OF GRANT CONTRACT 84202**

This Grant Contract Amendment is made and entered by and between the State of Tennessee, Department of Disability and Aging, hereinafter referred to as the "State" and Anderson County Government, hereinafter referred to as the "Grantee." It is mutually understood and agreed by and between said, undersigned contracting parties that the subject Grant Contract is hereby amended as follows:

1. Grant Contract Section C.3. is deleted in its entirety and replaced with the following:

C.3. Payment Methodology – Total Advance Payment. The Grantee shall be reimbursed for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the maximum liability established in section C.1. Payment to the Grantee shall be a lump sum made in advance upon approval of this Grant Contract.

2. Grant Contract Section C.5. is deleted in its entirety and replaced with the following:

C.5. "Reserved."

3. Grant Contract Section C.7. is deleted in its entirety and replaced with the following:

C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit a grant disbursement reconciliation report within ninety (90) days of the Grant Contract end date and in form and substance acceptable to the State (and include, as applicable, documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations").

- a. If total disbursements by the State pursuant to this Grant Contract exceed the amounts permitted by the section C, payment terms and conditions of this Grant Contract, the Grantee shall refund the difference to the State. The Grantee shall submit the refund with the final grant disbursement reconciliation report.
- b. The State shall not be responsible for the payment of any invoice submitted to the State after the grant disbursement reconciliation report. The State will not deem any Grantee costs submitted for reimbursement after the grant disbursement reconciliation report to be allowable and reimbursable by the State, and such invoices will NOT be paid.
- c. The Grantee's failure to provide a final grant disbursement reconciliation report to the State as required by this Grant Contract shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the State pursuant to this Grant Contract.
- d. The Grantee must close out its accounting records at the end of the Term in such a way that reimbursable expenditures and revenue collections are NOT carried forward.

Required Approvals. The State is not bound by this Amendment until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations (depending upon the specifics of this contract, said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

Without limiting the foregoing, Confidential Information shall include, even if not marked or otherwise designated as proprietary, the Agreement, all Licensed Software, promotional materials, proposals, quotes, rate information, discount information, subscriber information, network upgrade information and schedules, network operation information (including without limitation information about outages and planned maintenance), and invoices, as well as the parties' communications regarding such items. ARTICLE 2. DELIVERY OF SERVICE

2.1 **Orders.** To request Service at a Service Location(s), Customer may request from Comcast a Sales Order or SOW. If Customer wishes to move forward with the provision of the requested Service(s), Customer shall sign and return the Sales Order or SOW to Comcast. For purposes of Sales Orders, upon Customer's signature, the Sales Order will become binding, subject to an engineering review. SOWs shall not become binding unless and until executed by both Parties. Each Sales

Order or SOW submitted by Customer may be subject to an engineering review which will determine whether and to what extent the Network must be extended, built, or upgraded in order to provide the ordered Services. After any such engineering review, Comcast will provide Customer written notification in the event Service installation at any Service Location will require an additional non-recurring installation fee ("Custom Installation Fee" or "Construction Charges"). Notwithstanding anything to the contrary contained in this Article 2.1, Customer shall have thirty (30) days from receipt of such notice to reject the Custom Installation Fee and terminate the affected Service Location(s). In addition to the foregoing, if Comcast's cost of installing the applicable Services (including any applicable construction costs) increases following Customer's acceptance of the Custom Installation Fee such that Comcast's internal rate of return for the applicable Services is unacceptable to Comcast, as reasonably determined by Comcast, then (i) Comcast may increase the monthly recurring charge or Custom Installation Fee, as agreed to by Customer or (ii) if Customer does not agree to such increase, Comcast may terminate the applicable Services to the affected Service Location upon ten (10) days' notice to Customer, without penalty.

2.2 Access. To deliver Services to Customer, Comcast may require access, right-of-way, conduit, and/or common room space within and/or outside each Service Location and facility containing the Service Location ("Access"). Within each Service Location and facility containing the Service Location, Customer shall be solely responsible for securing and maintaining such Access as Comcast may require to deliver the Services. In the event that Customer fails to secure or maintain such Access, Comcast (i) may upon thirty (30) days prior written notice cancel or terminate Service at such Service Location and such termination shall be subject to applicable Termination Charges and (ii) shall be excused from its obligations with respect to the Service(s) at such Service Location (including any obligation to issue service credits) until such time as Customer provides Comcast with the necessary Access. If Comcast is unable to secure or maintain Access outside a particular Service Location or facility and associated property containing the Service Location, which Access is needed to provide Services to such Service Location, Customer or Comcast may cancel or terminate Service at such Service Location, without further liability beyond the termination date, upon a minimum thirty (30) days' prior written notice to the other party.

2.3 Hazardous Materials. If the presence of asbestos or other hazardous materials exists or is detected at a Service Location or within the building where the Service Location is located, Comcast may immediately stop providing and/or installing Services until such materials are removed. Customer shall be responsible for any additional expense incurred by Comcast as a result of encountering, or in the avoidance of, hazardous materials.

2.4 Equipment.

A. Comcast Equipment. Comcast may, in its sole discretion, remove or change Comcast Equipment; provided that any such removal or change does not cause a material degradation in the Services. Customer shall not move, disconnect, attempt to repair, or otherwise tamper with any Comcast Equipment or permit others to do so, and shall not use the Comcast Equipment for any purpose other than as authorized by the Agreement. Customer shall (i) provide an adequate environmentally controlled space and such electricity as may be required for installation, operation, and maintenance of the Comcast Equipment and (ii) be responsible for damage to, or loss of, Comcast Equipment caused by its acts or omissions, or by fire, theft, or other casualty at the Service Location(s), unless caused by the gross negligence or willful misconduct of Comcast. Any maintenance provided by Comcast for the Comcast Equipment under this Agreement shall be at Customer's cost to the extent it is related to causes other than the ordinary and proper use of the Comcast Equipment. Upon termination or expiration of this Agreement and/or any Sales Order or SOW, Customer shall be responsible for the return of all applicable Comcast Equipment. Until such time as the Comcast Equipment is returned to Comcast, Comcast may continue to invoice Customer for the monthly fee applicable to such Comcast Equipment. If any returned Comcast Equipment has been damaged and/or destroyed other than by Comcast or its agents, normal wear and tear excepted, Comcast may, in its sole discretion, invoice Customer for the manufacturer's list price of such Comcast Equipment or the cost of repair.

B. Customer-Provided Equipment. Unless otherwise set forth in an SOW, Customer shall have sole responsibility for providing maintenance, repair, operation, and replacement of all Customer-Provided Equipment, inside telephone wiring, and other Customer equipment and facilities on the Customer's side of the Demarcation Point. "Demarcation Point" means the point of interconnection between the Network and Customer-Provided Equipment located at a Service Location. Neither Comcast nor its employees, Affiliates, agents, or contractors shall (i) have any obligation to install, operate, or maintain Customer-Provided Equipment or (ii) be liable for any damage, loss, or destruction to Customer-Provided Equipment, unless caused by the gross negligence or willful misconduct of Comcast. Customer-Provided Equipment shall at all times be compatible with the Network. Except as otherwise provided in an SOW, Customer shall be responsible for the payment of service charges for visits by Comcast's employees or agents to a Service Location when the service difficulty or trouble report results from Customer-Provided Equipment or facilities provided by a party not contracted by Comcast.

2.5 Network; Intellectual Property.

A. The Network is and shall remain the property of Comcast regardless of whether installed within, upon, overhead, above, or underground at or near the Service Location and shall not be considered a fixture or an addition to the land or the Service Location(s) located thereon. Customer

agrees that it shall take no action that directly or indirectly impairs Comcast's title to the Network, or any portion thereof, or exposes Comcast to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the parties. Nothing in this Agreement shall preclude Comcast from using the Network for services provided to other Comcast customers, it being understood that, with respect to any Ethernet Services, the access circuit between a Service Location and the applicable Comcast Network gateway switch shall be solely used to provide the applicable Ethernet Services to Customer.

B. Title and intellectual property rights to (i) the Services and (ii) any computer software or code provided by Comcast to use the Services, including, but not limited to, associated documentation, and all updates thereto ("Licensed Software") are, in each case, owned by Comcast, its agents, suppliers, or affiliates or their licensors or otherwise by the owners of such material. The copying, redistribution, bundling, or publication of the Services, in whole or in part, without the express prior written consent of Comcast or other owner of such material, is prohibited.

C. The Agreement provides no right to use any party's or its Affiliates' trademarks, service marks, or trade names, or to otherwise refer to the other party in any marketing, promotional, or advertising materials or activities.

2.6 License Grant. If Customer requires the use of Licensed Software from Comcast in order to use the Services, Customer shall have a nonexclusive, nontransferable, and limited license to use such Licensed Software in object code only and solely to the extent necessary to use the applicable Service during the corresponding Service Term. Customer may not claim title to, or an ownership interest in, any Licensed Software (or any derivations or improvements thereto), and Customer shall execute any documentation reasonably required by Comcast, including, without limitation, end-user license agreements, for the Licensed Software. Customer shall not: (i) copy the Licensed Software (or any upgrades thereto or related written materials) except for emergency back-up purposes or as permitted by the express written consent of Comcast; (ii) reverse engineer, decompile, or disassemble the Licensed Software; (iii) sell, lease, license, or sublicense the Licensed Software; or (iv) create, write, or develop any derivative software or any other software program based on the Licensed Software. Customer acknowledges that the use of Service may periodically require, and consents to Comcast's provision of, updates and/or changes to the Licensed Software resident in the Comcast Equipment or Customer Provided-Equipment ("Updates"). Comcast may perform such Updates remotely or on-site, at Comcast's sole discretion. Customer hereby consents to, and shall provide free Access for, such Updates. If Comcast has agreed to provide Updates, Comcast will be excused from the applicable performance criteria and credits, and any and all liability and indemnification obligations regarding the applicable Service to the extent resulting from Customer's failure to allow Comcast to install any Updates.

ARTICLE 3. BILLING AND PAYMENT

3.1 Charges; Changes to MRC; Taxes.

A. Customer agrees to pay all charges associated with the Services, including, but not limited to, any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies, or by Comcast, in connection with the sale, installation, use, or provision of the Services (e.g., applicable franchise fees, right of way fees, and Universal Service Fund charges) regardless of whether Comcast or its Affiliates pay the fees directly or are required or permitted by law to collect them from Customer. Any failure on the part of Customer to be ready to receive Service, or any refusal on the part of Customer to receive Service, shall not relieve Customer of its obligation to pay charges for any Service that is otherwise available for use. For the avoidance of doubt, Comcast shall not be responsible for any purchases made by Customer or its end users while using the Services.

B. With respect to each Sales Order and SOW, Comcast may, upon thirty (30) days prior written notice to Customer (or such longer period as may be required by law), modify the monthly recurring service charges applicable to (i) Ethernet and Internet Services at any time after the expiration of the initial Service Term and (ii) any other Services at any time. Customer acknowledges and agrees that such notice requirement may be satisfied by including notice of a monthly recurring service charge modification(s) in a Customer invoice. Customer shall have thirty (30) days from receipt of any such notice to cancel the applicable Service without liability for Termination Charges. Should Customer fail to cancel within such timeframe, Customer shall be deemed to have accepted the modified Service pricing. Notwithstanding anything to the contrary contained in this Article 3.1(B), Comcast may modify equipment charges upon notice to Customer.

C. Except to the extent Customer provides a valid tax exemption certificate prior to the delivery of Service, Customer shall be responsible for the payment of any and all applicable local, state, and federal taxes or fees (however designated). Customer shall also be responsible to pay any taxes that become applicable retroactively.

3.2 Payment Terms; Disputes.

A. Except as otherwise indicated herein or in a PSA, Comcast will invoice Customer in advance on a monthly basis for all monthly recurring charges and fees arising under the Agreement. All other charges will be billed monthly in arrears, including without limitation, certain usage-based charges. Payment is due within thirty (30) days after the invoice date. If a Service Commencement Date is not the first day of a billing period, Customer's first monthly invoice shall include any pro-rated charges for the Services from the Service Commencement Date to the start of the next billing period. Except to the extent otherwise prohibited by law, Customer will be assessed a service charge up to the full amount permitted under applicable

law for any check or other instrument used to pay for the Services that has been rejected by the bank or other financial institution. Subject to Customer's right to dispute charges in accordance with Article 3.2(B), any payment not made when due will be subject to a late charge equal to (i) 1.5% per month or (ii) the highest rate allowed by law, whichever is lower. If Comcast is required to use a collection agency or attorney to collect any amount owed by Customer or any unreturned Comcast Equipment, Customer agrees to pay all reasonable costs of collection or other action. No acceptance of partial payment(s) by Comcast shall constitute a waiver of any rights to collect the full balance owed under the Agreement.

B. If Customer disputes any portion of an invoice, Customer shall pay the undisputed portion of the invoice and submit a written claim, including all substantiating documentation, to Comcast for the disputed amount of the invoice by the invoice due date. The parties shall negotiate in good faith to resolve any billing dispute submitted by Customer pursuant to this Article 3.2(B). Under no circumstances may Customer submit a billing dispute to Comcast later than ninety (90) days following the invoice date.

3.3 **Credit Approval and Deposits.** Delivery of Services may be subject to credit approval. Customer authorizes Comcast to make inquiries and to receive information about Customer's credit history from others and to enter this information in Customer's records. Comcast, in its sole discretion, may deny the Services based upon an unsatisfactory credit history. Subject to applicable regulations, Comcast may require Customer to make a deposit as a condition to Comcast's provision of the Services.

ARTICLE 4. TERM & TERMINATION

4.1 Term.

A. **Agreement Term.** Upon execution of the Agreement, Customer shall be allowed to request SOWs and Sales Orders from Comcast during the term referenced on the Cover Page ("MSA Term"). After the expiration of the initial MSA Term, Comcast, in its sole discretion, may continue to issue Sales Orders and SOW(s) to Customer under the Agreement or require the Parties to execute a new agreement. This Agreement shall continue in effect until the expiration or termination date of the last Service under a Sales Order or SOW entered under the Agreement, unless terminated earlier in accordance with the Agreement.

B. **Service Term.** Upon the expiration of the Service Term applicable to a Sales Order or SOW, each Service Term shall automatically renew for successive periods of one (1) year each (each, a "Renewal Term"), unless prior written notice of non-renewal is delivered by either party to the other at least thirty (30) days before the expiration of the Service Term or the then current Renewal Term. To the extent the initial Service Term or a Renewal Term applicable to a Sales Order or SOW extends beyond the expiration date of the MSA Term, such

JWB
No Auto
Renewal

Sales Order or SOW shall continue to be governed by the terms and conditions of the Agreement. The MSA Term commences on the Effective Date and continues for the time set forth on the Master Services Agreement Cover Page.

4.2 **Termination for Convenience.** Notwithstanding any other term or provision in this Agreement, Customer shall have the right, in its sole discretion, to terminate any or all Sales Order(s) or SOW(s) at any time, upon thirty (30) days prior written notice to Comcast (subject to applicable Termination Charges).

4.3 Termination for Cause.

A. If either Party is in material breach of the Agreement and the breach continues unremedied for thirty (30) days after written notice of default, the other party may terminate for cause any Sales Order or SOW materially affected by the breach. In addition to its other remedies, if the Customer is in breach of a payment obligation and fails to make payment in full within thirty (30) days after written notice of default, Comcast may suspend the Service(s) under the affected Sales Order(s) or SOW(s).

B. Subject to applicable law, either party may terminate a Sales Order or SOW immediately upon notice to the other party if the other party has become insolvent as defined under the U.S. Bankruptcy Code, institutes or has instituted against it any bankruptcy, reorganization, det arrangement or assignment for the benefit of creditors, other proceeding under any bankruptcy or insolvency law or dissolution, receivership, or liquidation proceeding (and if such proceeding is instituted against it, such proceeding is not dismissed within sixty (60) days).

C. Comcast may terminate any Sales Order, SOW and/or the Agreement immediately if Customer or its employees, agents, or representatives threaten, harass, or use vulgar or inappropriate language toward Comcast personnel.

4.4 **Effect of Expiration/Termination of a Sales Order or SOW.** Upon the expiration or termination of a Sales Order or SOW for any reason, Comcast (i) shall disconnect the applicable Service and (ii) may assess and collect from Customer applicable Termination Charges (unless the Service is terminated by Customer pursuant Article 4.3 above). Termination by either party of a Sales Order or SOW does not waive any other rights or remedies that it may have under this Agreement.

ARTICLE 5. LIMITATION OF LIABILITY; DISCLAIMER OF WARRANTIES

5.1 Limitation of Liability.

A. **THE AGGREGATE LIABILITY OF COMCAST AND ITS AGENTS, SUPPLIERS, AND LICENSORS FOR ANY AND ALL LOSSES, DAMAGES, AND CAUSES OF ACTION ARISING OUT OF THE AGREEMENT,**

INCLUDING, BUT NOT LIMITED TO, THE PERFORMANCE OF SERVICE, AND NOT OTHERWISE LIMITED HEREUNDER, WHETHER IN CONTRACT, TORT, OR OTHERWISE, SHALL NOT EXCEED DIRECT DAMAGES EQUAL TO THE SUM TOTAL OF PAYMENTS MADE BY CUSTOMER TO COMCAST DURING THE THREE (3) MONTHS IMMEDIATELY PRECEDING THE EVENT FOR WHICH DAMAGES ARE CLAIMED. THIS LIMITATION SHALL NOT APPLY TO INDEMNIFICATION OBLIGATIONS.

B. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL, INDIRECT, SPECIAL, COVER, PUNITIVE, OR CONSEQUENTIAL DAMAGES, WHETHER OR NOT FORESEEABLE, OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, ANY LOSS OF REVENUE, LOSS OF USE, LOSS OF BUSINESS, OR LOSS OF PROFIT WHETHER SUCH ALLEGED LIABILITY ARISES IN CONTRACT OR TORT; PROVIDED, THAT, THE FOREGOING LIMITATION SHALL NOT LIMIT CUSTOMER'S LIABILITY FOR CHARGES OWED FOR THE SERVICES, FOR ANY EQUIPMENT OR SOFTWARE PROVIDED BY COMCAST, OR FOR TERMINATION CHARGES.

C. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THE AGREEMENT, IN NO EVENT SHALL THE AGGREGATE LIABILITY OF COMCAST AND ITS AGENTS, SUPPLIERS, AND LICENSORS UNDER THIS AGREEMENT FOR ALL INDEMNIFICATION OF INTELLECTUAL PROPERTY CLAIMS UNDER SECTION 6(i) OF THESE GENERAL TERMS AND CONDITIONS EXCEED THE GREATER OF (I) ONE (1) MILLION DOLLARS (\$1,000,000) AND (II) THE SUM TOTAL OF PAYMENTS MADE BY CUSTOMER DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE ON WHICH THE INTELLECTUAL PROPERTY CLAIM FIRST AROSE.

5.2 Disclaimer of Warranties.

A. TO THE MAXIMUM EXTENT ALLOWED BY LAW, COMCAST EXPRESSLY DISCLAIMS ALL EXPRESS, IMPLIED, AND/OR STATUTORY WARRANTIES, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT. Without limiting the generality of the foregoing, and except as otherwise identified in a PSA or SOW, Comcast does not warrant that the Services, Comcast Equipment, or Licensed Software will be uninterrupted, error-free, or free of latency or delay, or that the Services, Comcast Equipment, or Licensed Software will meet Customer's

requirements, or that the Services, Comcast Equipment, or Licensed Software will prevent unauthorized access by third parties. Customer acknowledges and agrees that the Services are not fail-safe and are not designed or intended for use in situations requiring fail-safe performance or in which an error or interruption in the Services could lead to severe injury to business, persons, property, or environment.

B. Notwithstanding anything to the contrary contained in the Agreement, in no event shall Comcast and its agents, suppliers, and licensors be liable for any loss, damage, or claim arising out of or related to: (1) content or data received or distributed by Customer or its users through the Services; (2) any act or omission of Customer, its users, or third parties not under the control of Comcast; (3) interoperability, interaction, or interconnection of the Services with applications, equipment, services, or networks provided by Customer or third parties not under the control of Comcast; or (4) loss or destruction of any Customer hardware, software, files, or data resulting from any virus or other harmful feature or from any attempt to remove it. Customer is solely responsible for backing up its data, files, and software prior to the installation of Service and at regular intervals thereafter.

5.3 Exclusive Remedies. Customer's sole and exclusive remedies are as expressly set forth in the Agreement. In those states where Customer's remedies cannot be so limited, the liability of Comcast is limited to the maximum extent permitted by law.

ARTICLE 6. INDEMNIFICATION

6.1 Comcast's Indemnification Obligations. Subject to Sections 5.1(B) and 5.1(C) and any other limitations contained in the Agreement, Comcast shall indemnify, defend, and hold harmless Customer, its Affiliates and their respective employees, directors, officers, and agents from and against all damages, liabilities, losses, and expenses (including reasonable attorneys' fees) arising out of a claim or demand by a third party ("Claims") incurred as a result of (i) infringement of U.S. patent or copyright law based solely on Comcast Equipment or Licensed Software; provided, that, Comcast shall have no liability for any claim of infringement arising from: (a) Comcast's compliance with any designs, specifications, or instructions of Customer; (b) modification or alteration of the Licensed Software or Comcast Equipment by Customer or a third party without the prior knowledge and written approval of an authorized officer of Comcast; (c) use of the Licensed Software or Comcast Equipment in a way not authorized in writing by an authorized officer of Comcast; and/or (d) Customer's failure to use an updated version of the Licensed Software or Comcast Equipment which has been provided, or made available, to Customer and (ii) damage to tangible personal property or real property, and personal injuries (including death) to the extent caused by the gross negligence or willful misconduct of Comcast while working on the Service Locations. For purposes of this Article 6.1, any claims by any end-user of the Services shall not be included in the definition of Claims.

6.2 Customer's Indemnification Obligations. Subject to Section 5.1(B), Customer shall indemnify, defend, and hold harmless Comcast and its agents, suppliers, and licensors from any and all Claims arising on account of or in connection with Customer's and its users' use or sharing of the Service provided under the Agreement, including with respect to: (i) any content received or distributed by Customer or its users through the Service; (ii) libel, infringement of copyright, or unauthorized use of trademark, trade name, or service mark arising out of communications via the Service; (iii) for patent infringement arising from Customer's combining or connection of Customer-Provided Equipment to use the Service; and (iv) for damage arising out of the gross negligence or willful misconduct of Customer.

6.3 Indemnification Procedures. To the extent a party may be entitled to indemnification under this Agreement (an "Indemnified Party"), such Indemnified Party shall (i) promptly notify the other party (the "Indemnifying Party") in writing of any pending or threatened Claim that gives rise to a right of indemnification (an "Action") and (ii) cooperate in every reasonable way to facilitate the defense or settlement of such Action. The Indemnifying Party shall assume the defense of any Action with counsel selected by the Indemnifying Party. The Indemnified Party may employ its own counsel in any such case and shall pay such counsel's fees and expenses. The Indemnifying Party shall have the right to settle any Action; provided, however, that to the extent that such settlement requires the Indemnified Party to take or refrain from taking any action or purports to obligate the Indemnified Party, then the Indemnifying Party shall not settle such Action without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, conditioned, or delayed.

ARTICLE 7. CONFIDENTIAL INFORMATION AND PUBLICITY

7.1 Disclosure and Use. All Confidential Information disclosed by either party shall, during the term of the Agreement and for two (2) years after the expiration or termination thereof (or such longer period as may be required by law), not be disclosed to any third party without the disclosing party's express written consent. Notwithstanding the foregoing, such information may be disclosed (A) to the receiving party's employees, affiliates, and agents who have a need to know for the purpose of performing under this Agreement, using the Services, and rendering the Services (provided that in all cases the receiving party shall take appropriate measures prior to disclosure to its employees, affiliates, and agents designed to protect against unauthorized use or disclosure) or (B) as otherwise authorized by this Agreement. Each party's confidentiality obligations hereunder shall not apply to information that: (A) is already known to the receiving party without a pre-existing restriction as to disclosure; (B) is or becomes publicly available without fault of the receiving party; (C) is rightfully obtained by the receiving party from a third party without restriction as to disclosure or is approved for release by written authorization of the disclosing party; or (D) is developed independently by the receiving party

without use of the disclosing party's Confidential Information. Each party agrees to treat all Confidential Information of the other in the same manner as it treats its own proprietary information, but in no case using less than a reasonable degree of care. If either party is required to disclose Confidential Information pursuant to a judicial order or other compulsion of law, such party shall be permitted to make such disclosure provided that it: (a) limits the disclosure to only that information which is required to be disclosed by such order or legal requirement, (b) if permitted, provides the disclosing party with prompt notice of such order or legal requirement, and (c) reasonably assists the disclosing party in obtaining a protective order, if requested and at the disclosing party's expense.

7.2 Publicity. Neither party shall issue any publication or press release relating to, or otherwise disclose the existence of, the terms and conditions of any contractual relationship between Comcast and Customer without the prior written consent of the other party; provided that this restriction will not prohibit Comcast from making internal announcements related to the completion and existence of the contractual relationship contemplated herein.

7.3 Remedies. Notwithstanding any other Article of this Agreement, the non-breaching party shall be entitled to seek equitable relief to protect its interests pursuant to this Article 7, including, but not limited to, injunctive relief.

ARTICLE 8. PROHIBITED USES; COMCAST POLICIES

8.1 Prohibited Uses; Comcast Policies. Customer is prohibited from using, or permitting the use of, any Service (i) for any purpose in violation of any law, rule, regulation, or policy of any government authority; (ii) in violation of the Comcast Acceptable Use Policy ("AUP") available on the Website; (iii) for any use as to which Customer has not obtained all required government approvals, authorizations, licenses, consents, or permits; or (iv) to interfere unreasonably with the use of Comcast service by others or the operation of the Network. Customer is responsible for the compliance of its users with the provisions of the Agreement. Customer acknowledges and agrees that use of the Services, including by Customer, its Affiliates, and any users, shall be subject to the AUP. Notwithstanding anything to the contrary contained in Section 4.3, Comcast reserves the right to act immediately and without notice to (a) terminate or suspend the Agreement and/or any Services if Comcast determines that such use or information is in violation of this Article 8.1 and such termination will constitute a termination for cause and (b) terminate or suspend the Services in the event of fraudulent use of the Services. Customer acknowledges and agrees that Comcast is not obligated to detect or report unauthorized or fraudulent use of the Services to Customer.

8.2 Privacy Policy. Comcast will comply with the Comcast Privacy Policy ("Privacy Policy") which is available at the Website. Comcast is not responsible for any information provided by Customer to third parties and Customer assumes

all privacy and other risks associated with providing personally identifiable information to third parties via the Services.

8.3 Prohibition on Resale. Customer may not sell, resell, sublease, assign, license, sublicense, share, provide, or otherwise utilize in conjunction with a third party (including, without limitation, in any joint venture or as part of any outsourcing activity) the Services or any component thereof. For the avoidance of doubt, this prohibition includes Customer bundling the Services with any services or components of Customer that are then sold to end users of any kind.

8.4 Monitoring. Comcast shall have no obligation to monitor postings or transmissions made in connection with the Services, however, Customer acknowledges and agrees that Comcast and its agents shall have the right to monitor any such postings and transmissions from time to time and to use and disclose them in accordance with this Agreement, and as otherwise required by law or government request. Comcast reserves the right to refuse to upload, post, publish, transmit or store any information or materials, in whole or in part, that, in Comcast's sole discretion, is unacceptable, undesirable or in violation of this Agreement.

ARTICLE 9. MISCELLANEOUS TERMS

9.1 Force Majeure. Neither party nor its Affiliates shall be liable to the other party for any delay, failure in performance, loss, or damage to the extent caused by force majeure conditions such as acts of God, fire, explosion, power blackout, cable cuts, acts of regulatory or governmental agencies, unforeseeable third party actions, or other causes beyond the party's reasonable control, except that Customer's obligation to pay for Services provided under the Agreement shall not be excused. Changes in economic, business, or competitive condition shall not be considered force majeure events.

9.2 Assignment or Transfer. Customer shall not assign any right, obligation, or duty, in whole or in part, nor any other interest hereunder, without the prior written consent of Comcast, which shall not be unreasonably withheld. Any assignment in violation of this provision shall be deemed null and void. All obligations and duties of either party hereunder shall be binding on all successors-in-interest and permitted assigns of such party.

9.3 Notices. Except as otherwise identified herein, any notice sent pursuant to the Agreement shall be deemed given and effective when sent by e-mail (confirmed by certified mail), or when delivered by overnight express or other express delivery service, in each case, to the following addresses (or to such other addresses as a party may designate by written notice to the other party): (i) with respect to Customer, to the address set forth on any Sales Order or the MSA Cover Page; or (ii) with respect to Comcast, to: Vice President of Sales Operations (Comcast Business), One Comcast Center, 1701 JFK Blvd., Philadelphia, PA 19103, with a copy to

Legal_Notices@comcast.com. Alternatively, Customer may send termination notice to Comcast through the Comcast disconnection portal found at the following URL: <https://business.comcast.com/landingpage/disconnect> (as the same may be updated by Comcast from time-to-time).

9.4 Amendments; Changes to the Agreement.

A. The Agreement may not be amended except by a written agreement executed by the parties; provided, that, notwithstanding the foregoing, Comcast may change or modify these General Terms and Conditions and the PSAs, and any related policies (including the AUP and Privacy Policy) from time to time ("Revisions") by posting such Revisions to the Website. The Revisions are effective upon posting to the Website. Customer will receive notice of any Revisions in the next applicable monthly invoice. Customer shall have thirty (30) calendar days from the invoice notice of such Revisions to provide Comcast with written notice that the Revisions adversely affect Customer's use of the Service(s). If, after such notice, Comcast is able to verify such adverse effect but is unable to reasonably mitigate the Revisions' impact on such Services, then Customer may terminate the impacted Service(s) without further obligation (including Termination Charges) to Comcast beyond the termination date. This shall be Customer's sole and exclusive remedy for any Revisions. Customer acknowledges and agrees that terms or conditions contained in any Customer purchase order or similar Customer order form (regardless of whether executed by Comcast), or restrictive endorsements or other statements on any Customer form of payment, shall be void and of no force or effect. Without limitation to the foregoing, if (i) Customer requires Comcast to execute a Customer purchase order or other Customer order form for a Service or as a condition to receiving payment for the same and (ii) Comcast executes such purchase order or Customer order form, Customer acknowledges and agrees that (1) Comcast's execution is solely for the purpose of assisting Customer in satisfying its internal procurement requirements and (2) any terms and conditions contained in such purchase order or Customer order form shall be null and void and of no force or effect.

B. The parties acknowledge that the respective rights and obligations of each party as set forth in this Agreement are based on applicable law and regulations as they exist on the date of the Agreement's execution. The parties agree that in the event of any legislative, regulatory, or judicial order, rule, or regulation, or decision in any arbitration or other dispute resolution proceeding, or other legal or regulatory action that materially affects the provisions of this Agreement or the economic terms of the Agreement, Comcast may, by providing written notice to the Customer, require that the affected provisions of the Agreement be renegotiated in good faith. If Customer refuses to enter such renegotiations, or the parties are unable to reach resolution on new Agreement terms, Comcast may, in its sole discretion, terminate this Agreement, in whole or in part, upon sixty (60) days written notice to Customer.

9.5 Tariffs. Notwithstanding anything to the contrary in the Agreement, Comcast may be required to file with regulatory agencies tariffs for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the tariffs. Without limiting the generality of the foregoing, in the event of any inconsistency between the Agreement and applicable Sales Orders or SOWs on one hand, and the relevant tariffs on the other hand, the rates and other terms set forth in the Agreement and applicable Sales Orders or SOWs will be treated as individual case-basis arrangements to the maximum extent permitted by law. If Comcast voluntarily or involuntarily cancels or withdraws a tariff under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the tariff immediately prior to its cancellation or withdrawal. In the event that Comcast is required by a governmental authority to modify a tariff under which Service is provided to Customer in a manner that is material and adverse to the Customer, the Customer may terminate the applicable Sales Order or SOW upon a minimum thirty (30) days' prior written notice to the other party, without further liability.

9.6 Compliance with Laws. Each of the Parties agrees to comply with all local, state and federal laws and regulations and ordinances applicable to such Party in the performance of its respective rights and obligations under this Agreement.

9.7 Consent to Communications from Comcast. Customer acknowledges and agrees that Comcast or third parties acting on Comcast's behalf may call or text Customer at any telephone number that Customer provides to Comcast or that Comcast issues to Customer, and may do so for any purpose relating to Customer's account and/or the Services to which Customer purchased. Customer expressly consents to receive such calls and texts and agree that these calls and texts are not unsolicited. Customer acknowledges and agrees that these calls and texts may entail the use of an automatic telephone dialing system and/or artificial or prerecorded messages. Customer may not opt-out of receiving certain communications pertaining to Customer's account, including but not limited to communications regarding emergencies, fraud or other violations of law, security issues, and harm caused to the Network. Message frequency depends on Customer's activity with the Services. Message and/or data rates may apply.

9.8 Entire Understanding; Construction; Survival; Headings; No Waiver. The Agreement supersedes all prior agreement between the parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the parties with respect to the subject matter hereof. In the event that any portion of the Agreement is held to be invalid or unenforceable, the parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the parties, and the remainder of the Agreement shall remain in full force and effect. The rights and obligations of either party that by their nature would continue beyond the termination or

expiration of the Agreement shall survive termination or expiration of the Agreement. The article headings used herein are for reference only and shall not limit or control any term or provision of this Agreement or the interpretation or construction thereof. No failure by either party to enforce any right(s) hereunder shall constitute a waiver of such right(s). The Agreement may be executed in counterpart copies. Each party represents and warrants that the persons who executes the Agreement on its behalf are duly authorized to do so.

9.9 Choice of Law. This Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of Delaware without regard to its conflict of laws principles. Any claim or controversy arising out of or relating to this Agreement shall be brought exclusively in federal or state court located in Dover, Delaware and the parties hereby consent to personal jurisdiction and venue in such court. Both parties hereby waive any right to a trial by jury.

9.10 No Third-Party Beneficiaries; Independent Contractors. Except as otherwise specifically set forth herein, this Agreement does not expressly or implicitly provide any third party (including users) with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege. The parties to this Agreement are independent contractors. Neither party is an agent, representative, or partner of the other party. Neither party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other party. This Agreement shall not be interpreted or construed to create an association, agency, joint venture, or partnership between the parties or to impose any liability attributable to such a relationship upon either party. Each party acknowledges and agrees that any interpretation of this Agreement may not be construed against a party by virtue of that party having drafted the provisions.

9.11 Export Law and Regulation. Customer acknowledges that any products, software, and technical information (including, but not limited to, services and training) provided pursuant to the Agreement may be subject to U.S. export laws and regulations. Customer agrees that it will not use, distribute, transfer, or transmit the products, software, or technical information (even if incorporated into other products) except in compliance with U.S. export regulations and this Agreement.

**ANDERSON COUNTY SCHOOLS
CLINTON, TN 37716
SCHOOL NUTRITION PROGRAM
DELIVERED, FRESH PIZZA, READY TO EAT**

GENERAL

Attached are instructions and conditions for submitting a delivered, fresh pizza for ANDERSON COUNTY SCHOOLS IN CLINTON, TN 37716. Each participating school will receive at least one delivery a week on either Tuesday, Wednesday, or Thursday. The objective of this bid is to select suppliers in such a manner as to provide for open and free competition and comparability. All food must be processed and packaged in accordance with local, State of Tennessee, and FDA regulations contained in the Sanitary Food Transportation Act of 1990.

BID PERIOD

The bid period begins 01/01/2025 AND ENDS 06/30/2027.

VENDOR QUALIFICATION

Potential bidders must meet the following criteria:

- Be able to provide a quality product as specified
- Offer reasonable pricing
- Provide dependable delivery of items ordered.
- Meet specifications and bid conditions. The product that is bid must meet all the product specifications such as sodium, calories, portion size, weight, meat and grain equivalents for the USDA and case weight.
- Demonstrate successful past performance.
- Minimum 3 (three) years experience supplying similar products/commodities and services to school districts similar in size to Anderson County.

BID TABULATION

Regardless of the procurement method used, price is the final determining factor for awarding the contract. If the price of the product plus delivery does not give significant savings over buying the product on the open market, Anderson County SNP (School Nutrition Program) may not award the bid or may re-bid or may shift quantities to a different product. Ultimately the price used to determine the bid award will be based on the price per serving that will meet the minimum USDA requirements for a meal component or item and the comparisons from vendor to vendor will be based on the approved equal serving cost. **All prices should be net after all rebates, delivery adjustments, and other item price adjustments are made. Anderson County School Nutrition Program wishes to pay a net invoice upon delivery without having to track any rebates or other price adjustments. The School Nutrition Program may ask for samples of food prior to award.**

Anderson County Purchasing Agent reserves the right to accept or reject any or all bids. The SNP director will tabulate the bid, recommend the winning bidder to the county purchasing agent, and the county purchasing agent will notify the bidders. The Anderson County School Board will approve the recommendation and the county attorney will sign the contract after receiving county commission approval. The purchase of products or services should commence after all this has been accomplished. Anderson County Purchasing will add their obligatory bid language. In the case of contradictory terms, the most stringent will apply.

BID RENEWAL

Anderson County SNP reserve(s) the right to add/or delete products during the contract period. Pricing for added products will be based on a comparison of pricing offered by the vendor to the pricing of the same item offered on the open market prior to adding an item to the contract listing. Other school systems, with vendor approval, may use this bid for purchase in their district. Additional schools within the district may be added to the bid with the permission of the vendor.

BID PREPARATION

Bidders must submit one price for each item on the bid product sheet. Each bidder should bid on all items listed in the bid document for pizzas. Anderson County SNP will recalculate usage and line extensions to make necessary conversions for differences in pack size. The bid award will be made on price per serving in relation to servings desired. The bottom line total will be adjusted if mathematical conversions and extensions indicate the need for correction. Delivery cost and all other costs of the pizza will be included in the one bid price per individual pizza. Total price, bottom line cost to School Nutrition will be the determining factor in the bid award.

All bids shall be in accordance with the instructions to bidders and specifications as attached. Specifications are intended to be open and non-restrictive. A copy of the Nutrition Facts label for each item and an ingredient statement must be included with the bid. A meat and grain formulation statement must also accompany the bid submission for each item.

Estimated usages are given for each item. The estimated usages do not indicate the actual quantity which will be ordered, since such volume will depend upon requirements which develop during the contract period. Estimated usages are based on last year's purchases and are estimated for the bid period. For new/never used items' estimated usages, the amount is a projected number based on anticipated acceptance by students. Inclusion of items on bid does not guarantee purchase.

All columns of the bid document must be completed in ink or typewritten. The bottom line total (sum of extended prices) must also be printed in ink or typewritten on the proposal form. No erasures shall be permitted. Errors may be crossed out and corrections printed in ink or typewritten and must be initialed in ink by the person signing the bid. Mathematical calculations involving decimals must be carried to two (2) places.

Should a bidder find discrepancies or omissions from the bidding document or be in doubt as to their meaning, he/she shall at once send questions by email to purchasing@andersoncountyttn.org.

It shall be the sole responsibility of the bidder to make certain that all bids in proper form are submitted by the date due.

ORDERING and DELIVERY

- Delivery of products should be in one to four deliveries per serving day to the prospective schools. The school sites are listed later in the document, along with the number of deliveries. Pizza will not normally be ordered/delivered on Monday or Friday. Pizza will be in pizza boxes with the kind of pizza indicated on the front flap.
- All foods are to be delivered with no evidence of damage. The pizzas are to be cut in 8 even pieces, allowing service with a gloved hand where pieces will come apart with the use of only one hand. The vendor will transport the fully cooked pizzas in a sanitary manner, holding a serving temperature throughout transport and delivery at 160 degrees. The pizzas will be placed in dedicated warming/holding cabinets that have been cleared by school staff to enable the delivery person to load quickly. The vendor delivery person will be responsible for waiting while the SNP team member inspects and verifies each order for quantity and quality before leaving.
- Deliveries must be made between 5 and 10 minutes prior to service times. Pizza delivered late (after scheduled meal service has started), will not be paid for by School Nutrition. If the vendor

or the school needs to cancel delivery for a particular day, notice must be given before 9 am on that day. The vendor should make arrangements with another pizza store (same company) to deliver if the failure is the vendor's.

- Orders will originate from the school's cafeteria manager. The first order must be given no later than 9 am, and subsequent order adjustments must be made 2 hours or more before delivery on that day. If school is canceled or not in session, no delivery should be made, and it will be the vendor's responsibility to check school closure lists.
- If foreign objects are found in foods purchased from vendor and such objects result in injury or sickness to customers, vendor will be responsible for all claims resulting from this injury or sickness and the Board of Education and their employees will not be held responsible.
- Each school shall retain the right to reject any or all of a delivery that does not meet product specifications. Rejected items are to be picked up at the supplier's expense and a credit memo issued.
- The successful bidder shall provide the name and telephone contact number of a company contact person, along with a delivery schedule that includes the delivery person's name and contact number.
- Food bids will provide products that have expiration dates and/or facility preparation coding that can readily identify the product for sanitation, safety, recall, and freshness measures. Ingredient labels, preferably Child Nutrition labels (CN), net weight, supplier information, and other nutritional information must be available on each food container. The item bid must meet or exceed the requirements for the School Lunch Program as far as meat/meat alternate, fruit/vegetable, grain and will be asked for on the solicitation for bid. The products can have no added trans fat.
- A signed delivery ticket must be obtained by the delivery person during each delivery.
- A signed delivery ticket must also be left with cafeteria personnel.

Reasons for product rejection may be any one of the following:

- Quality and student acceptability
- Serviceability of item (damage)
- Product does not meet bid specifications
- Product was not delivered before the scheduled service period began

CONTRACT TERMINATION FOR CAUSE

In the event the contract is terminated for due cause by the School District, the District shall have the option of awarding the contract to the next lowest bidder or bidding again. Poor quality product or late delivered product will be grounds to immediately suspend the contract until a more formal notification can be given.

CONTRACT TERMINATION FOR CONVENIENCE

The School District(s) may, by written notice to the vendor, terminate this Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the School System(s). The School System(s) must give notice of termination to the Vendor at least thirty (30) days prior to the effective date of termination. The Contractor shall be entitled to receive compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the School District be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

CERTIFICATION REGARDING "BUY AMERICAN" REQUIREMENTS

Section 104 (d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires SFAs to purchase domestically grown and processed foods, to the maximum extent practicable. There is a two-part test to define the country of origin for a manufactured end product: (1) the article must be manufactured in the United States; and (2) the cost of domestic components must exceed 50 percent of the cost of all the components.

We require that suppliers certify the percentage of U.S. content in products supplied to us according to the two-part test above. If you are unable or unwilling to make such certification, we will not purchase from you.

Two situations may warrant a waiver to permit purchases of foreign food products.

- 1) The product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality.
- 2) Competitive bids reveal the cost of a U.S. product is significantly higher than the foreign product.

Note: Approved columns for the SNP purchaser to indicate if they will accept the non-American product or if they reject that item. The SNP will contact the vendor if item is rejected.

T. C. A. 12-4-101 Personal interest of officers prohibited.

(a) (1) It is unlawful for any officer, committee member, director, or other person whose duty it is to vote for, let out, overlook, or in any manner to superintend any work or any contract in which any municipal corporation, county, state, development district, utility district, human resource agency, or other political subdivision created by statute shall or may be interested, to be directly interested in any such contract. "Directly interested" means any contract with the official personally or with any business in which the official is the sole proprietor, a partner, or the person having the controlling interest. "Controlling interest" includes the individual with the ownership or control of the largest number of outstanding shares owned by any single individual or corporation. This subdivision (a)(1) shall not be construed to prohibit any officer, committee person, director, or any person, other than a member of a local governing body of a county or municipality, from voting on the budget, appropriation resolution, or tax rate resolution, or amendments thereto, unless the vote is on a specific amendment to the budget or a specific appropriation or resolution in which such person is directly interested.

"Indirectly interested" means any contract in which the officer is interested but not directly so, but includes contracts where the officer is directly interested but is the sole supplier of goods or services in a municipality or county.

However, I declare that my argument and my vote answer only to my conscience and to my obligation to my constituents and the citizens this body represents." The vote of any such member having a conflict of interest who does not so inform the governing body of such conflict shall be void if challenged in a timely manner. As used in this subdivision (c)(1), "timely manner" means during the same meeting at which the vote was cast and prior to the transaction of any further business by the body.

REPORTING TEMPLATE**Introduction**

Reporting Template has three parts:

- Schedule A,
- Schedule B, and
- Schedule C which are Program Expense Reports (PER), Program Revenue Reports (PRR) and Reconciliation Between Total and Reimbursable Expenses and Total Expense Summary Report.

Program Expense Reports (PER), Program Revenue Reports (PRR) and Reconciliation Between Total and Reimbursable Expenses and Total Expense Summary Report including Schedule A-1 and Schedule B-1 must be submitted in the same format/the same column heading each quarter. The final Report (definition can be found in grant contract agreement) must be approved by the contracting state agency.

Schedule Headings

At the top of each schedule, the name of the reporting contractor/grantee and the period covered by the report need to be entered. The period of the report should always be the most recent quarter ended and report programs in the same sequence as the previous quarter.

Column Headings

For each program for Schedule A and B, Contracting State Agency, Program Name, Assistance Listing Number/Program Number, Edison Contract Number, and Grant/Contract Term should be entered. These can be found in the grant contract agreement.

- The Contracting State Agency is for the state agency who awards the grant and initiates the contract agreement.
- The Program Name is the title to describe the program or the title that corresponds to the Federal Assistance Listing number.
- The Assistance Listing Number/Program Name is a number assigned to identify the Federal Assistance Listings under which the subaward was made by the contracting State agency.
- The Edison contract number is the number assigned by the contracting state agency and should include the amendment number, if any. This can be found in the grant contract agreement.
- The grant/contract term is the beginning and ending dates of the grant/contract. This can be found in the grant contract agreement.

Program Columns

Program expense columns (Quarter-To-Date and Year-To-Date) are for reporting direct program expenses. Direct program expenses that benefit more than one program (i.e., allocable-direct costs) may be allocated to the benefitted programs within the expense categories. The cognizant state agency should approve the method used for cost allocations and the contacting state agency should abide by the cost allocation approved by the cognizant state agency.

The Quarter-To-Date column can be used to capture all expenses for the specific quarter. For example, the expenses for the 2nd quarter (from 10/1/22 to 12/31/2022) can be entered in this column.

All accumulated expenses for each program can be entered in Year-To-Date column. For example, if a grantee/organization has entered the expenses for the 2nd quarter in Quarter-To-Date column, all accumulated expenses for the 1st quarter and the 2nd quarter should be entered in Year-To-Date column.

PROGRAM EXPENSE REPORT (PER) SCHEDULE A

Purpose/Scope

The Program Expense Report (PER Schedule A) contains expenses by the detailed line items and then summarizes by subtotals or total. This schedule can be used for any grants received from a state agency or multiple state agencies.

These expenses include direct and allocated direct program expenses in each line item. Per 2 CFR Part 200.413, direct costs are those costs that can be identified specifically with a particular final cost objective, such as a grant, or other internally or externally funded activity, or that can be directly assigned to such activities relatively easily with a high degree of accuracy. Per 2 CFR Part 200.405, allocable direct costs are those that benefit more than one program, but do not fall under the criteria of indirect costs.

Except for depreciation, every expense reported in Lines 1 through 21 must represent an actual cash disbursement or accrual (as defined in the Basis for Reporting Expenses/Expenditures section on page 1 of this instructions). If more than two programs (e.g., four programs), complete multiple Schedule As to report all four program expenses.

Each revenue column should match up with the Edison Contract Number and the Program Name from Schedule A and align with its corresponding expense column from the Schedule A. The Reconciliation of Total Program Expenses And Reimbursable Expenses, at the bottom of Schedule B, should be completed to show how Total Program Expenses (Line 51 of Schedule B or Line 25 of Schedule A) reconciles to the amount to be reimbursed.

If multiple programs exist, additional copies of the Schedule B can be used to enter all Program Revenue and Reconciliation Between Total and Reimbursable Expenses.

Additional supplemental schedules showing the Sources of Revenue in the aggregations may be attached, if needed. The contracting state agency may provide more guidance in the grant contract agreement.

Line 51 Total Program Expenses

This line is brought forward from Line 25 Total Program Expenses on Schedule A.

Line 52 Other Unallowable Expenses

Enter amount for Other Unallowable Expenses here. Some program expenses may not be reimbursable under certain grants. Example of this can be the in-kind expenses which is non-cash item. This will vary according to the contracting state agency and the type of grant or contract. Consult with the contracting state agency that funds the program for additional guidelines.

23-0088 A1

Line 53 Excess Administration

This line may be used to deduct allocated Administration and General expenses (indirect costs) in excess of the allowable percentage specified in the grant contract agreement or the indirect cost rate that is approved by the cognizant State agency. This line may also be used to deduct an adjustment resulting from limitations on certain components of Administration and General expenses. Consult with the contracting state agency that funds the program for additional guidelines.

Line 54 Matching Expenses

Total program expenses should be deducted from matching (cost sharing) expenses required by the program compliance. This portion can be specified as an amount or percentage to match the federal award. Program income (e.g., user fees or rental of real property) can be deducted from matching portion.

Line 55 Reimbursable Expense (Line 51 Less Lines 52, 53, And 54)

This should equal the amount the contracting state agency has already paid for the quarter's operations of the program. The cumulative Year-To-Date column is what the grantor has actually paid to date if the organization has submitted the invoice and reimbursed monthly.

Line 56 Total Reimbursement To Date

The Quarter-to-Date column is the total amounts received for this quarter from filing of Invoices for Reimbursement (usually monthly). The cumulative Year-to-Date column amount is the total amount received for the grant program.

Line 57 Difference (Line 55 minus Line 56)

This is the portion of Reimbursable Expenses that are not paid yet. If a grantee submits a monthly invoice for reimbursement and reimbursement has been received, this will be zero.

Line 58 Advances

Any advance payments from the contracting state agency should appear on this line. Most of time, the contracting state agency will not pay the expenses in advance.

Line 59 This Reimbursement (Line 57 minus 58)

The remainder should be the amount due under the grant contract. Request for reimbursement is made through the invoicing process and not through filing of the quarterly or annual report. Any amounts showing here needed to be included in the invoice for reimbursement.

**NONGRANT EXPENSE REPORT (NER)
NONGRANT REVENUE REPORT (NRR) AND
RECONCILIATION BETWEEN TOTAL NONGRANT AND
REIMBURSABLE EXPENSES
SCHEDULE A-1, SCHEDULE A-1-Q1-Q4, and SCHEDULE B-1**

Purpose/Scope

These schedules may be used for the nongrants/unallowable expenses that are not reimbursed/will not be reimbursed by the contracting state agencies.

These schedules should be completed to reconcile expenses per the Total Expense Summary Report (Schedule C) to the trial balance/general ledger when the nongrants/unallowable expenses exist in the grantee's books.

Instruction for Schedules A-1, A-1-Q1-Q4, and B-1

The instruction for these schedules A-1, A-1-Q1-Q4, and B-1 are the same as the instructions for Schedule A and B except these expenses will not be reimbursed by the contracting state agency.

Heading sections may be entered as N/A if this heading is not applicable for Nongrant/Unallowable Expense or Revenue.

**TOTAL EXPENSE SUMMARY REPORT
Schedule C**

Purpose/Scope

The Total Expense Summary Report is intended to recap all the direct program expenses in one column, separately identify nongrant/unallowable expenses, and total administrative expenses in other columns, as well as a grand total of all the expenses of the grantee. The amounts in Grand Total Year-to-Date column should tie to the general ledger/trial balance of the grantee/organization.

Schedule C should be only one schedule regardless if there are multiple Schedule As and Bs. The grantee will complete all the schedules at one time and will submit the same schedule to the multiple contracting state agencies if the grantee has received awards from the multiple state agencies.

Instruction for Expenses by Object Line-Items

The object line-items are the same as Schedule A. See each line-item instruction in Schedule A.

Instruction for Columns

Total Direct Program Expenses Column

This column is the summary of all the individual programs' cumulative year to date expenses as identified separately under the respective program names in Schedule A.

Total Nongrant/Unallowable Expenses Column

The nongrant/unallowable expense column includes the following expenses:

- II. The cumulative year-to-date expenses for fund-raising activities, if any.

- III. Other cumulative year-to-date expenses that are not allowable for reimbursement according to the terms of the grants or the Federal guidance.

Total Administrative Expenses Column

The administrative expenses column is for categorizing the cumulative year-to-date administrative expenses into the Expense by Object. Total Direct Program Expenses (line 21) of this column is the sum of all the line 21s. Line 22 of this column will make line 21 amount to be a credit amount so that Total Direct and Administrative Expenses is showing zero since these expenses are already claimed in columns Total Direct Program Expenses Year-To-Date and Total Nongrant/Unallowable Expenses Year-To-Date.

Grand Total Column

The Grand Total column contains all the cumulative year-to-date expenses for the entire reporting organization. The Grant Total Year-to-Date expenses must be traceable to the reporting organization's general ledger or trial balance.

2. DISCLAIMER OF WARRANTIES: NEITHER COMPANY NOR ITS CONTRACTOR REPRESENTS OR WARRANTS THAT THE SYSTEM OR THE MONITORING SERVICES WILL PREVENT ANY LOSS BY BURGLARY, FIRE, ROBBERY OR OTHERWISE, OR WILL, IN ALL CASES, PROVIDE THE SPECIFIED NOTIFICATION SERVICE. Customer understands that there are no warranties which extend beyond the face of this Agreement and acknowledges that neither Company nor its contractor has made any representation or warranty, express or implied, including without limitation, about the condition of the System or monitoring service, their merchantability, or their fitness for any particular purpose, other than those expressly contained in the Agreement. Customer understands and acknowledges that the System, Transmission System (See Section 7) or Company's or its contractor's equipment may not function properly; that the Company or its contractor may not respond properly to the receipt of an alarm signal; and that neither Company nor its contractor has control over the response time or capability of any agency or person notified. Customer also understands that in the event that the company is determined to be directly or indirectly liable for any loss, damage, or injury that the \$500 limit of liability in section 4 applies.

In the event that any part of the security equipment becomes defective, the Company agrees to make all repairs and replacement of parts without costs to the Subscriber for a period of one (1) year from the date of installation. The Company reserves the option to either replace or repair the alarm equipment and reserves the right to substitute materials of equal quality at time of replacement or to use reconditioned parts in fulfillment of this warranty. This warranty does not include batteries, electrical surges, lightning damage, software upgrades and repairs, communication devices that are no longer supported by communication pathways, obsolete components, and components exceeding manufacturer's useful life. The Company is not the manufacturer of the equipment and other than the Company's limited warranty Subscriber agrees to look exclusively to the manufacturer of the equipment for repairs under its warranty coverage if any. Except as set forth in this agreement, the Company makes no express warranties as to any matter whatsoever, including but not limited to, unless prohibited by law, the condition of the equipment, its merchantability, or its fitness for any particular purpose, and the Company shall not be liable for consequential damages. The Company does not represent nor warrant that the security system may not be compromised or circumvented, or that the system will prevent any loss by burglary, hold-up, fire or otherwise or that the system will in all cases provide the protection for which it is installed. The Company expressly disclaims any implied warranties, including implied warranties of merchantability or fitness for any particular purpose. The warranty does not cover any damage to material or equipment caused by accident, misuse, attempted or unauthorized repair service, modification, or improper installation by anyone other than the Company. Subscriber acknowledges that any affirmation of fact or promise made by the Company shall not be deemed to create an express warranty unless included in this agreement in writing; that Subscriber is not relying on the Company's skill or judgment in selecting or furnishing a system suitable for any particular purpose and that there are no warranties which extend beyond those on the face of this agreement, and that the Company has offered additional and more sophisticated equipment for an additional charge which Subscriber has declined. Subscriber's exclusive remedy for the Company's breach of this agreement or negligence to any degree under this agreement is to require the Company to repair or replace, at the Company's option, any equipment which is non-operational. This Limited Warranty is independent of and in addition to service contracted under paragraph 2(B) of this agreement. This Limited Warranty gives you specific legal rights and you may also have other rights which vary from state to state. If required by law, the Company will procure all permits required by local law and will provide a certificate of workman's compensation prior to starting work.

4. COMPANY IS NOT AN INSURER AND LIMITATION OF LIABILITY: CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER COMPANY NOR ITS CONTRACTOR IS AN INSURER. THAT CUSTOMER ASSUMES ALL RISK OF PERSONAL INJURY AND LOSS OR DAMAGE TO CUSTOMER'S PREMISES OR TO THE CONTENTS THEREOF. Customer further acknowledges and agrees that if any insurance is desired, Customer must obtain it. In addition to the Company's other rights at law or under this Agreement, the Customer specifically releases the Company and its contractor from any liability for any event or condition covered by the Customer's insurance. Customer understands and agrees that if company or its contractor should be found liable for loss or damage due to company's or its contractor's negligence, failure to perform any of the obligations herein, or failure of the monitoring service or the equipment in any respect whatsoever, company's and its contractor's liability shall be limited to the sum of five hundred dollars (\$500) and this liability shall be company's or its contractor's sole and exclusive liability. If Customer wishes a higher limitation of liability by paying an additional periodic service charge to Company, if Customer elects to exercise this option, a rider shall be attached to this Agreement setting forth the terms, conditions and the amount of the liability and the additional periodic charge. Such rider and additional obligation shall in no way be interpreted to hold Company or its contractor as an insurer.

5. CUSTOMER'S DUTIES: Customer shall maintain the System in good operating condition and shall secure and maintain all licenses or permits that may be necessary from governmental authorities for the continued monitoring and use of the System. **THE CUSTOMER IS RESPONSIBLE FOR TESTING THE SYSTEM MONTHLY AND ANYTIME THERE IS A CHANGE TO ANY ASPECT OF THE TRANSMISSION SYSTEM (SEE SECTION 7). THE CUSTOMER MUST NOTIFY COMPANY OR ITS CONTRACTOR PROMPTLY IF CUSTOMER BELIEVES THERE IS A PROBLEM.** Customer agrees to provide Company and its contractor with written notice of any changes, revisions, and modifications to the Transmission System, and further agrees to provide and maintain current and correct subscriber and emergency contact information with Company and contractor.

6. DEFAULT, DISCONNECTION AND REMEDIES: Customer will be in default and breach of this agreement if Customer 1) fails to pay any fees or charges when due, 2) generates, in Company's sole judgment, excessive false alarms; or 3) fails to perform other obligations set forth in this Agreement and such failures continues for ten (10) days after issuance of written notice by Company. In the event of a default, the Company may, by notice to Customer, terminate Customer's monitoring services. Company's responsibilities and liabilities under this Agreement shall also immediately cease. Customer will remain responsible for all charges incurred prior to the effective date of service termination. If Customer breaches this Agreement during its initial term, Customer acknowledges that it will cause substantial damage to Company, and because it would be difficult if not impossible to determine the amount of such damage, Customer will also pay as liquidated damages and not as a penalty either an amount equal to eighty (80%) percent of the remaining payments owed during the initial term or all sums the Company may be entitled to under state law and, in either case, any related fees, court costs, collection costs, and attorney fees. All amounts are due immediately without presentment, demand, protest or further notice, all of which Customer expressly waives.

7. TRANSMISSION SYSTEMS: Customer's System communicates with the Company's monitoring facility utilizing one or more networks - telephone, cable, internet, cellular, or radio. It may also utilize equipment in Customer's home - telephone or cable equipment, modem, router, power supply. Together, the System, the network and other equipment represent the "Transmission System." This Transmission System is beyond the control of Company and Company takes no responsibility for its reliability or its continued compatibility with its intended usage. Each network and the related in-home equipment has its own inherent risks and reliability levels and the Customer should consider their own needs and requirements before choosing a Transmission System. **IN ORDER FOR THE SYSTEM TO TRANSMIT SIGNALS OVER THE INTERNET, IT MUST HAVE UNINTERRUPTED ACCESS TO AN ALWAYS-ON HIGH-SPEED INTERNET CONNECTION.** If a signal from Customer's System does not reach Company's monitoring facility for any reason, Company will not be able to respond and Company will not know about the communication problem. Communication issues might include, but are not limited to, network outages, severed lines,

lack of power to key components, signal jamming, obsolescence or failure of components, and/or changes in laws or regulations. The Customer should test the System on a regular monthly basis and any time there is a change to any aspect of the Transmission System (See Section 5). The Customer should immediately notify the Company of any changes to the Transmission System (including use of DSL, VOIP or other broadband services as these may interfere with or prevent signal transmission) or any communication issues identified by Customer during test. **IF THE TRANSMISSION SYSTEM USES A TELEPHONE LINE AND THAT LINE IS DISCONNECTED, THE ALARM TRANSMISSION WILL FAIL.** If Customer has chosen a means of communication that causes the System to seize control of a communication network in order to communicate with the monitoring facility, Customer understands that they will not be able to use that same communication network to call for emergency response during the time that the communication network is in use.

8. INTERRUPTION OF SERVICE: Neither Company nor its contractor assumes any liability for interruption of monitoring service due to strikes, riots, floods, storms, earthquakes, fires, power failures, interruption or unavailability of communication network service, acts of God, or for any other cause beyond the control of Company or its contractor. In case of such an event, Company may suspend the monitoring service and/or this Agreement without liability and without notification to Customer. Company or its contractor may suspend or cancel this Agreement without notice, liability, or penalty should the System, Customer's Premises or Company's or its contractor's monitoring facilities become so substantially damaged that further service is impractical. Customer will remain responsible to pay for services provided. Neither Company nor its contractor shall have any liability for delay in installation or maintenance of the equipment.

9. THIRD PARTY INDEMNIFICATION: Customer agrees to and shall indemnify, defend, and hold harmless Company and its officers, directors, employees, agents, contractors and any person or entity for whom the Company is legally responsible, from and against any and all claims arising from this Agreement brought by third parties to this Agreement.

10. SUBROGATION: Unless prohibited by Customer's insurance policy, Customer hereby discharges and agrees to hold Company harmless from any and all claims, liabilities, damages, losses or expenses, arising from or caused by any hazard covered by insurance in or on the Customer's Premises whether said claims are made by Customer, his agents, insurance carrier, or other parties claiming under or through Customer. Customer agrees to indemnify, defend and hold harmless Company and its contractor from any action for subrogation that may be brought against Company or its contractor by any insurer or insurance carrier, or its agents or assigns, including the payment of all damages, expenses, costs and attorney's fees. Customer shall notify their insurance carrier of the terms of this provision.

11. LIMITATION ON ACTIONS: To the extent permitted by law both parties hereby agree that no suit or action that relates in any way to this Agreement (whether based upon contract, negligence or otherwise) shall be brought against the other party more than one (1) year after the accrual of the cause of actions.

12. BINDING ARBITRATION: THE PARTIES AGREE TO RESOLVE THROUGH BINDING ARBITRATION ALL CLAIMS, DISPUTES, OR LAWSUITS (COLLECTIVELY "CLAIMS"), REGARDLESS OF THEIR NATURE, ARISING OUT OF THIS AGREEMENT OR ANY OTHER BUSINESS RELATIONSHIP BETWEEN THE PARTIES. The parties agree that arbitration shall be conducted in accordance with the commercial rules of the Federal Arbitration Act (FAA) Arbitration or any related Arbitration will take place in Knoxville, Tennessee, unless both parties agree to a different location. The arbitration shall be conducted by an attorney who is knowledgeable about the security industry. The arbitrator is not authorized to grant punitive damages. All direct and indirect costs for arbitration will be paid by the non-prevailing party or split in an equitable manner by the arbitrator. The arbitration proceedings, including decisions and awards, shall be held in confidence by both parties. The parties acknowledge that by executing this Agreement, they are waiving all rights to a jury or bench trial for all claims between the parties.

13. FALSE ALARMS: Customer understands that local authorities may impose fines for false alarms or signals, and Customer agrees to be responsible for those fines and any related costs whether they are levied directly on Customer or on the Company, its contractors, or subcontractors.

14. FIRE ALARMS: Unless the Schedule of Equipment and Services provides for a fire alarm system to code the Company makes no representation that the fire alarm equipment meets local code requirements or constitutes a fire alarm system as that term is defined by the Authority Having Jurisdiction (AHJ) over fire alarm systems in Subscriber's premises. If a fire alarm system to code is specified in the Schedule of Equipment and Services then the Company will install fire alarm equipment pursuant to AHJ requirements. Subscriber agrees that any equipment required by the AHJ not specified in the Schedule of Equipment and Services shall be an extra to this agreement to be paid for by Subscriber at the time the additional equipment is requested.

15. RESIDENTIAL SERVICE PLAN OPTION: After the installation warranty term, if the Service Plan has been selected, Company or its contractor will provide repair service during its regular business hours of 8:00 a.m. to 5:00 p.m. Monday through Friday (excluding holidays) for fifty dollars (\$50) per incident for as long as Company provides Customer's monitoring service and Customer is current on all payments. Customer will pay for service provided outside these times at Company's customary rates. The Service Plan does not cover batteries, key fobs, cellular equipment, cameras, system moves, Z-Wave devices, or video equipment. It also does not cover damage caused by abuse, misuse, faulty connections, tampering, construction, vandalism, theft, acts of God, cosmetic damage or any other cause other than normal wear and tear.

16. ASSIGNMENT: This Agreement may not be assigned in whole or in part by Customer. Company may assign or subcontract all or any portion of this Agreement without notice to Customer and any such assignee or subcontractor shall be entitled to the rights, benefits, privileges and protection afforded to Company under the terms of this Agreement.

17. ACKNOWLEDGMENT: Customer authorizes release by a consumer reporting agency of consumer credit information to the Company and/or its assigns now and at any time during the term of this Agreement. Customer consents to the recording of all communications between the Customer and the Company.

18. ENTIRE AGREEMENT: This writing is intended by the parties as a final expression of their agreement and as a complete and exclusive statement of the terms thereof. Company's or its contractor's duty and obligation to provide monitoring services to Customer arise solely from this Agreement. This Agreement supersedes all prior representations, understandings, or agreements of the parties. This Agreement can only be modified (a) in writing, signed by the parties or their duly authorized agents or (b) by written notice sent by Company to Customer, provided that Customer does not object in writing within thirty (30) days after receiving the notice. No waiver or breach of any term or condition of this Agreement shall be construed to be a waiver of any succeeding breach. Customer agrees that Company may convert this Agreement to electronic media, which may serve as the exclusive original.

19. PRIVACY: Company will use commercially reasonable efforts to maintain the privacy of Customer's information. Customer understands that Company cannot guarantee privacy and agrees not to hold the Company liable for any claims, loss, damages, or costs that may result from loss of privacy. Customer consents to Company contacting him/her about new products and services.

ANDERSON COUNTY GOVERNMENT BUDGET GUIDELINES 2025/2026

January 9, 2025

1. Objective

The County desires to prepare a “structurally balanced budget” generating revenues sufficient to cover planned expenses. Deficit budgets that are balanced using fund balance reserves are not sustainable over the longer term.

With the objective of preparing a structurally balanced budget, some expenditures will need to decrease to offset increases in other areas. Departments are encouraged to proactively identify cost-saving opportunities that will decrease operating expenses.

2. Guidelines

The budgets proposed for fiscal year 2025/2026 are to be based on the following:

- Revenues should be forecasted based on actual trends and/or actual commitments.
- Expenses should be estimated based on actual expenditures and adjusted for anticipated changes. All increases over prior year expenditures must include a justification.
- Departments should submit a “no increase budget”.
- Health Insurance costs will be budgeted by the Finance Department.
- Capital outlay for equipment should not be budgeted in operational department budgets.

3. Budget Process

The Finance Department is a resource to the County throughout the entire budget cycle. The Budget Committee encourages departments to invite the Finance Director and staff to be a part of their budget preparation. The Finance Director is a resource in constructing proposed budgets prior to submission as well as assisting in preparation for Budget Committee presentations and discussions.

The Budget Committee will vote to approve or reject proposed budgets before they are submitted to County Commission for consideration. Budgets that adhere to the *Budget Guidelines for Fiscal Year 2025/2026* may be approved without much, if any, additional discussion. However, budgets that do not adhere to the *Guidelines* and/or budgets that need additional review may be discussed in the Budget Committee meetings and at any scheduled hearing.

The timeline for the budgetary approval process is detailed in the “*Budget Schedule for the 2025/2026 Fiscal Year.*” This schedule is included as part of the budget materials. It details all of the tentative dates for specific budget activities to meet the deadlines set by state law.

ANDERSON COUNTY GOVERNMENT BUDGET GUIDELINES 2025/2026

January 9, 2025

The budget approval process for Anderson County Schools will follow a separate calendar that is incorporated within the *"Budget Schedule for the 2025/2026 Fiscal Year."*

4. Budget Forms & Worksheets

Each department is to complete certain documents as part of their proposed budget. These documents are consistent with those used in previous years. These forms may be distributed, prepared and returned in hardcopy and/or electronic format; electronic format is strongly preferred. The budget forms and worksheets are as follows:

- *"Budget Worksheet"* by general ledger departmental account code for respective revenues and expenditures.
- *"Employee Payroll Tax & Fringe Benefit Calculations"* for full-time and part-time staff.
 - The calculations in the worksheet reflect the anticipated payroll taxes and fringe benefit costs. The Finance Department will budget the health insurance object codes 206, 207 and 208.
 - Salaries and compensation are to be the same as, or lower than, the amounts in the 2024/2025 amended appropriations. Any increase requires justification and presentation to the Budget Committee during the hearing process.
- *"Explanation of Expenditure Codes"* is used to provide expenditure descriptions and details for object codes 300 to 999, especially if several expenditures are consolidated in one account code. This document useful in discussing several expenditures consolidated into one code; one-time, non-recurring costs; and significant purchases that are expected.
- *"Five-Year Capital Outlay Worksheet"* is used for planning capital purchases anticipated over the next 5 fiscal years. These purchases should not be included within the departmental operating budget. Approved capital purchases will have an object code of 700-799.
 - Refer to the *"Capital Project Prioritization"* form for determining the priority of the requested asset.
- *"County Government Grant Pre-Application Notification Form"* must be completed for any grant that is new and/or renewing in the fiscal year. A copy of the *"Grant Amendment"* form that details the contract number, State/Federal funding, and other grant information is to be submitted as additional documentation. Each department must also complete the grants inventory list for all currently active grants.
