Rezoning Request Planning Report

Date: 01/14/2026

Applicant: James Brown

Request: From: A-2 (Rural-Residential District) To: A-1 (Agriculture-Forestry District)

Location: 3638 & 3646 New River Hwy., Briceville

Acres: Parcel: 045.00 is 1.46 acres and Parcel: 046.00 is .30 acres (1.76 total acres)

SITUATION: Applicant requesting rezoning from A-2 (Rural-Residential District) to A-1 (Agriculture-Forestry District) for lots at 3638 & 3646 New River Hwy., Briceville. The lots are near the trails of Windrock Park, which is a major tourist attraction.

The permitted uses in the A-1 District range from Agricultural and forestry uses, single family & two-family dwellings to parks, campgrounds and other recreational uses. There is public water available to the property.

SELECTIVE CRITERIA FOR CONSIDERATION:

- *Is the request consistent with the applicable policies in the Land Use Plan? Yes*
- *Is the request consistent with the existing area zoning in proximity to the property? Yes*
- *Are the potential permitted uses for the requested district compatible with the existing land use of the area? Yes*
- *Would there be potentially adverse impacts to the general public? No*
- *Will the existing infrastructure support permitted uses in the requested district? Yes*
- *Is there adequate information to make a rezoning decision? Yes*
- *Are the substantial reasons the property cannot be currently used in compliance with the existing zone? Yes*

PLANNING FACTORS INFLUENCING RECOMMENDATION:

Rezoning for a small campground (3 sites) is consistent with the policies of the Land Use Plan, in regard to adequate level of service availability, and encouraging the expansion and establishment of new businesses in the county. The land use of the area is generally residential, farmland and recreational. There are no identified potentially adverse/negative impacts as the property is suitable for smaller low-intensive activities.

Dear Dr. Parrott and Members of the Anderson County Commission,

I am writing to formally request approval to accept a donation from County Commissioner Jerry White. Mr. White shared that Waste Management funds are designated to support education, and he has expressed his desire to donate \$1,000 to Grand Oaks Elementary School to be applied toward the purchase of a new school sign.

Our school and PTO have been working hard to raise funds for this project, and this donation would be a meaningful contribution that helps us reach our goal. We are grateful for the continued support of our community and the County Commission in improving our school for students and families.

We respectfully request that you consider allowing us to accept Mr. White's donation to be used for this purpose. Thank you for your time and consideration. Please let me know if any additional information is needed.

Sincerely,

Jessica Conatser
