.

- 4.14** If a Merchant is approved as an Internet, Mail Order or Telephone Order Merchant, the following sections of this Agreement shall not apply: 4.3 (b) and (g), 4.5, 4.9, 4.12, and 4.13 and such sections shall be replaced by the following:

- (a) Merchant shall obtain an Authorization for all Transactions. Any Transaction that cannot be authorized electronically is subject to a Voice Authorization call. Any Transaction that is not properly authorized is made with full recourse and may be charged back to the Merchant. An Authorization does not constitute a guarantee of payment, but may be subject to dispute or Chargeback;
- (b) Merchant shall print legibly the following information on the Sales Draft; Merchant's name and address;
 - (i) the Card Issuer's name;
 - (ii) the truncated account number of the Card;
 - (iii) the expiration date of the Card and any effective date on the Card; and
 - (iv) the Cardholder's name. Merchant shall be deemed to warrant to HPS the Cardholder's identity as an

- authorized user of the Card;

- (d) Internet Transactions are Card-Not-Present Transactions and must be performed on the Internet by the customer; or

- (g) **Internet Merchant Website Requirements.** Internet Merchant shall use the eCommerce Gateway solely for Merchant's internal business purposes and shall not allow any third party use of or access to the eCommerce Gateway. An Internet Merchant agrees to adhere to those Rules governing electronic commerce as well as HPS requirements as set forth herein; which include, but are not limited to ensuring the following information is included or properly referenced on the Internet Merchant website:

 - 3) Merchant will use Cardholder Data for the sole purpose of supporting payment for and delivery of Merchant's goods and services and consistent with Merchant's privacy policy;
 - 4) Merchant will maintain the security of any and all passwords, ID number or other access control methods to use the e-Commerce Payment Gateway; and
 - (ix) any other legal policies, including export control and terms of use.

4.15 The following additional terms apply to Card-Not-Present Transactions:

- (a) Merchant shall use, and retain for not less than one year, proof of a traceable delivery system utilized for the delivery of Products to customers.
- (b) Merchant shall use an address verification service to verify each Transaction.
- (c) Merchant must utilize if available through its gateway a Payer Authentication Program. This program identifies the Cardholder by authenticating their personal PIN entry. Specific programs could include Verified by VISA and MasterCard Secure Code.
- (d) Except where Merchant has specified future delivery on the Application, a customer's Card shall not be debited until the Product purchased has been shipped.
- (e) Upon request by HPS, Merchant shall provide copies of all advertisements, catalogues, brochures or other materials used to solicit mail or telephone orders and any forms used in recording or transmitting orders.

4.17 Merchant agrees to electronically deposit Sales Drafts and Credit Vouchers no later than the day of the Transaction. The time of receipt by HPS will affect the timing of payment to Merchant. in the same legal and DBA (if applicable) name as Merchant's name on the Merchant Application; (b) Merchant will own and maintain control of the Account and will keep such Account open at all times during the term and as long as any Reserve Account is in effect; and, (c) the Account will not be associated with any merchant processing activity that is illegal or prohibited by the Rules or applicable law, including without limitation merchant processing activity associated with other accounts and/or processors. Merchant agrees that all credits for collected funds and debits for fines, fees, Chargebacks, Credit Vouchers, payments and adjustments and other amounts due under the terms of this Agreement (including but not limited to attorney's fees and early termination charges) may be made to the Account. Merchant shall not close, restrict or change the Account without prior written approval from HPS. Merchant agrees to pay HPS a twenty-five dollar (\$25.00) handling fee to change the DDA information and a twenty-five dollar (\$25.00) fee on all returned ACH items. Merchant is solely liable for all fees and all overdrafts, regardless of cause. HPS shall have the unlimited right to debit, without prior notice, any DDA containing funds for the purpose of satisfying any liability incurred by or on behalf of Merchant.

Since a Card Issuer may over a period of time request duplicate copies of the same Sales Draft, Merchant must retain at least one legible copy of each Card Transaction.

Failure to provide HPS with requested documentation within five (5) business days after receipt of such request may result in the Transaction being charged back to the Merchant and HPS shall have the right to debit the Account for the full amount of the Transaction. Merchant Processing Agreement*

- 4.25** HPS agrees to use commercially reasonable efforts to mail or electronically transmit all Chargeback documentation to Merchant promptly at Merchant's address shown in the Merchant Application; however, HPS may at any time without prior notice debit Merchant's DDA or any other Merchant Account for Chargebacks without prior notice in accordance with this Agreement.

If Merchant notifies HPS after such time, HPS may, in its discretion, assist Merchant, at Merchant's expense, in investigating whether any adjustments are appropriate and whether any amounts are due to or from other parties; however, HPS shall not have any absolute obligation to investigate or effect any such adjustments. Any voluntary efforts by HPS to assist Merchant in investigating such matters shall not create an obligation to continue such investigation or any future investigation. Merchant must provide all information requested by HPS by the time specified in a request for information. Failure to respond within the specified time shall constitute a waiver by Merchant of its ability to dispute or reverse a Chargeback or other debit, and Merchant shall be solely responsible where it fails to timely provide information concerning any Chargeback.

If HPS elects, in its sole discretion, to take action on a Chargeback after the time specified to respond has expired, Merchant agrees to pay all costs incurred by HPS. Merchant agrees to pay HPS a processing fee for Sales Draft retrieval requests at HPS' discretion.

- 4.26** Merchant agrees to reimburse HPS for the amount of the Sales Draft in the event of a Chargeback together with a handling fee for each Chargeback, which fee may be amended from time to time. Merchant hereby irrevocably authorizes HPS to debit without notice Chargebacks and Chargeback handling fees and all other amounts due hereunder from Merchant's daily deposit and if such collection is inadequate, agrees to reimburse HPS immediately for any shortage that occurs as a result of such charges.
- 4.27** Merchant will be subject to debit for a Chargeback in accordance with the Rules in effect at the time of the Chargeback. The basis for Chargebacks and the rules for their processing are governed by the Rules. However, all disputes that are not resolved through established Chargeback procedures shall be settled between Merchant and the Cardholder, and Merchant will indemnify HPS for all expenses, including reasonable attorneys' fees, that may be incurred as the result of any Cardholder claim that is pursued outside the Rules. Merchant acknowledges and agrees that it is bound by the rules of the Card Schemes with respect to any Chargeback.
- Merchant further acknowledges that it is solely responsible for providing HPS and Member Sponsor Bank with any available information to re-present a Chargeback and that, regardless of any information it provides or does not provide HPS and Member Sponsor Bank in connection with a Chargeback, or any other reason, Merchant shall be solely responsible for the liability related to such Chargeback. If any such amount is uncollectible through withholding from any payments due hereunder or through charging Merchant's Account or the Reserve Account, Merchant shall, upon demand by HPS, pay HPS the full amount of the Chargeback.
- 4.28** Merchant shall not accept or deposit any fraudulent Transaction, or any Transaction about which Merchant has knowledge or notice of circumstances that would impair the validity of the Transaction or the indebtedness thereunder or its collectability.
- 4.29** Merchant unconditionally represents and warrants to HPS that all Sales Drafts submitted to HPS hereunder will represent the indebtedness of the Cardholder with whom Merchant has completed a Transaction in amounts set forth therein for Products only and shall not involve any element of credit for any other purposes, and shall not be subject to a defense, dispute, offset or counterclaim that may be raised by Cardholder under the Card Schemes Rules, the Consumer Credit Protection Act (15 USC § 1601) or other relevant state or federal statute or regulation. Further, Merchant warrants that any Credit Voucher that it issues represents a bona fide refund or adjustment on a Transaction by Merchant with respect to which a Sales Draft has been accepted by HPS.

- 4.30 Merchant shall not, under any circumstances, present for processing or credit, directly or indirectly, a Transaction that originates with any other Merchant or any other source.
- 4.31 Merchant shall not deposit duplicate Transactions. Merchant shall be debited for any adjustments for duplicate Transactions and shall be liable for any Chargebacks which may result therefrom.
- 4.32 Merchant shall not initiate a Transaction in an attempt to collect a Chargeback.
- 4.33 To the extent legally permitted, Merchant shall give HPS immediate written notice of any complaint, subpoena, civil investigative demand or other process issued by any state or federal governmental entity that alleges,

- 4.35 Merchant shall not be assessed a Chargeback fee for the first three (3) Chargeback requests processed in any twelve-month period beginning with the Merchant's anniversary date. Once three Chargeback requests have been submitted by the Card Scheme or a card issuer in any such twelve-month period, HPS shall bill all applicable Chargeback fees. For purposes of this Section 4.35, the anniversary date shall be the date of Merchant's first deposit with HPS unless otherwise designated by HPS.

- 4.39 Merchant, at its own expense, will have installed and will maintain the point-of-sale equipment, unless otherwise agreed to by the parties in writing. Each equipment type installed at a Location must be compatible with HPS' System and HPS has the right to test the equipment to assure compatibility. Merchant will submit each equipment type and all new core hardware, and any releases or modifications to the implementation software, to HPS for quality assurance testing at least thirty (30) days prior to the equipment, hardware or software's first use at a Location; provided however, both parties acknowledge that the quality assurance test may take less than thirty (30) days and HPS will use commercially reasonable efforts to accomplish the testing as soon as practicable. Quality assurance testing is applicable to each implementation software release for each equipment type.

If Merchant changes the method used to communicate with HPS' System from one form of technology to another, e.g. dial to frame relay, once any necessary quality assurance testing has been completed, Merchant will arrange for, with the assistance of HPS, if necessary, the equipment to be connected to HPS and then tested to ensure that the new method of communication works properly, which test will be conducted in accordance with Merchant's and HPS' procedures and paid by each party, respectively. Once the new technology has been tested and approved, it will not be necessary for each Location that adopts the new technology to perform the testing referred to in this paragraph.
- 4.40 Merchant shall assume responsibility for managing the repair of problems associated with Merchant's own telecommunications and processing system (both hardware and software), including terminals.
- 4.41 Special pricing through an agreement between HPS and a Merchant association shall apply to Merchant members in good standing of such Merchant association; any special pricing may be discontinued without notice.
- 4.42 Merchant agrees to provide HPS such financial statements and other information concerning Merchant as HPS may reasonably request from time to time. Merchant agrees that HPS, or its duly authorized representative,

may examine Merchant's books and records related to its receipt of the services from HPS hereunder, including records of Transactions submitted hereunder.

- 4.43** Merchant shall not engage in any services that require registration with the applicable Card Schemes as a Payment Service Provider (PSP) or Payment Facilitator (PF) without prior written approval from HPS. In the event Merchant is registered as a PSP/PF, Merchant agrees to promptly disclose to all Sub-merchants any new or increased Card Scheme related dues, assessments and fees, including but not limited to Convenience fees, in accordance to the contracted services performed by the Merchant. 9.3 To secure the Merchant's obligations to HPS under this Agreement, and any other agreement for the provision of related equipment or related services ("Obligations"), Merchant grants to HPS a lien and security interest in and to any of Merchant's funds now or hereafter in the possession of HPS, whether now or hereafter due or to become due to Merchant from HPS. Merchant agrees to duly execute and deliver to HPS such instruments and documents as HPS may reasonably request to perfect and confirm the lien, security interest, right of set off, recoupment and appropriation set forth in this Agreement.

9.4 Merchant agrees that HPS may withdraw funds from the Reserve Account at any time without notice to Merchant in the amount of any obligation of liability of Merchant to HPS hereunder, arising prior to or after termination, including any applicable Early Termination Fees pursuant to Section 13.4. If the Reserve Account funds are not sufficient to cover the Chargebacks, adjustments, fees and other charges due from Merchant, or if the funds in the Reserve Account have been released, Merchant agrees to promptly pay HPS the amount of such deficiency upon request.

other charges resulting from Merchant's use of equipment or other software provided or serviced by any Service Provider or Third Party Agent, or
 (b) for any act, omission or damages arising from services provided to Merchant from a Merchant Servicer or Third Party Agent.

11.2 IT IS AGREED THAT IN NO EVENT WILL HPS OR MEMBER SPONSOR BANK BE LIABLE FOR ANY CLAIM, LOSS, BILLING ERROR, DAMAGE, OR EXPENSE ARISING OUT OF OR RELATING TO THIS AGREEMENT WHICH IS NOT REPORTED IN WRITING TO HPS OR MEMBER SPONSOR BANK BY MERCHANT WITHIN SIXTY (60) DAYS OF SUCH FAILURE TO PERFORM, OR IN THE EVENT OF A BILLING ERROR WITHIN NINETY (90) DAYS OF THE DATE OF THE INVOICE OR APPLICABLE STATEMENT. 11.4 IN NO EVENT SHALL HPS OR MEMBER SPONSOR BANK BE LIABLE FOR SPECIAL, CONSEQUENTIAL, INDIRECT OR EXEMPLARY DAMAGES, INCLUDING LOST PROFITS, REVENUES AND BUSINESS OPPORTUNITIES. MERCHANT AGREES TO REIMBURSE HPS FOR ALL COSTS AND EXPENSES, INCLUDING WITHOUT LIMITATION, REASONABLE ATTORNEY'S FEES INCURRED AS A RESULT OF ANY SUCH ACTION, PROCEEDING OR LIABILITY. THE PROVISIONS OF THIS PARAGRAPH SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT. Without limitation of the foregoing, HPS shall not be liable to Merchant for delays in data transmission.

11.5 HPS AND MEMBER SPONSOR BANK MAKE NO WARRANTY WHATSOEVER REGARDING CARD AUTHORIZATIONS, DECLINES OR REFERRAL CODES, RESPONSES TO REQUESTS FOR AUTHORIZATION, PROCESSING, SETTLEMENT, OR ANY OTHER SERVICES PROVIDED BY OR ON BEHALF OF HPS AND MEMBER SPONSOR BANK HEREUNDER, AND HPS AND MEMBER SPONSOR BANK HEREBY DISCLAIM ANY AND ALL SUCH WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY TITLE, OR NON INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE and HPS and Member Sponsor Bank shall have no liability to Merchant or any other person for any loss, liability or damage arising directly or indirectly in connection herewith. 12. Display of Materials: Trademarks

12.1 Use of promotional materials and use of any trade name, trademark, service mark or logo type ("Marks") associated with each Card Scheme shall fully comply with specifications contained in applicable Rules.

12.2 Merchant shall only use each Mark in a way to indicate that the Card Scheme is accepted at Merchant and that Merchant is customer of HPS. Marks may not be edited or combined with other Marks. Merchant shall not use

any promotional materials or Marks in any way that suggests or implies that a Card Scheme endorses Merchant's Products or services.

13. Term: Termination

13.1 THIS AGREEMENT SHALL BECOME EFFECTIVE UPON ACCEPTANCE OF THE FIRST MERCHANT DEPOSIT BY HPS AND SHALL CONTINUE IN EFFECT FOR A TERM OF THIRTY-SIX (36) MONTHS THEREFROM ("TERM"). ~~THEREAFTER, THIS AGREEMENT WILL AUTOMATICALLY RENEW FOR ADDITIONAL TWELVE (12) MONTH PERIODS UNLESS TERMINATED BY ANY PARTY BY GIVING WRITTEN NOTICE TO THE OTHER PARTY AT LEAST SIXTY (60) DAYS PRIOR TO THE END OF THE TERM OR ANY RENEWAL TERM, EXCEPT THAT IN CASE OF AN EVENT OF DEFAULT BY MERCHANT, OR AS REQUIRED BY A CARD SCHEME OR MEMBER SPONSOR BANK, THIS AGREEMENT MAY BE TERMINATED OR SUSPENDED IMMEDIATELY AND HPS SHALL GIVE MERCHANT WRITTEN NOTICE WITHIN FIFTEEN (15) DAYS THEREAFTER.~~

Merchant Processing Agreement

13.2 Upon the occurrence of any Event of Default, all amounts payable hereunder by Merchant to HPS shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by Merchant. For the purposes of this Section 13.2 an "Event of Default" occurs when: (a) Merchant shall default in any

- material respect in the performance or observance of any term, covenant, condition contained in this Agreement, including, but not limited to, the establishment of or maintenance of funds in a Reserve Account in accordance with the provision of Section 9.1 and 9.2; or any noncompliance with the Rules or the operating regulations of a Card Issuer or a reasonable belief by HPS that Merchant will constitute a risk to HPS by failing to meet the terms of this Agreement;
- (b) material adverse change in the business, financial condition, business procedure, prospects, Products or services of Merchant;
- (c) any information contained in the Merchant Application was or is incorrect in any material respect, is incomplete or omits any information necessary to make such information and statements not misleading to HPS;
- (d) any assignment or transfer of control of Merchant or its parent;
- (e) a sale, transfer or liquidation of all or a substantial portion of Merchant's assets;
- (f) irregular Card sales or credits by Merchant, Card sales substantially greater than the annual volume or average ticket amount stated on Merchant's Application, excessive Chargebacks or any other circumstances which, in the sole discretion of HPS, may increase the risk of Merchant Chargebacks or otherwise present a financial or security risk to HPS;
- (g) reasonable belief by HPS that Merchant is engaged in practices that involve elements of fraud or conduct deemed to be injurious to Cardholders, including, but not limited to fraudulent, prohibited or restricted Transaction(s);
- (h) any voluntary or involuntary bankruptcy or insolvency proceedings involving Merchant, its parent or an affiliated entity, or any other condition that would cause HPS to deem Merchant to be financially insecure; (i) Merchant engages in any Outbound Telemarketing Transactions;
- (j) Merchant or any other person owning or controlling Merchant's business is or becomes listed in any Card Schemes security reporting; or
- (k) Early termination of this Agreement by Merchant without cause, including without limitation by Merchant's use of another processor to provide services similar to those provided by HPS hereunder.

Then, upon occurrence of any Event of Default, all amounts payable hereunder by Merchant to HPS, including any applicable Early Termination Fees (payable as set forth in Section 13.4), shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by Merchant.

13.3 In the event of termination, regardless of cause, Merchant agrees that all obligations and liabilities of Merchant including all Chargebacks, fees, credits and adjustments with respect to any Sales Draft or Credit Voucher presented prior to the effective date of termination shall survive such termination and expressly authorizes HPS to withhold and discontinue the deposit to Merchant's Account for all Card and other payment Transactions of Merchant in the process of being collected and deposited.

13.4 MERCHANT MAY BE CHARGED A FEE OF \$295 PER LOCATION ("EARLY

TERMINATION FEE" OR "ETF") IF MERCHANT TERMINATES THIS AGREEMENT PRIOR TO THE EXPIRATION OF THE TERM (EXCEPT IF AS A RESULT OF HPS' MATERIAL UNCURED BREACH OF THIS AGREEMENT). THE ETF MAY BE DEDUCTED IN A SINGLE PAYMENT FOR THE FULL AMOUNT VIA ACH DEBIT TO THE ACCOUNT, AT HPS' OPTION, UPON OR AT ANY TIME AFTER HPS' RECEIPT OF MERCHANT'S NOTICE OF TERMINATION.

13.5 Neither the expiration nor termination of this Agreement shall terminate the obligations or rights of the parties pursuant to provisions of this Agreement, which by their terms are intended to survive or be perpetual or irrevocable.

13.6 The provisions governing processing and settlement of Card Transactions, all related adjustments, fees and other amounts due from Merchant and the resolution of any related Chargebacks, will continue to apply after termination of this Agreement.

13.7 Supply orders are shipped via ground and any additional shipping fees such as overnight, second day, third day and Saturday delivery will be charged to the Merchant. HPS will collect all charges for supplies and shipping via ACH.

Merchant expressly agrees and consents to such reporting, and HPS and Member Sponsor Bank have no liability to Merchant for any loss, expense or damage Merchant may sustain, directly or indirectly, due to such reporting.

15. Additional Locations

17. DISPUTE RESOLUTION – ARBITRATION AND CLASS ACTION WAIVER

NOTE: PLEASE READ THIS SECTION CAREFULLY AS IT AFFECTS YOUR RIGHTS AND THE RESOLUTION OF DISPUTES

17.1 MANDATORY ARBITRATION: ANY DISPUTE OR CLAIM ARISING OUT OF, RELATING TO, OR IN CONNECTION WITH THIS AGREEMENT OR THE RELATIONSHIPS WHICH RESULT FROM THIS AGREEMENT SHALL BE RESOLVED BY BINDING ARBITRATION, RATHER THAN IN COURT; HOWEVER, YOU MAY ASSERT CLAIMS IN SMALL CLAIMS COURT IF (1) THE CLAIMS QUALIFY FOR SMALL CLAIMS COURT; (2) THE MATTER REMAINS IN SMALL CLAIMS COURT AT ALL TIMES; AND (3) THE MATTER PROCEEDS ONLY ON AN INDIVIDUAL (NOT A CLASS OR REPRESENTATIVE) BASIS). ARBITRATION DOES NOT PROCEED BEFORE A JURY AND MAY INVOLVE MORE LIMITED DISCOVERY THAN A COURT PROCEEDING.

ANY ARBITRATION UNDER THIS AGREEMENT WILL ONLY BE ON AN INDIVIDUAL BASIS. CLASS ARBITRATIONS, CLASS ACTIONS, PRIVATE ATTORNEY GENERAL ACTIONS, AND CONSOLIDATION WITH OTHER ARBITRATIONS ARE NOT PERMITTED. The arbitrator's award or decision will not affect issues or claims involved in any proceeding between HPS and any person or entity who is not a party to the arbitration. The arbitrator may award monetary, declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. The arbitrator's award, if any, will not apply to any person or entity that is not a party to the arbitration. However, nothing in this Section or Agreement shall preclude any party from bringing issues to the attention of federal, state or local agencies. Such agencies can, if the law allows, seek relief on your behalf.

Further, notwithstanding the foregoing, nothing in this Section or this Agreement prohibits a party from applying to a court of competent jurisdiction for a temporary restraining order, preliminary injunction, or other equitable relief.

The Federal Arbitration Act (9 U.S.C. § 1 et seq.) governs the interpretation and enforcement of the arbitration provisions of this section. Arbitration will be administered by JAMS (www.jamsadr.com). For claims greater than \$250,000, the JAMS Comprehensive Arbitration Rules and Procedures in effect at the time the arbitration is commenced will apply (if no such rules are in effect, JAMS default arbitration rules shall apply). For claims equal to or less than \$250,000, the JAMS Streamlined Arbitration Rules and Procedures in effect at the time the arbitration is commenced will apply (if no such rules are in effect, JAMS default arbitration rules shall apply). Unless the arbitrator(s) determine that justice or fairness require otherwise: (i) any arbitration will proceed in Muscogee County, Georgia (although, for the convenience of the Merchant or guarantor (as applicable), any party or its counsel may participate telephonically); and (ii) the arbitrator(s) will oversee limited discovery, taking into account the amount in controversy and the parties' desire to keep proceedings cost-effective and efficient. Any decision rendered in any arbitration proceeding shall be final and binding on each of the parties to the arbitration and judgment may be entered thereon in any court of competent jurisdiction. The parties will maintain the confidential nature of the arbitration proceeding except as may be necessary to enforce any award or to comply with applicable law.

Arbitration
[Signature]

If the total damage claims in an arbitration are \$10,000 or less, not including the Merchant's attorney fees ("Small Arbitration Claim"), the arbitrator may, if the Merchant prevails, award the Merchant reasonable attorney fees, expert fees and costs (separate from Arbitration Costs as defined below), but may not grant HPS its attorney fees, expert fees or costs (separate from Arbitration Costs) unless the arbitrator determines that the Merchant's claim was frivolous or brought in bad faith. In a Small Arbitration Claim case, HPS will pay all arbitration filing, administrative and arbitrator costs (together, "Arbitration Costs"). The Merchant must submit any request for payment of Arbitration Costs to JAMS at the same time the Merchant submits its Demand for Arbitration. However, if the Merchant wants HPS to advance the Arbitration Costs for a Small Arbitration Claim before filing, HPS will do so at the Merchant's written request which must be sent to HPS at the address in paragraph 16.1 above.

If the Merchant's total damage claims in an arbitration exceed \$10,000, not including the Merchant's attorney fees ("Large Arbitration Claim"), the arbitrator may award the prevailing party its reasonable attorneys' fees and costs, or it may apportion attorneys' fees and costs between the Merchant and HPS (such fees and costs being separate from Arbitration Costs).

Merchant Processing Agreement

In a Large Arbitration Claim case, if the Merchant is able to demonstrate that the Arbitration Costs will be prohibitive as compared to the costs of litigation, HPS will pay as much of the Arbitration Costs as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive.

Merchant hereby agrees that claims applicable to American Express may be resolved through arbitration as further described in the American Express Merchant Requirements Guide (the "American Express Guide").

17.2 Choice of Forum: A court, not the arbitrator, will decide any questions regarding the validity, scope and/or enforceability of Section 17.1. Any litigated action (as opposed to an arbitration) regarding, relating to or involving the validity, scope and/or enforceability of Section 17.1, or otherwise, shall be brought in either the courts of the State of Georgia sitting in Muscogee County or the United States District Court for the Northern District of Georgia, and Merchant and guarantor (if applicable) expressly agree to the exclusive jurisdiction of such courts. Merchant and guarantor (if applicable) hereby agree and consent to the personal jurisdiction and venue of such courts, and expressly waive any objection that Merchant or guarantor might otherwise have to personal jurisdiction or venue in such courts.

17.3 Class Action Waiver: MERCHANT AND GUARANTOR (IF APPLICABLE) ACKNOWLEDGE AND AGREE THAT ALL DISPUTES ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL BE RESOLVED ON AN INDIVIDUAL BASIS WITHOUT RESORT TO ANY FORM OF CLASS ACTION AND SHALL NOT BE CONSOLIDATED WITH THE CLAIMS OF ANY OTHER PARTIES. MERCHANT AND GUARANTOR (IF APPLICABLE) FURTHER AGREE TO WAIVE, AND HEREBY WAIVE, THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR TO LITIGATE OR ARBITRATE ON A CLASS-WIDE BASIS.

18. Additional Services

18.1 Merchant may request additional systems and services ("Additional Services") from HPS beyond those originally requested in the Application. In order to expedite the establishment of Additional Services, Merchant hereby authorizes HPS to take whatever measures necessary to promptly establish any Additional Service that Merchant might request in writing and to execute necessary authorization(s) on Merchant's behalf on the warranty hereby given that Merchant's signature on this Agreement shall be valid for all Additional Services. Delivery of any requested Additional Services shall be deemed to have occurred upon Merchant's first use of any such Additional Services. Merchant acknowledges that all Additional Services shall be governed by this Agreement and the Rules.

18.2 In the event that Merchant elects to receive tokenization services, the following terms and conditions of this Section 18 shall apply with respect thereto. HPS will tokenize each Cardholder primary account number ("PAN") submitted to HPS by Merchant in connection with a Transaction. HPS's tokenization of each PAN submitted to HPS by Merchant will occur after Authorization. Merchant hereby acknowledges that tokens may be assigned to a token group which may be shared among other HPS merchants.

Merchant further acknowledges and agrees that all tokens provided or created in connection herewith remain the sole and exclusive property of HPS and cannot be transferred or removed from HPS and will not follow Merchant to any other provider without prior written approval from HPS, which approval may be approved or withheld by HPS in its sole discretion.

19. Additional Terms

19.1 Truth of Statements: Merchant represents to HPS that all information and all statements contained in the Merchant Application are true and complete and do not omit any information necessary to make such information and statements not misleading to HPS.

19.2 Personal Guarantees & Guarantor(s): Any individual(s) by execution of the application as guarantor, hereby unconditionally and irrevocably guarantees to HPS the full and faithful performance or payment by Merchant of each and all of its duties and obligations herein set forth, including payment of all sums due and owing and any attorney's fees and cost associated with the enforcement of terms hereof, whether prior or subsequent to termination or expiration of this Agreement. HPS shall not be required to proceed against Merchant or enforce any other remedy before proceeding against the guarantor(s). This is a continuing guaranty and shall not be

discharged or affected by the sale or assignment of the merchant's business or death of the guarantor(s) unless such release is in writing signed by an authorized HPS representative.

It shall bind the heirs, administrators, representatives and assigns of the guarantor(s) and may be enforced by or for the benefit of any successor of HPS.

19.3 Entire Agreement: This Agreement constitutes the entire understanding of HPS and Merchant and supersedes all prior agreements, understandings, representations, and negotiations, whether oral or written between them.

19.4 No Waiver of Rights: Any failure of HPS to enforce any of the terms, conditions or covenants of this Agreement shall not constitute a waiver of any rights under this Agreement.

19.5 Section Headings: All section headings contained herein are for descriptive purposes only, and the language of such section shall control.

19.6 Assignability: Merchant may not assign this Agreement directly or by operation of law, without the prior written consent of HPS. Any assignment by Merchant without the prior written consent of HPS shall be void. HPS and Member Sponsor Bank may assign this Agreement without Merchant's consent. This Agreement shall be binding upon the parties hereto, their successors and permitted assigns.

19.7 Relationship of the Parties: Nothing contained herein shall be deemed to create a partnership, joint venture or, except as expressly set forth herein, any agency relationship between HPS and Merchant.

19.8 Severability: If any term or provision of this Agreement is found to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such terms or provisions shall be deemed modified to the extent necessary to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

No part or portion of 17.1 (Mandatory Arbitration), Section 17.2 (Choice of Forum), or Section 17.3 (Class Action Waiver) shall be deemed so integral to either this Agreement as a whole, or to the remaining parts or portions of Sections 17.1 through 17.3 hereof, that the unenforceability of that part or portion should have any impact on or render the remainder unenforceable.

19.9 Choice of Law: HPS, Member Sponsor Bank, Merchant, and guarantor (if applicable) agree that any and all disputes or controversies of any nature whatsoever (whether in contract, tort, or otherwise) arising out of, relating to, or in connection with (a) this Agreement, (b) the relationships which result from this Agreement, or (c) the validity, scope, interpretation, or enforceability of the choice of law and forum provisions of this Agreement, shall be governed by the laws of the State of Georgia, notwithstanding any conflicts of laws rule; provided, however, that the Federal Arbitration Act (9 U.S.C. § 1 et seq.) governs the interpretation and enforcement of Section 17.1 when permitted.

19.10 No Third Party Beneficiary: Under no circumstance, shall any third party be considered a third party beneficiary of Merchant's rights or remedies under this Agreement or otherwise be entitled to any rights or remedies of Merchant under this Agreement.

19.11 Amendments: HPS may change the terms of or add new terms to this Agreement at any time and any such changes or new terms shall be effective when notice thereof is given by HPS either through written communication or on its Merchant website located at: <https://infocentral.heartlandpaymentsystems.com>. Notwithstanding anything herein to the contrary, all fees, charges and/or discounts charged to Merchant hereunder may be changed immediately and without prior written notice to Merchant, provided that HPS will notify Merchant of any such changes promptly, either through written communication or on the Merchant website listed above.

19.12 Public Statements: Merchant shall obtain the prior written consent of HPS prior to making any written or oral public disclosure or announcement, whether in the form of a press release or otherwise, which directly or indirectly refers to HPS.

19.13 Financial Accommodation: This Agreement creates a contract for the extension of financial accommodations to Merchant within the meaning of Section 365 of the Bankruptcy Code. In the event Merchant becomes a debtor in bankruptcy, this Agreement cannot be assumed or enforced against HPS and HPS shall be excused from performance hereunder.

19.14 Electronic Signatures: Under the Electronic Signatures in Global and National Commerce Act (E-Sign), this Agreement and all electronically executed documents related hereto are legally binding in the same manner as are hard copy documents executed by hand signature when (1) your electronic signature is associated with this Agreement and related documents, (2) you consent and intend to be bound by this Agreement and related documents, and (3) this Agreement is delivered in an electronic record capable of retention by the recipient at the time of receipt (i.e., print or otherwise store the electronic record). This Agreement and all related electronic documents shall be governed by the provisions of E-Sign. By pressing Submit, you agree (i) that this Agreement and related documents shall be effective by electronic means, (ii) to be bound by the terms and conditions of this Agreement and related documents, (iii) that you have the ability to print or otherwise store this Agreement and related documents, and (iv) to authorize us to conduct an investigation of your credit history with various credit reporting and credit bureau agencies for the sole purpose of determining the approval of the applicant for merchant status or equipment leasing. This information is kept strictly confidential and will not be released.

20. Optional Card Brand Fees

CONVENIENCE FEE: A fee charged to the Cardholder by the Merchant for a true convenience for accepting a credit or debit card. Examples of a "true convenience" are payment through the internet, mail order or phone order. All Card Schemes allow merchants to charge a convenience fee. All Card Schemes must be charged equally. Merchant is required to disclose the fee to the Cardholder and provide the Cardholder with the opportunity to cancel the Transaction, if the Cardholder does not want to pay the convenience fee. In addition to the foregoing, (i) Visa requires merchants to have a brick and mortar location in order to be allowed to charge a convenience fee; (ii) MasterCard requires processors to register any government or education merchant.

SURCHARGE: A charge in addition to the initial amount of the sale on a credit card to cover the Merchant's cost of acceptance. All Card Schemes allow surcharging. Visa, MasterCard and Discover require merchants to register with the Card Schemes. The Merchant is required to disclose the fee at the entry of its establishment and at the point of sale. The Cardholder must be given the opportunity to cancel the Transaction if they do not want to pay the surcharge fee. The amount of the charge cannot exceed the amount of the Merchant's discount fee on Visa, MasterCard and Discover and is capped at 4%. The surcharge must appear on the sales receipt separately from the sales amount. All Card Schemes must be charged equally. Currently there are several states that prohibit surcharging. Merchants should check their state and local laws prior to initiating a surcharge.

SERVICE FEE: Visa allows government and education merchants to charge a different type of fee called a "service fee". This fee is assessed for accepting payments for taxes, fees and fines for government MCCs and for tuition, room and board, lunch programs, etc. for education MCC merchants. The service fee can be charged on credit and debit Transactions, in a face-to-face or card not present environment.

The service fee must appear separate from the sales amount on the receipt. Merchants must be registered through Visa. Service fee must be disclosed prior to completion of the transaction, allowing the Cardholder to cancel the Transaction if they do not wish to accept the service fee. MasterCard allows government and education merchants to charge "convenience fees" and has no separate "service fee" for these MCCs.

OTHER FEES: Handling fees and payment fees are allowed on all Card Schemes as long as these fees are charged on all payment channels; cash, checks, ACH, etc. These are not governed by the Card Schemes specifically. State and local laws may apply and merchants should ensure the fees are allowed in their area of business.

Merchant will be billed for all replacements and repairs of Merchant's Third Party Equipment. Unless otherwise specifically stated in the documentation provided with the Equipment, Heartland provides a one year warranty beginning on the date of shipment on all Heartland supplied serialized Equipment (including its internal Software) that such Equipment shall be free from faulty workmanship and defects in materials ("Heartland Hardware Warranty"). Equipment covered by the Heartland Hardware Warranty will be replaced at no cost to the Merchant during the applicable warranty period. However, Equipment sold to Merchant by or through Heartland and sent back to Heartland, but not covered under the Heartland Hardware Warranty (including, but not limited to, Heartland supplied and sold equipment damaged by fire, lightning, water damage) will be replaced and billed to Merchant as a new purchase at then current rates. After the warranty period, Heartland will replace such Equipment and repair damaged Equipment at Merchant's expense. If Equipment is damaged by the negligence or the willful acts or omissions of Merchant, its employees, agents or customers during the applicable warranty period, Merchant will be

charged for Equipment repairs or replacements. If Equipment purchased from Heartland is returned within sixty (60) days of purchase in Original Condition, Heartland will refund the difference less a restocking fee of \$30 for new or used repair/replacement equipment. "Original Condition" means Equipment that has not been used to process transactions, other than to test the Equipment prior to deployment for general use. Heartland will not accept returned Equipment after 60 days of purchase or Equipment not in Original Condition.

- (c) **Equipment Provided by Heartland:** Merchant may choose to rent Equipment from Heartland, may receive equipment from Heartland in connection with its receipt of software services, or may be loaned equipment by Heartland (collectively, "Rental Equipment"). Merchant is liable for all rental payments due hereunder. Rental privileges shall last as long as Merchant continues to remit timely rental payments and complies with its agreements with Heartland. All Rental Equipment is and shall remain the sole personal property of Heartland and will not be deemed for any purpose to be fixtures.

Heartland may affix or attach to all Rental Equipment a tag or label indicating its ownership of, or interest in, said Rental Equipment and Merchant will not remove, or allow the removal of, any such tag or label. Merchant will not sell, lease, encumber, or otherwise dispose of any interest in any Rental Equipment and will keep it free of all liens, claims or encumbrances whatsoever. Merchant will not be liable for ordinary wear and tear of Rental Equipment. Rental Equipment may be replaced at no expense to Merchant if a defect in the Rental Equipment cause it to become inoperable through no fault of Merchant, its employees, agents or customers. If Rental Equipment is damaged due to the negligence or the willful acts or omissions of Merchants, its employees, agents or customers, Merchant will be charged by Heartland for any repairs. Merchant will be liable for the full cost of the Rental Equipment in the event the Rental Equipment is lost, destroyed or made inoperative. Merchant will indemnify Heartland against any loss or destruction of any Rental Equipment for any cause whatsoever, excepting the negligence of Heartland.

If applicable, Merchant shall pay the monthly rental price indicated on the order form, and such rental fees will be collected

monthly via an automatic ACH debit to Merchant's designated DDA Account and will be billed monthly including the last month in which Merchant processes transactions. Within thirty (30) days of the termination or expiration of the Agreement (the "Return Deadline"), all Rental Equipment must be returned to Heartland at Merchant's sole cost and expense. In addition, should Merchant discontinue processing bankcard Transactions with Heartland prior to the expiration of the term of the Agreement, it shall pay to Heartland an Equipment Agreement cancellation fee of \$100.00. If Rental Equipment malfunctions and Heartland issues replacement Rental Equipment, Merchant shall, within ten (10) days of receipt of the replacement Rental Equipment, ship the malfunctioning Rental Equipment to Heartland at Merchant's expense. If Merchant fails to so return the malfunctioning Equipment to Heartland, or if Merchant fails to return any Rental Equipment by the Return Deadline, Merchant shall be liable for the full replacement value of said Rental Equipment and for any costs incurred by Heartland in connection with recovery of the malfunctioning Equipment, and Merchant's designated Account will be debited for all amounts due Heartland for unreturned Rental Equipment.

II. Universal Terms:

- (a) **Installation and Training:** Heartland will program equipment for Authorization and appropriate draft capture. Heartland will ship the Equipment at Merchant's expense to Merchant's designated business Location ("Location") as set forth in the Merchant Application and Agreement. Heartland will provide Merchant with a reasonable number of Quick Reference Guides and/or User Guides, as applicable, to help Merchant install the Equipment. Heartland may amend the Quick Reference Guides and/or User Guides as applicable to the equipment functionality. Merchant agrees to comply with all applicable instructions as set forth in the Quick Reference Guides and/or User Guides when installing Equipment at the Location. Heartland shall provide additional training as Heartland may deem necessary or appropriate. When additional training is deemed to be necessary by Heartland, Merchant will cooperate with Heartland in scheduling its employees for training at mutually convenient times and in making its employees available at the time scheduled. Promptly after the completion of such training at any Location or immediately upon receipt of the Quick Reference Guides and/or User Guides when training is not deemed necessary by Heartland, Heartland shall commence providing the Services through the Equipment installed and connected at such Location, subject to the further terms and conditions of this Equipment Agreement. The obligations of Heartland under this Section II (a) shall not apply to Third Party Equipment except for Third Party Equipment that Heartland, in its sole discretion, elects to support.
- (b) **Software:** All Heartland Software provided in connection with the Equipment is licensed (not sold) to Merchant on a limited, non-transferable, non-exclusive basis for use by Merchant on the designated Equipment. This will be for Merchant's internal purposes only in conjunction with Heartland Services. Heartland Software is the sole and exclusive property of Heartland, including all applicable rights to patents, copyrights, trademarks and trade secrets and shall be held in confidence by Merchant. Merchant will not remove any Heartland designation mark from any supplied material.

Merchant agrees not to disassemble, decompile, reverse engineer or otherwise reduce the software to perceptible form. Merchant may not rent, lease, sub-license or transfer the software. Merchant may not use Heartland software for any purpose or in any manner outside this license. Heartland warrants that the software shall perform substantially in the

manner set forth in the applicable Quick Reference Guide and/or User Guide ("Heartland Software Warranty"). Third party software is licensed or sub-licensed to Merchant under the terms, including without limitation the warranty terms, of the manufacturer's license and of this Equipment Agreement.

Software licensed on a subscription basis is warranted during the period the subscription is in full force and effect. Software licensed on a standalone basis that is not part of Equipment acquired from Heartland and for which a different warranty period is not expressly provided for in the documentation accompanying such software is warranted for ninety (90) days beginning on the date of shipment or download. Heartland does not offer refunds on Heartland software or software licensed or sublicensed by Heartland on behalf of a third party.

Should Heartland determine during the applicable warranty period that the software does not operate as warranted, Heartland will, at its option, replace or repair the software. In the case of third party software, the determination whether to replace or repair shall be made by the applicable third party software licensor.

Export Regulation. Merchant acknowledges that the Software acquired hereunder may include technical data subject to U.S. export control laws and regulations. Merchant shall not itself, or permit any other person or entity, to export, re-export or release, directly or indirectly, any Software or related documentation provided hereunder to any country, jurisdiction or person to which the export, re-export or release of same is prohibited by applicable law.

U.S. GOVERNMENT RESTRICTED RIGHTS. The software and documentation are provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in applicable federal law.

- (c) *****Heartland Secure Breach Warranty:** Heartland agrees to provide this limited warranty for the HEARTLAND SECURE devices.

If the warranted HEARTLAND SECURE device fails to encrypt or prevent the unauthorized decryption of cardholder data on that particular device and that failure is proven to be a direct result of a defect or error in Heartland's proprietary software or hardware, Heartland will pay:

A **Global Payments Company 2** | Page Revised: 04/15/21 © 2021 Heartland Payment Systems, LLC. All rights reserved. Heartland Equipment Agreement

- (i) the amount of compliance fines, fees and/or assessments charged by the card brands, issuing bank or acquiring bank, and
- (ii) the amount charged for a directly related forensic audit conducted by a PCI-Certified Qualified Incident Response Assessor (QIRA) of Heartland's choice.

This warranty applies only if the Merchant is:

- (i) using a HEARTLAND SECURE device as identified on the HEARTLAND SECURE website: <http://www.heartlandpaymentsystems.com/secure> and the theft, conversion or unauthorized decryption is proven to be directly caused by the failure of the HEARTLAND SECURE device;
- (ii) a party to Heartland's Agreement;
- (iii) processing transactions through Heartland at the time the failure occurs; and
- (iv) in compliance with the terms of the Agreement. The Merchant must comply with all terms and conditions of any equipment agreement or warranty, and the merchant must implement all required updates and upgrades on the HEARTLAND SECURE device and allow access to the device immediately upon Heartland's request. The Merchant must provide access and information to Heartland and others regarding any claims made by Merchant under the warranty, including but not limited to, financial and/or forensic audits, inspections of facilities, equipment, infrastructure and/or documents. Payment obligations under this warranty will be entirely contingent upon a final finding by the QIRA that the HEARTLAND SECURE device failed to encrypt or prevent the unauthorized decryption of the Merchant's cardholder data on the HEARTLAND SECURE device.

- (d) **Additional Warranties and Limitations:**

EXCEPT AS EXPRESSLY PROVIDED HEREIN HEARTLAND MAKES NO ADDITIONAL REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, BEYOND THOSE EXPRESSLY STATED HEREIN. HEARTLAND SPECIFICALLY DISCLAIMS WARRANTIES AS TO THE MERCHANTABILITY, CONDITION, DESIGN, OR COMPLIANCE WITH SPECIFICATIONS OR STANDARDS, AND EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE, OR NONINFRINGEMENT OF THIRD PARTY RIGHTS, WITH RESPECT TO ANY EQUIPMENT, SOFTWARE OR SERVICE. HEARTLAND DOES NOT WARRANT THAT THE EQUIPMENT, SERVICE OR SOFTWARE WILL OPERATE WITHOUT INTERRUPTION OR ON AN ERROR-FREE BASIS, AND EXCEPT AS OTHERWISE PROVIDED IN THE EXPRESS WARRANTIES MADE BY HEARTLAND IN THIS EQUIPMENT AGREEMENT THE EQUIPMENT AND SOFTWARE ARE PROVIDED "AS IS". HEARTLAND SHALL HAVE NO LIABILITY TO MERCHANT FOR INCIDENTAL, SPECIAL, CONSEQUENTIAL, INDIRECT OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION LOST PROFITS, REVENUES AND BUSINESS OPPORTUNITIES, OR DAMAGES FOR INJURY TO PERSON OR PROPERTY, ARISING OUT OF OR IN CONNECTION WITH THE USE BY MERCHANT OF ANY EQUIPMENT OR SERVICE.

For the avoidance of any doubt, any damages under the Secure Warranty Breach shall be subject to the limitation set out immediately above; provided, however, in accordance with the Agreement, there shall be no direct damages limitation on Merchant's recovery in relation to the Secure Warranty Breach as described and subject to the warranty language in II(c) above. Heartland's sole obligation with respect to a warranty claim received by Heartland during the applicable warranty period shall be to replace any malfunctioning equipment or software under warranty, provided however, that Merchant has first utilized Heartland's telephone assistance services and such assistance has not resolved the Equipment or Software problem. Equipment returned to Heartland as a Repair / Replacement must be in repairable order. Product warranties are not available for used PinPads or PinPad swaps.

In addition any PinPad swap must be of like equipment. Heartland will provide, or cause to be provided, telephone assistance in response to telephone inquiries, twenty-four (24) hours a day, seven (7) days a week, including holidays. These hours may be changed at any time, at Heartland's sole discretion.

Authorization Services typically will be available through installed or connected equipment continuously twenty-four (24) hours a day, seven (7) days a week, except that Services may be interrupted for usually no more than thirty (30) minutes in the aggregate between the hours of 12 midnight and 8 a.m. (CST) for the purpose of system maintenance. Provision of the Services may also be interrupted for reasons beyond the control of Heartland or any independent contractor utilized by Heartland in providing Services. Any extended warranty programs which may be offered by Heartland with respect to equipment or software, if any, shall be governed by the terms and conditions applicable to such extended warranty programs.

- (e) **Third Party Payment Services:** Use of third party payment services is subject to the terms and conditions imposed by the third party service providers sponsoring or otherwise supporting such services ("Third Party Services Terms and Conditions"). Merchant agrees to comply with all applicable Third Party Services Terms and Conditions and should refer to the website of the applicable service provider and other documents provided by such service provider from time to time for the current terms and conditions. Merchant agrees to indemnify Heartland for any losses or liabilities arising from Merchant's breach of any Third Party Services Terms and Conditions. Also, in Heartland's reasonable discretion, such a breach by Merchant may be deemed by Heartland to be a breach of the Equipment Agreement and the Merchant Processing Agreement.

Subject to Section 8.4 below, Heartland will indemnify, defend and hold Customer harmless from and against all claims for damages, losses, liabilities or expenses, including reasonable attorneys' fees, brought against the indemnified party by a third party (collectively, "Losses"), incurred arising out of or in connection with a claim, suit, action, or proceeding brought by any third party against Customer alleging that the use of the Services as permitted hereunder infringes any United States copyright or trademark, or constitutes a misappropriation of a trade secret of a third party. Excluded from the above indemnification obligations are claims to the extent arising from (i) use of the Services in violation of this Agreement or applicable law, (ii) use of the Services after Heartland notifies Customer to discontinue use because of an infringement claim, (iii) any claim relating to any third party content or Customer Data or (iv) modifications to the Services made other than by Heartland. 8.2 Data Breach Indemnification. Heartland agrees to comply with the requirements of all applicable laws that require the notification of individuals in the event of unauthorized release of PII, or other security event requiring notification, to the extent such laws expressly apply to Heartland. 8.3 Customer Indemnification. To the extent permitted by applicable law, and subject to Section 8.4 below, Customer shall indemnify, defend, and hold Heartland harmless from and against any and all

Losses relating to Customer's production or distribution of any materials resulting from use of the Services: (i) are factually inaccurate, misleading or deceptive; (ii) infringe or misappropriate any intellectual property rights any third party; (iii) are libelous, defamatory, obscene or pornographic, (iv) comprise unsolicited commercial e-mail or spam, or (v) violate civil or criminal laws or regulations, including those regulating the use and distribution of content on the internet and protection of personal privacy, provided that such Losses are not solely attributable to (y) a nonconformity of the Software to perform substantially in accordance with the Documentation or (z) the Services violating any applicable civil or criminal laws or regulations.

8.4 Indemnification Procedure. The indemnified party shall (i) promptly notify the indemnifying party in writing of any claim, suit or proceeding for which indemnity is claimed, provided that failure to so notify will not remove the indemnifying party's obligation except to the extent it is prejudiced thereby, and (ii) allow the indemnifying party to solely control the defense of any claim, suit or proceeding and all negotiations for settlement. The indemnified party shall also provide the indemnifying party with reasonable cooperation and assistance in defending such claim (at the indemnifying party's cost).

NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY FOR LOSS OF PROFITS, OR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING LOST PROFITS AND COSTS, IN CONNECTION WITH THE PERFORMANCE OF THE SERVICES, OR THE PERFORMANCE OF ANY OTHER OBLIGATIONS UNDER THIS AGREEMENT, EVEN IF IT IS AWARE OF THE POSSIBILITY OF THE OCCURRENCE OF SUCH DAMAGES.

9.4 Limitation of Liability. THE TOTAL CUMULATIVE LIABILITY OF EITHER PARTY TO THE OTHER FOR ANY AND ALL CLAIMS, DAMAGES OR LOSSES ("LOSS") ARISING FROM OR RELATED TO THE SERVICES OR THIS AGREEMENT, WHETHER ARISING BY STATUTE, CONTRACT, TORT, OR OTHERWISE, WILL NOT EXCEED THE FEES ACTUALLY PAID BY CUSTOMER TO HEARTLAND FOR THE SERVICES DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE LOSS. In the event that a utility owner needs to maintain an existing utility facility, the Licensee's use of the Licensed Premises may cease or be impaired until the utility maintenance activity is completed.
17. **ADJACENT PROPERTY** – Licensee states and affirms that the Improvements constructed and maintained on the Licensed Premises are not relevant to any adjacent property's activities, features, or attributes that qualify the adjacent property for protection under Section 4(f) of the Department of Transportation Act of 1966 (Pub. 3. Both parties to this agreement are aware that various state laws, rules, regulations, and School Board policies control and govern the operation of school buses within this County, and that it is necessary at all times for both the Board and Contractor to be in compliance with any such laws,

rules, regulations and School Board policies which apply to the services to be provided under this contract.

4. Both parties to this agreement are aware that state laws, rules, regulations and School Board policies may be changed, amended, deleted or created during the term of this agreement.

WITNESSETH

In view of the foregoing, and in consideration of the mutual promises and conditions contained herein, the Board and the Contractor have agreed, and by the execution of this written agreement do intend to set their agreement down in writing, as hereinafter set out and agreed to by the parties in this contract.

- A. The Contractor agrees to operate a school bus for the purpose of transporting school students to and from school, at the time and along a specified bus route or routes, which is, or are described in hereof and per Response to RFP#2348, Exhibit 1. All buses used shall be provided by the Contractor and it shall be the Contractor's responsibility to maintain such buses in good, safe, working order, and in compliance with all laws and regulations applicable thereto. All bus drivers must be appropriately licensed, competent, responsible individuals and shall be employees of the Contractor and must not be considered for any purpose as employees of the Board. The board assumes no liability for the actions of school bus drivers, trainees, or other employees of the contractor.
- B. The base contract amount to be paid to the Contractor by the Board for these services shall be calculated on the basis of his/her bid price for the attached route. The base contract mileage shall be the mileage from the place where the first child is picked up in route to the school, or other location to where the last child is delivered. Mileage between runs is not to be included in determining mileage. In the event of a change in the base contract mileage, payment to the Contractor shall be calculated according to the following formula:
- $$\frac{40\% \times \text{Bid Price} / \text{Specified Contract Miles per Day}}{176 \times \text{Number of Miles Increased (or Decreased) for the year or the amount of days remaining on the contract.}}$$
- C. For the purpose of calculating mileage under this agreement, the miles identified in the attached route description shall be controlling unless mileage is increased or decreased by Board action subsequent to the execution of contracts. In the event of such increase or decrease, a written amendment to this contract shall be entered into by the parties, and the mileage shown in said amendment shall be controlling.

- D. For the purpose of determining the daily rate described in Items B and C, it shall be assumed that the school year lasts for a period of no less than 180 days, but should the school year be less than 180 days, then the contractor shall still receive **guaranteed payment for 176 days**. The pay for the 176 guaranteed days shall be calculated at the daily rate set forth in Item B, above. There will be ten (10) equal payments of **the contract price** to be paid on or before the 25th of each month beginning in August and ending in May.
- E. The base contract amount (excluding fuel) shall be adjusted annually as of the commencement of each school year. The Board shall calculate the **adjustment** for each school year based upon the "Revised Consumer Price Index" set forth by the United State Department of Labor. The base index shall be January 12th of the previous school year, and the corresponding index for the successive January 12th shall be the current index. The percentage of increase **as bid in the base contract shall be the** adjustment required over the base contract price. At no time shall a **decrease in the CPI** operate to decrease the original contract as bid. The increase will not go below 2% or above 4% even if the CPI change is less or more than these amounts.
- F. The Board will meet with each contractor separately on a quarterly basis to adjust fuel payments based on the average price of diesel in Anderson County. For each \$0.15 increase in cost the Board will **pay an additional \$0.05 cents per mile**. Should diesel prices increase \$0.50 or more prior to the quarterly meeting, the Board will meet with the contractor to make an immediate adjustment. Said adjustment **will be considered in the quarterly figures**. Adjustment meetings will be scheduled the first business day in July, October, January and April.
- G. All replacement buses must be Type I, and all replacements must be no older than five (5) years, unless such requirements are waived by the Board, for good cause shown. Said bus chassis and body must conform to the rules and regulations of the State Board of Education and comply with all laws and regulations of the State of Tennessee. Maximum age allowed for a school bus operating in Anderson County is **eighteen (18) years from the build date**.
- H. All buses used to transport Anderson County School students will be equipped with a minimum of 1 (one) video/audio surveillance camera located at the front of the bus. The camera will cover both the driver and students on the bus. Said video will be available upon request by school administrators but will never be shown by the contractor or his/her agent outside school controls. (Including to parents)

- I. Liability insurance coverage on each bus shall be no less than the minimum required by State law, and shall be provided by and at the expense of the contractor. Contractors transporting students across state lines must carry the minimum insurance for that process. Failure to carry appropriate insurance as contained herein shall be cause for immediate termination of this contract. The Board shall be named as an additional insured party on all such policies, and shall be provide with copies on such policies and certificate of insurance indicating that such insurance is in full force and effect at all times material hereto. The insurer shall be required to give sixty (60) days written notice to the Board prior to cancellation of the contract of liability insurance required herein. Said mandatory notice of cancellation obligation of insurer shall be evidenced by written instrument amendment or other provision in insurance contract.
- J. It is understood and agreed by the Contractor that officials of the State of Tennessee shall conduct one or more bus inspections each year, buses shall meet all state guidelines and that no bus shall ever be used by a Contractor which fails the State Bus Inspection. The inspection clause is meant to include both used and new buses. All buses must display a current state inspection sticker before transporting students. (If a bus or buses are allowed to be parked on a school campus by the principal the contractor will assume all liability for their property.)
- M. The vendor shall be responsible for all licenses, fees and permits required for performance of the contract resulting from this Request for Proposal. If the Board chooses not to terminate this contract, this shall not constitute a waiver of the Board's right to terminate for subsequent violations of or for failure to adequately fulfill the contract.
- P. Contracts shall be effective as of the date established by the Board and shall remain in effect for six (6) years from said date. Contracts may be extended by one (1) year for six (6) additional years. Exhibit A

B. The base contract amount to be paid to the Contractor by the Board for these services shall be calculated on the basis of his/her bid price for the attached route. The base contract mileage shall be the mileage from the place where the first child is picked up in route to the school, or other location to where the last child is delivered. Mileage between runs is not to be included in determining mileage. In the event of a change in the base contract mileage, payment to the Contractor shall be calculated according to the following formula:

We are pleased to write a letter of reference for Claxton Bus Lines, Inc. located in Clinton, Tennessee. The Oak Ridge High School Band has used Claxton – formerly Landreth School Bus Service, Inc. – whenever possible for as long as they have been in business – yes, through multiple Band Directors. Their transportation staff and management are **always on point**. Whenever an issue, question or concern comes up – rarely - **they are quick to address/resolve/correct**. We highly recommend **them** to any **company/group** looking for a competent carrier.

To whom it may concern,

I am delighted to write a letter of recommendation for the services of Claxton Bus Lines.

Concord Christian School has been using Claxton for almost ten years to provide transportation for class field trips and have been completely satisfied with their service. They do an outstanding job, are on time, and offer the best rates in town.

They have worked with us when we needed flexibility in scheduling times, dates, and number of buses. After comparing prices with other bus lines, they are very reasonably priced and accommodating to our needs. We trust them with our most precious asset, our students.

I'm happy to recommend the services of Claxton Bus Lines.

To Whom it May Concern:

This letter is to recommend the Claxton Bus Lines to you. For years, Claxton Bus Lines has provided service to families within our school zone. They consistently make sure our students arrive at school safely and on time. The bus drivers work well with our school administration to provide structure and security while riding the buses. They provide discipline referrals as needed, and communicate issues as they arise. Whenever discipline issues have presented us with a need to watch video from the bus, the owner of Claxton Bus Lines responds promptly by providing the necessary video to our school administration.

Another service provided to our school and students by Claxton Bus Lines is safe transportation to special events and activities such as field trips, Special Olympics, trips to BizTown, etc. Any time we have reached out to the bus lines, the owner and drivers have responded positively. It is obvious that the owner and employees are invested in our school, students, and community.

If you are considering using Claxton Bus Lines for any purpose, I recommend them to you with no reservations. Claxton Bus Lines will interact with their clients respectfully and in a timely manner.

If you have any questions, please feel free to contact me at the number above.

Sincerely,

Jennifer Coleman,

Recommendation for Claxton Bus Lines

To Whom It May Concern:

This is a letter of recommendation for Claxton Bus Lines as a transportation provider. In my role as the baseball coach at Webb School of Knoxville we travel frequently for games in and around the Knoxville area. Claxton Bus is the only provider that we use for local travel. We have had a great relationship with their team and have been very pleased with the service provided.

Our main contact at Claxton Bus is Ms. Kay Smith. Ms. Kay has taken such great care of us over the years. She's responsive and flexible. She communicates frequently and easily and at almost any hour she is available by phone, email or text message. We have frequently had to make last minute requests for transportation due to schedule changes and Kay has always taken care of us. We feel very confident that we have a reliable team and provider for transportation.

The drivers for Claxton have always been wonderful as well. We have had many different drivers over the years and frequently see many of the same faces year after year. Many of the drivers have been around since I started my coaching career 10+ years ago. The team of drivers with Claxton communicate well, are safe and sufficient with their driving skills and always make sure we get to and from our location safely and on schedule. We put very precious cargo in the hands of these drivers, and they have never failed to take wonderful care of our group.

I would give the team at Claxton Bus my highest recommendation. I hope that you will choose them as well for your transportation provider and I am certain you will not be disappointed with the service provided. If I can answer any questions or help in your decision please feel free to contact me at (865) 291-3838 or jordan_wormsley@webbschool.org.

THIS AGREEMENT made and entered into on this by and between the Board of Education of Anderson County, Tennessee (hereinafter referred to as "the Board,") and William Scotty Phillips, (hereinafter referred to as "the Contractor").

For and in consideration of the matters set forth hereinafter, the sufficiency of which is hereby acknowledged by both parties, the Board and the Contractor hereby recite and agree to the following:

1. The School Board is charged with the responsibility of providing education for the children of Anderson County, Tennessee and for providing for student transportation to and from Anderson County Schools in accordance with provisions of the Tennessee Code Annotated, and pursuant to those obligations the Board desires to make arrangements for the transportation of students to and from school each school day.

The Contractor is desirous of entering into an agreement with the Board whereby the Contractor, for an agreed amount, will provide such transportation for the Board and carry out the responsibility of transporting such school students to and from school each day as the Board through its authorized agents may designate in accordance with the terms and conditions of this agreement, utilizing personnel and equipment to be provided by the Contractor.
3. Both parties to this agreement are aware that various state laws, rules, regulations, and School Board policies control and govern the operation of school buses within this County, and that it is necessary at all times for both the Board and Contractor to be in compliance with any such laws,

rules, regulations and School Board policies which apply to the services to be provided under this contract.

4. Both parties to this agreement are aware that state laws, rules, regulations and School Board policies may be changed, amended, deleted or created during the term of this agreement.

WITNESSETH

In view of the foregoing, and in consideration of the mutual promises and conditions contained herein, the Board and the Contractor have agreed, and by the execution of this written agreement do intend to set their agreement down in writing, as hereinafter set out and agreed to by the parties in this contract.

- A. The Contractor agrees to operate a school bus for the purpose of transporting school students to and from school, at the time and along a specified bus route or routes, which is, or are described in hereof and per Response to RFP#2348, Exhibit 1. All buses used shall be provided by the Contractor and it shall be the Contractor's responsibility to maintain such buses in good, safe, working order, and in compliance with all laws and regulations applicable thereto. All bus drivers must be appropriately licensed, competent, responsible individuals and shall be employees of the Contractor and must not be considered for any purpose as employees of the Board. The board assumes no liability for the actions of school bus drivers, trainees, or other employees of the contractor.
- B. The base contract amount to be paid to the Contractor by the Board for these services shall be calculated on the basis of his/her bid price for the attached route. The base contract mileage shall be the mileage from the place where the first child is picked up in route to the school, or other location to where the last child is delivered. Mileage between runs is not to be included in determining mileage. In the event of a change in the base contract mileage, payment to the Contractor shall be calculated according to the following formula:

$$\frac{40\% \times \text{Bid Price} / \text{Specified Contract Miles per Day}}{176 \times \text{Number of Miles Increased (or Decreased) for the year or the amount of days remaining on the contract.}}$$

- C. For the purpose of calculating mileage under this agreement, the miles identified in the attached route description shall be controlling unless mileage is increased or decreased by Board action subsequent to the execution of contracts. In the event of such increase or decrease, a written amendment to this contract shall be entered into by the parties, and the mileage shown in said amendment shall be controlling.

- D. For the purpose of determining the daily rate described in Items B and C, it shall be assumed that the school year lasts for a period of no less than 180 days, but should the school year be less than 180 days, then the contractor shall still receive guaranteed payment for 176 days. The pay for the 176 guaranteed days shall be calculated at the daily rate set forth in Item B, above. There will be ten (10) equal payments of the contract price to be paid on or before the 25th of each month beginning in August and ending in May.
- E. The base contract amount (excluding fuel) shall be adjusted annually as of the commencement of each school year. The Board shall calculate the adjustment for each school year based upon the "Revised Consumer Price Index" set forth by the United State Department of Labor. The base index shall be January 12th of the previous school year, and the corresponding index for the successive January 12th shall be the current index. The percentage of increase as bid in the base contract shall be the adjustment required over the base contract price. At no time shall a decrease in the CPI operate to decrease the original contract as bid. The increase will not go below 2% or above 4% even if the CPI change is less or more than these amounts.
- F. The Board will meet with each contractor separately on a quarterly basis to adjust fuel payments based on the average price of diesel in Anderson County. For each \$0.15 increase in cost the Board will pay an additional \$0.05 cents per mile. Should diesel prices increase \$0.50 or more prior to the quarterly meeting, the Board will meet with the contractor to make an immediate adjustment. Said adjustment will be considered in the quarterly figures. Adjustment meetings will be scheduled the first business day in July, October, January and April.
- G. All replacement buses must be Type I, and all replacements must be no older than five (5) years, unless such requirements are waived by the Board, for good cause shown. Said bus chassis and body must conform to the rules and regulations of the State Board of Education and comply with all laws and regulations of the State of Tennessee. Maximum age allowed for a school bus operating in Anderson County is eighteen (18) years from the build date.
- H. All buses used to transport Anderson County School students will be equipped with a minimum of 1 (one) video/audio surveillance camera located at the front of the bus. The camera will cover both the driver and students on the bus. Said video will be available upon request by school administrators but will never be shown by the contractor or his/her agent outside school controls. (Including to parents)

- I. Liability insurance coverage on each bus shall be no less than the minimum required by State law, and shall be provided by and at the expense of the contractor. Contractors transporting students across state lines must carry the minimum insurance for that process. Failure to carry appropriate insurance as contained herein shall be cause for immediate termination of this contract. The Board shall be named as an additional insured party on all such policies, and shall be provide with copies on such policies and certificate of insurance indicating that such insurance is in full force and effect at all times material hereto. The insurer shall be required to give sixty (60) days written notice to the Board prior to cancellation of the contract of liability insurance required herein. Said mandatory notice of cancellation obligation of insurer **shall** be evidenced by written instrument amendment or other provision in insurance contract.
- J. It is understood and agreed by the Contractor that officials of the State of Tennessee shall conduct one or more bus inspections each year, buses shall meet all state guidelines and that no bus shall ever be used by a Contractor which fails the State Bus Inspection. The inspection clause is meant to include both used and new buses. All buses must display a current state inspection sticker before transporting students. Age of bus shall be governed by the body build date not put into service date.
- K. All drivers used by Contractor in carrying out this contract shall be required to take a driver training program under the supervision of the State Department of Safety, or an equivalent course of training as may from time to time be prescribed by the State Department of Education. All drivers shall have a current school bus endorsed CDL. Driver information packets will be required each year to include front and back photo of CDL, driver information sheet, copy of TN Official Driving Record report, current medical clearance, and background check to be filed in HR. If at any time the Director of Transportation determines a driver to be disqualified, he/she will not transport Anderson County students.
- L. Contractor shall bear the cost of all maintenance, repair or replacement of any equipment or any school buses used by the Contractor in the carrying out of a contract, and it shall be the responsibility of the Contractor to provide a location for the maintenance, off season storage and after hours parking of school buses. (If a bus or buses are allowed to be parked on a school campus by the principal the contractor will assume all liability for their property.)
- M. The vendor shall be responsible for all licenses, fees and permits required for performance of the contract resulting from this Request for Proposal. All work to be performed under this contract shall be provided at times convenient to Anderson County. Maintenance may only be performed at times which do not interfere with the daily operations of Anderson County

Schools. Should a bus fail to operate a route as scheduled, payment will be adjusted accordingly.

- N. Contractors will provide parking and maintenance facilities within Anderson County and will continue to hold such site throughout the extent of the contract. All buses, parking, and maintenance facilities will be available for inspection by the Director of Transportation 30 days prior to the first day of school.
- O. It is specifically understood and agreed that the Board and the Contractor must and shall abide by any and all federal, state, or local laws, rules and regulations, including such policies as may be enacted from time to time by the Anderson County Board of Education. Such statutes, rules and regulations of the federal government, the State of Tennessee, and the Board are incorporated herein by reference as if the same is set out verbatim, and if the statutes, rules and regulations should conflict with these terms, then it is understood that this contract shall be deemed modified to conform to such statutes, rules and regulations. Additionally, it is understood that strict adherence is required to the provisions of any and all contracts the Board may award for a bus route, including, but not limited to, starting points, destinations and times of departure and arrival, as necessary to adequately fulfill this agreement. For violations of or failure to adequately fulfill a contract, the Board may, within its sole discretion, terminate said contract. If the Board chooses not to terminate this contract, this shall not constitute a waiver of the Board's right to terminate for subsequent violations of or for failure to adequately fulfill the contract.
- P. Contracts shall be effective as of the date established by the Board and shall remain in effect for six (6) years from said date. Contracts may be extended by one (1) year for six (6) additional years. It is expressly understood that if the Contractor cannot fulfill the terms of their contract, and upon Board approval, the Contractor may assign, sell, sublet or otherwise transfer any rights and obligations that he/she may have under this agreement. All the above referenced assignments and/or sales require the approval of the Board subject to Item FF. Any Contractor that notifies the Board by March 31st may be relieved of the contract at the end of the school year.
- Q. This agreement constitutes the entire agreement of the parties. This agreement shall be binding upon the contractors, sub-contractors, employees and their respective heirs, executor's, administrators and assigns.
- R. Disciplinary actions or measures involving contractors or bus drivers shall involve any of the following: written reprimand, written suspension, written

discharge or temporary oral suspension on grounds set forth hereinafter. The Anderson County Board of Education shall not suspend or discharge any contract without good cause. Whenever a suspension or discharge is issued, the Contractor may contest the suspension or discharge by use of the grievance procedure provided in Item R. The Anderson County Board of Education, acting through Director of Transportation, may orally suspend a Contractor temporarily for a period of twenty-four (24) hours pending formal notification through written process of the basis for complaint. Cell phone usage during the operation of a school bus, unless deemed an emergency, is a class C misdemeanor and will result in immediate dismissal. (T.C.A. 55-8-192)

- S. In any case where the grounds for the grievance arise from a written suspension or discharge of a Contractor, said Contractor shall have the right to appear before the Anderson County Board of Education at its next regularly scheduled meeting to discuss or refute the charges. In all cases of discharge or suspension, written details of the charges will be furnished to the Contractor within fifteen (15) days prior to the hearing. Should the charges against the Contractor be dismissed after due process the contracted funds will be paid as agreed upon.
- T. It is understood and expressly agreed by the parties to this contract that the Contractor shall be an independent Contractor for all purposes, and the contractor assumes all liability related to the operation of school buses, transportation of students and performance under this contract. In no event shall the Contractor or the Contractor's employees be deemed an agent, servant, or employee of the School Board.
- U. If during the term of this contract, as a result of inclement weather or for any other reason, the Director of Schools should cancel school for a particular day or a particular period of time, every effort will be made to notify the Contractor as soon as possible.
- V. Only students currently enrolled in Anderson County Schools, school system employees or contractor staff will be transported while bus is under system contract unless otherwise agreed upon by the Board.

For and in consideration of the matters set forth hereinafter, the sufficiency of which is hereby acknowledged by both parties, the Board and the Contractor hereby recite and agree to the following:

1. The School Board is charged with the responsibility of providing education for the children of Anderson County, Tennessee and for providing for student transportation to and from Anderson County Schools in accordance with provisions of the Tennessee Code Annotated, and pursuant to those obligations the Board desires to make arrangements for the transportation of students to and from school each school day.
2. The Contractor is desirous of entering into an agreement with the Board whereby the Contractor, for an agreed amount, will provide such transportation for the Board and carry out the responsibility of transporting such school students to and from school each day as the Board through its authorized agents may designate in accordance with the terms and conditions of this agreement, utilizing personnel and equipment to be provided by the Contractor.
3. Both parties to this agreement are aware that various state laws, rules, regulations, and School Board policies control and govern the operation of school buses within this County, and that it is necessary at all times for both the Board and Contractor to be in compliance with any such laws, rules, regulations and School Board policies which apply to the services to be provided under this contract.
4. Both parties to this agreement are aware that state laws, rules, regulations and School Board policies may be changed, amended, deleted or created during the term of this agreement.

Exhibit A

WITNESSETH

In view of the foregoing, and in consideration of the mutual promises and conditions contained herein, the Board and the Contractor have agreed, and by the execution of this written agreement do intend to set their agreement down in writing, as hereinafter set out and agreed to by the parties in this contract.

- A. The Contractor agrees to operate a school bus for the purpose of transporting school students to and from school, at the time and along a specified bus route or routes, which is, or are described in Exhibit A hereof. All buses used shall be provided by the Contractor and it shall be the Contractor's responsibility to maintain such buses in good, safe, working order, and in compliance with all laws and regulations applicable thereto. All bus drivers must be appropriately licensed, competent, responsible individuals and shall be employees of the Contractor and must not be considered for any purpose as employees of the Board. The board assumes no liability for the actions of school bus drivers, trainees, or other employees of the contractor.
- B. The base contract amount to be paid to the Contractor by the Board for these services shall be calculated on the basis of his/her bid price for the attached route. The base contract mileage shall be the mileage from the place where the first child is picked up in route to the school, or other location to where the last child is delivered. Mileage between runs is not to be included in determining mileage. In the event of a change in the base contract mileage, payment to the Contractor shall be calculated according to the following formula:

$$\frac{40\% \times \text{Bid Price} / \text{Specified Contract Miles per Day}}{176 \times \text{Number of Miles Increased (or Decreased) for the year or the amount of days remaining on the contract.}}$$
- C. For the purpose of calculating mileage under this agreement, the miles identified in the attached route description shall be controlling unless mileage is increased or decreased by Board action subsequent to the execution of contracts. In the event of such increase or decrease, a written amendment to this contract shall be entered into by the parties, and the mileage shown in said amendment shall be controlling.
- D. For the purpose of determining the daily rate described in Items B and C, it shall be assumed that the school year lasts for a period of no less than 180 days, but should the school year be less than 180 days, then the contractor shall still receive guaranteed payment for 176 days. The pay for the 176 guaranteed days shall be calculated at the daily rate set forth in Item B, above. There will be ten (10) equal payments of the contract price

Exhibit A

to be paid on or before the 25th of each month beginning in August and ending in May.

- E. The base contract amount (excluding fuel) shall be adjusted annually as of the commencement of each school year. The Board shall calculate the adjustment for each school year based upon the "Revised Consumer Price Index" set forth by the United State Department of Labor. The base index shall be January 12th of the previous school year, and the corresponding index for the successive January 12th shall be the current index. The percentage of increase as bid in the base contract shall be the adjustment required over the base contract price. At no time shall a decrease in the CPI operate to decrease the original contract as bid. The increase will not go below 2% or above 4% even if the CPI change is less or more than these amounts.
- F. The Board will meet with each contractor separately on a quarterly basis to adjust fuel payments based on the average price of diesel in Anderson County. For each \$0.15 increase in cost the Board will pay an additional \$0.05 cents per mile. Should diesel prices increase \$0.50 or more prior to the quarterly meeting, the Board will meet with the contractor to make an immediate adjustment. Said adjustment will be considered in the quarterly figures. Adjustment meetings will be scheduled the first business day in July, October, January and April.
- G. All replacement buses must be Type I, and all replacements must be no older than five (5) years, unless such requirements are waived by the Board, for good cause shown. Said bus chassis and body must conform to the rules and regulations of the State Board of Education and comply with all laws and regulations of the State of Tennessee. Maximum age allowed for a school bus operating in Anderson County is eighteen (18) years from the build date.
- H. All buses used to transport Anderson County School students will be equipped with a minimum of 1 (one) video/audio surveillance camera located at the front of the bus. The camera will cover both the driver and students on the bus. Said video will be available upon request by school administrators but will never be shown by the contractor or his/her agent outside school controls. (Including to parents)
- I. Liability insurance coverage on each bus shall be no less than the minimum required by State law, and shall be provided by and at the expense of the contractor. Contractors transporting students across state lines must carry the minimum insurance for that process. Failure to carry appropriate insurance as contained herein shall be cause for immediate termination of this contract. The Board shall be named as an additional insured party on all such policies, and shall be provide with copies on such

Exhibit A

policies and certificate of insurance indicating that such insurance is in full force and effect at all times material hereto. The insurer shall be required to give sixty (60) days written notice to the Board prior to cancellation of the contract of liability insurance required herein. Said mandatory notice of cancellation obligation of insurer **shall** be evidenced by written instrument amendment or other provision in insurance contract.

- J. It is understood and agreed by the Contractor that officials of the State of Tennessee shall conduct one or more bus inspections each year, buses shall meet all state guidelines and that no bus shall ever be used by a Contractor which fails the State Bus Inspection. The inspection clause is meant to include both used and new buses. All buses must display a current state inspection sticker before transporting students. Age of bus shall be governed by the body build date not put into service date.
- K. All drivers used by Contractor in carrying out this contract shall be required to take a driver training program under the supervision of the State Department of Safety, or an equivalent course of training as may from time to time be prescribed by the State Department of Education. All drivers shall have a current school bus endorsed CDL. Driver information packets will be required each year to include front and back photo of CDL, driver information sheet, copy of TN Official Driving Record report, current medical clearance, and background check to be filed in HR. If at any time the Director of Transportation determines a driver to be disqualified, he/she will not transport Anderson County students.
- L. Contractor shall bear the cost of all maintenance, repair or replacement of any equipment or any school buses used by the Contractor in the carrying out of a contract, and it shall be the responsibility of the Contractor to provide a location for the maintenance, off season storage and after hours parking of school buses. (If a bus or buses are allowed to be parked on a school campus by the principal the contractor will assume all liability for their property.)
- M. The vendor shall be responsible for all licenses, fees and permits required for performance of the contract resulting from this Request for Proposal. All work to be performed under this contract shall be provided at times convenient to Anderson County. Maintenance may only be performed at times which do not interfere with the daily operations of Anderson County Schools. Should a bus fail to operate a route as scheduled, payment will be adjusted accordingly.
- N. Contractors will provide parking and maintenance facilities within Anderson County and will continue to hold such site throughout the extent of the contract. All buses, parking, and maintenance facilities will be

Exhibit A

available for inspection by the Director of Transportation 30 days prior to the first day of school.

- O. It is specifically understood and agreed that the Board and the Contractor must and shall abide by any and all federal, state, or local laws, rules and regulations, including such policies as may be enacted from time to time by the Anderson County Board of Education. Such statutes, rules and regulations of the federal government, the State of Tennessee, and the Board are incorporated herein by reference as if the same is set out verbatim, and if the statutes, rules and regulations should conflict with these terms, then it is understood that this contract shall be deemed modified to conform to such statutes, rules and regulations. Additionally, it is understood that strict adherence is required to the provisions of any and all contracts the Board may award for a bus route, including, but not limited to, starting points, destinations and times of departure and arrival, as necessary to adequately fulfill this agreement. For violations of or failure to adequately fulfill a contract, the Board may, within its sole discretion, terminate said contract. If the Board chooses not to terminate this contract, this shall not constitute a waiver of the Board's right to terminate for subsequent violations of or for failure to adequately fulfill the contract.
- P. Contracts shall be effective as of the date established by the Board and shall remain in effect for six (6) years from said date. Contracts may be extended by one (1) year for six (6) additional years. It is expressly understood that if the Contractor cannot fulfill the terms of their contract, and upon Board approval, the Contractor may assign, sell, sublet or otherwise transfer any rights and obligations that he/she may have under this agreement. All the above referenced assignments and/or sales require the approval of the Board subject to Item FF. Any Contractor that notifies the Board by March 31st may be relieved of the contract at the end of the school year.
- Q. This agreement constitutes the entire agreement of the parties. This agreement shall be binding upon the contractors, sub-contractors, employees and their respective heirs, executor's, administrators and assigns.
- R. Disciplinary actions or measures involving contractors or bus drivers shall involve any of the following: written reprimand, written suspension, written discharge or temporary oral suspension on grounds set forth hereinafter. The Anderson County Board of Education shall not suspend or discharge any contract without good cause. Whenever a suspension or discharge is issued, the Contractor may contest the suspension or discharge by use of the grievance procedure provided in Item R. The Anderson County Board of Education, acting through Director of Transportation, may orally

Exhibit A

Cell phone usage during the operation of a school bus, unless deemed an emergency, is a class C misdemeanor and will result in immediate dismissal. (T.C.A. 55-8-192)

- S. In any case where the grounds for the grievance arise from a written suspension or discharge of a Contractor, said Contractor shall have the right to appear before the Anderson County Board of Education at its next regularly scheduled meeting to discuss or refute the charges. In all cases of discharge or suspension, written details of the charges will be furnished to the Contractor within fifteen (15) days prior to the hearing. THIS AGREEMENT made and entered into on this by and between the Board of Education of Anderson County, Tennessee (hereinafter referred to as "the Board,") and William Scotty Phillips, (hereinafter referred to as "the Contractor"). For and in consideration of the matters set forth hereinafter, the sufficiency of which is hereby acknowledged by both parties, the Board and the Contractor hereby recite and agree to the following:

1. The School Board is charged with the responsibility of providing education for the children of Anderson County, Tennessee and for providing for student transportation to and from Anderson County Schools in accordance with provisions of the Tennessee Code Annotated, and pursuant to those obligations the Board desires to make arrangements for the transportation of students to and from school each school day.

3. Both parties to this agreement are aware that various state laws, rules, regulations, and School Board policies control and govern the operation of school buses within this County, and that it is necessary at all times for both the Board and Contractor to be in compliance with any such laws,

rules, regulations and School Board policies which apply to the services to be provided under this contract.

4. Both parties to this agreement are aware that state laws, rules, regulations and School Board policies may be changed, amended, deleted or created during the term of this agreement.

WITNESSETH

In view of the foregoing, and in consideration of the mutual promises and conditions contained herein, the Board and the Contractor have agreed, and by the execution of this written agreement do intend to set their agreement down in writing, as hereinafter set out and agreed to by the parties in this contract.

Bò The Contractor agrees to operate a school bus for the purpose of transporting school students to and from school, at the time and along a specified bus route or routes, which is, or are described in hereof and per Response to RFP#2350 Exhibit 1. All buses used shall be provided by the Contractor and it shall be the Contractor's responsibility to maintain such buses in good, safe, working order, and in compliance with all laws and regulations applicable thereto. All bus drivers must be appropriately licensed, competent, responsible individuals and shall be employees of the Contractor and must not be considered for any purpose as employees of the Board. The board assumes no liability for the actions of school bus drivers, trainees, or other employees of the contractor.

Pò The base contract amount to be paid to the Contractor by the Board for these services shall be calculated on the basis of his/her bid price for the attached route. The base contract mileage shall be the mileage from the place where the first child is picked up in route to the school, or other location to where the last child is delivered. Mileage between runs is not to be included in determining mileage. In the event of a change in the base contract mileage, payment to the Contractor shall be calculated according to the following formula:

40% X Bid Price/ Specified Contract Miles per Day/
176 X Number of Miles Increased (or Decreased) for the
year or the amount of days remaining on the contract.

- C. For the purpose of calculating mileage under this agreement, the miles identified in the attached route description shall be controlling unless mileage is increased or decreased by Board action subsequent to the execution of contracts. In the event of such increase or decrease, a written amendment to this contract shall be entered into by the parties, and the mileage shown in said amendment shall be controlling.

- D. For the purpose of determining the daily rate described in Items B and C, it shall be assumed that the school year lasts for a period of no less than 180 days, but should the school year be less than 180 days, then the contractor shall still receive guaranteed payment for 176 days. The pay for the 176 guaranteed days shall be calculated at the daily rate set forth in Item B, above. There will be ten (10) equal payments of the contract price to be paid on or before the 25th of each month beginning in August and ending in May.
- E. The base contract amount (excluding fuel) shall be adjusted annually as of the commencement of each school year. The Board shall calculate the adjustment for each school year based upon the "Revised Consumer Price Index" set forth by the United State Department of Labor. The base index shall be January 12th of the previous school year, and the corresponding index for the successive January 12th shall be the current index. The percentage of increase as bid in the base contract shall be the adjustment required over the base contract price. At no time shall a decrease in the CPI operate to decrease the original contract as bid. The increase will not go below 2% or above 4% even if the CPI change is less or more than these amounts.
- F. The Board will meet with each contractor separately on a quarterly basis to adjust fuel payments based on the average price of diesel in Anderson County. For each \$0.15 increase in cost the Board will pay an additional \$0.05 cents per mile. Should diesel prices increase \$0.50 or more prior to the quarterly meeting, the Board will meet with the contractor to make an immediate adjustment. Said adjustment will be considered in the quarterly figures. Adjustment meetings will be scheduled the first business day in July, October, January and April.
- G. All replacement buses must be Type I, and all replacements must be no older than five (5) years, unless such requirements are waived by the Board, for good cause shown. Said bus chassis and body must conform to the rules and regulations of the State Board of Education and comply with all laws and regulations of the State of Tennessee. The camera will cover both the driver and students on the bus. Said video will be available upon request by school administrators but will never be shown by the contractor or his/her agent outside school controls. (Including to parents)

- I. Liability insurance coverage on each bus shall be no less than the minimum required by State law, and shall be provided by and at the expense of the contractor. Contractors transporting students across state lines must carry the minimum insurance for that process. Failure to carry appropriate insurance as contained herein shall be cause for immediate termination of this contract. The Board shall be named as an additional insured party on all such policies, and shall be provide with copies on such policies and certificate of insurance indicating that such insurance is in full force and effect at all times material hereto. The insurer shall be required to give sixty (60) days written notice to the Board prior to cancellation of the contract of liability insurance required herein. - J. It is understood and agreed by the Contractor that officials of the State of Tennessee shall conduct one or more bus inspections each year, buses shall meet all state guidelines and that no bus shall ever be used by a Contractor which fails the State Bus Inspection. The inspection clause is meant to include both used and new buses. All buses must display a current state inspection sticker before transporting students. Age of bus shall be governed by the body build date not put into service date.
- K. All drivers used by Contractor in carrying out this contract shall be required to take a driver training program under the supervision of the State Department of Safety, or an equivalent course of training as may from time to time be prescribed by the State Department of Education. All drivers shall have a current school bus endorsed CDL. If at any time the Director of Transportation determines a driver to be disqualified, he/she will not transport Anderson County students.
- L. Contractor shall bear the cost of all maintenance, repair or replacement of any equipment or any school buses used by the Contractor in the carrying out of a contract, and it shall be the responsibility of the Contractor to provide a location for the maintenance, off season storage and after hours parking of school buses. (If a bus or buses are allowed to be parked on a school campus by the principal the contractor will assume all liability for their property.)
- M. The vendor shall be responsible for all licenses, fees and permits required for performance of the contract resulting from this Request for Proposal. All work to be performed under this contract shall be provided at times convenient to Anderson County. Maintenance may only be performed at times which do not interfere with the daily operations of Anderson County

Schools. Should a bus fail to operate a route as scheduled, payment will be adjusted accordingly.

- N. Contractors will provide parking and maintenance facilities within Anderson County and will continue to hold such site throughout the extent of the contract. All buses, parking, and maintenance facilities will be available for inspection by the Director of Transportation 30 days prior to the first day of school.
- O. It is specifically understood and agreed that the Board and the Contractor must and shall abide by any and all federal, state, or local laws, rules and regulations, including such policies as may be enacted from time to time by the Anderson County Board of Education. Such statutes, rules and regulations of the federal government, the State of Tennessee, and the Board are incorporated herein by reference as if the same is set out verbatim, and if the statutes, rules and regulations should conflict with these terms, then it is understood that this contract shall be deemed modified to conform to such statutes, rules and regulations. Additionally, it is understood that strict adherence is required to the provisions of any and all contracts the Board may award for a bus route, including, but not limited to, starting points, destinations and times of departure and arrival, as necessary to adequately fulfill this agreement. For violations of or failure to adequately fulfill a contract, the Board may, within its sole discretion, terminate said contract. If the Board chooses not to terminate this contract, this shall not constitute a waiver of the Board's right to terminate for subsequent violations of or for failure to adequately fulfill the contract.
- P. Contracts shall be effective as of the date established by the Board and shall remain in effect for six (6) years from said date. Contracts may be extended by one (1) year for six (6) additional years. It is expressly understood that if the Contractor cannot fulfill the terms of their contract, and upon Board approval, the Contractor may assign, sell, sublet or otherwise transfer any rights and obligations that he/she may have under this agreement. All the above referenced assignments and/or sales require the approval of the Board subject to Item FF. Any Contractor that notifies the Board by March 31st may be relieved of the contract at the end of the school year.
- Q. This agreement constitutes the entire agreement of the parties. This agreement shall be binding upon the contractors, sub-contractors, employees and their respective heirs, executor's, administrators and assigns.
- R. Disciplinary actions or measures involving contractors or bus drivers shall involve any of the following: written reprimand, written suspension, written

discharge or temporary oral suspension on grounds set forth hereinafter. The Anderson County Board of Education shall not suspend or discharge any contract without good cause. Whenever a suspension or discharge is issued, the Contractor may contest the suspension or discharge by use of the grievance procedure provided in Item R. The Anderson County Board of Education, acting through Director of Transportation, may orally suspend a Contractor temporarily for a period of twenty-four (24) hours pending formal notification through written process of the basis for complaint. Cell phone usage during the operation of a school bus, unless deemed an emergency, is a class C misdemeanor and will result in immediate dismissal. (T.C.A. 55-8-192)

- S. In any case where the grounds for the grievance arise from a written suspension or discharge of a Contractor, said Contractor shall have the right to appear before the Anderson County Board of Education at its next regularly scheduled meeting to discuss or refute the charges. In all cases of discharge or suspension, written details of the charges will be furnished to the Contractor within fifteen (15) days prior to the hearing. Should the charges against the Contractor be dismissed after due process the contracted funds will be paid as agreed upon.
- T. It is understood and expressly agreed by the parties to this contract that the Contractor shall be an independent Contractor for all purposes, and the contractor assumes all liability related to the operation of school buses, transportation of students and performance under this contract. In no event shall the Contractor or the Contractor's employees be deemed an agent, servant, or employee of the School Board.

4. RATES AND PAYMENTS

- (a) The disposal Base Rates that WM shall charge the County for receiving and/or landfilling of Acceptable Waste delivered to the Disposal Facility under this Agreement as of the Agreement effective date are set forth in Exhibit A attached to this Agreement.
- (b) The parties agree that beginning on July 1, 2024 and on each July 1st thereafter, the Base Rates will be adjusted by the percentage increase equal to the annual percentage change in the average Consumer Price Index, US City Average for All Urban Consumers, Water, Sewer Trash, Not Seasonally Adjusted, (published by the United States Bureau of Labor Statistics, Consumer Price Index (the "CPI") over the twelve most recently published months compared to the average CPI for the previous 12-month period. The CPI published on the first Monday prior to the end of the month (or the first business day thereafter if such Monday is a Federal Holiday) shall be used to determine the monthly change. The annual percentage change shall be calculated by subtracting the average CPI value for the previous 12-months from the average CPI value for the most recent 12-month period, the result of which shall be divided by the prior 12-month period average. An example of the CPI annual increase calculation follows:

January 2020 through December 2020 compared to January 2020 to December 2021

Index	2020 12-Month Average	2021 12-Month Average	Change	Applied Percentage Change
CPI – Water, Sewer, Trash	252.46	261.47	9.01	3.6% (9.01/252.46)

The calculated change shall be carried to three places to the right of the decimal and rounded to the nearest thousandths. The percentage adjustment will be applied to the then current rates for services, as adjusted hereunder. In the event the U.S. Department of Labor, Bureau of Labor Statistics ceases to publish the CPI, the parties hereto agree to substitute another equally authoritative measure of change in the purchasing power of the U.S. dollar as may be then available so as to carry out the intent of this provision.

- (c) WM may also adjust the Base Rates to account for increased costs resulting from Uncontrollable Circumstances from time to time during the term of this Agreement. Uncontrollable Circumstances shall mean any change in uncontrollable conditions which increase the Contractor's costs, including but not limited to, changes in or new governmental laws, ordinances, rules, regulations or the enforcement thereof and changes in any landfill or disposal fees, levies or surcharges. WM will provide written notice to the County of such Uncontrollable Circumstance and associated adjustment at least thirty (30) days prior to implementing the change. Documentation of such increases shall be submitted to the County at its request.
- (d) WM will invoice the County by the tenth (10th) day of each month for all Acceptable Waste deliveries during the previous month. The County shall pay WM within thirty (30) days after invoice date. Any County invoice balance not paid within thirty (30) days of the date of invoice is subject to a late charge, and any County check returned for insufficient funds is subject to a Non-Sufficient Funds fee, both to the maximum extent allowed by applicable law. County acknowledges that any late charge assessed by WM is not to be considered as interest on debt, is not a penalty, and is a reasonable charge for late payment. In the event that payment is not made when due, WM retains the right to suspend service until the past due balance is paid in full. In the event that service is suspended in excess of sixty (60) days, WM may

terminate this Agreement for such default and recover any equipment and all amounts owed hereunder.

5. INDEMNIFICATION

- (a) WM agrees to protect, indemnify, defend and save harmless the County, its officials, officers, employees, agents, authorized subcontractors, representatives and assigns from any third party loss, claim, liability, penalty, fine, forfeiture, demand, cause of action, suit and any costs and expenses incidental thereto (including cost of defense, settlement and reasonable attorneys' fees), to the extent caused by (i) WM's or its employee's, agent's, authorized subcontractor's, representative's breach of any term, condition, covenant or warranty contained in this Agreement, or (ii) WM's or its employee's, agent's, authorized subcontractor's, representative's negligent or willful misconduct related to the ownership maintenance and operation of the Disposal Facility.

2. There is no known decree, judgment, or administrative order of any kind threatened or in existence enjoining or restraining the County from taking any action required under this Agreement; and
3. The County has disclosed to Waste Management, to the best of its knowledge after reasonable inquiry, its knowledge of all the facts, information and data necessary and pertinent to the

Landfill, and all of the representations and warranties contained in this Agreement, and any written statements and exhibits prepared in connection with this Agreement, are true and correct as of the date of the execution hereof, to the best of this County's knowledge.

Warranties and Representations of Waste Management. Waste Management hereby warrants, represents and covenants that, as of the date of the execution of this Agreement:

1. All of Waste Management's representations and warranties contained in this Agreement and any written statements and exhibits prepared in connection with this Agreement, are true and correct as of the date of execution hereof; and
2. Waste Management is a duly authorized corporation organized under the laws of, and is authorized to do business in, the State of Tennessee; and
3. Waste Management has the requisite expertise and financial ability to fully, completely, and satisfactorily perform its obligation hereunder in full compliance with applicable law; and

5. Waste Management has obtained all necessary land use approvals for the operation of the Landfill under the Landfill permit, pursuant to applicable law, regulation and the terms of this agreement.

5. HOST SURCHARGE PAYMENTS

During the term of this Agreement, Waste Management shall pay to the County an agreed host fee of two dollars and fifty cents (\$2.50) per ton on each ton of solid waste (including special waste) received at the Landfill. The host fee shall be adjusted annually to reflect the increase or decrease in the Consumer Price Index as calculated pursuant to **Exhibit A** attached hereto and incorporated herein. If the number of tons received at the Landfill in a calendar year exceeds 500,000 tons, Waste Management shall pay to the County an additional fifty cents (\$0.50) per ton on each ton in excess of 500,000 tons received during that calendar year.

These payments by Waste Management to the County shall be known as Host Surcharge Payments. These payments shall be made quarterly. Each payment shall be made on or before the 30th day of the month following the calendar quarter in which the waste on which the fee is payable is received at the Landfill.

The Host Surcharge Payments shall be in lieu of any and all other taxes, fees, surcharges, and assessments of whatever nature (with the exception of real and personal property taxes, employee earned income tax, and other normal business taxes, fees, and assessments unrelated to the operation of the Landfill as a disposer of solid waste). During the term of this Agreement, neither the County nor the Anderson County Solid Waste Regional Board shall take any action to restrict access to the Landfill by excluding solid waste generated outside the County. If the Regional Board or the County refuses to give its approval to an expansion of the Landfill when requested by Waste Management, or takes action to exclude waste from outside the County, Waste Management shall have the right to declare this entire Agreement null and void, or at its option, to terminate the Host Surcharge Payments provided for in section 5 of this Agreement.

7. OPERATION OF THE LANDFILL

Waste Management shall operate the Landfill in accordance with all applicable federal, state, and local laws, ordinances, rules, and approvals, including all permits issued with respect to the Landfill, and the terms and conditions of this Agreement. All solid and special waste received at the Landfill shall be disposed of by Waste Management in compliance with any and all applicable federal, state, and local laws, rules, and permit requirements, as amended and added during the life of the Landfill.

In no event shall Waste Management knowingly accept for disposal at the Landfill any hazardous waste, as that term is defined by federal, state, or local laws and rules, as amended and added during the life of the Landfill. Waste Management will spot-check random loads of waste to determine whether they contain any unacceptable waste.

Nothing in this Agreement shall require Waste Management to continue to operate the Landfill for any particular length of time.

Any change in the operation of the Landfill is subject to all federal, state, and local permit requirements.

Waste Management agrees not to accept waste at the Landfill at a volume in excess of one million (1,000,000) tons per calendar year except by prior written approval of the County Commission. This cap shall increase by one percent (1%) of the initial figure (i.e., by 10,000 tons) during each year of the Agreement. If a generator of waste in the County seeks to dispose of waste in the Landfill, but the tonnage limitation prevents Waste Management from accepting such waste, Waste Management shall request from the County an increase in the tonnage limitation in order to accommodate the generator's waste stream.

Hold Harmless Clause. Waste Management agrees to indemnify and hold harmless the County, and its officers, agents, and employees from, against, and with respect to any claims incurred by or asserted against the County, arising due to any negligence or intentional misconduct of Waste Management or any of its officers, agents, employees, or subcontractors, arising from or related to the Landfill.

Certificate of Insurance. Waste Management will provide the County with a copy of Waste Management's Certificates of Insurance.

The foregoing insurance policies shall be carried with responsible insurance companies authorized to transact business in the State of Tennessee; shall name the County as an additional insured; and shall provide that the County shall be given at least thirty (30) days written notice prior to any modification or termination of said insurance. Prior to the commencement of any activity or operation by Waste Management hereunder, Waste Management shall furnish to the County certificates evidencing insurance coverage satisfactory to the County as set forth herein above.

Performance Security. Waste Management shall provide at its expense and maintain during the entire term of the Agreement and for a period of one (1) year after the termination of this agreement, Performance Security in the amount of One Hundred Thousand Dollars (\$100,000.00) payable to the County for the faithful performance of this Agreement by Waste Management.

The willful or negligent failure of Waste Management to prevent the dumping of unpermitted waste at the Landfill and the willful violation by Waste Management of any federal, state, or local law, rule, resolution, or ordinance applicable to the Landfill shall be considered an event of default, subject to the opportunity to cure the default as provided above.

Upon the occurrence of an event of default, the County shall have the right to terminate the Agreement by sixty (60) days written notice to Waste Management, and in the alternative, has the right, but not the obligation, to cure said event of default, at Waste Management's expense.

Waste Management shall have the right to terminate this Agreement in the event of a material breach of this Agreement by the County, which, after forty-five (45) days following written notice from Waste Management, has not been cured.

The rights and remedies of the parties provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

11. FORCE MAJEURE OR IMPOSSIBILITY OF PERFORMANCE

Waste Management's performance hereunder may be suspended and its obligations hereunder excused in the event and during the period that such performance is prevented by a cause or causes beyond the reasonable control of Waste Management unless such cause or causes are a result of action or nonaction by Waste Management. Such causes shall include, but not be limited to, acts of God, acts of war, riot, fire, explosion, accident, flood or sabotage; lack of adequate fuel, power or raw materials; judicial, administrative or governmental laws, regulations, requirements, rules, orders or actions; injunctions or restraining orders; the failure of any governmental body to issue or grant, or the suspension or revocation or modification of, any license, permit or other authorization necessary for the construction and/or operation envisioned by this Agreement; national defense requirements; labor strike, lockout or injunction.

Waste Management agrees to keep accurate records of all waste received at the Landfill and, within thirty (30) days of the end of each calendar month during the term of this Agreement, Waste Management shall provide to County a written report of the tons of solid waste received at the Landfill during the preceding month, broken down into two categories (tons generated in Anderson County and tons generated outside Anderson County). Within sixty (60) days of the end of each calendar year, Waste Management shall provide to County a similar report of tons received at the Landfill during the preceding year.

Upon reasonable notice to Waste Management, the County shall have the right to examine and audit the tonnage records maintained by Waste Management; provided, however, the County shall maintain the confidentiality of any competitive information contained in these records, including but not limited to the rate charged by Waste Management to its commercial customers.

13. COMMUNITY NEEDS FUND

On or before September 1, 2023, and on or before July 1 of each subsequent year during the term of this Agreement, Waste Management shall pay to Anderson County the sum of \$12,000. EXHIBIT A

The Host Surcharge Payments payable to the County by WM shall be annually adjusted by the same percentage as the "Revised Consumer Price Index for All Urban Consumers – South Region 1982-1984 = 100 - All Items" ("Index") for the most recent month published by the Bureau of Labor Statistics of the United States Department of Labor, excepting that the minimum annual increase shall not be less than 1% and the maximum annual increase shall not exceed 5%.

The new rate for each year will be calculated as per the following example:

CPI for current period (current Annual Index):	134.0
- CPI for previous period (prior year Annual Index):	129.9
<hr/>	
= Index point change	4.1

$$\text{Index point change (4.1)} \div \text{Prior year Annual Index (129.9)} = 0.032 \times 100 = 3.2\% \text{ index change}$$

$$3.2\% \text{ index change} \times \text{current Host Surcharge Fee} = \text{New Host Surcharge Fee}$$

Katherine:

Can you add the following to the Purchasing Committee Agenda?

Surplus real estate on Hwy. 25W inside the City of Rocky Top.

Thanks,
Jay

Yes, but the area Commissioner Mayes is speaking about is badly cut up and some of the property is in the name of the school system and the old health department. The other issue is the possibility of land locking the property with no Ingres/ egress. I'll pull the maps and let you know more about the feasibility of a transfer.

Commissioner Mayes is correct that the property is worth more with the building gone.

We can certainly demolish the building and surplus the real estate if that's what Commission decides to do.

Thanks,

Jay

Hi Jay.

Can part of a parcel be sold or what would be needed to sell part of a parcel?

Thank you, Katherine

The building and property are owned by Anderson County. That facility, itself, was used by the Sheriff's Department, but I'm not sure if the building would be considered their asset or the County as a whole. I just looked at the map and am curious of how many buildings are located on that one parcel.

My intent to place it in surplus status, if multiple buildings are on that parcel...does that present a problem?

Hello Commissioner Mayes!

I think a motion could be made to demolish the building in order to sell the land, if that is the intent. Does the land belong to the Sheriff's Department? I would need to have the Sheriff or his designee fill out the surplus paperwork with a recommended starting bid for an auction.

Thank you, Katherine

Subject: Purchasing Agenda

Hey Katherine!

I hope you are doing well.

I would like to add to the purchasing agenda a discussion about placing the old drug evidence building in surplus. I'm not sure the actual address, but it is the dilapidated building near ASAP of Anderson and EMA. I do have a question first...

Is the County able to work/begin the demolition process on property while it is in surplus? I ask because I imagine the property is far more valuable with the building gone than it is with it still standing.

I look forward to hearing from you!

Hi Katherine,

Yes the bid price yesterday was \$642,500

Here is the contracted price break down

Bid \$642,500 + (10%BP \$64,250) Total = \$706,750

County will receive \$642,500 + (5% \$32,125) Total = \$674,625.

There was another Agent representing the buyer so he will receive compensation from the 5% that JD's collected.

That's an expense that Natalie will send to the closing company.

Hi JD & Natalie.

If you're able to share any information with Ben please do so. Also, would you please confirm the amount it sold for? I think Stephanie told me \$642,000?

Thank you!
